### FACTS

Since common question of laws and facts are involved in all these appeals hence decided together. The brief resume of all these appeals is that some appointments were made in the respondent department in the year 2007. These appointments were declared illegal by the concerned authority. Against the said cancellation this Tribunal was approached and finally this Tribunal vide judgment dated 27.10.11 decided the issue through a judgment in Service Appeal No 1407/2010 (For brevity "the judgment"). Through the judgment the appeals were

remanded to respondent no 1 with a direction for the reinstatement of those appellants who were qualified in the light of certain observations made in the judgment (Para 9(iii)). Those observations relevant for the purpose were given in para 8(d) of the judgment. In compliance the respondent no 1 constituted a committee for giving a report. After the report termination orders of present appellants were issued. The appellants then after seeking departmental remedy (though disputed as to limitation) filed the present appeals against these orders of termination.

### ARGUMENTS.

3. The gist of the arguments of all the counsel for the appellants is as under:

i. That the appellants were not heard properly by the Authority or Committee and hence violated the direction of this Tribunal in the judgment.

ii. That the only direction in the judgment was to reinstate those who were qualified and there was no direction to enter into other

illegality/irregularities as those issues were already decided by the Tribunal in the judgment. But the Committee exceeded its mandate and framed TORs beyond that scope by entering into

all other illegalities/irregularities allegedly committed in the appointments.

iii. That all the appellants were duly qualified and hence their termination on other grounds was illegal.

iv. That no new specific reason was shown in the termination orders except a general reason of illegal/irregular appointments.

v. That some of the appellants were only communicated verbal orders of termination and they approached this Tribunal on the basis of verbal orders and those verbal orders have no legal value. Reliance was placed on a case entitled "*Muhammad Ahmed Tariq v District Education Officer*" reported as 2001 PLC(C.S) 109 and "*Abdul Hammed v Sindh Agriculture University and 5 others*" reported as 2006 PLC(C.S) 200.

vi. Some appellants like Riazul Hassan were appointed on the intervention of worthy Peshawar High Court and they could not be terminated on the ground of illegal/irregular appointment.

4. The gist of the arguments of the learned DDA is as under:

i. That the appeals are time barred as all the termination orders were issued in black & white on 8.2.2012 and the appellants either did not file departmental appeals within

time or they did not challenge the said orders in their service appeals.

- ii. That the termination orders were issued on the basis of a report of a broad based committee and the termination orders shall be read with the recommendations of the committee for ascertaining the reasons.
- iii. That the scope of Authority was not confined to qualification but to other observations mentioned in para 8(d) of the judgment.
- iv. That the committee categorized the appointees in terms of commonality of illegalities/irregularities and gave separate findings for each category.

**CONCLUSION.**

5. This Tribunal is first to decide the maintainability of these appeals qua the limitation and issuance of verbal order and their effect. Some of the appellants approached this Tribunal by alleging that they were issued verbal orders and some in writ jurisdiction to the Worthy Peshawar High Court for direction to department to issue written orders. On the said direction the written orders were communicated to

all the appellants which bear date of 8.2.2012. It means that written orders were issued but were not communicated to appellants. In such situation appeals cannot be dismissed on the ground of limitation. Other related objection is that the written orders were not challenged by some of the appellants. As the written orders were communicated on the direction of the Worthy High Court therefore, all the appeals filed prior to such communication cannot be dismissed on this technical ground. Now we are to see the legal status of verbal orders. As there were written orders which were not communicated hence it cannot be said that termination was on the basis of verbal orders. The rulings on the issue relied upon by appellants are irrelevant in the circumstances.

6. As to the association of the appellants in the proceedings this Tribunal has already decided this issue vide order dated 14-03-2012 in Execution Petition No 34/12 entitled "*Muhammad Hassan Khan v Secretary E&SE etc*" as upheld by the august Supreme Court of Pakistan on 27-06-2012. While filing execution petition against these termination orders this Tribunal categorically turned down the plea that the appellants were not associated in the proceedings.

7. The appointments of some of the appellants like Riaz-ul Hassan etc. cannot be saved on the ground of their appointment on the intervention of the High Court as the issue before the Court was not of illegal appointment but that the petitioners were ignored despite being on the merit list. Secondly those writ petitions were not decided on merits.

8. Now we are to deal with the crucial question of the scope/TORs of the inquiry committee in the light of the judgment. The judgment is to be read holistically and pars 8(d) and 9(iii) need proper interpretation in order to reach the conclusion whether the Tribunal cleared the appellants from all alleged illegalities/irregularities and confined the Authority to qualification only. In par 8(d) of the judgment the Tribunal while giving some examples reached the conclusion that the assertion of the Department regarding no advertisement in all cases was not correct. Similarly some cases appeared showing constitution of committees for conducting test and interviews. Again there were some cases where merit list was framed and test and interviews conducted. And in some cases certificates/testimonials were also verified. These examples did not cover all the cases but just to strengthen the conclusion that all cases

EXAMINER  
Khyber Pakhtunkhwa

Peshawar

were different and in some cases some or more formalities were fulfilled. On the basis of these examples the Tribunal did not reinstate the appellants as these examples did not cover all the cases and need was felt to remand the appeals back to department to thrash out all necessary formalities on case to case basis and then decide the fate of the appellants. The wordings used in para 9(iii) regarding reinstatement of qualified appellants is to be read with observations made in foregoing paras of the judgment. This means that only those qualified appellants were to be reinstated if they pass the test of observations made in the judgment. Secondly the word "qualified" used in this para is not confined to "educational qualification" but qualification in terms of fulfilling all the procedural and substantive requirements including educational qualification. Another easy test for ascertaining this mandate can be by assuming that if in the judgment the committee was authorized to see qualification only then the result would be that those fulfilling qualification without advertisement would be deemed to be legal appointees. Such conclusion would be against the settled jurisprudence as developed through many precedents of superior courts and discussed in a judgment of larger bench of this Tribunal as mentioned below. The Tribunal, of course, did not intend to create

**ATTESTED**  
**EXAMINER**  
Khyber Pakhtunkhwa  
Service Tribunal,

such an anomaly and paradoxical outcome through the judgment (27.10.11). The scope of the Committee was, therefore, wider enough to cover all the areas including procedural and substantive requirements.

9. Now we are to discuss different termination orders of different categories passed on the basis of common illegalities/irregularities as formulated by the committee. The following are the categories

PST-CT-PET-DM-AT-TT-QARI (MALE & FEMALE)

- i. C I. No Advertisement. No merit list and no DSC.
- ii. C II. (relevant for terminated employees only). No merit list and no DSC
- iii. C III. (.relevant for terminated employees only ). No merit list, no DSC and no sanctioned post.
- iv. C IV. No Advertisement. No merit list and no DSC. Non observance of quota

10. The next question for determination is whether the illegalities/irregularities mentioned in each category justify the termination or these are those lapses which ought to be ignored and cannot be attributed to the fault of the appointees. In this regard we can seek guidance from a recent judgment of Larger Bench of this Tribunal

Service Tribunal,

consisting of the Chairman and all the learned Members delivered in Appeal No 94/2015 entitled "*Shehr Yar Khan v Government of KPK and Others*" decided on 15-02-2018. In this judgment the issue of illegal appointments has been thoroughly discussed and many relevant judgments of the superior courts have been taken into account and thereafter a comprehensive guidelines have been laid down for deciding what orders are void or illegal and what are mere irregular and when an authority is justified in recalling such orders. The superior courts have held in so many judgments that when a civil servant cannot be blamed and when his appointment is to be nullified. A glimpse of such burden on appellants has also been discussed in the judgment (the judgment dated 27.10.11). Without further discussing the above mentioned judgment of larger bench this tribunal reaches the following conclusion qua the propriety of the termination orders in the light of those guidelines.

11.

- i. Category I. No advertisement. No merit list and no DSC. Appointments are void without advertisement as categorically laid down in larger bench judgment. The merit list and DSC are discussed below.

ATTESTED

  
EXAMINER  
Khyber Pakhtunkhwa  
Service Tribunal,

- ii. Category II. No merit list and no DSC. In the judgment of the larger bench no specific decision was made on this aspect. But it was decided that it would be seen on case to case basis that who was instrumental in getting the appointment orders and if employee had any role in getting benefit then his appointment would be void. We are to see whether appointee can be termed as instrumental in such exercise. Non holding of DSC and not honoring merit list was definitely to give benefit to the employee for any consideration. No situation can be visualized where such illegalities were committed by the Appointing Authority on his own without the influence or involvement of the employee as the ultimate beneficiary is the employee. In such situation burden shifts to beneficiary to show that it was not his involvement by positive evidence.
- iii. Category III. The same result as that of category II for DSC and merit list only. Regarding non sanction of posts the judgment (27.10.11) has cleared the employees from any burden.
- iv. Category IV. Same result like category I and II for no advertisement and no DSC and merit list. Non observance of quota simplicitor cannot be attributed to employee if it was not

with malafide intention. However in the circumstances non observance of quota was deliberate and to give benefits to employees hence is fatal for appointment. Before parting with the judgment the objection of the appellant regarding no reasons in the orders of termination is also overruled as termination orders are to be read with reasons given against each category by the inquiry committee.

12. Consequently all the appeals are dismissed. Parties are left to bear their own costs. File be consigned to the record room.

1. This Para is astonishing, as in the subsequent paras, the appellant has been admitted to be Civil servant, so how, the appeal of the appellant is barred by Section 23 of KP Rules, 1974.
2. No doubt, the appellant was considered to be one of 1613 terminated teachers but the appellant never approached any Court, as he never received any termination letter.
3. The appellant was not party to the appeal mentioned in this Para.
4. From 01.01.2007 to 30.06.2008, the teachers were terminated, who were illegally appointed but the appellant joined the Education Department through proper channel being employee of the postal department.
5. May it be but the appellant was not party to those proceedings.
6. The committee recommended that services of 309 employees be regularized as per list, where the name of the appellant is very much available in the said list.
7. This Para is totally incorrect, as the appellant was not a fresh candidate rather he was appointed through proper channel from another department.
8. This Para is incorrect, the appellant never received any termination order, rather for the first time he was provided the termination letter in the Hon'ble High Court in his writ petition No.843-D of 2015 on 10.10.2018, showing the termination date on 08.02.2012, despite the fact that the name of the appellant was very much available in the list of 309 candidates who were declared to have been appointed on merits.
9. This Para is incorrect, as mentioned above, no termination letter was sent to the appellant, rather in his writ petition the termination letter was handed over in the High Court on 10.10.2018, thereafter the appellant preferred departmental appeal, which was never replied and now the instant appeal, which is well within time.

- 2
10. May it be, then instead of terminating the service of the appellant, he should have been reverted to the post of PST, which was a legal order.
  11. As explained above.
  12. It is just an objection without any explanation.
  13. Appellant does come within the definition of aggrieved person and he has cause of action/locus standi to file the instant service appeal.
  14. Mere objection without any explanation.
  15. Mere objection without any explanation.
  16. Mere objection without any explanation.
  17. Mere objection without any explanation.
  18. Mere objection without any explanation.
  19. Mere objection without any explanation.

**Rejoinder to the facts.**

- 
1. Needs no rejoinder as admitted by the respondents.
  2. Relevant documents are enclosed with the main appeal.
  3. This Para speaks volume, as the very advertisement, test and interview and appointment of the appellant in due process of law, has been admitted.
  4. This Para negates the stance of the respondents because the confirmation within one year was not done by the appellant rather by the department, so how and why the appellant can be blamed for an act not done by him rather done by the competent authority.
  5. Needs no rejoinder, as this Para has not been denied.
  6. Although, the stance of the appellant has been admitted regarding receiving of salary for one month but for no good reasons and explanation, this Para has been denied.
  7. The stance of the appellant for applying the post of C.T has been admitted by the respondents but with a different angle.
  8. The appointment/promotion on the post of C.T has been admitted by the respondents so how and why they are of the view that the appellant drawn illegally the salaries.
  9. The stance of the appellant has been admitted in this Para that the committee specially constituted on the directions of KP Service Tribunal submitted its report on 26.01.2012, enclosed with the main appeal as Annexure-I, wherein the appointment of 309 male PSTs were retained into service, whereas, despite the fact that the name of the appellant is very much available in the said list of 309 teachers, the services of the appellant were terminated.
  10. This Para is totally incorrect and against the record, as one M. Tariq Nadeem who was a fresh candidate and was appointed as PST and

then was promoted to C.T but because of the decision of the scrutiny committee, he was reverted to PST, as against that the services of the petitioner were terminated. Copy of service book and other relevant record of the said Muhammad Tariq Nadeem are enclosed herewith as Annexure-R/1. Astonishingly, this person was reinstated with others vide order dated 15.12.2012 with all back benefits and now he has been promoted from BPS-12 to BPS-14 and the case of said Muhammad Tariq is at par with the appellant, rather the appellant is having an edge as the appellant was not fresh candidate rather he applied through proper channel being already in service of postal department.

- 11. This Para has deliberately been made confusing just to cover up the illegality or discrimination on the part of the respondents otherwise the relevant record so annexed speaks volume.
- 12. This Para is repetition of the earlier Paras.
- 13. This Para has already been replied.
- 14. The departmental appeal was addressed to the Director, Education, whereas, a copy was sent to DEO, however, if at all, the stance of the respondents is admitted correct then whether he DEO was not bound to send the same appeal to the competent authority.

Rejoinder to the grounds.

- 1. This Para speaks volume, because in the preliminary objection the appointment of the appellant to the post of PST has been admitted correct and in accordance with law but now the respondents are totally denying the same however, if at all, the appointment/promotion of the appellant to the post of C.T was not correct, then the appellant should have been reverted to the post of PST instead of terminating his services, as the name of the appellant is appearing at serial No.61 in the list of 309 teachers, prepared by the scrutiny committee.
- 2. In this Para, the respondents have admitted that no termination order was served upon the appellant.
- 3. It is very strange that department is not clearly denying the status of the appellant to have applied through proper channel from postal department, nor they are admitting the status of the appellant rather they are advising the appellant to approach the postal department.
- 4. On one hand, the respondents are admitting the report and list of the standing committee regarding 309 candidates and on other hand, they have denying the same but one fact is admitted that the list of 309 candidates, as recommended by the committee has been acknowledged and honoured by

the department except for the appellant, whereas, the name of the appellant is very much appearing in the said list at serial No.61. (4)

5. In this Para, the list of 309 candidates have been admitted but to the extent of the appellant, they are denying the same, therefore, the respondents are blowing hot and cold in the same breath and thereby discriminated the appellant.
6. Counsel for the appellant may be allowed to raise additional grounds during the course of arguments.

It is, therefore, humbly prayed that keeping in view the above clarifications, this Honourable Court may be pleased to accept the appeal of the appellant and to reinstate the appellant to the post of PST with all back benefits.

Your Humble Appellant;  
Through Counsel.

Dated.29.01.2020.
