## **JUDGMENT**

ATIQ-UR-REHMAN WAZIR MEMBER (E):- Brief facts of the case are that the appellant was initially appointed as Assistant Publicity Officer Agriculture BPS-17 through public service commission in the year 1983 and remained on joint seniority list until 2004. In pursuance of notification dated 09-10-1997 regarding grant of selection grade, the appellant filed departmental appeal dated 11-02-2020 for grant of selection grade, which was not responded within the statutory period, hence the instant appeal with prayers that respondents may be directed to grant him selection grade BPS-18 from the date when his other colleagues were awarded the same benefits with all consequential benefits.

- O2. Learned counsel for the appellant has contended that not awarding selection grade to the appellant from the due date and not taking action on the departmental appeal of the appellant are against law, facts and norms of natural justice and material on record, therefore not tenable and liable to be set aside; that the appellant has been deprived of the benefit of selection grade due to fault of others, for which the appellant legally cannot be penalized; that the appellant has been discriminated as his other colleagues, who have been granted selection grade while the appellant was kept deprived of such benefit; that the appellant has not been dealt in accordance with law and rule and has been made to suffer huge financial loss and also deprived the appellant from his legal rights.
- 03. Learned Additional Advocate General for the respondents has contended that the appellant is not entitled for the grant of selection grade as the honorable courts allowed selection grade to Agriculture Officers, whereas the appellant is holding degree in mass communication; that the appellant does not belong to the group of agriculture graduates, hence his name was deleted from the seniority list of agriculture officers with effect from 2005, therefore the appellant is not entitled to search his name in the seniority list of agriculture graduates; that association of agriculture graduates filed writ petitions in Peshawar High Court and not the appellant for grant of selection grade, which was allowed and selection grade was granted to agriculture officers.
- 04. We have heard learned counsel for the parties and have perused the record.
- 05. Record reveals that that the appellant was initially appointed as Assistant Publicity Officer Agriculture BPS-17 through public service commission in the year 1983 and remained on joint seniority list until 2004 with other Agriculture Officers, but his name was deleted from the list of Agriculture Officers under new rules. The Provincial Government vide notification dated 09-10-1997 allowed award of

selection grade in different cadres, which was implemented by various departments including agriculture department. The Agriculture Department granted selection grade to Agriculture Officers, but refused the same facility to the officers working in extension wing of agriculture department as well as to the appellant. The agriculture officers working in extension wing of the department filed writ petition No 1412/2006, which was allowed, vide judgment dated 11-04-2007. The respondents filed CPLA in the Supreme Court, which was dismissed vide judgment dated 14-06-2013. In pursuance of the judgments as mentioned above, the officers of extension wing of Agriculture Department were finally granted selection grade vide order dated 13-05-2020. Since the appellant was not party in the said writ petition, hence he filed departmental appeal for similar relief, but was not granted to him as his name was not included in the names of the petitioners, but the supreme court of Pakistan, while dismissing CPLA in the above mentioned case has referred to the judgment of supreme court of Pakistan reported as 1996 SCMR-1185, which has held that if the Tribunal or this court decides a point of law relating to the terms of service of a civil servant, which covers not only the case of the civil servant who litigated, but also those civil servants, who may have not taken any legal proceedings, in such a case, the dictates of justice and rule of good governance demand that the benefit of the above judgment be extended to other civil servants, who may not be parties to the above litigation instead of compelling them to approach the tribunal any other legal forum. The respondents however did not extend the benefit to the appellant as per dictates of the judgment mentioned above; hence, the appellant approached this Tribunal for grant of the said benefit.

06. It is un-disputed that the appellant fulfills the conditions as required for grant of selection grade. The appellant is also employee of agriculture department and is on the same footings as were officers of extension wing of agriculture

department. The appellant is also holding the required length of service and it would be discriminatory if the same benefit is refused to the appellant.

07. Keeping in view the foregoing, the instant appeal is accepted as prayed for. Parties are left to bear their own costs. File be consigned to record room.

b. To implement the said judgment in the light of Rules and Law Department's letter No.OP.15(215)/LD/2003/6731 dated 22.11.2003.

- 2. The meeting was held in the office of Additional Finance Secretary (Reg) on 16.01.2004 at 8.30 hrs. Mr. Muhammad Hamayun, Additional Secretary (Reg) Establishment Department, Mr. Muhammad Shaukat, Deputy Secretary Law Department, Mr. Hidayat Jan, Deputy Secretary Agriculture Department, Mr. Abdul Latif, Deputy Secretary Regulation, Finance Department, Syed Baqar Shah, Section Officer SR-I, Finance Department and Mr. Akhtar Ali, Section Officer Establishment, Agriculture Department attended the meeting.
- 3. The meeting considered the issue of selection grade in the light of judgements of the Court and after thorough examination decided as under:
  - a. Finance Department's letter No.FD(PRC)1-1/96-97 dated Peshawar, 9.10.1997 mentioned in the working paper was not the sole authority for determination of eligibility of the petitioners to the grant of Selection Grade. The said letter was further clarified vide Finance Department's No.FD (SR-I)16-9/99 dated Peshawar: the May 12, 1999 where under case of the petitioners does not qualify for selection grade on merits.
  - b. The Administrative Department / petitioners did not take up the case with Finance Department during currency of the policy on Selection Grade as did by others.
  - c. Their Service Rules do not allow Selection Grade.
  - d. Seniority of the petitioners was also checked as per seniority list of 24.03.2000, which shows that the total number of Agriculture Officers was 210. Seniority position of the petitioners stood at Serial No.95,120 and 130 which would not make them qualify for the grant of Selection Grade had there been any policy on Selection Grade available to the cadre of Agriculture Officers.

Keeping in view the above position, it was decided unanimously

that the case is void of any merit, hence rejected.

## JUDGMENT SHEET IN THE PESHAWAR HIGH COURT, PESHA JUDICIAL DEPARTMENT

WRIT PETITION NO.1412/2006.

### **JUDGMENT**

Date of hearing: 11 4. 2007.

Petitioners: (Hofiz Farked Ali) By Shekzada Shakpur Jon, Adv. Respondents: (Next) & Short By Mr. Khushdel Khon, AA G.

\*\*\*\*\*

# DOST MUHAMMAD KHAN, J:- The petitioners

through this constitutional petition have sought declaration that the refusal of respondents to grant selection grade to them, is without lawful authority Coram Non-judice in utter disregard of the judgment of this Court given in the Writ Petition No.1041 of 1997 delivered on 10.5.2001 which was upheld by the Hon'ble Supreme Court in Civil Petition No.380-P of 2001 vide judgment dated 23:10.2003 refusing leave to appeal to the respondents.

Arguments heard in detail and record perused.

Learned counsel for the petitioners wehemently argued that not only the impugned action is offending against the judgment of this Court ibid but the judgment of the apex Court too has been disregarded on false premise and with malafide intention. He further emphatically contended that the judgment of this Court earlier given had merged into the judgment of Hon'ble Supreme-Court, therefore, notwithstanding the writ jurisdiction of this Court under Article 199 of the Constitution, it has to implement and enforce the judgment of the apex Court in view of the

Constitution and that the petitioners have been given discriminatory treatment as other officers of the same rank have been given selection grade within the same department but the petitioners who work in the Extension Wing performing the same nature of duties with equal liabilities have been denied it. The principle of justice, fairplay, rules of proprietary as well as the statutory rules on the subject have been violated, therefore, he concluded that the respondents may be directed to grant the relief sought herein to the petitioners.

- 3- To the centrary, Mr.Khushdil Khan Mohmand, the learned Addl: Advocate General contended that on 12.5.1999, the officers of the Extension Wing of Agriculture Department were not included in the list of beneficiaries of selection grade as is evident from para-3 of the Finance Department letter dated 12.5.1999 and that the case of the petitioners was considered by duly constituted committee who while relying on the above letter of Finance Department has declared the case of the petitioners devoid of merits thus, no case of discrimination has been made out.
- When the learned Addl: Advocate General was confronted with the comments filed in the earlier Writ Petition No.1041 of Peshawar 1997 where no such stance was taken and similarly with the submissions made by the then Advocate-General at that time who no where pointed out the Finance Department letter which has now been made bases for refusal to grant selection grade to the petitioners and additionally when his attention was invited to the

Supreme Court where too, no such arguments were advanced nor such plea was raised then how the respondents could make the said letter as killing device at a much belated stage when it was not their case at any stage before this Court or before the apex Court in the earlier round of litigation, his simple reply was that such plea might have been taken during course of arguments but was not either taken notice of or was not considered at all. We completely disagree with the learned counsel for the Government on this score because if such plea was taken in any manner having direct impact on the maintainability of earlier Writ Petition No.1041 of 1997 that would have been definitely taken into consideration which is not the case.

5- This Court while recording findings in the earlier Writ Petition at page-9 of the judgment have held the following view in a conclusive manner:-

"As per the aforequoted letter all those officials having the requisite length of service and those who were fit were entitled to grant of "Selection Grade". The petitioners who have completed more than 18 years of their services were fit and were entitled as per the said memo for grant of "Selection Grade", and the learned Advocate General was unable to show any reason as to why the instructions/directions of the Government of N.WF.P. contained in memodated 9.10.97 were not made applicable in the case of petitioners, when the officials of Health, C&W, Irrigation, Education and all other Departments of Provincial Government were granted the benefit of said memo (dated 9.10.97). This also shows that the petitioners and all other Agriculture Graduates working in Agriculture Extension Department were not treated similarly with occupants of equivalent posis".

The next legal impediment in the way of the respondents is that while delivering the judgment dated 10-5-2001 in the previous writ petition No.1041 of 1997, this Court has conclusively determined each and every plea of both the parties once for all by recording clear findings which were upheld by the Hon'ble Supreme Court, thus, this Division Bench in view of the principle of law and consistent practice cannot differ with the view already formed by the earlier Division Bench on the same subject matter and point of. Reliance in this regard may be placed on the consistent view of the Hon'ble Supreme Court reflected in the cases of The Province of East Pakistan -Vs- Dr. Aziz ul Islam (PLD 1963 SC-296). The Province of East Pakistan and others-Vs- Sirajul Huq Patwari and others (PLD 1966 SC-854), Multiline Associates-VS-Ardeshir Cowasjee and others (SCMR 1995 362), Multiline Associates-VS- Ardeshir Cowasjee and 2 others (PLD 1995 SC 423) and Sidheswar Ganguly-Vs-State of West Bengal (PLD 1958 SC India 337).

EXAMINER Pushavarrigh Cour

8- Apart the above iron clad legal proposition, we see no reason or justification to differ with the view of the earlier Division Bench which was upheld by the Hon'ble Supreme Court and when the judgment of this Court had merged into that of the apex Court then Article 187 (2) of the Constitution of Islamic Republic of Pakistan. 1973 would certainly come into play.

For the aforementioned reasons, this petition is allowed, the impugned action/order of the respondents refusing selection grade to the petitioners is declared as Coram Non-judice, without jurisdiction and without lawful authority and of no legal effect.

The respondents are directed to reconsider the case of the petitioners in light of the judgment of this Court earlier given in Writ Petition No.1041 of 1997 and particularly to give full effect in letter and spirit to the judgment of the Hon ble Supreme Court rendered in Civil Petition No.380-P of 2001 dated 23.10.2003.

### JUDGMENT

Iqbal Hameedur Rahman, J: - The appellants, through the instant appeal with the leave of the Court, have impugned the judgment dated 14.04.2007 passed by the learned Peshawar High Court, Peshawar, in W. P. No. 1412/2006, whereby the writ petition filed by the respondents has been accepted and the appellants, were directed to reconsider the case of the respondents in the light of the judgment passed in W. P. No. 1041/1997 and to give full effect to the said judgment in its true letter and spirit, which had attained finality on account of dismissal of C. P. No. 380-P/2011, filed by the appellants before the Supreme Court, vide order dated 23.10.2003. Leave was granted by this Court vide order dated 12.03.2010 in the following terms:

Deputy Registrar,
Supreme Court of Pakistan,

& Peshawar,

"Having heard the learned Additional Advocate General, as well, as, learned ASC for the respondents, very simplified to grant leave, interaction, to consider the following questions:

- Whether the order of this Court dated 23.10.2003 passed in Civil Petition No. 380 7.2001 could have been put into execution by the learned High Court in view of the provisions of Article 187(2) of the Constitution of Islamic Republic of Pakistan, 1973, in the instant matter brought before it by the respondents through Writ Petition No. 1412/2006 and in particular, when the respondents were not parties to the case?
- Whether the High Court had the jurisdiction under 2) Article 199 of the Constitution to have entertained the writ petition and to grant relief as necessarily the question of grant of selection grade was amenable to the exclusive jurisdiction of the Service Tribunal?
- Whether the grant of selection grade was discontinued 3) by the Government, if so, as to from what particular date such discontinuation would be effective?
- The appenil on the present receive he prepared and set down for hearing. However, the parties shall be at liberty to further document the same, if deemed appropriate."
- The succinct facts of the case are that the respondents were officers of Agriculture Extension Department and they claimed "Selection Grade" on account of instructions/directions issued by the Government of NWFP in letter dated 09.10.1997. The claim of the respondents was struck down by the appellants/department as a result of which the respondents approached the learned Peshawar High Court by filing a writ petition. The case of the respondents before the High Court was that relief had been afforded to other similarly placed officers vide judgment dated [10.05.2001] of the Peshawar High Court passed in W. P. No. 1041/1997, which had attained finality as leave was refused by this Court in C. P. Nor380-P/2001 filed by the appellants. In W. P. No. 1412/2006, the stance of the appellants was

Deputy Registrar, that "...on 12.05.1999, the officers of the Extension Wing of Agriculture Supreme Court of Pakistan. & Peshawar.

Department were not included in the list of beneficiaries of selection grade

as is evident from para-3 of the Finance Department letter dated 12.05.1999 and that the case of the petitioners was considered by duly constituted committee who while relying on the above letter of Finance Department has declared the case of the petitioners devoid of merits thus, no case of discrimination has been made out". In view of the same, the appellants were confronted with the comments filed in the earlier W. P. No. 1041/1997 where such stance has neither been taken before the High Court nor before the Supreme Court, on account of which the learned High Court came to the conclusion that the respondents were entitled to the same relief as afforded to the petitioners in W. P. No. 1041/1997. Therefore, the learned High Court while accepting the writ potition of the respondents gave a direction to the appellants to reconsider the case of the respondents in the light of the judgment dated 10.05.20017 and to give full effect to the

contended that while passing the impugned judgment the learned High Court has not taken into consideration that the grant of selection grade stood withdrawn vide notification dated 27.10.2001 in terms of para-7,

which states that "SELECTION GRADE AND MOVE OVER: - Selection

learned Assistant Advocate General for the appellants

Grade in the scheme of Basic Pay Scales and Move Over scheme shall

stand discontinued w.e.f. the date of issue of this letter", on account of

which the respondents could not be granted selection grade while passing

the impugned judgment in the year 2007, in the light of which the

respondents have been considered and accordingly selection grade has been declined to them. Moreover, the learned High Court did not properly

Supreme Court of Pakisappreciate and consider the letter of the Finance Department dated

12.05.1999 whereby the Law Officers of the Extension Wing of Agriculture

Department were not included in the list of beneficiaries of selection grade

& Peshawar.

and that the respondents were duly considered by the committee, which while relying upon the said letter has declared the case of the respondents devoid of merits, thus, the case of the respondents does not fall within the circumference of discrimination.

- On the other hand, the learned counsel for the respondents has adverted our attention to para-3 of the impugned judgment and asserted that the contentions so raised by the learned Assistant Advocate General have already been considered by the learned High Court who has held that the said pleas were not taken in the earlier write petition and he was also confronted with the comments filed in the said writ petition. As such the letter of the Finance Department, which has now been made the basis of refusal of selection grade to the respondents, was never asserted before the learned High Court or before the Supreme Court. He further adverted our attention to para-b(ii) of the letter dated 09.10.1997 and stated that the respondents were in BPS-17 and the only requirement for the grant of selection grade was three years service in the existing pay scales of the post on seniority cum fitness basis, and asserted that the respondents were appointed in the year 1994 as such on the date of issue of the said letter they were fully qualified for the award of selection grade.
- Heard. We have gone through the impugned judgment and have perused the documents and material available on record.
- A perusal of the material depicts that the respondents were duly entitled to the grant of selection grade when the letter dated 09.10.1997 in this regard was issued and according to the criteria laid down in the said letter they had more than three years of service in BPS-17 Moreover, from the perusal of letter dated 27.10.2001 it is also apparent that the selection grade and move-over scheme stood discontinued from the date of its issue, as such the same could not be given retrospective effect in the case of the

罗克克克斯特

Therefore, the respondents were similarly placed with the petitioners in W. P. No. 1041/1997 who were held to be entitled for the grant of selection grade vide judgment dated 10.05.2001, which had already attained finality on the dismissal of C. P. No. 380-P/2001, filed before this Court. As such the respondents could not be declined the grant of selection grade, who were similarly placed with those petitioners and had become entitled to the same benefit in the year 1997. Moreover, this Court in the case of *Hameed* 

Akhtar Niazi vs. The Secretary, Establishment Division, Government of Pakistan and others (1996 SCMR 1185) has held that "........ if the Tribunal or this Court decides a point of law relating to the terms of service of a civil servant which covers not only the case of the civil servant who litigated, but also of other civil servants, who may have not taken any legal proceedings, in such a case, the dictates of justice and rule of good governance demand that the benefit of the above judgment be extended to other civil servants, who may not be parties to the above litigation instead of compelling them to approach the Tribunal or any other legal forum."

7. In the above perspective, we are of the criticion that the learned High Court has arrived at a just conclusion and the impugned judgment does not require interference by this Court. Resultantly, this appeal being devoid of

any merits is dismissed./

through this constitutional petition have sought declaration that the refusal of respondents to grant selection grade to them, is without lawful authority Coram Non-judice in utter disregard of the judgment of this Court given in the Writ Petition No.1041 of 1997 delivered on 10.5.2001 which was upheld by the Hon'ble Supreme Court in Civil Petition No.380-P of 2001 vide judgment.

dated 23.10.2003 refusing leave to appeal to the respondents.

Learned counsel for the petitioners vehemently argued that not only the impugned action is offending against the judgment of this Court ibid but the judgment of the apex Court too has been disregarded on false premise and with malafide intention. He further emphatically contended that the judgment of this Court earlier given had merged into the judgment of Hon'ble Supreme Court, therefore, notwithstanding the writ jurisdiction of this Court under Article 199 of the Constitution, it has to implement and enforce the judgment of the apex Court in view of the

AFFESTEL

Constitution and that the petitioners have been given discriminatory treatment as other officers of the same rank have been given selection grade within the same department but the petitioners who work in the Extension Wing performing the same nature of duties with equal liabilities have been denied it. The principle of justice, fairplay, rules of proprietary as well as the statutory rules on the subject have been violated, therefore, he concluded that the respondents may be directed to grant the relief sought herein to the petitioners.

- Addl: Advocate General contended that on 12.5.1999, the officers of the Extension Wing of Agriculture Department were not included in the list of beneficiaries of selection grade as is evident from para-3 of the Finance Department letter dated 12.5.1999 and that the case of the petitioners was considered by duly constituted committee who while relying on the above letter of Finance Department has declared the case of the petitioners devoid of merits thus, no case of discrimination has been made out.
  - When the learned Addl: Advocate General was confronted with the comments filed in the earlier Writ Petition No.1041 of 1997 where no such stance was taken and similarly with the submissions made by the then Advocate General at that time who no where pointed out the Finance Department letter which has now been made bases for refusal to grant selection grade to the petitioners and additionally when his attention was invited to the

petition for grant of leave to appeal filed before the Hon'ble Supreme Court where too, no such arguments were advanced nor such plea was raised then how the respondents could make the said letter as killing device at a much belated stage when it was not their case at any stage before this Court or before the apex Court in the earlier round of litigation, his simple reply was that such plea might have been taken during course of arguments but was not either taken notice of or was not considered at all. We completely disagree with the learned counsel for the Government on this score because if such plea was taken in any manner having direct impact on the maintainability of earlier Writ Petition No.1041 of 1997 that would have been definitely taken into consideration which is not the case.

This Court while recording findings in the earlier Writ Petition at page-9 of the judgment have held the following view in a conclusive manner:-

"As per the aforequoted letter all those officials." having the requisite length of service and those who were fit were entitled to grant of "Selection Grade". The petitioners who have completed more than 18 years of their services were fit and were entitled as per the said memo for grant of "Selection Grade", and the learned Advocate General was unable to show any reason as to why the instructions/directions of the Government of NWFP contained in memo dated 9.10.97 were not made applicable in the case of petitioners, when the officials of Health, C&W, Irrigation, Education and all other Departments of Provincial Government were granted the benefit of ATESTED said memo (dated 9.10.97). This also shows that the petitioners and all other Agriculture Graduates working in Agriculture Extension Department were not treated similarly with occupants of equivalent posts".

Pestrawar High Goung

omits to take a plea in its petition or reply despite having opportunity to take it then it cannot be allowed to agitate such a plea in the second round or at a belated stage and the Court of law would be under no obligation to allow such plea and on that score to knock out the opposite side on the basis of such plea. Reliance in this regard may be placed on the view taken by the Hon'ble Supreme Court in the case of Mst. Kharo and two others - Vs-Sher Afzal alias Sheray (1992 SCMR 1844).

The next legal impediment in the way of the respondents is that while delivering the judgment dated 10-5-2001 in the previous writ petition No.1041 of 1997, this Court has conclusively determined each and every plea of both the parties once for all by recording clear findings which were upheld by the Hon'ble Supreme Court, thus, this Division Bench in view of the principle of law and consistent practice cannot differ with the view already formed by the earlier Division Bench on the same subject matter and point of. Reliance in this regard may be placed on the consistent view of the Hon'ble Supreme Court reflected in the cases of The Province of East Pakistan -Vs- Dr.Aziz ul Islam (PLD 1963 SC-296), The Province of East Pakistan and others-Vs- Sirajul Hua Patwari and others (PLD 1966 SC-854) Multiline Associates-VS-Ardeshir Cowasjee and others (SCMR 1995 362), Multiline Associates-VS- Ardeshir Cowasjee and 2 SC 423) and Sidheswar Ganguly-Vs-State of West Bengal (PLD 1958 SC India 337).

21/2/20) Colmen

Apart the above iron clad legal proposition, we see no reason or justification to differ with the view of the earlier Division Bench which was upheld by the Hon ble Supreme Court and when the judgment of this Court had merged into that of the apex Court then Article 187 (2) of the Constitution of Islamic Republic of Pakistan, 1973 would certainly come into play.

For the aforementioned reasons, this petition is allowed, the impugned action/order of the respondents refusing selection grade to the petitioners is declared as Coram Non-judice, without jurisdiction and without lawful authority and of no legal effect. The respondents are directed to reconsider the case of the petitioners in light of the judgment of this Court earlier given in Writ Petition No.1041 of 1997 and particularly to give full effect in letter and spirit to the judgment of the Hon'ble Supreme Court rendered in Civil Petition No.380-P of 2001 dated 23.10.2003.

### JUDGMENT

Lighal Hameedur Rahman, J: - The appellants, through the instant appeal with the leave of the Court, have impugned the judgment dated 14.04.2007 passed by the learned Peshawar High Court, Peshawar, in W. P. No. 1442/2006, whereby the writ petition filed by the respondents has been accepted and the appellants were directed to reconsider the case of the respondents in the light of the judgment passed in W. P. No. 1041/1997 and to give full effect to the said judgment in its true letter and spirit, which had attained finalit, on account of dismissal of C. P. No. 380-P/2011, filed by the appellants before the Supreme Court, vide order dated 23.10.2003. Heave was granted by this Court vide order dated 12.03.2010 in the following terms:

SD

1779nos N. H. Son

Committee Committee

Flaving heard the learned Additional Advocate General, as well us. learned ASC for the respondents, we are inclined to grant leave, intercent. to consider the following questions:

Whether the order of this Court dated 23,10,2003 passed in Civil Petition No. 380-P/2001 could have been put into execution by the learned High Court in view of the provisions of Article 187(2) of the Constitution of Islamic Republic of Pakistan, 1973, in the instant matter brought before it by the respondents through Writ Petition, No. 1412/2006 and in particular, when the respondents were not parties to the case?

- Whether the High Court had the jurisdiction under Article 199 of the Constitution to have entertained the writ petition and to grant relief as necessarily the question of grant of selection grade was amenable to the exclusive jurisdiction of the Service Tribunal?
- Whether the grant of selection grade was discontinued by the Government, if so, as to from what particular date such discontinuation would be effective?

The appeal, on the present record, be prepared and set down for in army. However, the parties shall be at liberty to further document the same of deemed appropriate."

The succinct facts of the case are that the respondents were officers of Agriculture Exicusion Department and they claimed "Selection Grade" on alcount of instructions/directions issued by the Government of NWFP in letter dated 09,10,1997. The claim of the respondents was struck down by the appellants/department as a result of which the respondents approached the learned Peshawar High Court by filing a writ petition. The case of the respondents before the High Court was that relief had been afforded to other similarly placed officers vide judgment dated 10.05.2001 of the Peshawar High Court passed in W. P. No. 1041/1997, which had attained famility as leave was refused by this Court in C. P. No. 380-P/2001 filed by \_ the appellants. In W. P. No. 1412/2006, the stance of the appellants was -

Depart Red Pater that on 1205 1999 the officers of the Extension Wing of Agriculture

Department were not included in the list of beneficiaries of selection grade

is evident from para-3 of the Finance Department letter dated 1999 and that the case of the petitioners was considered by duly constituted committee who while relying on the above letter of Finance Depairment has declared the case of the petitioners devoid of merits thus, no cuse of directimination has been made out". In view of the same, the appellants were confronted with the comments filed in the earlier W. P. No. 1041/1997 where such stance has neither been taken before the High Court nor before the Supreme Court, on account of which the learned High Court came to the conclusion that the respondents were entitled to the same relief as afforded to the petitioners in W. P. No. 1041/1997. Therefore, the tearned High Court while accepting the writ petition of the respondents gave a direction to the appellants to reconsider the case of the respondents in the light of the judgment dated 10.05.2001 and to give full effect to the same in its true letter and spirit, hence this appeal:

The learned Assistant Advocate General for the appellants contended that while passing the impugned judgment the learned High Court has not taken into consideration that the grant of selection grade stood withdrawn vide notification dated 27.10.2001 in terms of para-7, which states that "SELECTION GRADE AND MOVE OVER: - Selection Grade in the scheme of Basic Pay Scales and Move Over scheme shall stand discontinued w.e.f. the date of issue of this letter", on account of which the respondents could not be granted selection grade while passing the impugned judgment in the year 2007, in the light of which the respondents have been considered and accordingly selection grade has been declined to them. Moreover, the learned High Court did not properly Suprema Court of Pakismppreciate and consider the letter of the Finance Department dated

12.05.1999 whereby the Law Officers of the Extension Wing of Agriculture -

Department were not included in the list of beneficiaries of selection grade

Section Property

and that the respondents were duly considered by the committee, which this relying upon the said letter has declared the case of the respondents devoid of merits, thus, the case of the respondents does not fall within the argumference of discrimination.

on the other hand: the learned counsel for the respondents has adverted our attention to para-3 of the impugned judgment and asserted that the contentions so raised by the learned Assistant Advocate General have aready been considered by the learned High Court who has held that the picus were not taken in the earlier writ petition and he was also continued with the comments filed in the said writ petition. As such the learned with the Counterned, which has now been made the basis of actival in selection grade to the respondents, was never asserted before the learned High court or before the Supreme Court. He further adverted our attention to para-b(ii) of the letter dated 09.10.1997 and stated that the respondents were in BPS-17 and the only requirement for the grant of selection grade was three years service in the existing pay scales of the post on semonty caure titiess basis, and asserted that the respondents were appointed in the year 1994 as such on the date of issue of the said letter they were fully qualified for the award of selection grade.

- Heard. We have gone through the impugned judgment and have permed the documents and material available on record.
- A perusal of the material depicts that the respondents were duly entailed to the grant of selection grade when the letter dated 09:10:1997 in this repard was issued and according to the criteria laid down in the said letter they had more than three years of service in BPS-17. Moreover, from the perusal of letter dated 27:10:2001 it is also apparent that the selection grade and move-over selicine stood discontinued from the date of its issue, the said tribe same could not be given retrospective effect in the case of the

NION-I)

, 150.BQ010

respondents, who were fully entitled and qualified in the year 1997 Therefore, the respondents were similarly placed with the petitioners in W. P. No. 1041/1997 who were held to be entitled for the grant of selection grade vide judgment dated 10.05.2001, which had already attained finality on the discussal of C.P. No. 380-P/2001, filed before this Court. As such the respondents could not be declined the grant of selection grade, who were similarly placed with those petitioners and had become entitled to the same benefit in the year 1997. Moreover, this Court in the case of Hameed Akhuar Niazi vs. The Secretary, Establishment Division, Government of Pakistan and others (1996 SCMR 1185) has held that "...... if the Tribunal in this Chiri decides a point of law relating to the terms of service of a civil so were which covers not only the case of the civil servant who litigated, but also some covil revients, who may have not taken any legal proceedings, in such a case, the dictries of justice and rule of good governance demand that the benefit of the above judgment be extended to other civil servants, who may not be parties in the above linguiton instead of compelling them to approach the Tribunal or am other legal forum?

In the above perspective, we are of the opinion that the learned High Court has arrived at a just conclusion and the impugned judgment does not require interference by this Court. Resultantly, this appeal being devoid of

my merits is dismissed,

### **JUDGMENT**

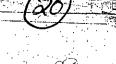

JUSTICE (R) SALIM KHAN, CHAIRMAN. Faham Dil. Khan, appellant, contended that he was initially inducted as Assistant Publicity Officer (BPS-17) and was promoted as Deputy Director, Agriculture, Information (BPS-18) vide order dated 03.7.2003, on the strength of judgment of this Tribunal in Service Appeal No. 2058 of 2000 decided on 14.10.2002. He further contended that the name of the appellant was at S.No. 11 in the seniority list dated 01.1.2004 circulated on 31.1.2004 while the name of the appellant was missing from the seniority list dated 01.5.2005, which was received by the appellant vie his letter dated 9.12.2005. He filed departmental appeal dated 22.12.2005, which was not disposed of. The appeal in hand was filed on 29.4.2006, which is slightly time-barred.

Triby)

Respondents No. 1 to 3 contested the appeal, and the same was position of the private respondents No. 4 to 23. The grievance of the private respondents was that the appellant was lacking the prescribed qualification for the post of Deputy Director Agriculture Information as laid down in the Service Rules, but he was so promoted in consequence of the judgment of this Tribunal. They are of the view that the prescribed qualification for the post of Deputy Director Agriculture Information was Master Degree in Agriculture Extension and Rural Sociology while the appellant had acquired Master Degree in Journalism (Non-Technical). The official respondents contended, besides the above grievance, that the appellant lacks the qualification for the post of BPS-19.

We heard the arguments and perused the record.

In order to re-check the issue of the qualification of the appellant, it is necessary to refer to the mentioned judgment, of this Tribunal as well as to the relevant-Service Rules. The post of Deputy Director of Agriculture Information was to be filled in by promotion on the basis of selection on merit with due regard to seniority from amongst the holders of the posts of Assistant Directors Coordination and Public Relations/Publications/Audio Visual/Assistant Publicity Officers with seven years experience as Assistant Director etc. as mentioned above. M.A Agriculture Extension and Rural Sociology was prescribed for initial recruitment to the post of Assistant Director Coordination and Public Relations/AudioVisual/Publicity Officer with training in Agriculture Journalism or three years experience in Agriculture Publicity works: 50% posts had to be reserved for Assistant Agricultural Information Officers with five years experience as such. It was held in judgment in Service Appeal No. 2058 of 2000 decided on 14.,10.2002 that the claim of the respondent department that the appellant was not M.Sc(Agriculture) and was not suitable for promotion to the of Deputy Director Information, was untenable as in accordance with the Recruitment Rules/Method of the appointment prescribed for the post of Deputy Director Information vide Notification dated 22.10.1986, the holder of the post of Assistant Publicity Officer with relevant experience of seven years service was eligible for promotion to the post. The appellant in that case (the present appellant) was declared as permanent holder of the post of Assistant Publicity Officer and had more than 17 years service/experience with M.A Degree in Journalism and was perfectly eligible for promotion to the post of Deputy Director Information as per minimum qualifications prescribed for promotion to the post of Deputy Director Information in the Rules. That judgment had attained finality. The same issue cannot be re-opened under the principle resjudicata.

- It has been abundantly made clear on record that separate cadre of the Deputy Director Agriculture Information has been maintained vide the Service Rules prescribed on 22.10.1986 while separate cadre of Deputy Director Agriculture, Deputy Director Agriculture E&M and others has been maintained vide rules notified on 06.9.2002. It is also clear from the letter dated 06.6.2005 of the Establishment and Administration Department (Regulation Wing) that separate seniority lists had to be maintained if there were two sets of Service Rules, one for Agriculture Graduates and the other for Persons holding Master Degree in Mass Communication.
- The appellant belongs to the group of persons holding Master Degree in Mass. Commutation. He does not belong to the Group of Agriculture Graduates. The appellant, therefore, is not entitled to search his name in the list of the Agriculture Graduates, and is not entitled to his prayer in the present appeal, with the request that the respondents Nos. 1 and 2 may be directed to rectify the impugned seniority list and enter the name of the appellant therein at a place of his seniority position in accordance with his previous seniority list dated 31.1.2004. The mentioned list appears to be the result of some mis-interpretation of the rules.

In the light of the above, we do not find any merit in the present appeal, and we dismiss the same with costs.

JUDGMENT SHEET

N THE PESHAWAR HIGH COURT, PASH

JUDICIAL DEPARTMENT

WRIT PETITION NO.1412/200

<u>JUDGMENT</u>

Date of hearing: 11.4: 2007.

Petitioners: (Hofiz Farkarl Ali) By Shahzada Shahpar Jon, Adv.

Respondents: (Next & Sten) By Mr. Khushdel Klon, AA &.

DOST MUHAMMAD KHAN, J .- The petitioners

through this constitutional petition have sought declaration that the refusal of respondents to grant selection grade to them, is without lawful authority Coram Non-judice in utter disregard of the judgment of this Court given in the Writ Petition No.1041 of 1997 delivered on 10.5.2001 which was upheld by the Hon'ble Supreme Court in Civil Petition No.380-P of 2001 vide judgment dated 23.10.2003 refusing leave to appeal to the respondents.

Arguments heard in detail and record perused.

2- Learned counsel for the petitioners vehemently argued that not only the impugned action is offending against the judgment of this Court ibid but the judgment of the apex Court too has been disregarded on false premise and with malafide intention. He further emphatically contended that the judgment of this Court earlier given had merged into the judgment of Hon'ble Supreme. Court, therefore, notwithstanding the writ jurisdiction of this Court under Article 199 of the Constitution, it has to implement and enforce the judgment of the apex Court in view of the

AFFESTEL

Ō)

Constitution and that the petitioners have been given discriminatory treatment as other officers of the same rank have been given selection grade within the same department but the petitioners who work in the Extension Wing performing the same nature of duties with equal liabilities have been denied it. The principle of justice, fairplay, rules of proprietary as well as the statutory rules on the subject have been violated, therefore, he concluded that the respondents may be directed to grant the relief sought herein to the petitioners.

- 3- To the contrary, Mr. Khushdil Khan Mohmand, the learned Addl: Advocate General contended that on 12.5.1999, the officers of the Extension Wing of Agriculture Department were not included in the list of beneficiaries of selection grade as is evident from para-3 of the Finance Department letter dated 12.5.1999 and that the case of the petitioners was considered by duly constituted committee who while relying on the above letter of Finance Department has declared the case of the petitioners devoid of merits thus, no case of discrimination has been made out.
  - When the learned Addl: Advocate General was confronted with the comments filed in the earlier. Writ Petition No.1041 of 1997 where no such stance was taken and similarly with the submissions made by the then Advocate General at that time who no where pointed out the Finance Department letter which has now been made bases for refusal to grant selection grade to the petitioners and additionally when his attention was invited to the

Pessan var High coing

Supreme Court where too, no such arguments were advanced nor such plea was raised then how the respondents could make the said letter as killing device at a much belated stage when it was not their case at any stage before this Court or before the apex Court in the earlier round of litigation, his simple reply was that such plea might have been taken during course of arguments but was not either taken notice of or was not considered at all. We completely disagree with the learned counsel for the Government on this score because if such plea was taken in any manner having direct impact on the maintainability of earlier Writ Petition No.1041 of 1997 that would have been definitely taken into consideration which is not the case.

5- This Court while recording findings in the earlier Writ Petition at page-9 of the judgment have held the following view in a conclusive manner:-

"As per the aforequoted letter all those officials having the requisite length of service and those who were fit were entitled to grant of "Selection Grade". The petitioners who have completed more than 18 years of their services were fit and were entitled as per the said memo for grant of "Selection Grade", and the learned Advocate General was unable to show any reason as to why the instructions/directions of the Government of NWFP contained in memo dated 9.10.97 were not made applicable in the case of petitioners, when the officials of Health, C&W, Irrigation, Education and all other Departments of. Provincial Government were granted the benefit of said memo (dated 9.10.97). This also shows that the petitioners and all other Agriculture Graduates working in Agriculture Extension Department were not treated similarly with occupants of equivalent posis'

6- Whenever a party to a lis gives up a plea taken by it or omits to take a plea in its petition or reply despite having opportunity to take it then it cannot be allowed to agitate such a plea in the second round or at a belated stage and the Court of law would be under no obligation to allow such plea and on that score to knock out the opposite side on the basis of such plea. Reliance in this regard may be placed on the view taken by the Hon'ble Supreme Court in the case of Mst. Kharo and two others - Vs-Sher Afzal alias Sheray (1992 SCMR 1844).

The next legal impediment in the way of the respondents is that while delivering the judgment dated 10-5-2001 in the previous writ petition No.1041 of 1997, this Court has conclusively determined each and every plea of both the parties once for all by recording clear findings which were upheld by the Hon'ble Supreme Court, thus, this Division Bench in view of the principle of law and consistent practice cannot differ with the view already formed by the earlier Division Bench on the same subject matter and point of. Reliance in this regard may be placed on the consistent view of the Hon'ble Supreme Court reflected in the cases of The Province of East Pakistan -Vs- Dr.Aziz ul Islam (PLD 1963 SC-296), The Province of East Pakistan and others-Vs- Sirajul Hua Patwari and others (PLD 1966 SC-854). Multiline Associates-VS-Ardeshir Cowasjee and others (SCMR 1995-362), Multiline Associates-VS-Ardeshir Cowasjee and 2 SC 423) and Sidheswar Ganguly-Vs-State others (PLD 1995. of West Bengal (PLD 1958 SC India 337).

ESTUME POST OF THE POST OF THE

25/2/20 Column

Apart the above iron clad legal proposition, we see no reason or justification to differ with the view of the earlier Division Bench which was upheld by the Hon ble Supreme Court and when the judgment of this Court had merged into that of the apex Court then Article 187 (2) of the Constitution of Islamic Republic of Pakistan, 1973 would certainly come into play.

For the aforementioned reasons, this petition is allowed, the impugned action/order of the respondents refusing selection grade to the petitioners is declared as Coram Non-judice, without jurisdiction and without lawful authority and of no legal effect. The respondents are directed to reconsider the case of the petitioners in light of the judgment of this Court earlier given in Writ Petition No.1041 of 1997 and particularly to give full effect in letter and spirit to the judgment of the Hon ble Supreme Court rendered in Civil Petition No.380-P of 2001 dated 23.10.2003

#### JUDGMENT

ighal Hamcedur Rahman, J: - The appellants, through the instant appeal with the leave of the Court, have impugned the judgment dated 14.04.2067 passed by the learned Peshawar High Court, Peshawar, in W.P. No. 1442/2006, whereby the writ petition filed by the respondents has been accepted and the appellants were directed to reconsider the case of the respondents in the light of the judgment passed in W. P. No. 1041/1997 and to give this effect to the said judgment in its true letter and spirit, which had attained finality on account of dismissal of C. P. No. 380-P/2011, filed by the appellants before the Supreme Court, vide order dated 23.10.2003. i cave was granted by this Court vide order dated 12.03.2010 in the following terms: -

Having heard the learned Additional Advocate General, as wellis. Runned ASC for the respondents, we are inclined to grant leave, interada, to consider the following questions: -

- Whether the order of this Court dated 23.10.2003 passed in Civil Petition No. 380-P/2001 could have been put into execution by the learned High Court in view of the provisions of Article 187(2) of the Constitution of Islamic Republic of Pakistan, 1973, in the instant matter brought before it by the respondents through Writ Petition, No. 1412/2006 and in particular, when the respondents were not parties to the case?
- 2) Whether the High Court had the jurisdiction under Article 199 of the Constitution to have entertained the writ petition and to grant relief as necessarily the question of grant of selection grade was amenable to the exclusive jurisdiction of the Service Tribunal?
- 3) Whether the grant of selection grade was discontinued by the Government, if so, as to from what particular date such discontinuation would be effective?

The appeal, on the present record, be prepared and set down for incaring. However, the parties shall be at liberty to further document the same, if deemed appropriate."

The succinct facts of the case are that the respondents were officers of Agriculture Execusion Department and they claimed "Selection Grade" on account of instructions/directions issued by the Government of NWFP in letter dated 09.10.1997. The claim of the respondents was struck down by the appellants/department as a result of which the respondents approached the learned Peshawar High Court by filing a writ petition. The case of the respondents before the High Court was that relief had been afforded to other similarly placed officers vide judgment dated 10.05.2001 of the Peshawar High Court passed in W. P. No. 1041/1997, which had attained finality as leavy was refused by this Court in C. P. No. 380-P/2001 filed by the appellants. In W. P. No. 1412/2006, the stance of the appellants was

is evident from para-3 of the Finance Department letter dated 198 1999 and that the case of the petitioners was considered by duly constituted committee who while relying on the above letter of Finance Depairment has declared the case of the petitioners devoid of merits thus. in case of discrimination has been made out". In view of the same, the appellants were confronted with the comments filed in the earlier W. P. No. 1041/1997 where such stance has neither been taken before the High Court nor before the Supreme Court, on account of which the learned High Court came to the conclusion that the respondents were entitled to the same relief. as afforded to the petitioners in W. P. No. 1041/1997. Therefore, the learned High Court while accepting the writ petition of the respondents gave a direction to the appellants to reconsider the case of the respondents in the light of the judgment dated 10.05.2001 and to give full effect to the same in its true letter and spirit, hence this appeal:

The learned Assistant Advocate General for the appellants contended that while passing the impugned judgment the learned High Court has not taken into consideration that the grant of selection grade stood withdrawn vide notification dated 27.10.2001 in terms of para-7, which states that "SELECTION GRADE AND MOVE OVER: - Selection Grade in the scheme of Basic Pay Scales and Move Over scheme shall stanti discontinued w.e.f. the date of issue of this letter", on account of which the respondents could not be granted selection grade while passing the impugned judgment in the year 2007, in the light of which the respondents have been considered and accordingly selection grade has been declined to them. Moreover, the learned High Court did not properly garients Court of Pakissoppreciate and consider the letter of the Finance Department dated

Kaling Registra

12.05.1999 whereby the Law Officers of the Extension Wing of Agriculture Department were not included in the list of beneficiaries of selection grade

and that the respondents were duly considered by the committee, which this relying upon the said letter has declared the case of the respondents devoid of merits, thus, the case of the respondents does not fall within the argumference of discrimination.

adverted our attention to pura-3 of the impugned judgment and asserted that the contentions so raised by the learned Assistant Advocate General have are not taken in the earlier writ petition and he was also continued with the comments filed in the said writ petition. As such the learned with the comments filed in the said writ petition. As such the learned in the Finance Department, which has now been made the basis of the selection grade to the respondents, was never asserted before the said med in an error or before the Supreme Court. He further adverted our measurement to para-b(ii) of the letter dated 09.10.1997 and stated that the respondents were in 13PS-17 and the only requirement for the grant of selection grade was three years service in the existing pay scales of the post on semonty cum tituess basis, and asserted that the respondents were appointed in the year 1904 as such on the date of issue of the said letter they were fully qualified for the award of selection grade.

Heard. We have gone through the impugned judgment and have perused the documents and material available on record.

A perusal of the material depicts that the respondents were duly entalled to the grant of selection grade when the letter dated 09:10:1997 in this report was issued and according to the criteria laid down in the said fener they had more than three years of service in BPS-17. Moreover, from the parisal of letter dated 27:10:2001 it is also apparent that the selection grade and move-over scheme stood discontinued from the date of its issue, to such the same could not be given retrospective effect in the case of the

respondents, who were fully entitled and qualified in the year 1997. Therefore, the espondents were similarly placed with the petitioners in W. P. No. 1041 (1997 who were held to be entitled for the grant of selection grade vide judgment dated 10.05.2001, which had already attained finality on the dismissal of C.P. No. 380-P/2001, filed before this Court. As such the respondents could not be declined the grant of selection grade, who were similarly placed with those petitioners and had become entitled to the same benefit in the year 1997. Moreover, this Court in the case of Hameed Akhiar Niazi vs. The Secretary, Establishment Division, Government of Pakistan and others (1996 SCMR 1185) has held that ".....if the Tribunal on this Court secules a point of law relating to the terms of service of a civil , while which covers not only the case of the civil servant who litigated, but also there will reviews, who may have not taken any legal proceedings, in such a case, the dicteres of justice and rule of good governance demand that the benefit at the above judgment be extended to other civil servants, who may not be parties in the above linguitan instead of compelling them to approach the Tribunal or am ather legal forum "

In the above perspective, we are of the opinion that the learned High Court has arrived at a just conclusion and the impugned judgment does not require interference by this Court. Resultantly, this appeal being devoid of

any merits is dismissed./

#### **JUDGMENT**

JUSTICE (R) SALIM KHAN, CHAIRMAN.— Faham Dil. Khan, appellant, contended that he was initially inducted as Assistant Publicity Officer (BPS-17) and was promoted as Deputy Director, Agriculture, Information (BPS-18) vide order dated 03.7.2003, on the strength of judgment of this Tribunal in Service Appeal No. 2058 of 2000 decided on 14.10.2002. He further contended that the name of the appellant was at S.No. 11 in the seniority list dated 01.1.2004 circulated on 31.1.2004 while the name of the appellant was missing from the seniority list dated 01.5.2005, which was received by the appellant vie his letter dated 9.12.2005. He filed departmental appeal dated 22.12.2005, which was not disposed of. The appeal in hand was filed on 29.4.2006, which is slightly time-barred.

Respondents No. 1 to 3 contested the appeal, and the same was position of the private respondents No. 4 to 23. The grievance of the private respondents was that the appellant was lacking the prescribed qualification for the post of Deputy Director Agriculture Information as laid down in the Service Rules, but he was so promoted in consequence of the judgment of this Tribunal. They are of the view that the prescribed qualification for the post of Deputy Director Agriculture Information was Master Degree in Agriculture Extension and Rural Sociology while the appellant had acquired Master Degree in Journalism (Non-Technical). The official respondents contended, besides the above grievance, that the appellant lacks the qualification for the post of BPS-19.

We heard the arguments and perused the record:

In order to re-check the issue of the qualification of the appellant, it is necessary to refer to the mentioned judgment, of this Tribunal as well as to the relevant. Service Rules. The post of Deputy Director of Agriculture Information was to be filled in by promotion on the basis of selection on merit with due regard to seniority from amongst the holders of the posts of Assistant Directors Coordination and Public Relations/Publications/Audio Visual/Assistant Publicity Officers with seven years experience as Assistant Director etc. as mentioned above. M.A. Agriculture Extension and Rural Sociology was prescribed for initial recruitment to the post of Assistant Director-Coordination and Public Relations/AudioVisual/Publicity Officer with training in Agriculture Journalism or three years experience in Agriculture Publicity works: 50% posts had to be reserved for Assistant Agricultural Information Officers with five years experience as such. It was held in judgment in Service Appeal No. 2058 of 2000 decided on 14,,10,2002 that the claim of the respondent department that the appellant was not M.Sc(Agriculture) and was not suitable for promotion to the of Deputy Director Information, was untenable as in accordance with the Recruitment Rules/Method of the appointment prescribed for the post of Deputy Director Information vide Notifications dated 22.10.1986, the holder of the post of Assistant Publicity Officer with relevant. experience of seven years service was eligible for promotion to the post. The appellant in that case (the present appellant) was declared as permanent holder of the post of Assistant Publicity Officer and had more than 17 years service/experience with M.A Degree in Journalism and was perfectly eligible for promotion to the post of Deputy Director. Information as per minimum qualifications prescribed for promotion to the post of Deputy Director Information in the Rules. That judgment had attained finality. The sameissue cannot be re-opened under the principle fesjudicata.

- It has been abundantly made clear on record that separate cadre of the Deputy Director Agriculture Information has been maintained vide the Service Rules prescribed on 22.10.1986 while separate cadre of Deputy Director Agriculture, Deputy Director Agriculture E&M and others has been maintained vide rules notified on 06.9.2002. It is also clear from the letter dated 06.6.2005 of the Establishment and Administration Department (Regulation Wing) that separate seniority lists had to be maintained if there were two sets of Service Rules, one for Agriculture Graduates and the other for Persons holding Master Degree in Mass Communication.
- The appellant belongs to the group of persons holding Master Degree in Mass. Commutation. He does not belong to the Group of Agriculture Graduates. The appellant, therefore, is not entitled to search his name in the list of the Agriculture Graduates, and is not entitled to his prayer in the present appeal, with the request that the respondents Nos. I and 2 may be directed to rectify the impugned seniority list and enter the name of the appellant therein at a place of his seniority position in accordance with his previous seniority list dated 31.1.2004. The mentioned list appears to be the result of some mis-interpretation of the rules.

In the light of the above, we do not find any merit in the present appeal, and we dismiss the same with costs:

WRIT PETITION NO.1412/2006

JUDGMENT

Pate of hearing: 11.4. 2007.

Petitioners: (Hofiz Farkal Ali) By Sholzada Shahpur Jon, Adv.

Respondents: (Next & Stra) By Mr. Khushdil Khan, AA &.

\*\*\*\*

## DOST MUHAMMAD KHAN, J:- The petitioners

through this constitutional petition have sought declaration that the refusal of respondents to grant selection grade to them, is without lawful authority Coram Non-judice in utter disregard of the judgment of this Court given in the Writ Petition No.1041 of 1997 delivered on 10.5.2001 which was upheld by the Hon'ble Supreme Court in Civil Petition No.380-P of 2001 vide judgment dated 23.10.2003 refusing leave to appeal to the respondents.

Arguments heard in detail and record perused.

Learned counsel for the petitioners vehemently argued that not only the impugned action is offending against the judgment of this Court ibid but the judgment of the apex Court too has been disregarded on false premise and with malafide intention. He further emphatically contended that the judgment of this Court earlier given had merged into the judgment of Hon'ble Supreme Court, therefore, notwithstanding the writ jurisdiction of this Court under Article 199 of the Constitution, it has to implement and enforce the judgment of the apex Court in view of the

ATTESTEL

Constitution and that the petitioners have been given discriminatory treatment as other officers of the same rank have been given selection grade within the same department but the petitioners who work in the Extension Wing performing the same nature of duties with equal liabilities have been denied it. The principle of justice, fairplay, rules of proprietary as well as the statutory rules on the subject have been violated, therefore, he concluded that the respondents may be directed to grant the relief sought herein to the petitioners.

- Addl: Advocate General contended that on 12.5.1999, the officers of the Extension Wing of Agriculture Department were not included in the list of beneficiaries of selection grade as is evident from para-3 of the Finance Department letter dated 12.5.1999 and that the case of the petitioners was considered by duly constituted committee who while relying on the above letter of Finance Department has declared the case of the petitioners devoid of merits thus, no case of discrimination has been made out.
  - When the learned Addl: Advocate General was confronted with the comments filed in the earlier. Writ Petition No.1041 of 1997 where no such stance was taken and similarly with the submissions made by the then Advocate General at that time who no where pointed out the Finance Department letter which has now been made bases for refusal to grant selection grade to the petitioners and additionally when his attention was invited to the

Pashavar High call

petition for grant of leave to appeal filed before the Hon'ble Supreme Court where too, no such arguments were advanced nor such plea was raised then how the respondents could make the said letter as killing device at a much belated stage when it was not their case at any stage before this Court or before the apex Court in the earlier round of litigation, his simple reply was that such plea might have been taken during course of arguments butwas not either taken notice of or was not considered at all. We completely disagree with the learned counsel for the Government on this score because if such plea was taken in any manner having direct impact on the maintainability of earlier Writ Petition. No.1041 of 1997 that would have been definitely taken into consideration which is not the case.

3- This Court while recording findings in the earlier Writ Petition at page-9 of the judgment have held the following view in a conclusive manner:-

"As per the aforequoted letter all those officials." having the requisite length of service and those who were fit were entitled to grant of "Selection Grade". The petitioners who have completed more than 18 years of their services were fit and were entitled as per the said memo for grant of "Selection Grade", and the learned Advocate General was unable to show any reason as to why the instructions/directions of the Government of NWFP, contained in memo dated 9.10.97 were not made applicable in the case of petitioners, when the officials of Health, C&W, Irrigation, Education and all other Departments of. Provincial Government were granted the benefit of ATTESTED said memo (dated 9.10.97). This also shows that the petitioners and all other Agriculture Graduates not treated similarly with the Department were Pestawar High Goulff not treated similarly with occupants of equivalent

The next legal impediment in the way of the respondents is that while delivering the judgment dated 10-5-2001 in the previous writ petition No.1041 of 1997, this Court has conclusively determined each and every plea of both the parties once for all by recording clear findings which were upheld by the Hon'ble Supreme Court, thus, this Division Bench in view of the principle of law and consistent practice cannot differ with the view already formed by the earlier Division Bench on the same subject matter and point of. Reliance in this regard may be placed on the consistent view of the Hon ble Supreme Court reflected in the cases of The Province of East Pakistan -Vs- Dr.Aziz ul Islam (PLD 1963 SC-296), The Province of East Pakistan and others-Vs- Sirajul Hun Patwari and others (PLD 1966 SC-854). Multiline Associates-VS-Ardeshir Cowasjee and others (SCMR 1995 362), Multiline Associates-VS-Ardeshir Cowasjee and 2 SC 423) and Sidheswar Ganguly-Vs-State

ARE COLL

of West Bengal (PLD 1958 SC India 337).

Apart the above iron clad legal proposition, we see no reason or justification to differ with the view of the earlier Division Bench which was upheld by the Hon ble Supreme Court and when the judgment of this Court had merged into that of the apex Court then Article 187 (2) of the Constitution of Islamic Republic of Pakistan, 1973 would certainly come into play.

For the aforementioned reasons, this petition is allowed, the impugned action/order of the respondents refusing selection grade to the petitioners is declared as Coram Non-judice, without jurisdiction and without lawful authority and of no legal effect. The respondents are directed to reconsider the case of the petitioners in light of the judgment of this Court earlier given in Writ Petition No.1041 of 1997 and particularly to give full effect in letter and spirit to the judgment of the Hon'ble Supreme Court rendered in Civil Petition No.380-P of 2001 dated 23.10.2003.

#### JUDGMENT

Inposed with the leave of the Court, have impugned the judgment dated 14.04.2067 passed by the learned Peshawar High Court, Peshawar, in W. P. No. 1412:2006, whereby the writ petition filed by the respondents has been accepted and the appellants were directed to reconsider the case of the respondents in the light of the judgment passed in W. P. No. 1041/1997 and to give full effect to the said judgment in its true letter and spirit, which had attained finally on account of dismissal of C. P. No. 380-P/2011, filed by the appellants before the Supreme Court, vide order dated 23.10.2003. Heave was granted by this Court vide order dated 12.03.2010 in the following terms:

no la detta

traving heard the learned Additional Advocate General, as well as learned ASC for the respondents, we are inclined to grant leave, intervalue to consider the following questions:

Trans Eld ver.

JUNEAU STANISH PROFIES

Whether the High Court had the jurisdiction under Article 199 of the Constitution to have entertained the writ petition and to grant relief as necessarily the question of grant of selection grade was amenable to the exclusive jurisdiction of the Service Tribunal?

Whether the grant of selection grade was discontinued by the Government, if so, as to from what particular date such discontinuation would be effective?

The appeal, on the present record, be prepared and set down for in army However, the parties shall be at liberty to further document the same, if decined appropriate,"

The succinct facts of the case are that the respondents were officers Ad- Agriculture Exicusion Department and they claimed "Selection Grade" on a count of instructions/directions issued by the Government of NWFP in letter dated 09.10,1997. The claim of the respondents was struck down by the appellants/department as a result of which the respondents approached the learned Peshawar High Court by filling a writ petition. The case of the respondents before the High Court was that relief had been afforded to other similarly placed officers vide judgment dated 10.05.2001 of the Peshawar High Court passed in W. P. No. 1041/1997, which had attained & finality in leave was refused by this Court in C. P. No. 380-P/2001 filed by the appellants. In W. P. No. 1412/2006, the stance of the appellants was

Digwel Rechtler. 203 1999 the officers of the Extension Wing of Agriculture in Caster of Partistion,

Department were not included in the list of beneficiaries of selection grade

is evident from para-3 of the Finance Department letter dated 22 05 1999 and that the case of the petitioners was considered by duly constituted committee who while relying on the above letter of Finance Department has declared the case of the petitioners devoid of merits thus, no case of discrimination has been made out". In view of the same, the appellants were confronted with the comments filed in the earlier W. P. No 1041-1997 where such stance has neither been taken before the High Court nor before the Supreme Court, on account of which the learned High Court came to the equelusion that the respondents were entitled to the same relief. as afforded to the petitioners in W. P. No. 1041/1997. Therefore, the learned High Court while accepting the writ petition of the respondents gave a direction to the appellants to reconsider the case of the respondents in the light of the judgment dared 10.05.2001 and to give full effect to the same in its true letter and spirit, hence this appeal:

The learned Assistant Advocate General for the appellants contended that while passing the impugned judgment the learned High Court has not taken into consideration that the grant of selection grade stood withdrawn vide notification dated 27.10.2001 in terms of para-7, which states that "SELECTION GRADE AND MOVE OVER: - Selection Grade in the scheme of Basic Pay Scales and Move Over scheme shall stand abscontinued w.e.f. the date of issue of this letter", on account of which the respondents could not be granted selection grade while passing the imprigned judgment in the year 2007, in the light of which the respondents have been considered and accordingly selection grade has been declined to them. Moreover, the learned High Court did not properly Sung Court of Pakissoppreciate, and consider the letter of the Finance Department dated 12.05.1999 whereby the Law Officers of the Extension Wing of Agriculture 🐺

Department were not included in the list of ceneficiaries of selection grade-

and that the respondents were duly considered by the committee, which this relying upon the said letter has declared the case of the respondents devoid of merits, thus, the case of the respondents does not fall within the arcumterence of discrimination.

adverted our attention to para-3 of the impugned judgment and asserted that the contentions so mised by the learned Assistant Advocate General have areas, been considered by the learned High Court who has held that the picus were not taken in the earlier writ petition and he was also controlled with the comments filed in the said writ petition. As such the letter of the Finance Department, which has now been made the basis of the selection grade to the respondents, was never asserted before the learned high court or before the Supreme Court. He further adverted our mention to para-b(ii) of the letter dated 09.10.1997 and stated that the respondents were in 13.PS-17 and the only requirement for the grant of selection grade was three years service in the existing pay scales of the post appointed in the year 1994 as such on the date of issue of the said letter they were traffy qualified for the award of selection grade.

- Flourd. We have gone through the impugned judgment and have perused the documents and material available on record.
- A perusal of the material depicts that the respondents were duly encloded to the grant of selection grade when the letter dated 09:10.1997 in this regard was issued and according to the criteria laid down in the said fener they had more than three years of service in BPS-17. Moreover, from the peausal of fetter dated 27.10.2001 it is also apparent that the selection grade and move-over selicine stood discontinued from the date of its issue, the title same could not be given retrospective effect in the case of the

respondents, who were fully entitled and qualified in the year 1997. Therefore, the espondents were similarly placed with the petitioners in W. 15 No. 1041/1997 who were held to be entitled for the grant of selection grade vide judgment dated 10.05.2001, which had already attained finality on the dismissal of C.P. No. 380-P/2001, filed before this Court. As such the respondents could not be declined the grant of selection grade, who were similarly placed with those petitioners and had become entitled to the some benefit in the year 1997. Moreover, this Court in the case of Hameed Alchar Niazi vs. The Secretary, Establishment Division, Government of Pakistan and others (1996 SCMR 1185) has held that ".....if the Tribunal on this Court secules a point of law relating to the terms of service of a civil s, want which convers not only the case of the civil servant who litigated, but also faint civil revients, who may have not taken any legal proceedings, in such a time, the dictives of justice and rule of good governance demand that the benefit of the above fadgment be extended to other civil servants, who may not be parties in the above linguition instead of compelling them to approach the Tribunal or am ather legal forum '

In the above perspective, we are of the opinion that the learned High Court has arrived at a just conclusion and the impugned judgment does not require interference by this Court. Resultantly, this appeal being devoid of

any merits is dismissed.)

#### JUDGMENT

JUSTICE (R) SALIM KHAN, CHAIRMAN. Faham Dil. Khan, appellant, contended that he was initially inducted as Assistant Publicity Officer (BPS-17) and was promoted as Deputy Director, Agriculture, Information (BPS-18) vide order dated 03.7.2003, on the strength of judgment of this Tribunal in Service Appeal No. 2058 of 2000 decided on 14.10.2002. He further contended that the name of the appellant was at S.No. 11 in the seniority list dated 01.1.2004 circulated on 31.1.2004 while the name of the appellant was missing from the seniority list dated 01.5.2005, which was received by the appellant vie his letter dated 9.12.2005. He filed departmental appeal dated 22.12.2005, which was not disposed of. The appeal in hand was filed on 29.4.2006, which is slightly time-barred.

- Respondents No. 1 to 3 contested the appeal, and the same was position of the private respondents No. 4 to 23. The grievance of the private respondents was that the appellant was lacking the prescribed qualification for the post of Deputy Director Agriculture Information as laid down in the Service Rules, but he was so promoted in consequence of the judgment of this Tribunal. They are of the view that the prescribed qualification for the post of Deputy Director Agriculture Information was Master Degree in Agriculture Extension and Rural Sociology while the appellant had acquired Master Degree in Journalism (Non-Technical). The official respondents contended, besides the above grievance, that the appellant lacks the qualification for the post of BPS-19.
  - We heard the arguments and perused the record.
- In order to re-check the issue of the qualification of the appellant, it is necessary to refer to the mentioned judgment, of this Tribunal as well as to the relevant-Service Rules. The post of Deputy Director of Agriculture Information was to be filled in by promotion on the basis of selection on merit with due regard to seniority from amongst the holders of the posts of Assistant Directors Coordination and Public Relations/Publications/Audio Visual/Assistant Publicity Officers with seven years experience as Assistant Director etc. as mentioned above. M.A. Agriculture Extension and Rural Sociology was prescribed for initial recruitment to the post of Assistant Director-Coordination and Public Relations/AudioVisual/Publicity Officer with training in Agriculture Journalism or three years experience in Agriculture Publicity works. 50% posts had to be reserved for Assistant Agricultural Information Officers with five years experience as such. It was held in judgment in Service Appeal No. 2058 of 2000 decided on 14,10,2002 that the claim of the respondent department that the appellant was not M.Sc(Agriculture) and was not suitable for promotion to the of Deputy Director Information, was untenable as in accordance with the Recruitment Rules/Method of the appointment prescribed for the post of Deputy Director Information vide Notification dated 22.10.1986, the holder of the post of Assistant Publicity Officer with relevant. experience of seven years service was eligible for promotion to the post. The appellant in that case (the present appellant) was declared as permanent holder of the post of Assistant Publicity Officer and had more than 17 years service/experience with M.A Degree in Journalism and was perfectly eligible for promotion to the post of Deputy Director information as per minimum qualifications prescribed for promotion to the post of Deputy Director Information in the Rules. That judgment had attained finality. The same issue cannot be re-opened under the principle resjudicata.

- It has been abundantly made clear on record that separate cadre of the Deputy Director Agriculture Information has been maintained vide the Service Rules prescribed on 22.10.1986 while separate cadre of Deputy Director Agriculture, Deputy Director Agriculture E&M and others has been maintained vide rules notified on 06.9.2002. It is also clear from the letter dated 06.6.2005 of the Establishment and Administration Department (Regulation Wing) that separate seniority lists had to be maintained if there were two sets of Service Rules, one for Agriculture Graduates and the other for Persons holding Master Degree in Mass Communication.
- The appellant belongs to the group of persons holding Master Degree in Mass Commutation. He does not belong to the Group of Agriculture Graduates. The appellant, therefore, is not entitled to search his name in the list of the Agriculture Graduates, and is not entitled to his prayer in the present appeal, with the request that the respondents Nos. 1 and 2 may be directed to rectify the impugned seniority list and enter the name of the appellant therein at a place of his seniority position in accordance with his previous seniority list dated 31.1.2004. The mentioned list appears to be the result of some mis-interpretation of the rules.

In the light of the above, we do not find any ment in the present appeal, and we dismiss the same with costs.
