JUDGMENT**ATIQU-UR-REHMAN WAZIR MEMBER (E):-**

Brief facts of the case are that the appellant was appointed as Village Secretary in the Local Government Department vide order dated 18-02-2019. The appellant joined his duty after fulfillment of all pre-requisite. In the meanwhile, the appellant received notices dated 10-06-2019 & 22-06-2019 reminding the appellant that he was appointed on officiating/acting basis, which may be seriously kept in mind with further warning that the instant letter may be considered as final notice. Feeling aggrieved, the appellant filed departmental appeal dated 19-07-2019, which was rejected on 19-12-2019. The appellant filed service appeal No 882/2020 in this

tribunal challenging notices dated 10-06-2019 and 22-06-2019, however upon submission of reply/comments by the respondents, it divulged that the appellant has been removed from service vide order dated 20-09-2019. In view of the reliving order dated 20-09-2019, this tribunal was of the view that after issuance of the reliving order dated 20-09-2019, the appellant was legally required to have filed departmental appeal challenging the said order, hence in order to shorten litigation, this tribunal vide judgment dated 22-10-2021, treated the service appeal as well as its rejoinder as departmental appeal and the same was sent to the appellate authority for passing an appropriate order on it within a period of one month. The respondents did not respond within the stipulated timeframe, hence the instant service appeal with prayers that the impugned relieving order dated 20-09-2019 may be set aside and the appellant may be re-instated in service with effect from 20-09-2019 alongwith payment of un-paid salaries and other consequential benefits. Further prayed that notices dated 10-06-2019, 22-06-2019, 27-07-2019, 17-08-2019 as well as the rejection order dated 19-12-2019 of departmental appeal of the appellant and non-considering departmental appeal of the appellant as per operative part of the judgment dated 22-10-2021 may also be set aside.

02. Learned counsel for the appellant has contended that the appellant was appointed against a regular post of Village Secretary on the recommendations of Departmental Selection Committee. The appellant had gone through the process of medical fitness, police verification, proper arrival and construction of his service book, whereas such formalities are fulfilled only after induction against a regular post; that personal number is issued only to regular employees against a regular post, which was also issued to the appellant by District Account Office Charsada and started his salaries through District Account Office Charsada like other civil servants, which by any definition means that the appellant is a civil servant, appointed against a regular post; that the appointment order dated 18-02-2019 in

respect of the appellant was deliberately phrased in a manner with malafide intentions, so as to dispense with his services any time at the wish and will of the respondents; that the appointment letter shows that the appellant was appointed as officiating/acting Village Secretary, whereas Rule-3 of KP (appointment, promotion & transfer) Rules, 1989 provides for method of appointment with no mention of officiating or acting charge in initial appointment; that rule-9 of the rules ibid provides for acting charge appointment for in-service employees, who is appointed against a higher grade on acting charge, whereas in initial appointment there is no concept of acting charge appointment. The learned counsel added that the appellant performed his duty with zeal and enthusiasm, but malafide of the respondents surfaced when the appellant received the first notice, rather a warning dated 10-06-2019, but since the appellant was on probation for a period of two years as is evident from the appointment letter, but no reason is mentioned in such notices as to why the services of the appellant shall be dispensed with; that the 2nd Notice Dated 22-06-2019 again reminded the appellant that he is on officiating/acting charge coupled with his tenure in probation, hence they may be terminated any time without assigning any reason, against which the appellant filed departmental appeal on 19-07-2019, which was rejected on 19-12-2019 without examination and the competent authority on the face of the appeal recorded his remarks as rejected; that salary of the appellant was stopped from the month of September, 2019, but the appellant served against the post of the concerned Village Counsel, which is evident from the record. The learned counsel added that during the course of hearing in this Tribunal, it was divulged by the respondents that the appellant has been relieved from officiating/temporary duty vide order dated 20-09-2020, which however was not served upon the appellant nor was it implemented as the appellant performed active duty until June, 2020, which is evident from the record available on file; that the letter dated 20-09-2020 was issued in back date with the malafide intension; that as is evident from a number of the bank cheques signed on 01-10-

implementable being contrary to law as well as prevalent rules and regulations. In fact such obedience is demonstrated by the concerned officers of the department to please the authorities governing the country just to earn their time being pleasure but on the change of regime and due to their such illegal acts the employees who were appointed suffer badly without any fault on their part and then even nobody bothers for their further career and in such a scenario, the appointing authority should be blamed and not the appellatant.

06. We are of the considered opinion that the appellatant has not been treated in accordance with law and was unlawfully removed from service for no fault of him. In view of the foregoing discussion, the instant appeal is accepted as prayed for. Parties are left to bear their own costs. File be consigned to record room.
