**REPLY ON BEHALF OF THE PRIVATE  
RESPONDENTS NO.4 TO 55 IN RESPONSE TO  
THE ABOVE MENTIONED APPEAL SUBMITTED  
BY THE APPELLANT**

**PRELIMINARY OBJECTIONS:**

1. That the appellant has got no cause of action or locus standi to file the instant appeal.
2. That the appeal in hand is not maintainable in its present form and liable to dismissed.
3. That the appellant has misinterpreted the rules and law, and drawn up the meaning according to his own sweet will, besides concealing the important facts and not came to this Honourable Court with cleaned hands.
4. That the appeal is based on mala fide intention and concealed material facts from this august Tribunal.
5. That the appeal is bad for non-joinder and mis-joinder of the necessary parties.
6. That this HON'BLE Tribunal has no jurisdiction to entertain the appeal in its present form.
7. That the appellant is stopped by his own conduct to file the instant appeal.
8. That appeal of the appellant is barred by law and is hit by the principle of res judicata.

**ON FACTS:**

1- Pertains to record hence need no comments.

2- Pertains to record hence need no comments.

3- Incorrect and misconceived. That all the private respondents were initially appointed against the posts of Lecturer (BPS-17) in the respondents Department prior to the induction of the appellant in the respondent Department. Later on the appellant was appointed against the posts of Assistant Professor (BPS-18) through initial recruitment while some of the replying respondents were promoted and some of them were appointed through initial recruitment prior to appellant appointment as Assistant Professor, therefore under the [prevailing law and rules the appellant cannot claim seniority over the replying respondents. Copies of the record are attached as annexure ..... R.

4- Incorrect and misconceived. That according to service rules and promotion policy, 12 years service in BPS-17 and above or seven years service BPS-18 (in case of direct recruitment in BPS-18) is required for promotion to the next higher scale of Associate professor (BPS-19). That as the appellant was directly inducted in the respondent Department as Assistant Professor BPS-18 on 2.6.2008 and as such her length of service for promotion was short, therefore due to dearth in service the appellant was appointed on acting charge basis to the post of Associate Professor (BPS-19) vide Notification dated 10.3.2014 while the private respondents whose length of service were completed have been regularly promoted to the post of Associate professor by the Provincial Selection Board vide Notification dated 10.3.2014.

5- Incorrect and misconceived. That where after the appellant was promoted to the post of Associate Professor on regular basis vide notification dated 09-08-2017 after completion of prescribed length for regular promotion. That it is pertinent to mention here that promotion is always from immediate effect. Moreover as per clause 8 of the Civil servant Act, 1973 read with Rule-17 of the appointment, promotion and transfer Rules, 1989 seniority in a post service or cadre to which a civil servant is promoted shall take effect from the date of regular appointment to that post/cadre.

- 6- Incorrect and misconceived. That according to section-8 of the civil servant Act, 1973 read with Rule-17 of the APT Rules, 1989 seniority shall be reckoned from the date of first regular appointment. Moreover as per Supreme Court Judgments reported in **2011 SCMR 1584, 2015 SCMR 847 and 2015 PLC (C.S) 1231** seniority shall be reckoned from the date of first regular appointment and not from any other date.
- 7- Incorrect and misconceived. Moreover the appellant has failed to challenge her promotion Notification dated 9.8.2017 whereby she was regularly promoted with immediate effect. That without ante dation of her promotion to the post of Associate professor (BPS-19) the appellant cannot claim seniority (reliance is place on **2000 PLC C.S 206**).
- 8- Incorrect and misconceived. That as the replying respondents were promoted to BPs-19 prior to the appellant, therefore they are senior than the appellant and as such the respondents has issued the seniority list in accordance with Section-8 of the C.S Act, 1973 read with Rule-17 of the APT Rules, 1989.
- 9- Incorrect and misconceived hence denied.
- 10- Incorrect and misconceived. That as explained in Para -8 that the replying respondents were promoted to BPs-19 prior to the appellant, therefore they are senior than the appellant and as such the respondents has issued the seniority list in accordance with Section-8 of the C.S Act, 1973 read with Rule-17 of the APT Rules, 1989.
- 11- Incorrect and misconceived. That The private respondents were appointed as Lecturer (BPS-17) in Higher Education department and later on promoted to BPS-18 whereas appellant was directly appointed to BPS-18 due to which the service length of the appellant was directly appointed to BPS-18 due to which the service length of the appellant was not complete as she did not serve as Lecturer in Higher Education Department.

12 to 14: Incorrect and misconceived hence denied.

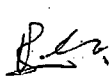

**GROUND:**

**A TO N:** All the grounds of main appeal are incorrect, baseless and not in accordance with law and rules. That the official respondents issued the seniority list of Associate Professor in accordance with law and rules and as such no illegality nor irregularity has been committed by the respondents while issuing the ibid seniority list. That the replying respondents are senior than the appellant and as such the respondents has rightly issued the seniority list.

It is therefore, most humbly prayed that on acceptance of this reply of the private respondents No.4 to 55 the appeal of appellant may kindly be dismissed with cost.
