JUDGEMENT: -

Mr. ATIQ UR REHMAN WAZIR: - This judgment shall dispose of the instant service appeal as well as connected service appeal No 653/2019 titled Sher Alam Khan, Versus Secretary to Government of Khyber Pakhtunkhwa, Environmental Department, Civil Secretariat, Peshawar and four others, as similar question of law and facts are involved therein.

02. Brief facts of the case are that the appellant was initially appointed as Forest Guard (BPS-3), later on elevated his grade to BPS-8. That departmental proceeding were initiated against the appellant and others on the charges of partial failure of a project under his supervision. That the appellant was served with a charge sheet/statement of allegations on the charges of partial failure of a project costing Rs.

78,61,600/. Formal inquiry to this effect was conducted and as a result thereof, major penalty was recommended to be imposed upon the appellant, thereafter Show Cause notice to this effect was served upon the appellant, to which he responded. Simultaneously the appellant also submitted an application to the competent authority against the inquiry conducted with the objections that the inquiry officer did not personally inspect the site and only relied upon monitoring report, hence another inquiry was conducted upon his request and as a result thereof, major penalty of compulsory retirement from service as well as recovery of the Rs. 37,61,125/ was imposed upon the appellant. The appellant preferred departmental appeal, but the same was not responded to within the stipulated period, hence the instant service appeal with prayers that the impugned order dated 16-01-2019 may be set aside and the appellant may be re-instated into service with all back benefits.

03. Written reply/comments were submitted by respondents.

04. Arguments heard and record perused.

05. Learned counsel for the appellant contended that Provincial Government under the Billion Trees Afforestation Project, which is an umbrella Project, has launched province wise plantation drive and the appellant was serving as Forest Guard in Bannu Forest Division. That a component of the project was also undertaken in his area of jurisdiction, where the appellant performed his duty as Forest Guard. That as per report of the monitoring team in respect of the said project, interalia, partial failure was also noticed in the area of the appellant, upon which proceedings were initiated against appellant and others on the orders of DFO Bannu, Mr. Lateef Hussain, who appointed Mr. Abid Mumtaz DFO Dera Ismail Khan as an inquiry officer, testifying to the fact that the DFO or SDFO never bothered to inspect these sites and totally relied upon the monitoring report on the one hand and providing justifications to high ups that action is initiated against the delinquent officials responsible for failure purely with the intentions

to conceal their own inefficiencies before respondent No 1. He added that the mentioned monitoring report was not only targeted against the appellant, but was a bird eye view of the whole province, where sporadic failure pointed out by the team was for the eyes and ears of respondents No 1 and 2 to take cognizance of such failure. Action was required to be taken by respondents No 1 and 2 against respondents No 3, 4 and 5, who as per PC-1 were responsible for such failure. He further added that as per Clause 6.3.14(i) of revised PC-1 of the Billion Trees Afforestation Project, the DFO concerned is 100% responsible for supervision and correctness after proper monitoring and verification, Conservator concerned is bound to physically monitor and verify 30% work to satisfy correctness of work of his area of jurisdiction, whereas the Chief Conservator of Forests is 10% responsible. The learned counsel argued that astonishingly instead of taking action against the concerned Conservator, DFO and SDFO by respondents No1 and 2, the DFO concerned in order to save his own skin, initiated action against the poor field staff and held the appellant responsible for the whole failure. That not only major penalty of compulsory retirement was imposed upon the appellant, but the amount calculated was also ordered to be recovered from the appellant, inspite of the fact that the appellant was neither drawing & Disbursing officer nor made any expenditure to this effect. That duty of the appellant was only confined to look after the already cultivated plant and its watering. That selection of site, provision of water tanks, fencing of plants, and payments to labor was responsibility of the DFO and SDFO.

ATTESTED

EXAMINER
 Khyber Pakhtunkhwa
 Service Tribunal,
 Peshawar

The learned counsel added that the appellant vide his reply to show cause notice has already pointed out that hard area was selected by the DFO and SDFO for such plantation, where saline and water logged areas could augur in advance for the unavoidable failure and such selection of sites was purely due to lack of interest of DFO and SDFO. Not only this, as per clause 6.3.14 of the revised PC-1, the concerned DFO was responsible to ensure that compartment history files is maintained having map of

plantation, pre, during and post work photograph of the area, quality and quantity of work done, GPS coordinates record of the area and updation of history files, which speaks volumes of the level of responsibilities of DFO, but no such record was available to calculate the failure in mathematical terms along with apportionment of responsibilities. Coupled with it was the dry spell during the period, where below normal rainfall has been recorded over most parts of the country, as is evident from Pakistan Meteorological Department, Draught Alert issued on 6th June, 2018. The learned counsel further added that the most important factor for partial failure was delayed payments to the wage earners, stoppage of payments to water carriers, even stoppage of salary of Chowkidar, on certain issues between the previous SDFO and the new incumbent. That due to illegal stoppage of funds no water could be arranged to irrigate the area as the daily wagers refused to work in the given circumstances, therefore the responsibility squarely falls on the shoulders of SDFO, DFO and Conservator of the concerned area for not realizing funds for the period of July, 2017 to October, 2018. That such important factors were ignored by the inquiry officer. That it was not responsibility of the appellant to report such eventuality to the high ups, but of SDFO, who himself was involved in stoppage of funds. The learned counsel contended that the partial success was purely due to hard work of the poor forest guards, who paid for such expenses out of their own pockets and survival percentage of the plantation was more than 85% for which the appellant was awarded and appreciated by respondent No 1. That forest guard is the lower tier of the hierarchy whose responsibility is only restricted to the extent of surveillance/watering and failure of plantation are always unavoidable and various factors including edaphic, climate and socio-economic inhibitions and individuals are seldom actionable due to such extra-human impediments. He added that unfriendly environment with subsequent lack of silvi-cultural inputs is not a personal act of causing loss to the government exchequer, hence such allegations of over estimated loss is an act not warranted, where the appellant had not grabbed any sum of public

funds expended through Muster Rolls as the bills are paid either by SDFO or DFO through accountant and the Muster Rolls after approval are being dealt with by the Range Forest Officer/SDFO concerned under Forest Manual. The learned counsel further added that the loss so calculated include payment of millions of rupees made directly to nursery stockiest and that component is the direct responsibility of DFO, which also is calculated against the appellant only to dispose of the inquiry in favor of DFO and Conservator and to make the poor fellow the scapegoats.

Coming back to the question of disciplinary proceedings, the learned counsel contended that no regular inquiry was conducted by the inquiry officer to encompass all the mentioned factors as well as no field visit was conducted to ascertain the ground realities, rather reliance was placed on the monitoring report, which is not tenable in the eyes of law. That feeling aggrieved the appellant submitted an application to respondent No 3 and lodged a complaint against the subject inquiry, which was acceded to and respondent No 3 ordered for a de-novo inquiry to be conducted by DFO Kohat Mr. Shakil, but the new inquiry officer totally relied on the previous inquiry and replicated recommendations already formulated by the previous inquiry officer, which was highly objectionable. Upon such recommendations major penalty of compulsory retirement as well as recovery of loss was imposed upon the appellant without observing the codel formalities. That no employee could be punished twice as Article 13 of the constitution is very clear on that point according to which no person could be vexed twice on same charge. Reliance was placed on 2004 PLC (CS) 959. That no opportunity of personal hearing and cross-examination of witnesses were afforded to the appellants, which made all the proceeding unlawful. Reliance was placed on 2008 SCMR 609. That the impugned order is also violative of section 24-A of General Clauses Act as the competent authority failed to pass a speaking order with reasons vis-à-vis the allegations without holding a regular inquiry. The learned counsel further argued that no incriminating evidence whatsoever were produced to show that the appellant is

ATTESTED

wholly responsible for the failure or the amount to be recovered is justified. That the penalty imposed so does not commensurate with the guilt. The learned counsel added that the whole proceedings against the appellant is based on malafide having no legal backing, thus the impugned order dated 16-01-2019 may be set aside and the appellant may be re-instated into service with all back benefits.

06. Learned Assistant Advocate General appeared on behalf of official respondents contended that the appellant was proceeded against as per law and rule. That as per findings of the inquiry conducted to this effect, the allegations stand proved against him, where after he was issued charge sheet/statement of allegations, to which he responded. Proper show cause notice was also served upon the appellant, to which he also responded. He was afforded opportunity of personal hearing and after fulfilling all the codel formalities, major penalty of compulsory retirement and recovery of the loss was imposed upon him. He further added that the loss occurred due to improper maintenance, less watering and lack of interest and the appellant was responsible for all this. That it was upon the request of the appellant that another inquiry was conducted against him, which also has held him responsible for the failure. The learned Assistant Advocate General prayed that the instant appeal being devoid of merit may be

dismissed

07. We have heard learned counsel for the parties and perused the record. Record reveals that a three tier monitoring mechanism was established specifically for the purpose to monitor activities of the Billion Trees Afforestation Project to update the Provincial setup on monthly basis, so as to correct the course during implementation stage. PC-1 of the project clearly manifests the assigned responsibilities. Such proceedings were required to be conducted by Respondent No 1 and 2 against Bannu Forest Division on the spot for their failure, which however was conducted by one, who himself along with respondent No. 3 were liable to be proceeded against in the instant case, which clearly displays slackness on part of respondent No 1 and 2 by not taking

reaching to the conclusion that such amount shall be recovered from the appellants. The proceedings obviously were also deficient to the effect that it was only conducted against field staff with no linkages of failure established with the high ups. Needless to mention that appellant were not afforded proper opportunity of defense as was required.

08. In view of the situation, the impugned order dated 16-01-2019 is set aside and the appellants re-instated into service with all back benefits. In order to meet the requirement of PC-1, Respondent No. 1 and 2 are at liberty to conduct inquiry against respondent No. 3 and 4 for recovery of the loss sustained by the project. Parties are left to bear their own costs. File by consigned to record room.

Respectfully sheweth:-

Preliminary objections:-

- 1- The appellant has got no locus standi and no cause of action to file the instant appeal.
- 2- The appellant has not come to this Honorable court with clear hands.
- 3- This honorable Tribunal has no jurisdiction to entertain the instant appeal.
- 4- That the appeal is liable to be dismissed on the ground of mis-joinder/non-joinder of necessary parties.
- 5- That the appellant is stopped by his own conduct to file the instant appeal.

FACTS

- 1- Correct, but the Department has filed CPLA No. 143-P/2021 on 26-02-2021 in the august Supreme Court of Pakistan against the Service Tribunal KP Peshawar judgment dated 25-01-2021. It will be appropriate to wait till the final decision from the apex court.
- 2- As explained above that the Department has filed CPLA No. 143-P/2021 on 26-02-2021 in the august Supreme Court of Pakistan against the Service Tribunal KP Peshawar judgment dated 25-01-2021. The case is under trial in the apex court. As huge amount of Rs. 3761125/- is involved therefore, further action as per rules will be taken accordingly as and when final decision is announced from the apex court.

- 3- Incorrect, on receiving the judgment of Honorable Service Tribunal Peshawar dated 25-01-2021, the case was furnished to Law Department where it was placed before the Law experts in the scrutiny committee meeting, for perusal and to tender its advice/opinion whether to implement the judgment of Honorable Khyber Pakhtunkhwa Service Tribunal Peshawar dated 25-01-2021 or the case is fit for filing of CPLA in the august Supreme Court of Pakistan. The committee in its meeting dated 17-02-2021, after examining the judgment dated 25-01-2021, unanimously approved the case fit for filling of CPLA and was filed accordingly (Copy of intimation letters and letter of Scrutiny Committee meeting attached as Annex A & B). Hence, it is submitted that as the Department has filed CPLA No. 143-P/2021 on 26-02-2021 in the august Supreme Court of Pakistan against the Service Tribunal KP Peshawar judgment dated 25-01-2021.
