02. Brief facts of the case are that the appellant joined Dir Levies Force (Provincially Administered) as Sepoy on 23-11-1999 and in due course earned promotions and finally was promoted to the rank of Subedar on 19-11-2013. The appellant fell victim to the amendments made in service rules vide notification dated 26-12-2016, which were detrimental to his interests and by virtue of which the appellant was retired from service on 19-11-2019 at the age of 41 and holding only 19 years of service at his credit, but well before his retirement, the appellant filed a departmental appeal dated 10-04-2018, with the apprehensions of his retirement under the amended rules, which however was not considered by the respondents, hence the instant service appeal with prayers to declare notification dated 26-12-2016 as illegal, unreasonable and ultra vires of the law with further prayers to restrain the respondents from retiring the appellant on completion of five years service as Subedar.

03. Learned counsel for the appellants has contended that the impugned notification dated 26-12-2016 is illegal, arbitrary, unreasonable and ultra vires of law; that the impugned notification is discriminatory in favor of the appellants, as it put no bar on other ranks like Subedar major or Sepoy and allows them to be retired from service on completing 25 years of service or attaining the age of 60 years, whereas the appellant being a Subedar is subjected to retirement from his service at the age of 41, which even is not in the interest of the respondents retiring quite an energetic and young officer at such earlier stage; that terms and conditions of service could not be unilaterally altered by the employer to the disadvantage of the employee. Reliance was placed on 2018 SCMR 598; that the appellant has got legitimate expectancy and vested rights to continue his service till the age of superannuation and forcing the appellant to retire under the impugned notification renders him to live in lurch and despair; that the appellant was promoted as Subedar prior to the impugned notification and he is supposed to be dealt with in accordance with that service rules, under which

he was promoted; that the impugned notification is having no retrospective effect, therefore the same is ineffective upon the rights of the appellant of continuing his service till the age of 60 already accrued to him; that the impugned notification by altering the terms and conditions of the service of the appellant adverse to his rights already accrued to him, is unwarranted and nullity in the eye of law.

04. Learned Assistant Advocate General appearing on behalf of respondents has contended that the impugned notification was issued on 26-12-2016, whereas the appellant filed departmental appeal on 10-04-2018, which is badly time barred and if the departmental appeal is not filed within the statutory period, the appeal before the Tribunal would not be incompetent. Reliance was placed on PLJ 2009 SC 1099 and 2007 SCMR 346. The learned Assistant Advocate General referred to Rule-3 of Appeal Rules-1986, which provides for filing of departmental appeal within 30 days of issuance of the impugned order, whereas the appellant has filed such appeal with delay of more than one year; that the departmental appeal was filed jointly by the appellant and others, while it should have been individual and independent under the Khyber Pakhtunkhwa Civil Servant (Appeal) Rules. 1986; that it is prerogative of the government to frame rules, which in the absence of demonstrable mala fide could not be assailed. Reliance was placed on 2015 SCMR 269.

05. We have heard learned counsel for the parties and have perused the record.

06. Record reveals that Federal Levies Force and Provincial Levies Force were operative in defunct Provincially Administered Tribal Areas (PATA) and in order to regulate their service matters, the provincial government with prior approval of the President of Pakistan promulgated PATA Levies Force Regulation, 2012, under which two sets of rules were framed for Federal as well as Provincial Levies Force, i.e. PATA Federal Levies Force Service Rules (Amended), 2013 and PATA Levies Force Service Rules, 2012. The appellants are personnel of Provincial

Levies Force and Rule-16 of the provincial levies force service rules provides for retirement of the members of the force on attaining the age of superannuation i.e. 60 years or he may opt for retirement after completing 25 years of regular service.

In 2014; separate Regulations i.e. PATA Provincial Levies Force, Regulation, 2014 was promulgated for PATA Provincial Levies Force, under which PATA Provincial Levies Force Rules, 2015 were framed. Rule-16 whereof provides for the uniformed members of the Force to be retired as per schedule-iv, according to which Subedar will get retirement on completion of 35 years service or 60 years of age, whichever is earlier. It was in the year 2016 when amendments were made in schedule-iv of Rules, 2015 and altered the criteria for retirement of Subedar and Naib Subedar only and rest of the members of the force were not touched. Subedar was to be retired on 35 years of service or 5 years service as Subedar or 60 years, whichever is earlier. The appellants are mainly aggrieved of this amendment, which has rendered them retired on completing 5 years service as Subedar and only 19 years service at his credit with age of 41 years. It is quite astonishing that such amendments even are not in the interest of the respondents retiring quite an energetic and young officer at such earlier stage. In response to the departmental appeals submitted by the appellant, the Commandant Levies Force/Deputy Commissioner, Upper Dir, recommended for maintenance of Rules, 2015, relevant portion of the letter is reproduced as under:

"It is brought into your kind notice, that Provincial Levies Force Dir Upper has been established in 1999, therefore on the basis of the tenure post very young non-commissioned officer, having 19 or 20 years service will retire and as such force will be deprived of JCOs whom age will be at the stage where is due for retirement in November, 2018. On his retirement on one hand they can bitterly command and control. For example, one Lal Bahadur Subedar having 19 years service with age of 38 years. On the basis of tenure of post is due for retirement in November 2018. On his retirement on one hand, the Force will lose one energetic and young officer and on the other hand, he will go home with less pension benefits. His pension at that age will be too much less of a class-iv employee. Keeping in view the above

facts, it is therefore, requested to maintain Rules, 2015 withdrawing amended Rules, 2017."

07. The provincial Government was in the process to examine and remove the anomaly but in the meanwhile the appellants were retired from service on completion of five years service as Subedar and the provincial government during the course of litigation at a belated stage, have taken cognizance of the situation and have noted that the impugned notification dated 26-12-2016 is unreasonable, ultra vires of law as well as contrary to the settled principles of age of retirement and contrary to the fundamental rights of the appellants guaranteed by the Constitution, hence amendments were brought vide notification dated 14-07-2020, whereupon schedule-iv was deleted and provided that all uniformed force shall retire from service on attaining the age of superannuation i.e. Sixty years or they may opt for retirement after completion of 25 years regular service. Such amendments corrected the course for future, but the impugned notification altering the terms and conditions of the service of the appellants adversely affecting their rights already vested in them and have caused damage to the appellants, which was unwarranted and nullity in the eye of law.

08. In view of the foregoing discussion, the instant appeals are accepted. The appellants as well as other similarly placed employees stand reinstated in service, who will retire on attaining age of 60 years or they may opt for retirement after completion of 25 years regular service. Parties are left to bear their own costs. File be consigned to record room.
