Neither appellant nor his counsel present.

It merits mention here that the appellant was dismissed from service on 30.09.2013 and thereafter, his departmental appeal and review petition were also dismissed on 08.09.2015 and 12.05.2016 respectively whereas the present appeal was filed on 02.01.2018.

The case was fixed for preliminary hearing on 12.01.2018 but on that day, neither appellant nor his counsel was present so the case was adjourned to 27.02.2018. On this day, the learned counsel for the appellant put appearance and sought adjournment, so the case was again adjourned to 27.03.2017 for preliminary hearing. On the said date i.e 27.03.2017, again neither appellant nor his counsel was present, so the case was adjourned to 18.04.2018 on which date, the learned counsel for the appellant again sought adjournment. On previous date i.e 06.07.2018 neither the appellant nor his counsel was present. Today is the same position.

From the previous conduct of the appellant, one thing becomes clear that he is not serious in pursuing his case, as such, no further chance of hearing is given to him. Hence, the appellant in hand stands dismissed in default. No order as to costs. File be consigned to the record room.

PRAYER IN APPEAL

It is humbly prayed before this Honourable Court to accept this appeal and set aside the impugned penalty order of Dismissal from Service dated 30-09-2013, the respondents may be directed to reinstate the Appellant in service with all back benefits. It is further prayed that the Hon'ble Tribunal has ample power to modify the harshest Dismissal penalty into some minor penalty on humanitarian ground as the appellant is not involved in some corruption charges.

Any other relief which this Honorable Tribunal deems fit for the Appellant may also be granted in the interest of justice

FACTS

1. That the Appellant performed his service at the department of about three years with complete honesty and devotion. The appellant has clean and unblemished track of his service record.
2. That the appellant's child with the will of Allah Almighty suffered heart diseases and the appellant was mentally up-set and due to these unavoidable circumstance absented himself from duty. The absence was not willingly and intentionally.
3. That during the treatment of his child could not inform the department properly.
4. That during this period the appellant was issued with the show cause notice which unfortunately not received to the appellant. In the absence of the appellant a fact finding inquiry was held and the enquiry officer recommended major punishment on the charge of misconduct.
5. That after inquiry the appellant was imposed major penalty of Dismissal from Service. The **Impugned Major Penalty Order dated 30-09-2013 is ANNEX A.**
6. That the appellant being unaware of the penalty order came to know by some of his colleague that he has been dismissed from service. The appellant visited to his department and collected the penalty order

and filed his first departmental appeal to his appellate authority and represented all medical certificates of treatment of his child. The copies of Medical Certificates of the whole period are ANNEX B.

7. That the departmental appeal of the appellant was rejected vide order dated 25-08-2015 without consideration of the medical certificates. The copy of rejection order dated 25-08-2015 is ANNEX C.

8. That the appellant preferred his review appeal with request of his reinstatement into service as his absence was not willing but it was under unavoidable circumstances of his child's treatment. The appellant further submitted that he did not receive any show cause notice nor he knew the departmental proceedings conducted against him. The copy of his repeated review appeal dated 08-09-2015 is ANNEX D.

9. That the review of the appellant was considered and he was called for personal hearing, during personal hearing by the appellate authority he submitted all medical certificates which were not given sympathetic consideration and finally the impugned original order of dismissal from service was upheld and the appellant was rejected vide final rejection order dated 12-05-2016 is ANNEX E.

10. That the appellant has preferred the instant service appeal for an appropriate remedy on the following:-

GROUND:

1. That the leave record of the appellant would show the factual position that the appellant has neither availed any casual leave nor earned leave. That would be a sufficient proof that appellant was very regular in service who did not avail a single day of casual or earned leave. The respondent did not consider this most important factor in mind and imposed the harshest penalty of dismissal from service.

2. That for all practical purposes the appellant was condemned unheard. The action of body or corporation in violation to the principles of

natural justice is without lawful authority and without legal effect. (Reliance is placed on 2002 TD (Service). 370).

3. That as per leave rules provided in EstaCode, 2000, Chapter VII, Page 811, Rule 20 (2), Leave applied on medical certificate shall not be refused: Provided that the authority competent to sanction leave may, at its discretion, secure a second medical opinion by requesting the Civil Surgeon or Medical Board, as the case may be, to have the applicant medically examined. The authority in the case of the appellant had no locus standi to refuse leave to the appellant on medical certificate.
4. That the copy of fact finding inquiry report was not supplied to the appellant, which prejudiced his right of defence. It has been held in the case of Syed Mir Muhammad V. NWFP Government through Chief Secretary reported as PLD 1981 Supreme Court 176; that, '*Inquiry report should be furnished along with the Show Cause Notice. Such inquiry report not supplied, the proceedings were brushed aside*'.
5. That the appellant was imposed a major penalty of Dismissal from Service without conducting a regular inquiry. It has been consistent view of the Superior Courts that major penalty cannot be imposed without a regular inquiry. Reliance is placed on the following judgements, 2005 PLC (CS) 256 & 263.
6. That the appellant has only 3 years of his service record and as per law he would be disqualified for any government job in future and such the penalty of Dismissal from Service is harsh and does not commensurate with the gravity of offence and such it is against the dictum of the Apex Court of Pakistan. It is a settled law that the penalty must commensurate with gravity of the offence. **[Reliance is placed on 2003 TD (Service) 177 & 2005 UC 577**
7. That the representation of the appellant has been rejected without assigning any reason in a mechanical manner. It has been held in 2001 SCMR 256, that, '*Appellate forum is required to examine each and every aspect of matter in depth and only thereafter, conclusion*

should be drawn in accordance with record, evidence, prevailing laws, rules, therein principles of natural justice and settled norms of justice”.

8. That the rejection order dated 29-03-2006 is a non speaking order in violation to Section 24-A of the General Clauses Act 1897, where it has been clearly stipulated that all such orders are to be speaking order supported by reasons. The appellant would like to quote the following judgments in support of his contention:- 2001 SCMR 256.

ORDER

This order will dispose off the departmental enquiry against Constable Iqbal Hussain No.1936 who absented himself from his lawful duties without prior permission or leave vide D.D. No.09 w.e.l. 06-12-2012 up till now.

He was issued Charge Sheet alongwith Statement of Allegations and DSP/Madyan, Swat was deputed as Enquiry Officer. The Enquiry Officer conducted proper departmental enquiry against the delinquent Officer and recorded the statements of all concerned officers. He provided ample opportunity to the delinquent officer to present justification for his absence from lawful duties. After conducting proper departmental enquiry, the Enquiry Officer submitted his findings wherein he recommended the delinquent officer for Major Punishment. Consequently he was issued Final Show Cause Notice with the direction to submit his reply within seven days of the receipt of Final Show Cause Notice. He was called in Orderly Room on 26-08-2013, 09-09-2013, 16-09-2013, 23-09-2013 and on 30-09-2013. However, he did not appear.

Having perused his Service Record, it was patently evident that the delinquent officer Constable Iqbal Hussain No.1936 is addicted to habitual absenteeism and is not interested to continue his service. For his unlawful absence from duties he has been dismissed from service vide O.B. No.158, dated 30-09-2012. Foregoing in view the undersigned is of considered opinion that there are no chances that Constable Iqbal Hussain No.1936 can become an efficient Police Officer. His further retention in the service is bound to affect the discipline of the entire force. In exercise of the powers vested in the undersigned in Rules 2 (iii) of Police Disciplinary Rules-1975, I, Sher Akbar S.S.I. P.S.P. District Police Officer, Swat as a competent authority am constrained to award him the punishment of dismissal from service from the date of his absence.

OFFICE OF THE REGIONAL POLICE OFFICER, MALAKAND REGION,
AT SAIDU SHARIF SWAT

ORDER:

This order will dispose off appeal of Ex-Constable Iqbal Hussain No. 1936 of Swat District for reinstatement in service.

Brief of the case is that the Ex-Constable Iqbal Hussain No. 1936 while posted to Police Station Kalam absented himself from his lawful duties without prior permission or leave vide DD No. 09 with effect from 06/12/2012 to 30/09/2013.

He was issued Charge Sheet alongwith statement of allegations and DSP/Madyan Swat was deputed as Enquiry Officer. The enquiry Officer conducted proper departmental enquiry against the delinquent officer and recorded the statements of all concerned officers. He was provided ample opportunity to present justification for his absence from lawful duties. After conducting proper departmental enquiry, the enquiry officer submitted his findings wherein he recommended the delinquent officer for major punishment. Consequently, he was issued final Show Cause Notice with the direction to submit his reply within seven days. He was called in Orderly Room on 26/08/2013, 09/09/2013, 16/09/2013, 23/09/2013 and on 30/09/2013, but he did not appear. Having perused his service record, it was crystal clear that the delinquent Constable Iqbal Hussain No. 1936 is habitual absentee and is not interested to continue his service. For his unlawful and deliberate absence from duties, he has been dismissed from service vide OB No. 158, dated 30/09/2012.

He was called in Orderly Room on 21/08/2015 and heard him in person. The appellant did not produce any substantive materials in his defense. Therefore I uphold the order of District Police Officer, Swat, whereby the appellant has been awarded punishment of dismissal from service. The appeal being time barred too, is rejected.
