JUDGMENT

ROZINA REHMAN, MEMBER (J): The appellant has invoked the
jurisdiction of this Tribunal through above titled appeal with the prayer
as copied below:

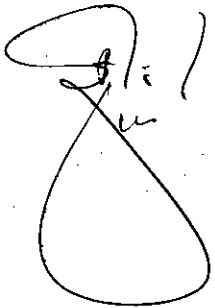

**"On acceptance of this appeal the order dated
05.03.2016 and 08.05.2017 may be set aside and the
respondents may be directed to restore the two annual
increments from due date with all back and consequential
benefits".**

2. Brief facts of the case are that appellant was appointed as
Lecturer (BPS-17). During service, when appellant was assigned the

duty as Deputy Superintendent in the Inter Examination 2015, he was served with a show cause notice which was properly replied and vide impugned order dated 25.03.2016, penalty of withholding of two annual increments was imposed upon him. He filed departmental appeal which was not entertained by showing reasons that the appeal has to be addressed to the next higher authority which in the instant case was Chief Minister, where-after, he filed appeal to Chief Minister which was rejected, hence, the present service appeal.

3. We have heard Syed Noman Ali Bukhari, Advocate learned counsel for the appellant and Naseer Ud Din Shah, learned Assistant Advocate General for respondents and have gone through the record and the proceedings of the case in minute particulars.

4. Syed Noman Ali Bukhari Advocate, learned counsel for the appellant argued inter alia that the impugned orders dated 25.03.2016 and 08.05.2017 are against law, facts and norms of justice as appellant was not treated according to law. He contended that no proper inquiry was conducted and the penalty was imposed without adopting proper procedure; that the whole proceedings were conducted in violation of law and rules which are not tenable in the eyes of law. He submitted that the allegations leveled against the appellant were baseless as the performance of the appellant could be better judged in view of the result of appellant's Hall and Examination Hall of BISE Mardan. Lastly, he submitted that the appellant was performing the duty of Deputy Superintendent who used to search the students properly before entering in the examination hall and that he performed his duties with full devotion, sincerity and in accordance with law and rules and that no undue favor was given to any student.

5. Conversely, learned AAG submitted that the Secretary Higher Education himself, while on visit alongwith Deputy Secretary (Colleges) and Deputy Chief Planning Officer of the Department, witnessed the ongoing malpractice on the part of the appellant, thus while obtaining formal approval from the competent authority, it was added that as per provision of Rule-7 of Khyber Pakhtunkhwa Government Servants (Efficiency & Discipline) Rules, 2011, the formal inquiry may kindly be dispensed with and show cause notice was recommended to be issued. Thus, on the approval of the competent authority, direct show cause notice was served upon the appellant instead of opting for formal inquiry.

6. From the record it is evident that during the Inter Examination 2015, appellant while performing his duty as Deputy Superintendent in the examination hall. The Secretary Higher Education paid surprise visit to the examination hall and found some students busy in use of unfair means. In this regard, show cause notice was issued to the appellant on the ground of misconduct and inefficiency. Relevant Paras of the said show cause notice are hereby reproduced for ready reference:

i. That you were found actually supporting the examinees to copy the answers from the unauthorized copying material which they possessed in the examination hall.

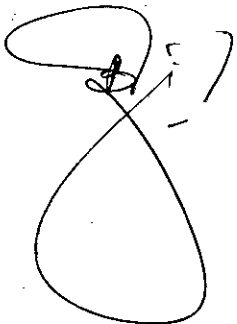

ii. That in accordance with rules, you were supposed to ensure conduct of examination fairly and transparently.

However, you indeed did otherwise and thus render the examination process tainted and unfair.

iii. *That after the students were caught red handed while copying from unauthorized material, you were reluctant to initiate disciplinary action against the concerned. Thus, you did not conduct yourself in accordance with the requirement of order by which you were to supervise the examination."*

7. Secretary Higher Education Department paid surprise visit to Examination Centers in which certain Supervisory and Invigilatory staff had been proposed to be issued show cause notices on account of their inefficiency and supporting unfair means. Similarly, supervisory staff caught the students red handed while copying from the unauthorized materials but they did not initiate any disciplinary action against them which also come under misconduct. Therefore, the appellant alongwith one Muhammad Fahim were issued show cause notices. Admittedly, just show cause notices were issued to the appellant and one Muhammad Fahim and no proper inquiry was conducted. No charge sheet alongwith statement of allegations were ever served upon appellant and interestingly inquiry was dispensed with but no reason was given. Record is also silent as to who paid visit. Neither their statements nor their reports are available. Formal inquiry is also not available on record which means that no proper procedure was followed.

8. The respondents have very blatantly violated the set norms and rules and conducted the proceedings in an authoritarian manner. We

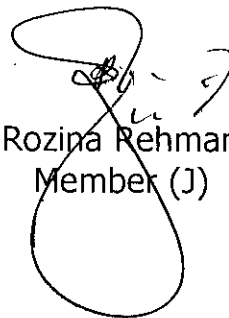

have observed that the appellant was kept deprived of affording appropriate opportunity of defense. In the whole process, no inquiry was conducted. Appellant was not afforded any opportunity as is required under Khyber Pakhtunkhwa Government Servants (Efficiency & Discipline) Rules, 2011.

9. We are unison on acceptance of this appeal in the light of our observation in the preceding paras which immediately call for the acceptance of the instant service appeal as prayed for. Parties are left to bear their own costs. File be consigned to the record room.

GOVERNMENT OF KHYBER PAKHTUNKHWA
HIGHER EDUCATION, ARCHIVES & LIBRARIES
DEPARTMENT

NOTE FOR CHIEF SECRETARY
KHYBER PAKHTUNKHWA

Subject: **Deteriorating standard of education – use of unfair means in 2015**
Higher Secondary School Certificate (HSSC) Examination

Minister
for Higher Education
Khyber Pakhtunkhwa

Traditionally, higher education has been a priority of public policy in our province. This is indicated by the fact that over the last five years, the Provincial Government has invested around Rs.53 billion in higher education sector alone. Though over the last ten years, we have grown tremendously in term of number of centers of higher learning; quality of higher education still appears far from satisfactory by any reasonably acceptable scale.

2. One of many factors contributing to deteriorating standard of higher education is lowering of standard of education at the level of feeding institution – the schools. Situation is made worst by the fact that examination system at schools and intermediate level has been noticed to be totally faulty and criminally posed against the spirit of merit based competition. Thus, the low quality stuff when enters the higher educational institutions; affects their standard as well.

3. In accordance with permission granted by the Chief Secretary **Annex – A)** a tour was undertaken on May 6 & 7, 2015 to such areas as Mardan, Batkhela, Bannu, Peshawar, Kohat, Mingora, Khyber Pakhtunkhwa, Kheila, Shangla, Besham & Kohistan. Purpose was to inspect the government colleges and developmental schemes of the Department. Further, in accordance with the consent given by Secretary of Department of Elementary Education, examination centers conducting HSSC Examination were also checked en-route.

4. Five examination centers Viz, Government College for Girls Thakt Bhai, Government Boys Degree College Thakt Bhai, Government Degree College for Girls Thanna, Government Degree College for Girls Mingora – Swat and Government Degree College for Boys Pattan were visited just to find that cheating was rampant in most of the Centers; in active connivance with the Invigilating Staff belonging to Government colleges and schools. For instance, examination center established in Government Degree College for Boys Pattan had four students appearing in examination in afternoon on May 7, 2015. Three out of four were caught copying from books which they carried despite the fact that they were supervised by two invigilating officials.

5. Most of the supervisory staff visited in the examination centers were found inefficient and actively supporting the cheating by the students appearing in the examination. Superintends of the Examination Center in Government Degree College for Boys – Thakt Bhai & Government Degree College for Boys Pattan were literally forced to take legal action against those candidates who were found using the cheating material despite the fact that they were duty bound to take action against the concerned themselves. Detail of cases caught red handed by the undersigned along-with information related to supervisory staff may please be seen as **Annex – B**.

6. In order to know causes of such a rampant malpractice in examination system at the level of our feeding institution and identify possible remedies, we intend to have a consultative workshop of all stakeholders along-with Department of Elementary Education in near future. However, blatant corrupt practice of the supervisory staff in the instant cases if remained unnoticed, will not only add to the menace of cheating in the examinations but would also put in jeopardy objectives of the Provincial Government to enhance quality of education. In view of the above, a disciplinary action is suggested against the concerned.

7. Since, malpractice has been witnessed by the undersigned himself along-with accompanying Deputy Secretary (Colleges) and Dy. Chief Planning Officer of the Department, there does not appear justification for a formal enquiry. Hence, in accordance with provisions of Rule 7 of Khyber Pakhtun Khuwa Government Servants (Efficiency & Disciplinary Rules) 2011, formal enquiry may kindly be dispensed with and show cause notices are recommended to be issued to the concerned officials working under administrative control of this Department. With regard to officials working under Department of Elementary Education, concerned Department

may like to move an independent case for disciplinary action on the similar lines, if otherwise deemed appropriate.

8. Chief Secretary is requested to kindly:

- a) Accord approval to issuance of respective Show Cause Notice (**Annex - C**) to the concerned officials working under administrative control of Higher Education Department by signing the same and setting in motion process of legal action.
- b) Allowing advising Chairmen of the respective Boards of Examination to ensure disciplinary action against the concerned students as per detail given in **Annex - B**.

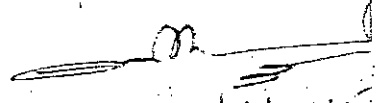

9. Secretary Department of Elementary Education is also requested to add comments.

Refer para- 9 of the Note.

10. It is stated that Elementary & Secondary Education Department has adopted a multi-pronged strategy for eradicating the curse of cheating practices from SSC & HSSC examinations. Furthermore, certain other steps have also been taken, i.e. ensuring computerized draw for examination duty, constitution of vigilance committees and installation of CCTV cameras etc.

11. Secretary, Higher Education Department has paid surprise visits to examination centers in which certain supervisory/ invigilatory staff have been proposed to be issued show cause notices on account of their inefficiency and supporting unfair means, as reflected vide para-5 above. Similarly, the supervisory/ invigilatory staff caught the students red handedly while copying from unauthorized materials but they did not initiate any disciplinary action against them which also comes under misconduct. Hence, E&SE Department fully supports the disciplinary action initiated by Secretary Higher Education Department. However, it is added that as the instant charges of misconduct and inefficiency levelled by Secretary, Higher Education Department need to be equally applied for imposition of minor/ major penalties upon all the accused, hence it is proposed that Higher Education Department may prepare show cause notices to the accused officers/ officials both of Higher Education Department/ E&SE Department, and move a consolidated case to Chief Secretary. After imposition of penalties by the Competent Authority, penalties regarding officers/ officials of E&SE Department shall be notified by the E&SE Department.

12. The case is returned to Higher Education Department for action as proposed in para-11 above.

concerned authority and thereafter he filed departmental appeal before the Chief Minister, therefore, the appeal of the appellant is time barred.

Perusal of the record reveals that the impugned order was passed on 25.03.2016 and thereafter the appellant filed departmental appeal to the Secretary Higher Education but the concerned authority informed the appellant to file departmental appeal before the next higher authority which is Chief Minister instead of Secretary Higher Education, therefore, the appellant after receiving such information preferred departmental appeal to the Chief Minister within time and after rejecting the departmental appeal the appellant filed present service appeal within time. Moreover no regular/proper inquiry was conducted nor any charge sheet was issued to the appellant therefore, the contentions raised by learned counsel for the appellant need consideration. The appeal is admitted for regular hearing subject to limitation and all legal objections. The appellant is directed to deposit of security and process fee within 10 days, thereafter notice be issued to the respondents for written reply/comments for 20.11.2017 before S.B.

Counsel for the appellant present. Preliminary arguments heard. It was contended by learned counsel for the appellant that the appellant was serving as Lecturer in Higher Education Department and during his service he was performing the duty of Deputy Superintendent in inter examination 2015. It was further contended that later on he was charge sheeted and disciplinary proceedings was initiated against him on the allegation that he was supporting the examinees to copy the answers from the unauthorized copying material which they possessed in the examination hall and after conducting the inquiry the competent authority imposed minor penalty of withholding of two increments for two years vide order dated 25.03.2016. It was further contended that against the impugned order appellant filed departmental appeal to the Secretary Higher Education and after some time the appellant was informed that the Secretary Higher Education is not departmental authority and directed to file departmental appeal to the concerned authority, therefore, he again filed departmental appeal to the Chief Minister on 17.10.2016 just after receiving the letter from the Secretary Higher Education and the departmental authority decided the departmental appeal of the appellant on 08.05.2017. It was further contended that the appellant filed service appeal on 02.06.2017 well within time therefore, the present service appeal is within time. It was further contended that no regular/proper inquiry was conducted therefore, the impugned order of withholding of two increments for two year is illegal and liable to be set-aside.

On the other hand learned Additional Advocate General Mr. Kabirullah Khattak opposed the contention of learned counsel for the appellant and contended that the impugned order was passed on 25.03.2016 and the appellant filed departmental appeal before the wrong forum therefore, the appellant was informed to file departmental appeal before the

Counsel for the appellant present. Preliminary arguments heard and case file perused. Learned counsel for the appellant argued that the appellant was serving as Lecturer (BPS-17) in Higher Education Department. He was deputed to perform duty as Deputy Superintendent in Intermediate Examination 2015 at GDC, Takhtbai, Mardan. Being involved in malpractice disciplinary proceedings were initiated which culminated in imposition of minor penalty of withholding of two annual increments for two years vide impugned order dated 25.03.2016. He preferred an undated appeal to the Secretary Higher Education (respondent no.3), who was not the appellate authority in this case. Thereafter vide letter dated 17.10.2017 he made departmental appeal to the competent authority which was rejected on 08.05.2017. Apparently, the appeal is time barred. When learned counsel for the appellant confronted on the point of limitation he relied on 2007 SCMR 73. However, he was unable to give a plausible explanation for delay in the case in hand. Let pre-admission notice be issued to the AAG to assist the Tribunal on the point of limitation. To come up for further preliminary hearing on 07.08.2017 before S.B.

Subject: APPEAL FOR THE REINSTATEMENT OF WITHHOLDING OF
THE ANNUAL INCREMENTS FOR THE COMING TWO YEARS

Respected Sir,

It is humbly requested in your honor that currently I am working as lecturer in statistics at GDC Lundkhwar (Mardan). Last year i.e. in 2015, I was appointed as a deputy superintendent in the Inter Annual examination at GDC Takht Bhai hall "A". The Secretary Higher Education visited the hall in the fifth paper Urdu (compulsory) and searched out unauthorized material through body search from nine students out of 213 total students. In the month of October, 2015, a show-cause notice was issued from the honorable chief secretary office and claimed the allegations of misconduct and inefficiency in the hall and decided the penalty of dismissal from the service. We desired for personal hearing whole heartedly to defend our innocence before the competent authority with solid proofs. However after hearing the honorable chief sectary imposed the penalty of withholding of the two annual increments for the coming two years on me as a deputy superintendent and superintendent and **exempted all other staff members from the penalty**. The allegations claimed by the sectary higher education of supporting the candidates is baseless and against the reality. The applicant denied the allegations completely with the following points and claimed that he neither committed any misconduct nor inefficiency in the examinations.

1. That the applicant was appointed as a lecturer in Statistics through the Public Service Commission on 12/05/2012 and since then the applicant is performing his duties to the entire satisfaction of his superiors and the service record of the applicant is spotless and blameless.
2. That the applicant was appointed by BISE Mardan as a Deputy Superintendent in the Inter Annual Examination 2015 in Hall "A" at GDC Takht Bhai, Mardan.
3. That the exam was running smoothly according to the rules and regulations of BISE Mardan for the transparency the applicant in accordance with the social and ethical norms proper search the students before entering the hall.

5. That the applicant performed his duty according to the rules and best stratification of the applicant.
6. That before entering the Examination Hall the applicant had properly searched the students.
7. That being as a Deputy Superintendent I performed my duty with full devotion and sincerity and according to the rules and neither unfair nor any undue favor was given to any candidate.

8. That those students from which the unauthorized materials were discovered during body search immediate action was taken against the candidates and U.F.M cases were sent to BISE Mardan (The list of the UFM cases is attached)
9. That the honorable authority can compare the result of this hall with the overall results of the examination halls of BISE Mardan from which the performance of the applicant can be better judged. (Copies of the results are attached).
10. That the performance of the applicant and other members can also be better judged from the reports of the number of inspectors who visited to the concerned hall from BISE Mardan.
