Counsel for the appellant Nazir Ahmad present. Preliminary arguments heard. Learned counsel for the appellant contended that the appointment of the appellant alongwith private respondents was passed on the basis of Public Service Commission exam. It was further contended that according to the result of Public Service Commission the appellant has been shown at serial no. 13 while private respondent Zaheer Ahmad has been shown at serial No. 15. It was further contended that the final seniority list pertaining to the year 2017 was issued wherein the appellant has been shown junior to Mr. Zaheer Ahmad therefore, the impugned seniority list is illegal and liable to be rectified. It was further contended that the appellant filed departmental peal but the same was not decided hence, the present service appeal.

The contention raised by learned counsel for the appellant needs consideration. The appeal is admitted for regular hearing subject to deposit of security and process fee within 10 days thereafter notice be issued to the respondents for written reply/comments for 08.08.2018 before S.B.

**APPEAL U/S 4 OF KP SERVICES**  
**TRIBUNAL ACT, 1974 AGAINST THE**  
**SENIORITY LIST OF SENIOR**  
**RESEARCH OFFICERS (BPS-18)**  
**NOTIFIED ON 10<sup>TH</sup> OCTOBER, 2017.**

**PRAYER IN APPEAL:-**

**ON ACCEPTANCE OF THE INSTANT**  
**APPEAL THE SENIORITY LIST MAY**  
**PLEASE BE CORRECTED IN**  
**ACCORDANCE TO LAW AND THE**  
**APPELLANT BE PLACED SENIOR TO**  
**THE RESPONDENT NO.4.**

**Respectfully Sheweth:-**

**Brief Facts:-**

1. That the respondent No.2 circulated the seniority list of SROs (BPS-18) for the year 2016 in which

the respondent No.4 who is junior to the appellant has been placed at serial No.8, while the appellant has been placed at serial No.33 to which the appellant objected on legal and factual grounds.

2. That without addressing the objections raised by the appellant the respondent No.2 and 3 notified the same seniority list vide notification dated 10<sup>th</sup> October 2017. **(Copy of the Seniority List is attached as Annexure "A")**.
3. That the appellant submitted an appeal against the impugned seniority notified on 10.10.2017 before the competent authority on dated 06.11.2017 but to no avail. **(Copy of the Appeal dated 06.11.2017 is attached as Annexure "B")**.
4. That having no other adequate remedy the instant appeal is being preferred on the following grounds inter alia.

**GROUND:-**

- A. That the impugned seniority is not in line with Section 8 of Civil Servants Act, 1973 and Section 17 of appointment, promotion and transfer rules 1989, hence needs to be corrected accordingly.
- B. That the issue involved has been decided by the Hon'ble KP Service Tribunal Peshawar vide its judgment dated 17.07.2012. **(Copy of the Judgment is attached as Annexure "C")**.

C. That the respondent No.4 and the Appellant were selected by KP Public Service commission in one batch and in the merit order the appellant is at Serial No.13 while respondent No.4 is at serial No.15 so according to rules the appellant is senior to the Respondent No.4 but in the impugned seniority list respondent No.4 has been placed senior to the Appellant which is illegal and against rules and needs to be corrected. **(Copy of Merit order is attached as Annexure "D")**.

D. That according to law and judgment of Hon'ble Tribunal dated 17.07.2012 all the respondents i.e respondent No. 4 to 14 are junior to the appellant, but have been placed senior which is nullity and needs to be corrected in accordance to law and above referred judgment.

E. That any other grounds in respect of the instant Appeal will be raised at the time of arguments with prior permission of the Hon'ble Tribunal.

**It is, therefore, most humbly prayed that On Acceptance Of The Instant Appeal The Seniority List May Please Be Corrected In Accordance To Law And The Appellant Be Placed Senior To The Respondent No.4.**

Subject: REPRESENTATION/ APPEAL AGAINST THE SENIORITY LIST OF SENIOR  
RESEARCH OFFICER (BPS-18) NOTIFIED ON 10 OCTOBER, 2017

Respected Sir,

The appellatant submits as under:

That the seniority list was circulated among the officers in which the appellatant is reflected on S.No. 33 whereas respondent ~~No 1~~ is reflected at S.No 8 which was objected by the appellatant on legal and factual grounds (Copy of seniority lists dated 10/10/2017) annexed as **annexure A**.

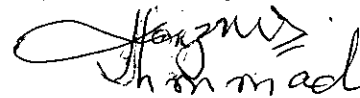

Grounds of Appeal.

- a) That according to the notification of Public Service Commission Dr. Zaheer Ullah Khan is on serial No. 15 while the appellatant is on serial No. 13 (Copy attached)
- b) That the officer shown on serial no 8 Dr. Zaheer Ullah Khan is junior to the appellatant and has wrongly been shown senior besides the fact that date of appointment of the officer on serial No. 8 is 25/07/1987 while the date of appointment of the appellatant is 26/07/1987.
- c) That the inter/se seniority of the officer shall be determined according to section 8 of civil servant Act 1973, and section 17 of appointment promotion rules 1989.
- d) That this issue has also been decided by the Honorable Khyber Pakhtunkhwa service tribunal vide its judgment dated 17/07/2012. Copy of judgment is annexed (**annexure B**).
- e) That the seniority in question is not in line with section 8 of civil servant acts 1973 and section 17 of appointment promotion and transfer rules 1989 and the same needs reflection accordingly.

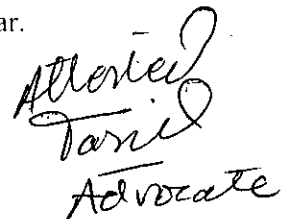

Therefore, it is humbly requested that the seniority list of Senior Research Officers BS-18 notified on 10/10/2017 may please be corrected by placing appellatant senior to respondent (Dr. Zaheer Ullah) in the seniority list of BS-18 by implementing the judgment dated 17/07/2012 of the Honorable Service Tribunal, in its true and letter spirit.

JUDGMENT

SYED MANZOOR ALI SHAH, MEMBER: This appeal has been filed by Mr. Imran Ali, Research Officer, Agriculture Research Institute, Tarnab Peshawar, under Section 4 of the Khyber Pakhtunkhwa Service Tribunal Act 1974, against the order dated 13.5.2011, whereby his representation has been rejected.

2. Brief facts of the case are that initially services of the employees of the Agriculture Research were governed by the general rules applicable to the civil servants in the Khyber Pakhtunkhwa. These rules were replaced by the Khyber Pakhtunkhwa Agriculture Department (Recruitment and Appointment) Rules 1981. Vide notification dated 2.2.2008, some amendments were made in 1981 rules, introducing certain changes in the method of recruitment for various posts

In the Agriculture Research Wing. These rules do carry Schedule-II wherein subject groups are provided. These subject groups are practically followed by recruiting the officials having qualification of the same subject nor they provide for a separate cadre but separate seniority is awarded to the officers of each separate subject groups. These groups are optional and any officer having Bachelors Degree or above in any Agriculture related subjects can enter into any group. The officers in functional groups consisting of smaller number of officers/officials are getting rapid promotion that the officers/officers who happened to fall in larger functional groups. To remove the anomaly the Director General Agriculture Research office (Respondent No.1) addressed a letter dated 27.11.2010 to respondent No.2 wherein he requested for abolition of Schedule-II from the rules of 1981. Feeling aggrieved the appellant filed writ petition No.42/2011, vide order dated 15.02.2011, the writ was disposed of and it was treated as a representation before the departmental authority, and sent to Secretary, Food, Agriculture, Livestock and Cooperation Department, Peshawar for decision strictly in accordance with law within a month's time. The representation was rejected vide order dated 13.05.2011, hence the present appeal.

3. The Appeal was admitted to regular hearing on 06.07.2011 and notices were issued to the respondents. Respondents No.1 and 2 have filed their joint written statement reply and contested the appeal.

4. Arguments heard and record perused.

5. The learned counsel for the appellant argued that the functional groups (subject groups) formed vide schedule-II of the 1981 Rules are meant only for efficient working of specialized and well-trained scientists in their respective subjects and they do not constitute separate cadres that may justify seniority and promotion in each functional group. Such a practice adopted by the respondent department due to misinterpretation and misuse of rules. The functional groups are optional and are not subject related. He further argued that these functional groups and the separate promotion within the groups have given irrational results. The officers in smaller functional groups get rapid promotion while in the larger groups the process of promotion is very slow. He stated that functional groups do not constitute separate cadres notwithstanding the matter of seniority in the respondent department is regulated by Section 8 of the Khyber Pakhtunkhwa Civil Servants (Appointment, Promotion and Transfer) Rules, 1989, which provide that the interse seniority of the officers shall be maintained at a

Arguments heard and record perused.

The learned counsel for the appellant argued that the functional groups (subject groups) formed vide schedule-II of the 1981 Rules are meant only for efficient working of specialized and well-trained scientists in their respective subjects and they do not constitute separate cadres that may justify seniority and promotion in each functional group. Such a practice adopted by the respondent department due to misinterpretation and misuse of rules. The functional groups are optional and are not subject related. He further argued that these functional groups and the separate promotion within the groups have given irrational results. The officers in smaller functional groups get rapid promotion while in the larger groups the process of promotion is very slow. He stated that functional groups do not constitute separate cadres notwithstanding, the matter of seniority in the respondent department is regulated by Section 3 of the Khyber Pakhtunkhwa Civil Servants (Appointment, Promotion and Transfer) Rules, 1980, which provide that the interse seniority of the officers shall be maintained at all

Position of lower grade seniority based on their first entry into the service. This controversy has already been set at rest only by the Establishment & Administration Department in the case of M/S Dilrosh and Tasleem Jan but also by the Hon'ble High Court vide judgment dated 26.05.2004. subsequent amendments in Rule 17 of the Khyber Pakhtunkhwa Civil Servants (Appointment, promotion, and Transfer) Rules 1989 also support the appellant plea. The learned Counsel for the appellant contended that Rules of 1981 are also discriminative in nature and are required to be brought at par with those of other Wings of the respondent department by abolishing/deleting the clauses of initial recruitment, as envisaged by Para (b) in column 6 against the post of Senior Research Officer (BPS-18). He further contended that the incumbent posts are mostly administrative and the higher qualification of Ph.D is seldom a need for running the affairs connected with these offices, rather it is the experience which should be more relevant for the efficient working against these posts, hence the initial recruitment on the basis of Ph.D degree against the administrative posts would serve no useful purpose. He requested that the appeal may be accepted and the respondents may be directed to treat the subject groups as envisaged by Schedule-II to the 1981 rules as a single cadre and they be restrained from issuance of separate seniority lists for each functional group and abolish the subject/functional groups. If the functional groups remained intact, then the respondents be directed to award seniority to the officers on the basis of their initial induction in service in accordance with notification of provincial government dated 19.11.2009 and judgment in Writ petition No.81/2002.

6. The learned AGP on the other hand argued that Rules of 1981 were framed by the provincial Government to improve research system in the agriculture sector. Schedule -II is meant for the purpose to accommodate the suitable candidates having specialized degrees in their relevant subject groups. The candidates having irrelevant degree cannot be appointed against the post of non specialized vacancies. He further argued that no anomalies/irregularities have been done in the Department. Every officer can easily work on their subject functional group in the relevant group having the knowledge of all the instruments in their laboratory, He stated that the seniority of the officers are maintained in the department from the date of induction into service according to the 1981 Rules (Schedule-II) which clearly mentioned that the interse seniority of Civil servant in a certain cadre in which promotion is made from different lower posts, carrying the same pay scale shall be determined from the date of regular

position of lower grade seniority based on their first entry into the service. This controversy has already been set at rest not only by the Establishment & Administration Department in the case of M/S Dilrosh and Tasleem Jaf, but also by the Hon'ble High Court vide judgment dated 26.5.2004. Subsequent amendments in Rule 17 of the Khyber Pakhtunkhwa Civil Servants (Appointment, Promotion, and Transfer) Rules 1989 also support the appellant's plea. The learned counsel for the appellant contended that Rules of 1981 are also discriminative in nature and are required to be brought at par with those of other Wings of the respondent department by abolishing/deleting the clauses of initial recruitment, as envisaged by para (b) in column 6 against the post of Senior Research Officer (SPS-18). The candidates having irrelevant degree cannot be appointed against the post of non specialized vacancies. He further argued that no anomalies/irregularities have been done in the department. Every officer can easily work on their subject functional group after recruitment/appointment according to his subject functional group in the relevant group having the knowledge of all the instruments in their laboratory. He stated that the seniority of the officers is maintained in the department from the date of induction into service according to 1981 Rules (Schedule-II) which clearly mentioned that the inter-se seniority of civil servants in a certain cadre in which promotion is made from different lower posts, carrying the same pay scale shall be determined from the date of regular

Appointment/promotion of the Civil Servants in the lower posts. Certain cadre means functional group; every functional group maintained seniority of the Research Officers from their date of appointment under the rules. The question of pick & Choose does not arise because highly qualified and Ph.D candidates are appointed after competitive examinations through Public Service Commission after advertisement of the post in newspaper he requested that the appeal may be dismissed.

7. The Tribunal observe that groups constituted are meant for efficient working and are not separate cadres, the groups are not subject related and does not have specific criteria/requirements and optional. The matter of seniority of civil servants is regulated under Section 8 of Khyber Pakhtunkhwa (Appointment, Promotion and Transfer) Rules 1989, according to which their inter se-seniority of civil servant in a certain cadre to which promotion is made from different lower posts, carrying the same pay scale shall be determined from the date of regular appointment/promotion of the civil servants in the lower posts. Vide judgment dated 20.5.2004, the Hon'ble Peshawar High Court accepted Writ Petition No.81/2002, No. 437/2002 and 279/2007 set aside the impugned orders with direction to respondent to prepare a fresh joint list of Senior Research Officers irrespective of their functional group and seniority with in the group and to undertake fresh process for filling of posts in question strictly in accordance with the Khyber Pakhtunkhwa Agriculture Department (Recruitment and Appointment) Rules, 1981 with reference to Schedule-1 for the appointment of Director/Coordinator Agriculture Research. The decision of S&CAD in the case of M/S Dilrosh and Tasleem Han also supports appellants' case. The Tribunal in view of the above accepts the appeal to this extent whereas in case of prescribing specific qualification for BPS-18(Ph.D in this case) is the prerogative of the government as its deem fit for initial recruitment. Parties are left to bear their own cost. File be consigned to the record.

The judgment will also dispose of other connected appeals No. 974/2014 Muhammad Hussain, No. 1147/2011, Manzoor Akbar, No. 1148/2011 Noor Jan, No. 1149/2011, No. 1150/2011 Abdul Rauf, No. 1151/2011 Muhammad Rafiq, No. 1152/2011 Abdul Majeed, No. 1153/2011 Zubair Shah, No. 1154/2011 Abdul Rauf, No. 1155/2011 Suleman, No. 1156/2011 Imtiaz Ahmad, No. 1157/2011 Abdul Qayum, No. 1158/2011 Tehseenullh Khan, No. 1159/2011 Sahib Zada Rashid Ahmad, No. 1160/2011
