Service Appeal u/s 4 of the KPK Service Tribunal Act, 1974 against the impugned Notification No.SO(E-I)E&AD /4-2/2012 dated 09.10.2012, whereby the appellant was promoted on regular basis with immediate effect instead of 08.12.2007 and order No.489/2013 dated 31.01.2013 vide which departmental appeal of the appellant was filed

28/2/13

co-submitted to-

Respectfully Sheweth:

Short facts giving to the present appeal are as under:

That in earlier round of litigation the appellant 1. brought an appeal before the Service Tribunal, KPK stating therein that he belongs to PSC (EG), he was promoted as Tehsildar on regular basis vide order dated 28.12.1988, he was lastly promoted in PCS(EG) BPS-17 on temporary basis vide Notification dated 06.03.1996, he was promoted to BPS-17 on regular basis on 19.02.2008 in PMS Group/ Cadre with immediate effect, during this period many posts became vacant in PCS(E.G), but instead of ante-dating the promotion of the appellant in BPS-17 (EG) i.e. the date on which the vacancy fell vacant and he became entitled for promotion on his turn in the seniority list of PCS(EG), after exhausting departmental appeal, the appellant filed service appeal before the Service Tribunal, KPK, which was allowed vide order dated 13.03.2009, the relevant portion of the judgment is reproduced below:

"We accept both the appeals, and direct the official respondents of each of the two appellant in the respective dates on which a vacancy become available for the respective turn of the appellant or from the respective dates of their taking charge of such vacancy on officiating / acting charge basis, which ever is later. The appellants were entitled to the costs of their respective litigation from the official respondents". (Copy of judgment is Annexure "A").

- 2. That not satisfied with the judgment of KPK Service Tribunal dated 11.03.2009, the respondents filed appeal before the Apex Court which was dismissed vide judgment dated 24.05.2012. (Copy of judgment is Annexure "B").
- 3. That ultimately the respondent No.2 ante-dated the promotion of the appellant with all back benefits/consequential benefits and re-designated the post as PCS(EG) BPS-17 vide Notification NO.SOE-II/(ED)2(423)/2010/Vol-II dated 25.07.2012.
- 4. That the appellant was promoted in BPS-18 on regular basis in PCS(E.G) vide Notification dated 09.10.2012, but with immediate effect instead of w.e.f. 08.12.2007, though he was entitled to be promoted on 08.12.2007 as many permanent vacancy in BPS-18 was lying vacant since 08.12.2007, it is wroth mentioning that PSB was held 0 no8.12.2007, in which 17 officers were promoted in BPS-18 in PCS(E.G) out of 27 vacant posts in BPS-18 in PCS(E.G), 10 seats left vacant in PCS(E.G) in Grade-18 since in promotion of BPS-17 was ante-dated w.e.f. 07.06.2000 vide Notification dated 25.07.2012 and his name appears at Serial No.7 in the said notification, therefore, he was eligible to be

(4)

promoted in BPS-18 in PCS(E.G) when the PSB was held on 08.12.2007 and he was left from promotion, hence, feeling aggrieved, the appellant filed departmental appeal, which was filed vide order dated 31.01.2013, therefore, the appellant approaches this Honourable Tribunal, inter alia, on the following grounds:

GROUNDS:

- A. That the act of respondents, not promoting the appellant from the date of their entitlement in the light of the judgment is illegal, without lawful authority, without jurisdiction and violative of the judgment of Service Tribunal and Apex Court quoted above, therefore, the notification dated 09.10.2012 is liable to be modified in the above terms.
- B. That the respondents have committed a legal error by not promoting the appellant from the date when the permanent vacancy fell vacant, particularly, when there was no legal impediment on the way of promotion, therefore, the respondents acted in disregard of law and judgments of the superior courts, warrants interference.
- C. That it was within the preliminary power of the government under the law to promote the appellant since 01.06.2000 when the present post of PCS (EG) fell vacant i.e. 01.06.2000 by not doing so the

(5)

respondents have not acted in accordance with law, therefore, warrants interference.

- D. That the appellant worked as PCS (EG) BPS-17 continuously for long (since o6.03.1996) without any break, therefore, the respondents are under legal obligation to promote the appellant from the date when the permanent vacancy fell vacant.
- E. That under the law the appellant is entitled to be promoted as PCS (EG) in BPS-18 from 08.12.2007 when the regular post of PCS (EG) fell vacant and not from 09.10.2012.
- F. That a large number of posts in BPS-18 PCS (EG) were lying vacant and the appellant was entitled for promotion, he was not promoted in due time, which speaks of malafide on the part of respondents.
- G. That the appellant was not promoted in BPS-18 PCS(EG) for no fault of him.
- H. That the respondents are under legal obligation to ante-date the promotion of appellant in BPS-18 PCS(EG).
- I. That the appellant is entitled to be promoted in Grade-18 in PCS(E.G) after 5 years regular service in BPS-17 in the light of Notification dated 25.07.2012.

- J. That even otherwise, the notification of promotion of the appellant in Grade-18 in PCS(E.G) with immediate effect offends the law laid down by the Honourable Service Tribunal and Apex Court in the earlier round of litigation, which resulted in gross miscarriage of justice, warrants interference.
- That promotion of appellant in BPS-18 in PCS(E.G) K. w.e.f. 08.12.2007 will not effect anyone.
- L. That the appellant seeks leave of this Honourable Tribunal to raise/ argue any additional point at the time of arguments.

It is, therefore, most humbly prayed that on acceptance of this service appeal, this Honourable Tribunal may graciously be pleased to declare the impugned Notification No.SO(E-I)E&AD /4-2/2012 dated 09.10.2012 to the extent of promotion with immediate effect instead of i.e. 08.12.2007 when the permanent posts in BPS-18 in PCS(EG) was lying vacant and PSB was held, as illegal, without lawful authority, without jurisdiction and violative of the judgment of Service Tribunal and Apex Court quoted above and the respondents be directed to promote the appellant in BPS-18 PCS(EG) from the date when the permanent vacancy in BPS-18 PCS(EG) fell vacant i.e. 08.07.2012 according to his entitlement.

JUDGMENT

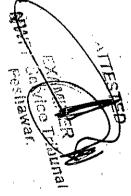

3 JUSTICE (R) SALIM KHAN, CHAIRMAN, The present appeal No. 612 of 2008 by Muhammad Iqbal Khattak and appeal No. 613 of 2009 by Ahmad Khan involved similar questions of law, therefore, these are taken together for arguments and disposal.

2. Muhammad Iqbal Khattak was promoted as Tehsildar on regular basis vide order dated 28.12.1988. He was promoted to PCS(E.G) (BPS-17) on temporary basis vide notification dated 06.03.1996. He contended that many posts became vacant, but the appellant was promoted to (BPS-17) on regular basis on 19.2.2008 with immediate effect, instead of ante-dating of his promotion to the date on which the vacancy fell to his turn in the

seniority lists of officers of PCS (E.G). His departmental appeal was rejected on 22.03.2008. The present appeal was filed on 16.4.2008 which is within time. The case of Ahmad Khan (Appellant) is similar to the case of Muhammad Iqbal Khattak on facts also. His appeal is also within time.

- 3. The respondents contested the appeal on many grounds, including the ground that no one could claim a vested right in promotion or in the terms and conditions for promotion to a higher post.
- 4. We heard the arguments and perused the record.
- The learned counsel for the appellants contended that the appellants were temporarily posted to BPS-17 post on 06.3.1996, but they remained silent, because they did not have a vested right for promotion to a higher post. The appellants have already been considered for promotion and have been found eligible and fit for regular promotion to BPS-17 post, therefore, the principles embodied in the judgment of the August Supreme Court of Pakistan reported as 1990 SCMR 1321 are not applicable to their cases. In fact, the vacancies had become available for the appellants as early as on 30.11.1999, and it was the responsibility of the official respondents to expeditiously deal with the cases of the appellants for their regular promotion. The appellants could not be punished for no fault on their side, or for delay caused by the official respondents in processing the cases of the appellants. He relied on 1997 PLC (C.S) 77, wherein it has been held in para 3 as under:-

"On behalf of the Government it is contended that no civil servant has a right to claim that he should be promoted from a back date even though a vacancy may be existing on the date from which the promotion is being claimed. This is no doubt true but there are no orders by the Government that the respondents/petitioners should be held up for some time. The delay in making the promotions occurred entirely due to the reason that the officials of the Education Department could not carry out a fairly simple exercise within a reasonable period." In the circumstances it will not be appropriate for this Civil Petition to interfere with the order of the Service Tribunal. Leave is refused."

nent

This judgment was in the petition for leave to appeal against the judgment dated 19.02.1995 of the Punjab Service Tribunal. It is worth-mentioning that

the judgments cited as 1990 SCMR 1321 and cited as 1997 PLC (C.S) 77 are on two different aspects of the same subject.

- Ante-dating of promotion, after consideration of the candidate aspiring for such promotion, after he was found eligible and fit for such promotion and is promoted, is an established principle of law. Such a candidate cannot be punished for any delay caused by the department in processing his case for promotion. The order of promotion, therefore, has to be ante-dated to the date on which the vacancy for his turn became available or to the date on which he actually took charge of the post on officiating/acting charge basis, whichever is later.
- 7. The A.G.P contended e present appeals were miserably time-barred and both the appellants wo 'opped by their own conduct to file the present appeals. In fact, the embodied in the judgment reported as 1990 SCMR 1321 was applicable to the cases of the appellants from 06.3.1996 to 18.2.2008. They could not claim promotion as of right. The principle embodied in the judgment reported as 1997 PLC (C.S) 77 became applicable to their case on 19.2.2008. Cause of action arose to the appellants for claiming ante-dation of their promotion as prayed for only when their cases were considered for promotion, they were found eligible and fit for promotion, and their promotion orders were issued, though with immediate effect. They filed their departmental appeals within time from the date of the impugned order dated 19.2.2008, and their appeals were rejected on 22.3.2008. They filed Service Appeals on 16.04.2008. The departmental appeals as well as the Service Appeals were well within time.

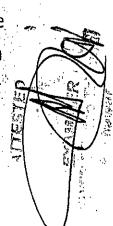

The A.G.P further contended that, according to the proviso contained in sub-section (2) of Section 22 of the N.W.F.P Civil Servants Act 1973, "no representation shall lie on matters relating to the determination of fitness of a person to hold a particular post or to be promoted to a higher post or grade." Judgment cited as 1990 SCMR 1321 was, then, applicable and appellants could not file representation. This stage has already passed. The appellants have been considered for holding the higher post after their promotion to that higher post, and their fitness for such promotion and holding of post has already been determined. The judgment cited as 1997

Medsel

PLC (C.S) 77 has become applicable after determination of fitness of the appellants. The question in these cases is not the determination of fitness but is the right of ante-dation of their promotion. The appellants had vested right for consideration of promotion on their turn, whenever it was, and, when found fit on determination of fitness, at any stage, they had a right to claim ante-dation of their promotion to the dates on which the vacancies were available for their respective turns or from the dates on which they actually took the charge of their respective posts, whichever were later in time.

- 9 of the N.W.F.P Civil Servants (Appointment, Promotion and Transfer) Rules, 1989 "acting charge appointment shall not confer any vested right for regular promotion to the post held on acting charge basis." The appellants have never claimed any vested right for regular promotion to the post which they held on acting charge basis, on the basis of acting charge appointment. In fact, they did not have such a right. They remained silent for a long time, knowing that they did not have such a right on the basis of acting charge appointment. They, however, had a vested right, as civil servants, for consideration for promotion, when the authority was to consider someone for promotion against the vacancy. No other person could be considered till the appellants were so considered. They, therefore, had a vested right for ante-dation of their promotion only when they were regularly promoted, but from the date when the vacancy became available for their turn.
- Frontier Province, Provincial Management Service Rules, 2007, notified on 11.05.2007 vide No. SOE.II(ED)2(14)2007, The NWFP Provincial Civil Service (Secretariat/Executive Group) Rules, 1997 were repealed. He was of the view that the N.W.F.P Provincial Management Service Rules, 2007 had come into force at once w.e.f. 11.05.2007, while the orders of promotion of the appellants were issued on 19.02.2008. He submitted that the promotion orders were covered by the new rules, therefore, the appellants could not claim any benefit out of the already repealed rules of 1997. In order to clarify this controversy, it is necessary to reproduce the relevant Rule 8 of the N.W.F.P Provincial Management Service Rules, 2007 which is as under:-

Medael

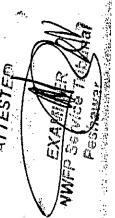

"8. Repeal.- The North-West Frontier Province Provincial Civil Service (Secretariat/Executive Group) Rules, 1997 shall stand repealed after the retirement of existing incumbents of both the cadres. Separate seniority list of both the cadres shall be maintained under the existing rules and they shall be promoted at the ratio of 50:50. The existing incumbents of PCS (E.G) and (S.G) in different pay scales, for the purpose of their promotion, shall continue to be governed under the said service rules till the retirement of the last such incumbent."

The above rule, by itself, clarifies that the rules of 1997 shall not stand repealed before the retirement of the existing incumbents of both the cadres of Secretariat/Executive Groups, and shall remain in force till the retirement of the last such incumbent. It further clarified that separate seniority list of both the cadres shall be maintained under the existing rules. The existing rules for such incumbents are the N.W.F.P Provincial Civil Service (Secretariat/Executive Group) Rules, 1997. It was also clarified that such incumbents shall be promoted at the ratio of 50:50. It means that out of each two vacancies, one vacancy shall be given to Secretariat Group, while another vacancy shall be given to the Executive Group. Further clarification is to the effect that the existing incumbents of PCS (E.G) and (S.G) in different pay scales shall continue to be governed under the rules of 1997 for the purpose of their promotion, and this process is to continue till the retirement of last such incumbent. Both the appellants belonged to the Executive Group of Civil Servants. They were to be governed under the N.W.F.P Provincial Civil Service (Secretariat/Executive Group) Rules, 1997 before 11.05.2007, and they have to be governed under the above mentioned rules of 1997 till the retirement of the last incumbent of a post in Secretariat Group/Executive Group.

The cases of the appellants are, therefore, to be governed in accordance with the provisions of Section 8 (quoted above) of the new N.W.F.P Provincial Management Service Rules, 2007. The record shows that vacancies were available for the appellants but they were not promoted at the due time and their cases for promotion were delayed unnecessarily without any fault of the appellants. They, therefore, are entitled to antedation of their promotion, against the first available vacancy falling to the turn of each of them or from the date of taking over the charge of that vacancy on officiating/acting charge basis, whichever is later.

allalad

nemleer

In the light of the above, we accept both the appeals, and direct 12. the official respondents to ante-date the promotion of each of the two appellants to the respective dates on which a vacancy became available for the respective turn of the appellants or from the respective dates of their taking charge of such vacancy on officiating/acting charge basis, whichever is later. The appellants are entitled to the costs of their respective ligigation ilf- justice (2) Jelin lebe en cleansmen from the official respondents.

2. The points raised and noted while granting leave read as under:-

"We have heard the learned counsel at some length. We are inclined to grant leave inter-alia on the point as to whether the legal and factual aspects of the controversy have been dilated upon and decided by the Tribunal in accordance with relevant Rules i.e. Rule 8 of the NWFP, Provincial Civil Service (Secretariat/Executive Group) Rules, 1997 and Rule 9(6) of the NWFP*Civil Servants (Appointment, Promotion and Transfer) Rules, 1989. It is also to be examined as to whether that stop-gap-arrangement can be equated to that of regular promotion and besides that the order passed by the learned Service Tribunal could be made applicable to all the stop-gap arrangement could be made applicable to all the stop-gap arrangement could be made applicable to all the stop-gap arrangement could be made applicable to all the stop-gap arrangement could be made applicable to all the stop-gap arrangement could be made applicable to all the stop-gap arrangement could be made applicable to all the stop-gap arrangement could be made applicable to all the stop-gap arrangement could be made applicable to all the stop-gap arrangement could be made applicable to all the stop-gap arrangement could be made applicable to all the stop-gap arrangement could be made applicable to all the stop-gap arrangement could be made applicable to all the stop-gap arrangement could be made applicable to all the stop-gap arrangement could be made applicable to all the stop-gap arrangement could be made applicable to all the stop-gap arrangement could be made applicable to all the stop-gap arrangement could be made applicable to all the stop-gap arrangement could be made applicable to all the stop-gap arrangement could be made applicable to all the stop-gap arrangement could be made applicable to all the stop-gap arrangement could be stop-gap arrange

Tehsildars who are awaiting their promotion. Since a short question of law is involved in the matter, therefore, the case be listed after four weeks subject to limitation. In the meanwhile operation of the impugned judgment shall remain suspended".

Learned counsel appearing on behalf of the appellants contended that though the Governor of the Province in consultation with the Provincial Selection Board was pleased to order the promotion of the respondents in BPS-16 as Extra Assistant Commissioner in BPS-17 in the Ex-PCS (E.B) Cadre with immediate effect on purely temporary basis vide notification dated Peshawar 6th March, 1996, yet it could not earn them any benefit or entitle them to a vested right notwithstanding they have been promoted on regular basis with immediate effect vide notification dated 19.2.2008. They, the learned counsel added, could not have claimed any ante-dated promotion even on the occurrence of any vacancy in such scale in violation of Section 8 of the Civil Services Act or Rule 9 of NWFP Civil Service (Executive Group) Rules, 1997, as decidedly promotion is not a vested right. Appeal before the departmental authority, the learned counsel added, or before the Tribunal claiming ante-dated promotion was, therefore, misconceived. The learned Tribunal, the learned counsel maintained, could not have allowed such appeal when it tended to mar the seniority of many others in the run. The learned counsel to support his contention placed reliance on the cases of "Wajahat Hussain, Assistant Director, Social Welfare, Lahore and 7 others. Vs. Province of the Punjab, through Secretary, Social Welfare and Zakat, Lahore and 81 others" (PLD 1991 S.C. 82), "Sh. Anwar Hussain, Assistant Director, Labour Welfare, Lahore Region, Lahore. Vs. Government of the Punjab through Secretary, Labour Department and others" (1985 SCMR 1201), "Nazeer Ahmed. Vs. Government of Sindh through Chief Secretry Sindh, Karachi and 2 others" (2001 SCMR 352), "Government of Pakistan through Establishment

Division, Islamabad and 7 others. Vs. Hameed Akhtar Niazi, Academy of Administrative, Walton Training, Lahore and others" (PLD 2003 S.C. 110). The learned counsel next contended that a change in scale by means of promotion is not automatic but dependent on a process involving selection, therefore, any change in scale without such process being violative of the relevant law and rules, cannot be maintained. The learned counsel to support his contention placed reliance on the case of "Abid Hussain Sherazi." Vs. Secretary M/o Industries and Production, Government of Pakistan, Islamabad" (2005 SCMR 1742).

As against that learned counsel appearing on behalf of the respondents defended the impugned judgment by contending that where a vacancy occurs in the next higher scale, the Civil Servant officiating or working on acting charge basis thereagainst is not considered for promotion or the process of regular promotion is delayed on account of lethargic attitude of the competent authority or any other exigency so-called, the Civil Servant who is subsequently found fit for such promotion on regular basis cannot be deprived of the salary and other consequential benefits attached to such post. Learned counsel to support his contention placed reliance on the case of "Lugman Zareen and others. Vs. Secretary Education, NWFP and others" (2006 SCMR 1938). The learned counsel next contended that though the NWFP Civil Service (Secretariat Group) Rules, 1997 have been substituted by the NWFP Provincial Management Service Rules, 2007 but the rights of the existing incumbents of both the cadres have been protected by Rule 8 of the latter, therefore, the change in rules would not affect the service structure of the respondents or rights accruing thereunder. The learned counsel next contended that if the concluding paragraph of the impugned judgment is read none of the rights of any of the officers including their seniority has been affected.

5. We have gone through the entire record carefully and considered the submission of the learned counsel for the parties.

- The record reveals that the Governor of the Province in consultation with the Provincial Selection Board was pleased to order the promotion of the respondents working in BPS-16 as Extra Assistant Commissioner in BPS-17 in Ex-PCS (E.B) Cadre. The respondents were, no doubt, promoted on temporary basis in the year 1996, all the same, what stands out to be taken notice of is, that it was not done without considering their eligibility and without involving the process of selection as is evident from the order itself. When asked whether the respondents were deficient in terms of qualification or experience to hold the post in the next higher scale, at the time they were promoted temporarily, the reply of the learned counsel for the appellant was in no. When asked whether there was any impediment in the way of the respondents to be promoted to the next higher scale, at the time when a vacancy or two occurred in the said scale, again the answer was in no. When asked what restrained the appellants to defer or delay the process of selection to fill one or any number of vacancies occurring from time to time in the next higher scale, the reply of the learned counsel was that it was because of confusion created by the devolution plan. This answer, to say the least, is too vague to be plausible. When asked who was senior to the respondent and whose right of ranking senior has been affected or impaired by the impugned judgment, again the learned counsel could not refer to anything on the record.
- 8. There is no dispute with the proposition that the terms and conditions of the service of the respondents, in view of the provision contained in Rule 8 of NWFP Civil Service (Secretariat Group) Rules, 2007, shall continue to be governed by the erstwhile rules. There is also no dispute with the proposition that if the respondents were to hold a post on acting charge basis, they could also hold the same on regular basis. In the case of

"Luqman Zareen and others. Vs. Secretary Education, NWFP and others" (2006 SCMR 1938), this Court while dealing with an identical issue held as under:-

"It is then a position admitted on all sides that nothing existed in the way of the petitioners on 31.8.2000 which could have disentitled them to regular promotion to the posts in question and that it was only the usual apathy, negligence and bureaucratic red-tapsim which had deprived the petitioners of the fruits that they deserved. The petitioners could not be permitted to be punished for the faults and inaction of others. We are of the view that where a post was available against which a civil servant could be promoted; where such a civil servant was qualified to be promoted to such a higher post; where he was put on the , said higher post on officiating or acting charge basis only because the requisite exercise of allowing the regular promotion to the said post was being delayed by the competent authority and where he was subsequently, found fit for the said promotion and was so promoted on regular basis then he was entitled not only t the salary attaching to the said posts but also to all consequential benefits from the very date from which he had been put on the said post on officiating or acting charge basis and we hold accordingly".

While dealing with the reservations of the nature expressed by the learned counsel for the appellant, this Court held as under :-

this Court had always accepted the principle that a person who was asked to hold a higher post to which he was subsequently promoted on regular basis, was entitled to the salary etc, attaching to such a post for the period that he held the same; that he would also be entitled to any other benefits which may be associated with the said post and further that if a vacancy existed in a higher cadre to which a civil servant was qualified to be promoted on regular basis but was not so promoted without any fault on his part and was instead put on the said post on officiating basis then on his regular promotion to the said post, he would be deemed to have been so promoted to the same from the date from

which he was allowed to hold the said higher post unless justifiable reasons existed to hold otherwise".

When this being the state of things on factual and legal plain, we don't think the judgment of the learned Service Tribunal is open to any exception. The judgments rendered in the cases of "Wajahat Hussain, Assistant Director, Social Welfare, Lahore and 7 others. Vs. Province of the Punjab, through Secretary, Social Welfare and Zakat, Lahore and 81 others", "Sh. Anwar Hussain, Assistant Director, Labour Welfare, Lahore Region, Lahore. Vs. Government of the Punjab through Secretary, Labour Department and others", "Nazeer Ahmed. Vs. Government of Sindh through Chief Secretry Sindh, Karachi and 2 others", "Government of Pakistan through Establishment Division, Islamabad and 7 others. Vs. Hameed Akhtar Niazi, Academy of Administrative, Walton Training, Lahore and others" and "Abid Hussain Sherazi. Vs. Secretary M/o Industries and Production, Government of Pakistan, Islamabad", (supra) cited by the learned counsel for the appellants are not applicable to the case in hand because of their distinguishable facts and features.

Convincing justification for the award shall be recorded by the reporting /countersigning officer. - a) The civil servants who are on long leave i.e. one year or more, whether within or outside Pakistan, may be considered for promotion on their return from leave after earning one calendar PER. Their seniority shall, however, remain intact.
- b) The civil servants who are on deputation abroad or working with international agencies within Pakistan or abroad, will be asked to return before their cases come up for consideration. If they fail to return, they will not be considered for promotion. They will be considered for promotion after earning one calendar PER and their seniority shall remain intact.
- c) ⁷⁸In case of projects partially or fully funded by the Federal or Provincial Government, where PERs are written by officers of Provincial Government, the condition of earning one calendar PER shall not be applicable. The officers on deputation to projects shall be considered for promotion. However, after promotion they will have to actualize their promotion within their cadre.
- d) The civil servants on deputation to Federal Government, Provincial Government, autonomous/semi-autonomous organization shall be considered for promotion and informed to actualize their promotion within their cadres. They shall have to stay and not be allowed to go back immediately after promotion. Such stay shall be not less than a minimum of two years. h) A civil servant who has resigned shall not be considered for promotion no matter the resignation has yet to be accepted.

Deferment of Promotion:

- (a) Promotion of a civil servant will be deferred, in addition to reasons given in para-IV, if
 - (i) His inter-se-seniority is disputed/sub-judice.
 - (ii) Disciplinary or departmental proceedings are pending against him.
 - (iii) The PER dossier is incomplete or any other document/ information required by the PSB/DPC for determining his suitability for promotion is not available for reasons beyond his control.
- (b) The civil servant whose promotion has been deferred will be considered for promotion as soon as the reasons for deferment cease to exist. The cases falling under any of the above three categories do not warrant proforma promotion but the civil servant will be considered for promotion after determining his correct seniority over the erstwhile juniors.
- (c) If an officer is otherwise eligible for promotion but has been inadvertently omitted from consideration in the original reference due to clerical error or plain negligence and is superseded, he should be considered for promotion as soon as the mistake is noticed.
- (d) If and when an officer, after his seniority has been correctly determined or after he has been exonerated of the charges or his PER dossier is complete, or his inadvertent omission for promotion comes to notice, is considered by the Provincial Selection Board/ Departmental Promotion Committee and is declared fit for promotion to the next higher basic scale, he shall be deemed to have been cleared for promotion alongwith the officers junior to him who were considered in the earlier meeting of the Provincial Selection Board/Departmental Promotion Committee. Such an officer, on his promotion will be allowed seniority in accordance with the proviso of sub-section (4) of Section 8 of the North-West Frontier Province Civil Servants Act, 1973, whereby officers selected for promotion to a higher post in one batch on their promotion to the higher post are allowed to retain their inter-se-seniority in the lower post/grade is the same and there is no specific rule whereby their inter-se-seniority in the lower grade can be determined, the officer older in age shall be treated senior.
- (e) If a civil servant is superseded he shall not be considered for promotion until he earns one PER for the ensuing one full year.
- (f) If a civil servant is recommended for promotion to the higher basic scale/post by the PSB/DPC and the recommendations are not approved by the competent authority

within a period of six months from such recommendations, they would lapse. The case of such civil servant would require placement before the PSB/DPC afresh.

VI. Date of Promotion:

Promotion will always be notified with immediate effect.

VII. Notional Promotion:

In respect of civil servants who retire (or expire) after recommendation of their promotion by the PSB/DPC, but before its approval by the competent authority, their promotion shall be deemed to have taken effect from the date of recommendation of the PSB/DPC, as the case may be, and their pension shall be calculated as per pay which they would have received had they not retired/expired.

VIII. Promotion of Civil Servants who are awarded minor penalties.

- (a) The question of promotion to BS-18 and above in case of civil servants who have been awarded minor penalties has been settled by the adoption of quantification of PERs and CEI which allows consideration of such cases for promotion subject to deduction of 5 marks for each major penalty, 3 marks for each minor penalty and 1 mark for each adverse PER from the quantified score and recommendation for promotion on attaining the relevant qualifying threshold.
- (b) However, the CEI policy is not applicable to civil servants in BS-16 and below. In this case, the concerned assessing authorities will take into consideration the entire service record with weightage to be given for recent reports and any minor penalty will not be a bar to promotion of such a civil servant.

IX. Promotion in case of pending investigations by NAB:

If there are any NAB investigations being conducted against an officer, the fact of such investigations needs to be placed before the relevant promotion fora which may take a considered decision on merits of the case.

Date of Promotion: VI.

Promotion will always be notified with immediate effect.

Notional Promotion: VII.

In respect of civil servants who retire (or expire) after recommendation of their promotion by the PSB/DPC, but before its approval by the competent authority, their promotion shall be deemed to have taken effect from the date of recommendation of the PSB/DPC, as the case may be, and their pension shall be calculated as per pay which they would have received had they not retired/expired.

VIII. Promotion of Civil Servants who are awarded minor penalties.

- (a) The question of promotion to BS-18 and above in case of civil servants who have been awarded minor penalties has been settled by the adoption of quantification of PERs and CEI which allows consideration of such cases for promotion subject to deduction of 5 marks for each major penalty, 3 marks for each minor penalty and 1 mark for each adverse PER from the quantified score and recommendation for promotion on attaining the relevant qualifying threshold.
- (b) However, the CEI policy is not applicable to civil servants in BS-16 and below. In this case, the concerned assessing authorities will take into consideration the entire service record with weightage to be given for recent reports and any minor penalty will not be a bar to promotion of such a civil servant.

Promotion in case of pending investigations by NAB: IX.

> If there are any NAB investigations being conducted against an officer, the fact of such investigations needs to be placed before the relevant promotion fora which may take a considered decision on merits of the case.

All the existing instructions on the subject shall stand superseded to the above extent, with immediate effect.
