Counsel for the appellant present. Preliminary arguments heard.

This appeal has been preferred to impugn the transfer order dated 10.06.2021. According to the copies of record annexed with the memorandum of appeal, the appellant was transferred and posted as Assistant Director (I.T) Motor Licensing Authority Khyber Pakhtunkhwa vide order dated 15.01.2021 and took over charge on 18.01.2021. In the capacity of A.D (IT), Driving License Branch Peshawar, the appellant vide his office letter No. DLB/PESHAWAR/21-23 dated 25.05.2021 addressed to the Director Transport and Mass Transit Khyber Pakhtunkhwa, pointed out some irregularities in record of Driving License Database including illegal editing. Statement of the appellant in pursuance to the said letter was obtained by the enquiry committee on 09.06.2021, copy whereof is also available on file. The appellant at the conclusion of his statement before the enquiry committee submitted some

Appellant Deposited

proposal in bullet points as copied below:-

- *Since there are solid evidence of forgery in the Driving License System and issuance of DIRECT driving licenses (which are used for acquiring jobs abroad and other such activities) for huge bribes, a high-level committee of technical IT experts hailing from intelligence agencies, crime investigation experts from intelligence agencies, and forensic experts may be formed to explore the complete system of the whole province, conduct formal*

investigations of the computer operators and catch the real culprits. It is important to catch and punish the main mastermind of this scam--- a person/officer who had been leading this all forgery in the system and was a main financial beneficiary of this forgery. Without catching the real culprit, all sorts of departmental inquiries will end with no tangible outcomes; and this will further encourage the real culprits and they will feel confident that they cannot be caught. They will continue to do this forgery with more confidence and courage. This will defame our system, department, and country at large.

- *A formal committee may be constituted to carry out proper and formal handing/taking of the Driving License Assets with MIS Manager who was earlier incharge of the Driving License operations. All the assets that have been purchased for driving license operations till date may be handed over to me, through a formal stock register. Many equipments (computers, printers, RFID cards, ribbons, Lamination, laminators, etc.) that were purchased for driving license operations are physically missing and have not been provided to me.*
- *One old server is still in the possession of MIS Manager which should be handed over to me as I carry the sole responsibility of overseeing the driving license operations.*
- *A new web-based system has been developed for driving license operations under the project "Establishment of Transport Inspection Stations in Khyber Pakhtunkhwa". Since the undersigned is the incharge officer of the driving license operations, it is therefore requested that the new web-based*

system may be handed over to the undersigned to unify and streamline the new and the ongoing systems. It is again requested that a formal handing/taking of all the assets of the new system may be carried out through a committee while using the purchase order of the equipment and the equipment mentioned in the PC-I of the said project."

The impugned transfer order of the appellant was issued on the next day i.e. 10.06.2021 after the above mentioned statement was given by the appellant to the enquiry committee. According to the opening expressions of the notification of the appellant's transfer, the competent authority was pleased to order posting/transfer of the officers enumerated therein, in the best public interest. In peculiar circumstances as discussed before, there is a big question mark on the impugned order as its being in "Public interest". Let the respondents come up with their reply/comments that how they justify the impugned order in the realm of public interest. Consequently, this appeal is admitted for regular hearing in view of the said question. The appellant is directed to deposit security and process fee within 10 days. Thereafter, notices be issued to the respondents for submission of written reply/comments in office within 10 days of the receipt of notices positively. If the written reply/comments are not submitted within the stipulated

time, the office is directed to submit the file with a report of non-compliance. File to come up for arguments on 16.07.2021 before the D.B.

The appeal is accompanied by an application for suspension of the impugned order. Notice of the application be also given to the respondents. Needless to say that things surrounding the impugned order make it a befitting case for interim relief. Accordingly, the operation of impugned order shall remain suspended till final decision of this service appeal, if not recalled earlier. It is further directed that the respondents shall not prohibit the appellant from performance of his duty in the meantime.

Subject: STATEMENT OF MUJAHID ALI, ASSISTANT DIRECTOR (MOTOR LICENSING AUTHORITY, KPK)

Respected Sir,

With regards, I hereby submit my statement as follows:

1. I took over the charge of Assistant Director (Motor Licensing Authority, KPK) on dated: 18-01-2021 (charge assumption report provided vide **Flag-A**).
2. It is important to mention here that I was given the log in details (username and password) of the driving license server by MIS Manager Mohammad Imran; however, NO formal handing/taking (printers, computers, ribbons, lamination, RFID cards, etc.) of the physical assets was carried out. Physical assets of the driving license operations were not formally handed over to me. I do want to note here that MIS Manager Mohammad Imran was the incharge of all driving license operations before I took charge as Assistant Director (Motor Licensing Authority, KPK). Moreover, it is also important to note here that before my time, Mr. Aaqib (a close relative of MIS Manager Mohammad Imran) who is an employee of TIS project and is not a regular employee of Transport and Mass Transit Department, had login details of the driving license server and he used to make the record of driving licenses **online**. The whole system of **ONLINE DATABASE** (server) was in his control who used to work directly with MIS Manager.
3. After taking charge as Assistant Director (Motor Licensing Authority, KPK), I had no physical office for around one month, but I had to roam around to supervise the work of driving license operations.
4. During the month of April 2021, I got reports from different sources that some computer operators are involved in the issuance of DIRECT driving licenses (by skipping the learner period of 45 days and driving test and skipping all codal formalities) by taking bribe money from different agents. The reports further identified three computer operators namely Mr. Faraz Raheel (relative of MIS Manager; Mamo's son), Mr. Salman, and Mr. Shehriyar, to be involved in this illegal activity.

ATTESTED

5. Based on confidential reports from different sources and internal verification, three computer operators were barred from entering the premises of the Driving License Office Peshawar vide Directorate of Transport and Mass Transit Office Order No. Dir/TPT/1-82/P&T/3343-45 dated 20-04-2021 (**Flag-B**). In the light of these confidential reports, I decided to verify technically whether any such DIRECT licenses have been issued in the system. Upon carrying out technical investigation of the system, it was confirmed that 201 DIRECT driving licenses have been issued (list provided vide **Flag-C**) till 20-04-2021 and it is interesting to mention here that after these three computer operators were barred from continuing to work and using the system, no Direct license was found to be issued in the system.

6. After the above incident, I decided to check the whole driving license issuance system of *District Peshawar* to see whether any such DIRECT licenses have been issued earlier. It was found that 771 Driving License IDs (Identification numbers) have been used for issuing DIRECT fake licenses, with lots of repetition on these IDs (list provided vide **Flag-D**). Meaning thereby, thousands of fake DIRECT licenses have been issued in Peshawar alone before my times.

Confidential Pieces of Evidence:

A USB is enclosed with this statement which contains the voice notes and conversation between a former employee of TIS project, Mr. Ibrahim and agents of DIRECT driving licenses from Punjab Province. Also, the receipts of bank transactions (deposits) made to the bank account of this former employee for issuing DIRECT driving licenses. This former employee, Mr. Ibrahim was an employee of TIS project and was a close aide of MIS Manager. Later he joined Food Department and is currently working in the Food Department. In the voice notes and screenshot messages, it can be seen that Mr. Ibrahim is telling agents that efforts are being made to remove this new incharge of driving license (means, Mujahid Ali) and bring back the old administration (Mohammad Imran). After doing so, things will be back and all pending work of issuing DIRECT licenses will be resolved.

Humble Requests:

Since the day I took charge as Assistant Director (Motor Licensing Authority, KPK), different elements are involved in playing filthy games to defame my posting and fail me. In order to further streamline the system and equip me with critical and tangible resources and support, I humbly submit the following requests:

- Since there are solid evidence of forgery in the Driving License System and issuance of DIRECT driving licenses (which are used for acquiring jobs abroad

and other such activities) for huge bribes, a high-level committee of technical IT experts hailing from intelligence agencies, crime investigation experts from intelligence agencies, and forensic experts may be formed to explore the complete system of the whole province, conduct formal investigations of the computer operators and catch the real culprits. It is important to catch and punish the main mastermind of this scam --- a person/officer who had been leading this all forgery in the system and was a main financial beneficiary of this forgery. Without catching the real culprit, all sorts of departmental inquiries will end with no tangible outcomes; and this will further encourage the real culprits and they will feel confident that they cannot be caught. They will continue to do this forgery with more confidence and courage. This will defame our system, department, and country at large.

- A formal committee may be constituted to carry out proper and formal handing/taking of the Driving License Assets with MIS Manager who was earlier incharge of the Driving License operations. All the assets that have been purchased for driving license operations till date may be handed over to me, through a formal stock register. Many equipments (computers, printers, RFID cards, ribbons, lamination, laminators, etc.) that were purchased for driving license operations are physically missing and have not been provided to me.
- One old server is still in the possession of MIS Manager which should be handed over to me as I carry the sole responsibility of overseeing the driving license operations.
- A new web-based system has been developed for driving license operations under the project "Establishment of Transport Inspection Stations in Khyber Pakhtunkhwa". Since the undersigned is the incharge officer of the driving license operations, it is therefore requested that the new web-based system may be handed over to the undersigned to unify and streamline the new and the ongoing systems. It is again requested that a formal handing/taking of all the assets of the new system may be carried out through a committee while using the purchase order of the equipment and the equipment mentioned in the PC-I of the said project.

Subject: - DEPARTMENTAL APPEAL AGAINST THE TRANSFER
ORDER DATED 10/06/2021.

RESPECTED SIR,

The appellant submit as under; -

*Regretted as issued
by secretary - 15/6/21.*

With due respect it is stated that, I am performing my duties as Assistant Director (IT) BPS-17 and I was lastly posted at Motor Licensing Authority Khyber Pakhtunkhwa, I had served on my respective post and performed my duties with full devotion and with the pleasure of high ups of the transport Department, infect I was transferred in 2018 through political interference which is evident from the record, issued a due letter by the Advisor to Chief Minister of Transport department, which was impugned before the High Court, while issued interim relief and suspended the transfer order, thereafter, I have been transferred to motor licensing authority KPK vide dated 15/01/2021 from the directorate of Transport & Mass Transit, Khyber Pakhtunkhwa.

After the completion of mandatory tenure to the subject posting. My premature transferred has illegally been issued through political interference, vide dated 10/06/2021 from the last posting of Assistant Motor Licensing Authority, Khyber Pakhtunkhwa , as I have pointed out the illegality and issuance of bogus license and involvement of the responsible, which are further communicated to the high ups. The involvement of the incumbents as well as other persons have been sent to the competent authority in writing, due to these my fair and lawful acts have been based for my transfer, while issued the said transfer order which is premature, against the transfer posting policy guidelines and on the directions of political figures, therefore, the transfer order being illegal and liable to be set aside.

ATTEST

It is, therefore, most humbly prayed that on acceptance of this appeal my transfer order vide, dated 10/06/2021 may very kindly be cancelled and I may kindly be allowed to perform and continue my duties on the post of Assistant Director Motor Licensing Authority, Khyber pakhtunkhwa.
