Counsel for the appellant Engr: Kafeel Ahmad Chauhan present. Preliminary arguments heard. It was contended by learned counsel for the appellant that the appellant is serving as Associate Professor (BPS-19) in the Khyber Pakhtunkhwa Technical Education & Vocational Training Authority (TEVTA). It was further contended that a Departmental Promotion Committee was constituted for the promotion from the post of Associate Professor (BPS-19) to the post of Professor (BPS-20). It was further contended that on the recommendation of Departmental Promotion Committee, the private respondents No. 5 to 7 were promoted from the post of Associate Professor (BPS-19) to the post of Professor (BPS-20) but the appellant was deferred in the said promotion due to having average ACRs. It was further contended that as per rule and law, the average ACRs is considered as good. It was further contended that on the same analogy the appellant was also deferred for promotion from the post of BPS-18 to the post of BPS-19 but later on the appellant filed service appeal which was accepted and it was held in the said judgment of the Service Tribunal that the appellant has having good case and the average ACR is considered as good. It was further contended that the appellant filed departmental appeal but the same was not responded. It was further contended that the appellant is entitled for promotion from the post of BPS-19 to BPS-20 with effect from 25.02.2019 when private respondents were promoted.

The contention raised by learned counsel for the appellant needs consideration. The appeal is admitted for regular hearing subject to all legal objections. The appellant is directed to deposit security and process fee within 10 days, thereafter, notices be issued to the respondents for written reply/comments for 30.01.2020 before S.B at Camp Court D.I.Khan.

6. That when the appellant came to know about the aforesaid promotion of Six officers through the ibid Notification and missing his name from the said Notification, he was surprised that he was deferred from the promotion on the mere reason that the same ACR,s were recorded as "Average" a copy of impugned Notification is enclosed as (ANNEXTURE-D).

11. 16. That in the mean while an other PSB was held on 26-12-2018 and consequently impugned Notification dated 25-02-2019 was issued but the appellant was once again ignored for the promotion to BPS-20. A copy of notification dated 25-02-2019 is as (ANNEXURE-I).
17. That the appellant being aggrieved from the above noted impugned notification issued on 25-02-2019 was left with no other option except to submit once again his departmental appeal/representation to the worthy Chief Secretary KPK Peshawar through proper channel to attract the interference of his good self in this respect in the best interest of justice and the promotion of the appellant from BPS-19 to BPS-20. A copy is enclosed as (ANNEXURE-J).
18. That a period of 90 days has since elapsed but the above mentioned departmental Appeal/representation has not been responded by the respondent No: 1 (Chief Secretary, Govt: of KPK, Peshawar) hence the present appeal on the following grounds amongst the other:-

Grounds

The appellant to his credit under the domain of the respondent authorities has the following service profile on 25-02-2019.

1.
 - I. The appellant was promoted to BPS-18 after rendering service of more then 5 years in BPS-17 with effect from 04-02-1992 to 30-05-1999, beside the 10 years non gazetted service in his credit.
 - II. The appellant was eligible for promotion to BPS-19 after rendering 7 years continuous service in BPS-18.
 - III. The appellant had become eligible cum fit for grant of promotion to BPS-20 after 5 years service in BPS-17, 7years service in BPS-18 and continuous 5 year service in BPS-19.
2. The appellant has never declined to take part in mandatory trainings and he has the belief that his PER or Development of Comprehensive Efficiency Index (CEI) is not substandard. More over the appellant has the assurance that his score for quantification of PERs is not below 70%.
3.
 - I. In the line of speciality, the appellant has no discredit on any score or count. Beside, the grading of ACRs/PERs is never below Average.
 - II. The appellant has not been on deputation, had not availed long leave or had not been on Foreign Training and thus the profile of the ACRs/PERs is upto date.
4. That the appellant's promotion from BPS-18 to BPS-19 was deferred on 20-03-2008 on the mere reason that he has six average ACRs during service in BPS-17 and BPS-18 though those were never conveyed to the appellant and thus the appellant was panelized by not awarding him BPS-19 rather the other junior officers were promoted in BPS-19 by superseding the appellant, in spite of the above stated fact the appellant has once again been ignored for promotion to BPS-20 on the basis of same alleged laxities, being aggrieved from aforesaid deferment order dated 20-03-2008

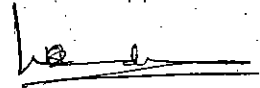

the appellant filed a service appeal before the KPK Service Tribunal Camp Court D.I.Khan, which was favorably disposed off.

5. That the KPK Service Tribunal which passing judgement in the case on 24-01-2017 held that "the Appellant has a very good case to argue that his deferment on average ACR, was not a valid order as average ACR is generally treated as good as per dictum of apex Supreme Court of Pakistan in many similar cases and impugned notification dated 20-03-2018 was therefore not in accordance to rules". Moreover in SCMR 1994 at page 544 remarks reported as average should be treated as "good". (copy of judgment is enclosed).
6. That it is an established law that no one can be punished twice for the same wrong. (vide article 13 of constitution of the Islamic republic of Pakistan 1973).
7. That in view of above stated law if the appellant was awarded 07 marks instead of 05 marks by taking in to consideration the average ACRs as good, then in that case the appellant was qualified for promotion in BPS-20.
8. That there are so many precedents/examples exist, that in similar case the officers have been promoted in BPS-20 by awarding them grace marks by Provincial Selection Board. So if the Appellant treated like other officers on compassionate ground and awarded grace marks by Provincial Selection Board, then in that case too he will fulfill the basic quantification score for the promotion in BPS-20.
9. That the interse seniority is undisputed and no disciplinary or departmental proceeding are pending against the appellant. Moreover the appellant has been in a vacuum/void and wood never be alert about such alleged infirmity and the penalty thus impose is without prior notice or hearing, which is totally against the principles of natural justice.
10. The deferment or super cession if the promotion is an act without lawful authority and is of no binding effect upon the right of the appellant to grant of promotion w.e.f 25-02-2019 with all back benefits.
11. That the appellant counsel may be permitted to argue further and additional grounds.

It is therefore humbly requested that by accepting the present appeal to declare the act of omission of the respondents authorities vide Notification No: SO (E-I)E&AD/9-93/2019 dated 25-02-2019 without lawful authority, arbitrary and discriminating as the appellant has been deprived of his right of promotion from BPS-19 to BPS-20 and the appellant may very kindly be promoted to BPS-20 in order to avoid miscarriage of justice.

The appellant respectfully submitted as under :

- That case for promotion of seven Assistant Professors (Technical Subjects) from BPS-18 to BPS-19 was submitted in February, 2007 by the Director Technical Education & Manpower Training, NWFP, to the Secretary, Industries, Commerce , Mineral & Development and Technical Education, NWFP, Peshawar.
- That the name of Engr: Kafeel Ahmad Chauhan was included in the said seven officers and was placed at Sr. No.4 according to the Seniority.
- That the Chief Minister, NWFP has very kindly accorded the approval for promotion of all seven officers.
- That the name of appellant was with drawn from the promotion Notification dated 20.3.2008 issued by the Secretary, Industries , NWFP, Peshawar , reasons based known to him.
- That when the appellant came to know about the aforesaid promotion of six officers through the ibid and missing his name from the said notification; that he was supervised that he was deferred from, the promotion on the mere reason that the some ACR's were recorded as "Average"
- That the appellant when confronted this un expected situation was left with no alternative accept to enquire about the exclusion of his name from the promotion notification wherein he was informed by the office concerned that his name was dropped due to the only reason that his some ACR's recorded "Average" and on this reason alone he was not promoted from BPS-18 to BPS 19 as being ineligible for promotion. The appellant being aggrieved from the ibid promotion notification dated 20-3-2008 was left with no other option accept to submit his departmental appeal for reconsideration his case for promotion. A copy of departmental representation for ready reference please.
- That the appellant waited for the result of his representation but no reply / response was received by him and he was obliged to knock the door of Honourable Peshawar High Court Bench DIKhan by filing his writ petition to the extent that appellant was legally entitled to be promoted from BPS-18 to BPS-19 on the basis of his qualification, fitness and seniority.
- That when the writ petition stated above of the appellant came for hearing before the August High Court , the learned Division Bench their Lordship were pleased to treat his writ petition as representation once again and directed the concerned authority to dispose of the same on merit strictly in accordance with law positively with in two months after giving chance of hearing to the appellant with further direction to communicate him the result his representation. The Honourable High Court had also directed the office to sent the copy of its order along with the copy of writ petition to the Chief Secretary NWFP, Peshawar. Consequently the learned Additional Registrar of the August High Court done the needful as was directed vide his letter No. 1368 dated 1-6-09 through registered post. A copy of writ petition along with copy of the order of Honourable Division Bench are enclosed herewith.
- That later on the appellant has been promoted from BPS-18 to BPS-19 along with 25 other officer vide notification dated 4 August 2009 with immediate effect although the case of the appellant was forwarded for promotion in BPS-19 in Feb: 2007 along with six others officers but he was not promoted due to the only reason that his some ACR's were recorded as "Average" as stated above. Hence e therefore the appellant should have been promoted with effect from 20-3-2008 as his case was put for promotion on the basis of seniority, fitness because the appellant had already earned good ACR's in 2007 which fact was available on his file at the time of his promotion along with six other. Hence therefore attracts the interference of your good self in this respect in the

Handwritten signature and stamp of Muhammad Khalid Chaudhry, Advocate, August Court, Peshawar.

interest of justice as the appellant was to be promoted with effect from 20-3-2008 on the strength of seniority and ACR. A copy of the notification dated 4-8-09 is enclosed.

GROUND

That it is evident from the record of the appellants Personal File that there is no adverse report against him and the word "Average" report is generally treated as good as per the decision taken by the August Supreme Court in the similar case.

That the impugned notification dated 20-3-08 is illegal to the extent of non consideration of the appellant for promotion because there is no adverse report against the appellant. Hence deferring the petitioners from promotion on the basis of earning average ACR's is illegal and unlawful.

That the petitioners has been discriminated on no fault on his part and thus the case of petitioner has not been dealt with in accordance with law and in this way non consideration the name if petition for promotion at that time clearly denial of his fundamental rights guaranteed by the constitution of the Pakistan 1973. So therefore interference of your good self is very much attracted in the interest of justice in the case in hand.

That the provincial; selection boards had desired that ACR of appellant for the year 2007 should be good so as to entitle him for promotion from BPS-18- to BPS-19. It would be not out of place to mention here that the ACR of the appellant for the year 2007 was recorded good and at the relevant time i.e for the time of promotion it was available with the department concerned as is narrated above. Similarly some of the promoted officers had earned average ACR's even then they have been promoted which is clear discrimination of the rights of the appellant. More so that stated officers having average ACR was junior to the appellant. So it is necessary to bring it into the knowledge of your good self for doing justice.

So in view of what has been respectfully submitted above it is requested that your good self being a competent authority may very kindly be pleased to give effect to the promotion of the appellant from the date of notification date 20-3-2008 along with all back benefits just to touch the ends of justice.

Yours humble appellant

JUDGMENT

ASHFAQUE TAJ, MEMBER:- Engineer Kafcel Ahmad Chauhan S/o Bashir-ud-Din, hereinafter referred as appellant has preferred instant appeal under section-4 of Khyber Pakhtunkhwa Service Tribunal Act, 1974 by impugning

22

notification bearing No. SO-III (IND) TE/1-4/04 dated 20.03.2003 and notification bearing No. SO III (IND) TE/1-4/09 Technical Education Department Peshawar.

2. Briefly stated facts of the service appeal are that appellant joined Technical Education Department in BPS-10 in 1982. In 1992 was promoted as Senior Instructor (Auto Farm) in BPS-17. In 1996 he was promoted to grade-18. In year 2007 he alongwith six other Assistant Professor Technical Education were considered for promotion to BPS-19. His case was deferred for the reason that he had six average A.C.Rs. He preferred Writ Petition against notification dated 20.03.2008, august High Court was please to treat the writ petition as departmental representation, with direction to respondents to decide the same within two months. Latter on appellant alongwith 25 other officers was promoted vide notification dated 04.08.2009 with immediate effect. The plea of appellant is that since his case was deferred on 20.03.2008 so he is entitled to get promotion from that date and not from 04.08.2009. The appellant again filed departmental appeal against the above order, on receiving no response within the stipulated period of 90 days moved instant service appeal.

3. Learned counsel for appellant requested that appellant was deferred from promotion to grade-19 on 20.03.2008 on the ground that he had Six Average A.C.Rs, and that denial of promotion to him on basis of average A.C.Rs was illegal, as average A.C.R is reckoned as good A.C.R and further that promotion was deferred and not denied so In 2009 when he was promoted, that promotion was required to be 20.03.2008 instead of 04.08.2009.

4. On the other hand learned Government Pleader for respondents stated at the bar that promotion of the appellant was deferred with condition that he should earn good report for 2007. Accordingly, on earning good report he was promoted. Now the procedure is that promotion is always with immediate effect and not with back benefits. Appellant was deferred for the reason he had six average A.C.R. so the board was justified in not promoting him in 2008 and was rightly promoted on 04.08.2009.

5. The Tribunal is of the view that, initially, the appellant was deferred from promotion by PSB on the ground that he had average ACR. Appellant challenged the said in shape of writ petition and the august High Court treated writ petition as representation and referred the same to respondents to decide the same on merit strictly.

The order was sent to Government on 01.06.2009 with direction to decide the matter within two months. Before two months impugned order was issued on 04.08.2009 and appellant was promoted with immediate effect from BPS-18 to BPS-19. The appellant there-after has moved another departmental appeal with prayer that his promotion be considered from 20.03.2008 instead of 04.08.2009 with all back benefits. The appellant though has a very good case to argue that his deferment on average ACR was not a valid order as average ACR is generally treated as good as per the dictum of apex Supreme Court of Pakistan in many similar cases and that impugned notification dated 20.03.2008 was therefore not in accordance to rules. The appellant now came up in this service appeal only with the prayer to give effect to the promotion from 20.03.2008 and not from 04.08.2009. Thus leaving his earlier prayer of declaring the earlier notification dated 20.03.2008 null and void.

6. In the prevailing circumstances Tribunal is left with no other option but to remit this case of appellant to respondents with direction to decide the seniority issue in light of Khyber Pakhtunkhwa Civil Servant Promotion Policy, 2009 under section-V clause (d) which is with regard to deferment of promotion the relevant portion is as under:-

"Such an officer, on his promotion will be allowed seniority in accordance with the proviso of sub-section (4) of Section 8 of the Khyber Pakhtunkhwa Civil Servants Act, 1973"

Read with Esta Code (Establishment of Code of Khyber Pakhtunkhwa S.No. 7 with regard to determination of seniority of Civil Servant the relevant portion is as under:-

"This provision read with general principles of seniority which are deemed to be rules made under Section 26 of the North-West Frontier Province, Civil Servants Act,

1973 enable the left over persons to regain seniority without effecting retrospective promotion. However, in such cases, the intervening period can be counted towards increments under F.R.26(c) but without arrears".

7. This appeal in hand for aforementioned reasons stands disposed of accordingly. Parties are left to bear their own costs. File be consigned to the record room.

Through: PROPER CHANNEL IN THE MINISTRY OF INDUSTRIES, COMMERCE & TECHNICAL EDUCATION PESHAWAR.

The Appellant respectfully submit as under, amongst other grounds, :-

That a case for promotion of five Associate Professor (Technical Subject) from BPS-19 to BPS-20 was submitted in April 2018 by the Managing Director KP-TEVTA to the Secretary Industries Commerce and Technical Education KPK Peshawar, where in the name of Appellant (Engr. Kafeel Ahmad Chuahan) was included in the panel of said five officers and was placed at serial No.03 according to seniority.

That on 03 September 2018 the Govt of KPK Establishment Department has issued promotion order/Notification where in the four officers has been promoted excluding the Appellant, which impliedly manifests that the Appellant's promotion has been deferred.

That being aggrieved from the notification dated 03.09.2018. The Appellant preferred departmental representation against deferment of promotion to BPS-20 but no response what so ever was given till today.

That in the mean-while another PSB was held on 26.12.2018 and consequently impugned Notification dated 25.02.2019 was issued but the appellant was once again ignored for the promotion to BPS-20.

That now the appellant officer being aggrieved from the impugned notification dated 25.02.2019 has been left with no alternative remedy except to respectfully submit this Departmental Representation for reconsideration of his case for promotion to BPS-20 with retrospective effect. (copy of order is attached).

Grounds:

- That the Appellant's promotion from BPS-18 to BPS-19 was deferred on 20.03.2008 on the mere reason that he has six average ACRs during service in BPS-17 and BPS-18 though those were never conveyed to the Appellant and thus the Appellant was penalized by not awarding him BPS-19 rather the other junior officers were promoted in BPS-19 by superseding the Appellant, in spite of the above stated fact the Appellant has once again been ignored for promotion to BPS-20 on the basis of same alleged laxities, being aggrieved from aforesaid deferment order dated 20.3.2008 the Appellant filed a service appeal before the KPK Service Tribunal Camp Court D.I. Khan, which was favorably disposed off.

- That the KPK Service Tribunal which passing judgment in the case on 24.01.2017 held that " the Appellant has a very good case to argue that his deferment on average ACR, was not a valid order as average ACR is generally treated as good as per dictum of apex Supreme Court of Pakistan in many similar cases and impugned notification dated 20.03.2008 was therefore not in accordance to rules". Moreover in SCMR 1994 at page 544 remarks reported as average should be treated as "good". (copy of the judgment is enclosed).
- That it is an established law that no one can be punished twice for the same wrong. (vide Article 13 of constitution of the Islamic republic of Pakistan 1973).
- That in view of above stated law if the appellant was awarded 07 marks instead of 05 marks by taking in to consideration the average ACRs as good , then in that case the Appellant was qualified for promotion in BPS-20.
- That there are so many precedents/examples exist, that in similar case the officers have been promoted in BPS-20 by awarding them grace marks by Provincial Selection Board. So if the Appellant ^{be} treated like other officers on compassionate ground and awarded grace marks by Provincial Selection Board, then in that case too he will fulfill the basic quantification score for the promotion in BPS-20.

So keeping in view the above stated humble submissions the Appellant case for promotion to BPS-20 may very kindly be reconsidered at your earliest convenience to avoid miscarriage of justice. The Appellant also wishes to be heard in person.
