Registrar.

Marthy Chawon

The office noted the date of departmental appeal as 05.03.2021 being earlier than the date of impugned order i.e. 20.04.2021. The reply of objection has been submitted where-after the file has been put up for orders in relation to the office objection and the reply. The appellant replied that departmental appeal was filed on 03.05.2021 and the date i.e 05.03.2021 is mistakenly written. The departmental appeal available on file as Annexure-D at Page-28 would show that the type written date on its heading is 03.05.2021 but with the signature of the appellant at the bottom its sequence was changed as 05.03.2021 such mistake has no material effect in reckoning of period of the limitation when the type written date on top of the departmental appeal is later than the date of impugned order, therefore, the objection stands settled accordingly.

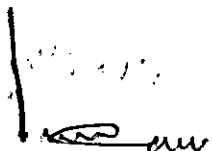

Chairman

The appeal of Mr. Amjid Khan son of Muhammad Iqbal Khan Assistant Treasury Officer office of Restrict Comptroller of Accounts A.Abad received today i.e. on 30.06.2021 is incomplete on the following score which is returned to the counsel for the appellat for completion and resubmission within 15 days.

Impugned order was passed on 30/4/2021 (Page-36) departmental appeal (Page-38) was preferred on 05.3.2021 much before passing the impugned order meaning thereby that there is no departmental appeal against the impugned order.
