4/PPS/SLS/2020 DATED
25/05/2022 ISSUED BY THE
RESPONDENT NO.2, WHEREBY
RESPONDENTS NO.5 AND 82 AT
SERIAL NO. 22 TO 99
REGULARIZED AND ABSORBED
EMPLOYEES WERE SHOWN
SENIOR TO THE APPELLANT MAY
KINDLY BE SET ASIDE.

PRAYER

To set aside the impugned final seniority list notification dated 25/05/2022, issued by

(4)

respondent No.2 is against the norms of service rules, liable to be set aside and respondents be directed to rectified/modified and issued the correct seniority list whereby the appellant be placed above regularized and absorbed employees at Serial No. 22 as earlier be placed in tentative seniority list dated 20/02/2022.

Respectfully Sheweth:-

1. That two posts of Planning Officer BPS-17 were advertised by the Khyber Pakhtunkhwa Public Service Commission through advertisement No. 6/2016 dated 29/12/2016, the appellant qualified test and interview and recommended for appointed vide order dated 27/03/2018 followed by the an appointment order dated 29/10/2018. **(Copies of the advertisement, recommendation, appointment letter are attached as Annexure-A, B and C respectively)**
2. That Khyber Pakhtunkhwa Provisional Planning Service Rules 2018 had already been notified on

22/02/2018, pursuant to that the appellant got placed at the strength of Planning and Development Department Khyber Pakhtunkhwa in Provincial Planning Service Cadre.

~~_____~~
~~_____~~
~~_____~~

3. That the department issued tentative seniority list of PPS BS-17 and circulate vide notification dated 20/02/2020 whereby the appellant accurately in accordance law, rules and regulations be placed at Serial No. 22. **(Copy of the tentative seniority list is attached as Annexure-E) .**

4. That later on, in the wake of Khyber Pakhtunkhwa Regularization of Service Act 2018 dated 07/03/2018, Project Employees of Planning and Development Department Khyber Pakhtunkhwa got regularized, to enactment of the Act ibid, project employees as well as regularized employees of erstwhile FATA got encadre into the Provincial Planning Service vide various departmental notification dated 22/03/2019, 09/01/2020 and 26/05/2021 through absorption/inclusion. **(Copies of notifications are attached as Annexure-F, G & H respectively)**

5. That subsequently the appellant has received three tentative seniority lists issued by the department in October 2020, July 2021 and April 2022 respectively, wherein the appellant illegally, unlawfully by violate the rules and regulation moved from at Serial No. 22 and replaced at Serial No. 104, 102 and 100 respectively. **(Copies of three seniority lists are attached as Annexure-I, J and K respectively)**

6. That appellant against all these tentative seniority lists filed a representation for rectification of the seniority position of the appellant in accordance with the tentative seniority list circulated in February 2020, with further prayer that absorbed regularized employees from date of publication of the names of employees in official Gazzette Notification for regularization and en-cadrement are to be inserted and separately in the seniority list for clarity and the appellant be placed at Serial No. 22 and regularized/absorbed employees be placed below position from appellant in seniority list as per the law, rules and regulation. **(Copies of the certificate/representation are attached as Annexure-L_e (e)).**

7. That the respondents got deaf ear and subsequently issued the final seniority list

through impugned notification dated 25/05/2022 whereby the appellant has been illegally placed below regularized and absorbed employees in the seniority list of BS-17 of BPS officers. **(Copy of the impugned seniority list is attached as Annexure-M)**

8. That appellant filed representation/departmental appeal against the impugned notification/final seniority list dated 25/05/2022 before the respondent No. 1, which result still awaited. **(Copies of departmental appeal is attached as Annexure-N)**

9. That the appellant aggrieved from the action and inactions of the respondents, the impugned final seniority list Notification dated 25/05/2022 challenged before this Honourable Tribunal, inter alia on the following grounds:-

GROUND S:-

A. That final seniority list dated 25/05/2022 issued by respondent No.2, is against law and procedure hence liable to be set aside.

B. That the respondent No.2 issued final seniority list through impugned notification dated 25/05/2022 and seniority of private respondents have been assigned from the date

continuous officiation which is bluntly violating the rules of KP Civil Service Rules 1989, hence the impugned notification dated 25/05/2022 liable to be rectified to the extent of replacement of the appellant from at Serial No. 100 to 22.

C. That it is pertinent to mention here that the appellant is not been regularized employee but the respondent No.2 yet been placed under regularized/absorbed employees, the regular appointment of project employees into PBS cadre from project post got materialized vide notification dated 22/03/2019, 09/01/2020 and 26/05/2021 respectively, while the appellant had long been regular appointed to BPS cadre through Khyber Pakhtunkhwa Public Service Commission, therefore, the impugned seniority list dated 25/05/2022 is against the rules/regulations, nullity in the eye of law and liable to be rectified/corrected as prayed for.

D. That the issuance of final seniority list on the basis of novel principle of "inclusion" and illegally replacing inclusion by "initial recruitment" totally against the principles of law settled by the Supreme Court of Pakistan, therefore the respondents willfully, deliberately violating the reported judgment passed by the August Supreme Court of Pakistan 2013 SCMR 1752 and their office order/notification dated

25/02/2014 circulated by Govt. of Khyber Pakhtunkhwa through Establishment Department, therefore, the final seniority list, impugned notification dated 25/05/2022 amounts to be contempt of court and against the direction issued by the competent authority, hence liable to be rectified/modified to the extent of appellant position i.e. Serial No. 100 to 22.

- E. That through such impugned final seniority list, respondent No.2 wants to promote their blue-eyed i.e. respondent No.5 and 82 by passing settled law about seniority, so such action of the respondent No.1 and 2 are without lawful authority and jurisdiction.
- F. That the impugned final seniority list was issued by respondent No.2 in hasty manner by no mentioning absorption/inclusion dates and not publication the names of regularized and en-cadre employees in official Gazzette is blatant violation of rules, regulations and law.
- G. That the respondent No.1 rejected the departmental appeal of the appellant without given any cogent reason and also violated the rules/regulations of his own department, hence liable to be set aside.

- H. That the appellant may be placed at Serial No. 22 through modification in notified final seniority list and granted rightful seniority above all employees who have been "Regularized" and subsequently "absorbed" into PPS cadre vide "Inclusion" as their dates of regular appointment to PPS cadre are later than regular appointment of appellant into PPS cadre.
- I. That new corrected seniority list notification to be issued distinctly differentiating method of recruitment i.e. initial appointment and absorption/inclusion along with dates.
- J. That publication of names of regularized and en-cadre employees in official Gazette.
- K. That any other grounds which are not raised in memo of appeal the appellant may please be allowed to raise at the time of arguments.

It is, therefore, most humbly prayed that on acceptance of this service appeal, to set aside the impugned final seniority list notification dated 25/05/2022, issued by respondent No.2 is against the norms of service rules, liable to be set aside and respondents be directed to rectified/modified and issued the correct seniority list whereby the appellant be placed above regularized and

absorbed employees at Serial No. 22 as earlier
be placed in tentative seniority list dated
20/02/2022.

Any other relief available in the
circumstances of the case, not specifically
asked for, may also be granted to the
appellant.

CERTIFICATE

Subject: TENTATIVE SENIORITY LIST OF PROVINCIAL PLANNING SERVICE (PPS) OFFICERS PPS BS-17

It is certified that I have gone through my particulars mentioned at Sr. No. 102 of the tentative seniority list of PPS officers BS-17 and found them correct, except at the following columns:

S. No.	Column No	Present entry	To be replaced by	Remarks
102	1	102	22	Regularization and Encadrement of project employees notified in different years i.e., March 2018 and January 2020 respectively. This fact has been ignored while preparing seniority lists as explained below;

The following discrepancies are brought into the notice: -

The undersigned got inducted as Planning Officer BPS-17 in pursuance of KPPSC Advertisement No.06/2016 and recommendation vide letter No. PSC/SR/II/08444 dated March 2018. Since Provincial Planning Service Rules had already been notified in February, 2018, therefore, in pursuance of Section 8 of PPS Rules 2018; *“The seniority position of various officers appointed in planning cadres of various Departments and brought on the strength of the Service on coming into force of these rules shall be considered from the date of their regular appointment to posts in their present Basic Scales of pay.”*, the services of undersigned got placed at the strength of Planning & Development Department KP in Provincial Planning Service. The department issued a tentative seniority list of BS-17 PPS Officers in February 2020 placing the undersigned at S. No 22.

However, following notification of encadrement of project employees dated January 2020, two tentative seniority lists have been issued by P&DD in 2020 and 2021 respectively. It is significant to mention here that above mentioned project employees got regularized and placed at the strength of P&DD in pursuance of Regularization of Services Act March 2018 but encadred vide Notification dated January 2020. According to tentative seniority lists issued in 2020 and 2021, the undersigned was placed at S.No. 104 and 102 respectively which is against the provisions of Act ibid and PPS Service Rules 2018. Section 6(1) of Khyber Pakhtunkhwa Employees (Regularization of Services) Act, 2018 states; *'Except the employees mentioned in the proviso to Section 4 of this Act, whose services are to be regulated by their respective laws and rules, all other employees whose services are regularized under this Act or in the process of attaining service at the commencement of this Act, shall rank junior to all civil servants belonging to the same service or cadre, as the case may be, who are in service on regular basis on the commencement of this Act, and shall also rank junior to such other persons, if any, who, in pursuance of the recommendation of the Commission or Departmental Selection Committee, as the case may be, made before the commencement of this Act, are to be appointed to the respective service or cadre, irrespective of their actual date of appointment.'*

The undersigned was already encadred at the time of commencement of Act in pursuance of KPPSC recommendation while project employees had just been regularized at that time and not encadred into PPS. Furthermore, notified regularization and encadrement of project employees in PPS KP materialized in January 2020 while the undersigned got recommended in March 2018 along with officer mentioned at S.No.23. It is, therefore, stated to rectify the seniority position of the undersigned in accordance with the list circulated in February 2020 and rectified list be created and notified.

CERTIFICATE

**Subject: TENTATIVE SENIORITY LIST OF PROVINCIAL PLANNING SERVICE
(PPS) OFFICERS PPS BS-17**

It is certified that I have gone through my particulars mentioned at Sr. No. 100 of the tentative seniority list of PPS officers BS-17 and found them incorrect as explained below.

S. No.	Column No	Present entry	To be replaced by	Remarks
102	1	100	22	Regularization and Encadrement of project employees notified in different years i.e., March 2018 and January 2020 respectively. This fact has been ignored while preparing seniority lists as explained below;

The following discrepancies are brought into the notice: -

The undersigned got inducted as Planning Officer BPS-17 in pursuance of KPPSC Advertisement No.06/2016 and recommendation vide letter No. PSC/SR/II/08444 dated March 2018. Since Provincial Planning Service Rules had already been notified in February, 2018, therefore, in pursuance of Section 8 of PPS Rules 2018; *"The seniority position of various officers appointed in planning cadres of various Departments and brought on the strength of the Service on coming into force of these rules shall be considered from the date of their regular appointment to posts in their present Basic Scales of pay."*, the services of undersigned got placed at the strength of Planning & Development Department KP in Provincial Planning Service. The department issued a tentative seniority list of BS-17 PPS Officers in February 2020 placing the undersigned at S. No 22.

However, following notification of encadrement of project employees dated January 2020, the tentative seniority lists have been issued by P&DD in 2020, ²⁰²¹ and 2022 respectively. It is significant to mention here that above mentioned project employees got regularized and placed at the strength of P&DD in pursuance of Regularization of Services Act March 2018 but encadred vide Notification dated January 2020. According to tentative seniority lists

issued in 2020, 2021 and 2022, the undersigned was placed at S.No. 104,102 and 100 respectively which is against the provisions of Act ibid and PPS Service Rules 2018. Section 6(1) of Khyber Pakhtunkhwa Employees (Regularization of Services) Act, 2018 states; 'Except the employees mentioned in the proviso to Section 4 of this Act, whose services are to be regulated by their respective laws and rules, all other employees whose services are regularized under this Act or in the process of attaining service at the commencement of this Act, shall rank junior to all civil servants belonging to the same service or cadre, as the case may be, who are in service on regular basis on the commencement of this Act, and shall also rank junior to such other persons, if any, who, in pursuance of the recommendation of the Commission or Departmental Selection Committee, as the case may be, made before the commencement of this Act, are to be appointed to the respective service or cadre, irrespective of their actual date of appointment.'

The undersigned was already encadred at the time of commencement of Act in pursuance of KPPSC recommendation while project employees had been regularized at that time and not encadred into PPS. Furthermore, notified regularization and encadrement of project employees in PPS KP materialized in January 2020 while the undersigned got recommended in March 2018 along with officer mentioned at S.No.23.

The P&D Department and Establishment Department, KP should clarify whether regularization and encadrement are same and whether seniority claimed through Regularization Acts is applicable to service cadre seniority. If so, it can be inferred that project employees, if, regularized into Establishment Department must also get encadred automatically in respective cadres such as PMS, CSS etc. and claim seniority from the date of appointment thus overriding seniority of regular commissioned officers. This isn't the case and therefore regularization and encadrement dates should be corrected and seniority should be notified accordingly treating both distinctly.

It is, therefore, stated to rectify the seniority position of the undersigned in accordance with the list circulated in February 2020 and rectified list be created and notified. Moreover, date of publication of names of employees in official gazette notification for regularization and encadrement are to be inserted and mentioned separately in the seniority list for clarity.

⁵ Annexure V; KP Regularization of Services Act 2018

to enactment of the Act *ibid*, project employees as well as regularized employees of erstwhile FATA got encadred into Provincial Planning Service vide various departmental Notifications dated 22-03-2019, 09-01-2020 and 26-05-2021⁶through absorption/inclusion.

Subsequently, the appellant has received three tentative seniority lists⁷ issued by P&D Department KP in Oct 2020, July 2021 and April 2022 respectively wherein the appellant was moved from S.No.22 and replaced at S.No. 104,102 and 100 respectively. The seniority list issued vide impugned Notification mention that seniority from “S.No.s 28 to 99 have been assigned from date of continuous officiation” blatantly violating following conditions and rules mentioned in Sections 5(i) ,5(iv) and Section 6(2) of Act *ibid*, and Sub-Rules 2 and 3 of Rule 17 of KP Civil Service Rules 1989⁸.

Section 5(i) *the service promotion quota of all service cadres shall not be affected*

Section 5(iv) *the services of such employees shall be deemed to have been regularized only on the publication of their names in the Official Gazette*

Section 6(2) *The seniority inter-se of the employees, whose services are regularized under this Act within the same service or cadre, shall be determined on the basis of their continuous officiation in such service or cadre.*

Rule 17(2) *Seniority in various cadres of civil servants appointed by initial recruitment vis-à-vis those appointed otherwise shall be determined with reference to the dates of their regular appointment to a post in that cadre; provided that if two dates are the same, the person appointed otherwise shall rank senior to the person appointed by initial recruitment.*

Rule 17(3) *In the event of merger/restructuring of the Departments, Attached Departments or Subordinate Offices, the inter se seniority of civil servants affected by the merger/restructuring as aforesaid shall be determined in accordance with the date of their regular appointment to a cadre or post.*

The KP Provincial Planning Service Rules 2018 do not mention ‘inclusion/absorption’ anywhere as a mode of recruitment and neither does it mention grant of seniority or promotion on the basis of absorption/inclusion.” The Appellant isn’t a regularized employee and yet been placed under regularized employees falsely interpreting inter-se seniority of Section 6(2) of Act *ibid*. Schedule I of PPS Rules got materialized vide notifications dated 22-03-2019, 09-01-2020 and 26-05-2021 respectively while the undersigned had long been regularly appointed to PPS cadre through KPPSC recommendation on 27-03-2018 followed by an appointment order issued vide Notification No. SO(ESTT.) P&D/6-1/Req./2018 dated 29-10-2018.⁹

Despite conveying observations/comments to Planning and Development Department, KP in August 2021 and April 2022¹⁰ regarding tentative seniority lists, the department issued the contested list titled; 'Final Seniority List of PPS BS-17 Officers' vide Notification No.SO(E)P&D/3-4/PPS/SLs/2020 on 25-05-2022 wherein backdated cadre seniority has been granted to 'regularized' and 'absorbed through inclusion' employees retrospectively and 'inclusion' has been replaced by 'initial recruitment' in the column titled; 'Method of Recruitment/Appointment'.

The issuance of final seniority list through novel principle of "inclusion" and illegally replacing inclusion by 'initial recruitment' are steps which in their totality go in direct conflict with the principles settled by Honorable Supreme Court of Pakistan in an aptly relevant judgment of **Petition No. 89/2011/(2013/SCMR/1752)** that was formally endorsed and circulated vide Office Memorandum of Cabinet Secretariat, Establishment Division, Government of Pakistan vide No. **1/59/2013-Lit-IV** dated 31-01-2014 and further disseminated by Establishment Department, Govt. of Khyber Pakhtunkhwa vide Notification No. **SOR-VI/E&AD/1-13/2009** to all administrative Secretaries of the province on 25-02-2014 for compliance.¹¹

Vital features of the judgment reproduced below support appellant's stance regarding consideration of regularization and cadre absorption separately as it causes extreme violation of merit and justice.

- i. *A civil servant, who after passing the competitive exam in terms of recruitment rules, is appointed on merit, loses his right to be considered for promotion, when an employee from any other organization is absorbed without competition or undertaking competitive process with back dated seniority and is conferred the status of a civil servant in complete disregard of recruitment rules.*

¹⁰ Annexure X; Appellant's comments on Tentative Seniority List of PPS BS-17 Officers

¹¹ Annexure XI; Notification No. SOR-VI/E&AD/1-13/2009 dated 25-02-2014

- ii. Absorption of a non-civil servant conferring on him status of a Civil Servant and likewise absorption of Civil Servant from non-Cadre post to a cadre post without undertaking the competitive process under the recruitment rules.
- iii. Introduction of any validation law in the nature of multiple or parallel legislation on the subject of service law.
- iv. Benefit of 'absorption' extended since 1994, with or without back dated seniority, is declared ultravires of the Constitution.
- v. The re-employment / rehiring of the retired Civil Government Servants being violative of the constitution are declared nullity.

The apex court further held that:

(a) No non civil servant can be transferred and appointed by way of deputation to any cadre, the procedure provided under Esta Code has been approved by this court in the case of Muhammad Arshad Sultan.

(b) No Civil servant of non-Cadre post can be transferred out of cadre to be absorbed to a cadre post which is meant for recruitment through competitive process.

(c) The procedure provided under ESTA CODE requires that a person who is transferred and appointed on deputation must be a govt servant and such transfer should be made through the process of selection. The borrowing government has to establish the exigency in the first place and then the person who is being transferred/ placed on Deputation in Govt must have matching qualifications/expertise in the field with required experience.

(d) An employee holding a post under any authority or corporation, body or organization established by or under Provincial Government has controlling share or interest, could not be conferred with the status of a civil servant.

(e) It is a settled principle of law that if the right of promotion is not blocked by the re-employment then such powers can be exercised, then too in exceptional cases for a definite period, besides it violates the fundamental rights of the serving civil servant, on account of such rehiring on contract are deprived for their legitimate expectancy of promotion to a higher cadre, which is violative of the provision of Articles 4, 19 and 25 of the constitution of Pakistan.

(f) The absorption and out of turn promotion will also impinge on the self-respect and dignity of the civil servant, who will be forced to work under their rapidly and unduly promoted fellow officers, those who have been included from other service/ cadre regardless of their (inductees) merits and results in the competitive exams (if they have appeared for all exam at all), hence are violative of Art 14 of the constitution.

(g) principle of locus poenitentiae is the power of receding till a decisive step is taken but it is not a principle of law that order once passed become irrevocable and past and closed transaction, if the order is illegal then perpetual rights cannot be gained on the basis of an illegal order.

94

(h) Any backdated seniority cannot be granted to any absorbee and his inter se seniority, an absorption in the cadre shall be maintained at the bottom as provided under the rules regulating the seniority.

Also, the Supreme Court of Pakistan, in a renowned judgment of Anita Turab case (PLD 2013 SC 195) clearly laid down that merit was to be followed while in the instant case merit has been clearly set aside through discriminatory attitude towards the Appellant in violation of specific decisions circulated vide letter dated 25-02-2014, Office Memorandum dated 31-01-2014 and Rule 17 of KP Civil Servants (Appointment, Promotion and Transfer) Rules 1989.

PRAYER:

In view of above-mentioned facts, the undersigned appeals for grant of immediate relief measures as follows:

- i. The impugned Notification NO.SO(E)P&D/3-4/PPS/SLs/2020 dated 25-05-2022 may be set aside and declared null and void.
- ii. All seniority list operations to be frozen with immediate effect along with 45 cases of PPS-BS 17 officials under process for promotion for forthcoming PSB in June 2022.
- iii. The appellant may be placed at S.No.22 through modification in notified final seniority list and granted rightful seniority above all employees who have been 'regularized' and subsequently 'absorbed' into PPS cadre vide 'inclusion' as their dates of regular appointment to PPS cadre are later than regular appointment of appellant into PPS cadre.
- iv. New corrected Seniority List Notification to be issued distinctly differentiating method of recruitment i.e., initial appointment and absorption/inclusion along with dates.
- v. Publication of names of regularized and encadred employees in Official Gazette.
