Subject - Extension of Date for Security Deposit

Refer to the subject-matter to inform that the S.A. No 634/22 of the Appellant was fixed for 20-7-22 for PH. The case was admitted. The fee to deposit was ready to be paid but the concerned official told me that amount of security is not known and the file of S.A. No 634/22 is still in Court Room, therefore, I was not deferred within two days. Letter was sent to other official against the required period of 10 days before court may be stated for another days with a-111 to enable the Appellant to deposit the fee.

Thank you.
