Mr. Fazal-ur-Rehman, Advocate for the appellant present and submitted an application with the request and seeking permission to file the service appeal afresh. During course of the arguments, he pointed out that the seniority list placed at page No. 13 of the instant service appeal does not reflect any date and nomenclature etc thereon. He therefore, requested to allow him to withdraw the appeal with permission to file afresh. Application to that extent is allowed subject to all just and legal objections. Consign.
