BEFORE KPK SERVICE TRIBUNAL, PESHAWAR.

S.A No. 1155 /2022

Qaiser Zaman, Work Superintendents (BPS-10)
Public Health Engineering Division Mardan.

..... Appellant

VERSUS

1. Government of KPK, through Secretary Public Health Engineering Department Peshawar.
2. Secretary Establishment Department Civil Secretariat, Peshawar.
3. Secretary Finance, Finance Department, Civil Secretariat, Peshawar.
4. Chief Engineer (Center) Public Health Engineering Khyber Pakhtunkhwa, Peshawar.

..... Respondents

APPEAL U/S 4 OF KPK SERVICE
TRIBUNALS ACT, 1974 FOR
INCREASE OF PROMOTION QUOTA.

Respectfully Sheweth!

1. That appellant is rendering services in the capacity of works Superintendent (BPS-10) as he was promoted to the post in the year 2009. (Copy of promotion order and seniority list are attached as annexure-A&A1).
2. That appellant is diploma holder i.e "Diploma of Associate Engineering in Civil, as such, he has the qualification to be promoted to next cadre (Copy of Diploma is attached as annexure-B).
3. That vide notification No. SO(Estt)/PHED/1-9/2016-17 the respondents introduced the promotion quota, the relevant column is reproduced for ready reference.

"A" one percent by promotion, on the basis of seniority-cum-fitness from amongst the works superintendents with five years' service as such, having at least second class diploma of associate engineering in civil, electrical, electronics, mechanical technology from a recognized board of technical education.

(Copy of impugned notification dated 31-10-2017 is attached as annexure-C).

- 4. That the promotion quota badly affected the promotion of appellant, which involves financial benefits according to superior courts judgments as the rules affecting civil servants financially can be challenged at any time and termed as recurring cause of action.
- 5. That the superior courts have termed the rules as final order as per dicta laid down by the superior courts reported as **1991 SCMR 1041, 1994 SCMR 1330, 2012 PLC (CS) 142 and 2015 PLC (CS) 215**, hence the instant appeal, inter-alia, on the following grounds.

GROUND:

- A. That promotion quota has been kept as one percent for the promotion to next grade which is not only meager but also irrational as in the same notification the promotion quota has been kept five percent for the tracer. Needless to mention here that the qualification of both the categories are one and the same. On this score alone increase in the promotion quota of the appellant is need of the hour.
- B. That the employees working in C&W Department as woks **Superintendents** (one and the same post) having similar qualification; their promotion quota is five percent vide notification dated 25-03-2010. (**Copy of notification dated 25-03-2010 is attached as annexure D**). The relevant whereof is reproduced for ready reference.

2

				Engineering in Civil Technology from a recognized board.
--	--	--	--	--

- C. That similarly the employees working in Irrigation Department having the same post and qualification are promoted under the notification dated 20-12-2006 (**Copy of notification dated 20-12-2006 is attached as annexure-E**).their promotion quota is also fifty percent which is higher than the appellatant promotion quota.
- D. That the promotion quota of class IV is 33 percent while same is the case of clerical staff.
- E. That the promotion quota of the appellatant as compared (having same post and qualification) is not based on intangible differentia which is against the law laid down in case of I.A Shirwani reported as **1991 SCMR 1041**, hence the rules in vogue is not tenable.
- F. That if the promotion quota of the appellatant is not increased the prospects of promotion will be finished as he would be unable to see promotion to the next higher grade not on merit but due to technical knockout such a practice is not desirable under the law.
- G. That the promotion quota of the appellatant is without any cogent reason, legal justification, hence needed to be increased by this honorable Tribunal.
- H. That the appellatant has not been treated in accordance with law, rules and policy on the subject which is hit by Article 4 of the constitution of Pakistan, 1973.
- I. That it cannot be legally denied by the respondents as the appellatant has been rendering services against the post of works Superintendents, but his promotion quota is one percent while similarly placed employees were granted five percent quota such a treatment meted out to the appellatant is not discriminatory in nature, offending the unambiguous provision Article 25 and 27 of the Constitution of Pakistan, 1973 but it also runs derogatory dicta given by the superior courts.
- J. That the Appellate Authority was under legal obligation to decide the departmental appeal of the appellatant either way but the same procedure has not been followed.

K. That the appellant seeks leave of the Tribunal to urge additional grounds at the time of arguments with the prior permission of the Honorable Tribunal.

PRAYER:

In view of the forgoing, it is, therefore, most humbly prayed that on the acceptance of this service Appeal, the respondents may please be directed for the increase of promotion quota from one percent to five percent by amending the impugned notification and the respondents be directed to initiate process of promotion from the date of eligibility of the appellant.

Any other remedy which the appellant is found fit in law, justice and equity may also be granted.

APPLICATION FOR CONDONATION OF DELAY.

Respectfully Sheweth!

1. That the instant application is being filed along with the accompanying service appeal, the grounds of which may kindly be considered as integral part of the instant application as well.
2. That the appellant has impugned the promotion quota introduced vide notification dated 31-10-2017. Such a notification has been termed as final order by the superior courts.
3. That the impugned notification has badly affected the promotion of the appellant which involves financial benefits and according to the dicta laid down by the superior courts the matter involves financial benefits, no limitation runs against the same. Reliance is placed on 2021 SCMR 1151.
4. That even otherwise promotion is a recurring cause of action and as per section 23 of the limitation act, 1908 no limitation runs against recurring cause of action.
5. That this honorable tribunal has ample jurisdiction to condone the delay if any in the best interest of justice.
6. That the appellant seeks leave of the court to urge additional grounds at the time of arguments.

It is, therefore, prayed that the delay (if any) in filling of the appeal may kindly be condoned in the best interest of justice.
