- B) That no proper procedure was adopted by the authority before passing the impugned orders, which is against the law and rules and as such the impugned removal order dated 17.03.2021 and rejection order dated 08.12.2021 are liable to be set aside on this ground alone.
- C) That no show cause was issued to the appellant before passing the impugned removal order dated 17.03.2021, which is violation of law and rules.

- G) That inquiry was conducted against the appellant on his departmental appeal in which the appellant mentioned to the inquiry committee that due to lockdown and suspension of flights in kingdom of Oman on the reason of Covid-19, he could not return to Pakistan and properly filed application for extension of leave and the principal of the concerned School was also admitted the stance of the appellant during the inquiry proceeding conducting on the departmental appeal of the appellant, but despite that departmental appeal of the appellant was rejected on 08.12.2021 without giving any reason, which is against the norms of justice and fair play.
- H) That the appellant was not willfully remain absent from his duty, but due to lockdown and suspension of flights in the kingdom of Oman on the reason of Covid-19, he could not return to Pakistan and was compelled to remain absent from his duty, therefore, needs to be treated with a lenient view.
- I) That the penalty of removal from service is very harsh which is passed in violation of law and rules, therefore, the same is not sustainable in the eyes of law and liable to be set aside.
- J) That the appellant has been condemned unheard and has not been treated according to law and rules.
