promoted. That no proper seniority list was ever maintained by the department. That the departmental appeals of the appellants saleemullah dated 13.3.13 and that of Jehanzaib dated 15.3.13 were not responded and hence the instant service appeals on 10.07.2013.

4. Learned counsel for the appellants has argued that no seniority list in the mode and manners prescribed by rules was ever maintained by the department. That according rule-17 of Khyber Pakhtunkhwa Civil Servants (Appointment, Promotion and Transfer) Rules, 1989 the department was obliged to have followed the order of merit assigned by the Departmental Selection Committee according to which the appellants were senior and entitled to promotion at the relevant date in preference to other similarly placed employees including private respondents. That the impugned order dated 1.03.2013 promoting the private respondents is against facts and law and liable to be set aside.

5. Learned Senior Government Pleader has argued that all the private respondents were not junior to the appellants. That the department has followed the seniority of the appellants and other similarly placed employees from the date of arrival and as such the impugned order of promotion of private respondents warrants no interference.

6. We have heard arguments of learned counsel for the parties and perused the record.

7. Perusal of office order dated 26.03.2014 issued by the District Coordination Officer, Buner at Daggar would suggest that numerous PST (PTC) candidates were appointed on the recommendations of Departmental Selection Committee wherein selected candidates were assigned the score for the purpose of ascertaining their order of merit. According to record placed before us the department has maintained no seniority list as prescribed by rules and promotions were made on the basis of considering the date of assumption of charge.

8. According to Rule 17 of APT Rules in case of persons appointed by initial recruitment, the seniority inter-se of such civil servants is to be determined in accordance with order of merit assigned by the Departmental Selection Committee. In the cases in hand the order of merit assigned by the Departmental Selection Committee was ignored and date of assumption of charge was considered as basis for the purpose of determining inter-se seniority.

9. In the light of the above, we hold that the impugned order dated 01.3.2013 regarding promotion of the PSTs (BPS-12) to the post of SPST (BPS-14) on the basis of earlier assumption of charge is against facts and law and liable to modification. We are

therefore constrained to accept the instant service appeals and direct that the appellants and similarly placed employees be considered for promotion in the prescribed manner by taking into account the order of merits assigned to them by the Departmental Selection Committee instead of date of assumption of charge. In case the appellants and any other similarly placed employee is found entitled to promotion on the date of impugned notification then they shall be accordingly promoted and their inter-se seniority be determined accordingly. Parties are left to bear their own costs. File be consigned to the record room.
