\*\*\*\*\*

**S M ATTIQUE SHAH, J:** - Through this single judgment, we propose to decide the instant writ petition as well as the connected *WP No.3107-P/2021* "*Saeedullah Vs BOG etc*;" being the outcome of one and same subject matter having same reliefs, which is reproduced as below;

- i. To declare the impugned decision made in the BoG meeting dated 25.5.2021 at Agenda Item No.14 to regret the grant/extension of pay & pension protection/benefits to the petitioner as un-lawful, illegal, void ab-initio, unconstitutional, against the spirit of the West Pakistan Pension Rules, 1963 and tantamount to violation of Article 2-A, 04, 09, 10-A & 25 of the Constitution of Islamic Republic of Pakistan, 1973 and of no legal effect, hence, liable to be set-aside.

ii. *Direct the respondents to count the pre-regularization service of the petitioner for the purpose of pay and pensionary benefits/ protection and to grant him all the benefits according to his entitlement.*

iii. *Any other relief, which is not specifically asked for, may also be granted in favor of the petitioner against the respondents."*

2. In essence, grievance of petitioners is that under the law, they are entitled to get the benefits of their pre-regularization service [as Junior Clerk (BPS-07) towards their pay and pension; which has illegally been denied to them by the BoG in its meeting held on 25.6.2021.

3. Pursuant to notice, the respondents filed their comments wherein they resisted the issuance of the desired writ by raising certain legal and factual objections. Their main contention was that, the issue under consideration had earlier been decided by this Court in WP 1487-P/2016 and; there was a break in service of the petitioners and; hence, instant petitions need summarily dismissal.

4. Heard; record perused.

5. Record reveals that initially, both the petitioners were appointed as Junior Clerks in BPS-07 on 04.6.2011 & 12.9.2012 respectively by the Chairman, Board of

Intermediate & Secondary Education, Peshawar, on temporary basis, for a period of six months. whereafter, their services were extended from time to time till 18.3.2014 and 01.01.2014. Subsequently, their services were regularized w.e.f. 10.11.2016, on 02.8.2018, in light of the judgment dated 06.02.2018 of this Court rendered in WP 3604-P/2017 read with Govt of Khyber Pakhtunkhwa Elementary & Secondary Education Department Letter No.SO(B/T) E&SE/S-14/2016/BISE, Peshawar, dated 24.11.2016 and the judgment of august Apex Court dated 06.7.2018. After regularization, the petitioners once again approached this Court for counting their pre-regularization service for pay protection and pensionary benefits cum seniority in WP 6703-P/2019, which was decided, on 15.12.2020, in the following manner;

*"The claim of the petitioners regarding counting their previous service for the purpose of pay and pension has not been decided by the respondents-Board; as such, we left this issue for the respondents/Board to decide it at their own level, but no later than a period of 03 months with intimation to the petitioners. Thereafter, if petitioners still find themselves aggrieved of the denial of protection of pay and pension, may approach the proper forum, available to them under the law."*

In view of the *ibid* findings the matter was placed before the BoG for consideration, which was taken up in its meeting No.51 dated 25.6.2021 at agenda Item No.14; however, the BoG did not agree with the pay and pensionary benefits of the petitioners due to the alleged break in their service from time to time.

6. Undeniably, the service of petitioners have been regularized by the respondents after rendering long and satisfactory service as Junior Clerks on Contract basis with an artificial breaks. The petitioners while relying on the Rule 2.3 of K P Civil Servants Pension Rules, 1963 solicited for counting the period of their contract service towards their pay and pensionary benefits. Learned counsel representing the respondents could not controvert the *ibid* contention of the petitioners, rather, candidly admitted at the bar the adaptation of *ibid* rule by the respondent No 2. The *ibid* rule provides that temporary and officiating service of an employee shall be counted towards his pay and; pension. In this respect, wisdom can also be derived from *Muhammad Farooq's* reported in *2012 CLJ 343* wherein it was held that; "Government Servant continuously remaining in service without break would, after his regularization have the right that the period of his service before regularization be counted

towards his pay and pensionary benefits". Besides, the Courts being the custodian of law, have to safeguard the inalienable rights of the citizens as enshrined in the Constitution and; whenever any such infringement of rights is brought to the notice of the Court that is to be struck down. In the instant case, since respondents have illegally denied the petitioners benefits of their pre-regulirization service towards their pay and pension, therefore, the impugned order is liable to be struck down; being illegal. Wisdom can also be drawn from 2021-SCMR 116 "Syed Muddasar Shah Termizi and others Vs. Peshawar High Court, Peshawar through Registrar and others"

7. In view thereof, both the writ petitions are, allowed as prayed for, but only to the extent of their pay and pension.

Writ Petition No. 3221-P/2013

**JUDGMENT**

Petitioner(s): By Muhammad Asif Yousefzai Advocate

Respondent(s): By Amiruddin Hamayun Mansoori - Tehsil AG's.

**IKRAMULLAH KHAN, J.**- Petitioners have filed instant Constitutional petition for issuance of an appropriate writ with the following prayer:-

*"On acceptance of this writ petition the non-counting of previous service of the petitioners towards pay protection and pensionary benefits by the respondents may be declared as illegal, unconstitutional, arbitrary and exploitation of the past good service of the petitioners. The respondents may further please be directed to give full pay protection with pensionary benefits of the past service rendered by the petitioners to meet the ends of justice and principles of equity. Any other remedy which this august court deems fit and not specifically prayed for that may also be awarded in favour of petitioners."*

Agency as Principal, Teachers, Ministerial Staff and Class-IV employees, in the Bajaur Public School and College with the condition that they would be allowed pay scales and other allowances admissible to a Civil Servant in Bajaur Agency. Later on, the Bajaur Public School and College was taken into supervision and control by the Federal Government and services of all the employees appointed by the Political Agent, Bajaur Agency on contract basis were made regularized vide Notification issued by the Governor's Secretariat, Khyber Pakhtunkhwa, Peshawar on March 28, 2013. In para-4 of the Notification, it has been held that all the eligible incumbent teaching and non-teaching staff will be adjusted against the regular sanctioned posts on merit cum seniority in service in the respective scales and categories. As the petitioners were eligible to be regularized, as such, they were adjusted on regular newly created posts with immediate effect vide order dated 20.5.2013, however, the previous services rendered by the petitioners were not counted towards their pay and pension by the respondents, hence, the instant writ petition.

2

3. Learned counsel for petitioners contended that though the services of petitioners were regularized since 2013 but the respondents have denied

the benefit of protection of pay and pensionary benefits to the petitioners on the sole ground that the previous services rendered by them were on contract basis, as such, it could not be counted towards the length of their service, which act of respondents is against law.

4. On the other hand, learned counsel for respondents contended that the services of petitioners were not either on contract or adhoc basis, but they were appointed by the Political Agent, therefore, the period of services rendered by the petitioners in the concerned School could not be counted towards their pay and pension, etc.

5. We have heard learned counsel for the parties in light of law and available record.

6. The first appointment orders of the petitioners reveal that though they were appointed by the Political Agent, Bajaur Agency but on the condition that the petitioners will receive all the benefits and allowances admissible under the rules to a Civil Servant. The Notification issued by the worthy Governor, Khyber Pakhtunkhwa itself reveals rather admitted therein that petitioners were on contract basis and their services were regularized. Rule 2.1 of Chapter-II (Service Qualifying for Pension) of Civil

**ATTESTED**  
**EXAMINER**  
Peshawar High Court

Servants Act, 1973, prescribes conditions of qualifications for pension, which read as:-

**Rule 2.1. Conditions of Qualifications.**-The service of a Government Servant does not qualify for pension unless it conforms to the following three conditions:-

**First:-** The Service must be under Government.

**Second:-** The Service must not be non-pensionable.

**Third:-** The service must be paid by Government from the Provincial Consolidated Fund.

Note- (1) For the previous service of displaced Government Servants which qualifies for pension see Chapter-VII.

Note- (2) Service rendered after retirement on superannuation pension / retiring pension shall not count for pension or gratuity.

7. The abovementioned rule admittedly shall be applied to the case of petitioners as they were appointed on the conditions applicable to the Civil Servants. This court in Writ Petition No.1188-P/2014 titled "Baghi Shah Versus The Govt. of KPK through Secretary Finance, Peshawar and two others, decided on 9.9.2014 has held that:-

"The Courts, being the custodian, are to safeguard the inalienable rights of the citizens as enshrined in

the constitution. Whenever any such infringement of rights is brought to the notice of the court that is to be struck down. Here in the instant case, since respondents have not denied discrimination as averred in the petition, so their act of depriving the petitioner of his pensionary benefits is not condonable and is liable to be struck down."

8. Similarly, this court while resolving the identical proposition of law in case titled "**Muhammad Arif Versus The Secretary to Government of KPK, Transport Department, Peshawar and other**" decided on 24.11.2014, has held : "that the period served by a Government Servant on contract basis shall be counted towards his pensionary benefits, after regulation, in accordance with Rule 2.3 of the West Pakistan Civil Services Pension Rules, 1963."

9. Likewise, in case titled "**Muhammad Farooq Versus Engineer in Chief, ENC Branch, General Headquarters (GHQ), Rawalpindi**" reported as (2012 CLJ 343), the Honourable Lahore High Court has held as follows:-

"Government Servant continuously remaining in service without break would after his regularization have

the right that the period of his service before regularization be counted towards his pay, pension and promotion."

40

10. This Court has decided a number of Writ Petitions through its consolidated judgment dated 22.6.2017 delivered in WP No.3394-P/2016 has held: "that the person selected for appointment on contract basis and thereafter his regularization, the period served as a contract employee shall be counted towards his pension, pay and promotion, etc."

11. The facts as well as the legal proposition involved in this case is similar to the one already decided by this court in the above mentioned cases; therefore, this court could not take a different view, therefore, this writ petition is disposed of in the term that the services rendered by the petitioners as contract employees shall be considered towards their pay and pension.
