JUDGMENT: -

ATTO UR REHMAN WAZIR MEMBER (E):- Brief facts of the case are that the appellant was initially appointed as Class iv in police investigation wing District Chitral on 18-06-2015 and was performing duty at the residence of a police officer in Peshawar until he requested for joining his original duty at Chitral on 02-01-2019 and which sparked the vengeance of his boss. Resultantly the appellant was proceeded against on the charges of absence from duty and dismissed from service on 07-02-2019, against which the appellant filed departmental appeal, which was also rejected on 15-04-2019, hence filed the instant appeal with prayers that the impugned orders dated 07-02-219 and 15-04-2019 may be set aside and the appellant may be re-instated into service with all back benefits.

02. Written reply/comments were submitted by respondents.

Arguments heard and record perused.

Learned counsel for the appellant contended that the appellant 04. performed duty at the residence of a police officer for four years in Peshawar and never absented from duty, but when he requested for joining his original duty at Chitral due to his domestic issues, he was proceeded against on the charges of absence from duty, but without any proof of absence. Learned counsel for the appellant further contended that while imposing major penalty of dismissal, a regular inquiry was required to be conducted, but the respondents only fulfilled the formalities and no proper opportunity of defense was provided to the appellant, which is against law and rule. Learned counsel for the appellant pointed out that charges must be proved on firm evidence. Reliance was placed on 2014 PLC (CS) 590, PLD 2008 SC 451 and 2000 SCMR 1743. Learned counsel for the appellant added that the impugned order is based on malafide and false allegations, where the real facts have been concealed, hence not maintainable in law. That the appellant was proceeded against under Government of Khyber Pakhtunkhwa (Efficiency & Discipline) Rules, 2011 as well as Police Rules 1975 at a time, Where Show Cause notice was served under Police Rules 1975, whereas the remaining proceedings under Government of Khyber Pakhtunkhwa (Efficiency & Discipline) Rules, 2011, which made the entire proceedings null and void, as the same could not have been conducted under two different sets of laws simultaneously. Reliance was placed on 2007 PLC (CS) 1306. That the action so initiated was such in haste that Rule 5 (1) (ii) read with Rule 6 have wrongly been referred in the charge sheet and name of another person inserted in place of appellant in the statement of allegations, which shows that the appellant has not been treated in accordance with law and rule. Learned counsel for the appellant prayed that the impugned orders dated 07-02-2019 and 15-04-2019 may be set aside and the appellant may be re-instated with all back benefits.

- O5. Learned Deputy District Attorney appeared on behalf of official respondents contended that the appellant was proceeded against as per rule and law and was provided opportunity of defense. He stated that the charges against the appellant have been proved beyond any shadow of doubt and there was no chance of any leniency with the respondents to take in the case of appellant except dismissal and rejection of his appeal. Learned Deputy District Attorney prayed that his appeal being devoid of merit may be dismissed.
- We have heard learned counsel for the parties and perused the record. 06. Record reveals that the appellant was appointed as Class-IV in police investigation wing District Chitral on 18-06-2015 but was made to work as cook in the residence of Deputy Inspector General, Special Branch, located at Hayatabad Peshawar. The appellant served for almost four years at the residence of respondent No. 3. During the course, he developed certain domestic issues, which compelled him to request-respondent No. 3 to relieve him for joining his original place of duty, which enraged fury of respondent No. 3, who verbally reported absence of the appellant and verbally asked the district police to initiate action against him for his absence. It was interesting to note that his presence, absence and leave were made on verbal directions and there is nothing on record to prove that the appellant was absent from his lawful duty. We have also observed that the appellant was initially proceeded against under Police Rules 1975, but later on the respondents switched over to Government of Khyber Pakhtunkhwa (Efficiency & Discipline) Rules, 2011 with proceedings under two different sets of laws simultaneously and where the Apex Court have declared such proceeding null & void in its judgment 2007 PLC (CS) 1306. We have observed that only codal formalities have been fulfilled just to remove the appellant from service for the only reason that he was no more willing to work at the residence of respondent No. 3. Nothing were made available on

ENTINER Service Tribunut

record to prove that the appellant was absent from duty or guilty of misconduct.

The proceedings so initiated were replete with deficiencies.

In view of the situation, the present service appeal is accepted and the impugned orders dated 07-02-2019 and 15-04-2019 are set aside and the appellant re-instated into service with all back benefits. Parties are left to bear their own costs. File be consigned to record room.
