2. That the appellant while performing his duties served with show cause notice by respondent no.3. As per content of show cause notice, spouse of the appellant shown recipient of BISP Cash Grant, which was properly replied by the appellant and denied the entire allegations and clear the entire Situation. **Copy of show cause notice and reply is attached as annexure-A & B.**
3. That thereafter appellant also challenge the vires of the show cause notice before the Hon'able Peshawar High court Bannu bench. The Hon'ble Court is kind enough to disposed off the writ petition vide judgment dated 28.04.2020 with direction to respondent that the opportunity of hearing should be provided to the appellant and proper inquiry should be conducted and the appellant should be treated according to law. **(Copy of high court judgment is attached as Annexure-C).**
4. That thereafter the appellant was removed from service vide order dated 24.04.2020 without providing personal hearing and conducting proper inquiry in violation of E&D rules 2011 and High Court Judgment. **Copy of removal order is attached as annexure-D.**
5. That the appellant being feeling aggrieved filed departmental appeal against the order dated 24.04.2020 before the respondent no.2. the respondent no.2 accepted the departmental appeal vide order dated 13.08.2020 and on acceptance of the departmental appeal the appellant has been re-instated in to service with all back and consequential benefits by withholding of one annual increment for two year and also order for recovery. **Copy of departmental appeal and appellate order dated 13.08.2020 is attached as annexure-E & F.**

- B) That no formal inquiry was conducted despite the direction of High Court, no procedure was followed before the penalty was imposed upon the appellant which is against the law and rules.
- C) That the recipient was spouse of the appellant not appellant himself and the survey team of BISP recommended his spouse for the subject relief taking their financial condition into account without appellant's consent.
- D) That the BISP survey teams duly recommended the wife of the appellant for the financial assistance keeping in view their poverty and at that time there was no clarity whether the government servant may avail the grant or not, it is cleared from the commissioner order. So the impugned order is unlawful and against the natural justice.
- E) That the sufficient grounds of innocence of the appellant exist as per provision of supreme court judgment cited as NLR 2005 TD supreme Court Page 78" as no one punished for the fault of others. So the impugned order is illegal.
- F) That no proper procedure has been followed before the awarding the penalty, the whole proceedings were conducted in violation of law and rules. Thus, not tenable in the eye of the law.
- G) That the inquiry was dispensed with in violation of law and rules which is further cleared from the Hon'ble High Court Judgment and Commissioner order dated 13.08.2020. therefore, the appellant has been re-instated into service, further it is stated that the increment of the appellant was also stopped without any fault on the part of the appellant. Which is liable to be correct by this Hon'ble tribunal
- H) That grounds taken in show cause reply and charge sheet reply may also be considered integral part of the appeal.
- I) That the appellant seeks permission to advance others grounds and proofs at the time of hearing.

**APPLICATION FOR CONDONATION
OF DELAY IN THE INSTANT APPEAL**

RESPECTFULLY SHEWETH:

1. That the instant appeal is pending before this Honorable Tribunal in which no date has been fixed.
2. That if the tribunal determined that the impugned order 24.08.2020 is appellate order and no departmental appeal lie against the same. Then the increment and recovery is recurring cause of action being financial matter so there is no limitation run against the same, so the limitation may be condoned and if other wise then the appeal is well in time.
3. That according to Superior Court Judgment and this Hon'able tribunal Judgment, if the order is passed without following procedure the same has nullity in eye of law and treated to be void and there is no limitation run against the void order. So there is in interest of justice the limitation may be condoned.
4. That the august Supreme Court of Pakistan has held that decision on merit should be encouraged rather than knocking-out the litigants on technicalities including limitation. Therefore, appeal needs to be decided on merit (2003, PLD (SC) 724.
5. That, the appeal of the appellant on merit is good enough to be decided on merits.

It is therefore most humbly prayed that the instant appeal may be decided on merit by condoning the delay to meet the ends of justice.

Writ Petition are that petitioners were performing their duties in FRP Police; that their spouses were receiving cash from Benazir Income Support Program (BISP) and the petitioners being government Servants are not entitled to derive benefit from said program which is against the Standing Operating Procedure (SOP) of the BISP. In this respect, Show Cause Notice was issued by the respondent No.5 to the petitioners in pursuance of letter # SOP-1 (E & AD) 4-17/2020 dated 14/02/2020 of respondent No.1, hence the instant Writ Petition.

3- The contention of learned counsel for the petitioners is that petitioners were performing their duties in FRP Police but they were having no knowledge of submitting such applications by their spouses and that most of spouses are illiterate and they were unaware of the consequences of deriving such benefits from Benazir Income Support Program (BISP) cash grant.

4- Admittedly the respondent No.5 has issued Show cause notices to the petitioners for getting benefit from the BISP of their wives which is against the SOP. No adverse action has been taken against the petitioners hence the case is at pre mature stage. On

Brief history of the case is that Establishment Department Khyber Pakhtunkhwa asked all the departments to take action against all those government servants whose family members were the recipient of cash grant from BISP. The survey team of BISP recommended his spouse for the subject relief taking their financial condition into account without his consent. Similarly the respondent department did not conduct formal inquiry before issuance of the impugned order which is a pre-requisite under the E&D Rules -2011.
