Petitioner alongwith counsel and Mr. Muhammad Adeel Butt, Addl. AG alongwith M/S Shahabuid Din, AAC Headquarters and Ubaidullah, Superintendent for the respondents present.

Copies of two orders one bearing No. 2868/(DC(P)/D.K, dated 21.09.2021 and the other bearing No. Estt:VII/SA/4924-4933/Mukamil/24835, dated 20.09.2021 have been produced by the representatives of the respondents and placed on file. Both the said orders have been passed in compliance of the order dated 09.09.2021 passed for implementation of the judgment at credit of the petitioner. In the order dated 21.09.2021, the petitioner has been reinstated into service as Patwari (BPS-09) with back benefits against the vacant post subject to final decision of the August Supreme Court of Pakistan. It is also provided in the said order to treat the intervening period with the kind of leave available at his credit. This part of the order considering the intervening period as leave is against the spirit of the judgment. Therefore, it is held redundant being beyond the scope of the judgment at credit of the petitioner. Immediate relief of reinstatement has been granted. If the judgment of this Tribunal is maintained by the August Supreme Court of Pakistan, he will be deemed as reinstated from the date of his removal from service and will be entitled to the back benefits having accrued or accruable, had he not been removed from service. This Execution Petition is consigned to the record room with liberty to the parties to seek its restoration, if needed, after decision of the Apex Court.

vacant posts throughout the province including Kanungo and Patwari. According to the said list 03 posts of Kanungo are vacant in District Charsadda in the office of Deputy Commissioner Charsadda being DDO, besides 08 vacant posts of Patwari in the same District. Similarly 11 posts of Patwari have been shown vacant in District Nowshera in the office of Deputy Commissioner being DDO. Among the petitioners 02 of them are required to be adjusted against the post of Kanungo while 12 of them are required to be adjusted against the vacant posts of Patwari in District Peshawar in pursuance of judgment of this Tribunal. If the competent authority at Provincial level deemed it appropriate to transfer the appointees who are holding the posts vacated by the petitioners to the adjacent Districts i.e. Charsadda and Nowshera, it will be convenient for the respondents to adjust the petitioners against the vacancies made available after transfer of the subsequent appointees. There is no scope to afford the respondents with further opportunity when viable has been as suggested herein before for ensuring the implementation of judgment of this Tribunal. Let the respondents follow the said course, if they are interested in execution of judgment of this Tribunal to avoid the consequences of non-compliance obviously including the civil imprisonment and attachment of property etc. To come up for implementation report on 16.09.2021 before S.B.

The respondents have not come up with any plausible solution of the issue enabling the adjustment of the present petitioner and others in the connected Execution Petitions. They as usual are pressing into service the excuse of approval of SNE for new posts which is not expeditiously workable to ensure the implementation of the judgment. On quarry from the Bench, whether posts of Kanungo or Patwari are vacant in other districts of the Province for transfer of the later appointees, to the said districts, to make the vacancies available for adjustment of the petitioner and others, the respondents seek time to furnish the list of vacant posts of Patwari/Kanungo in other Districts of the Province after its procurement from the Board of Revenue. The request is accorded. To come up for the needful on 09.09.2021 before S.B.

Implementation report has not been submitted. Deputy Commissioner, Peshawar, Commissioner Peshawar Division and Senior Member Board of Revenue who are at helm of the affairs, passed the dismissal order of the present petitioners, compelling them for recourse to judicial remedy through their respective service appeals before this Tribunal. Despite having the judgment of this Tribunal at their credit since 18.12.2020, they are shutting between this forum and the Departmental Authorities for its implementation but till to date have not seen the light in tunnel on departmental side. The departmental authorities are represented by lower rank officer/officials before the Tribunal having no authority to give any workable clue for implementation of the judgment on behalf of the competent authority because of their limited access to such authority in official channels. Needless to say that absence of the implementation of judgment in case of the petitioner till date is speaking a lost about inefficiency of the Authorities in decision making as to treatment of judicial verdict. The wriggling attitude of the concerned officers exhibits their casualness in treatment of the judgment of this Tribunal, which besides attracting penal action under due course of law is liable to be communicated to the Establishment Division of the Federal Government and

JUDGMENT

ROZINA REHMAN, MEMBER: This judgment is intended to dispose of Fourteen connected service appeals including the present one bearing No.4924/20, titled Mukamil Shah Vs. Revenue Department and others, as common question of law and facts are involved therein.

2. Appellant, Mukamil Shah alongwith 13 others were serving in the respondents' department and the present appellant was Office Kanungo Tehsil Saddar Peshawar. He was dismissed from service vide order dated

ATTACHED

6

CHIEF JUSTICE
Khyber Pakhtunkhwa
Service Tribunal
Peshawar

20.02.2020. It is the legality and validity of this order which has been challenged by him in the present service appeal filed U/S 4 of the Khyber Pakhtunkhwa Service Tribunal Act, 1974.

3. Shortly narrated facts necessary for the disposal of the instant appeal are that appellant was the employee of respondents' department and during service, he alongwith other appellants were served with a show cause notice. In response to the said show cause notice, reply was submitted wherein all the allegations leveled against the appellants were denied. It was on 20.02.2020 when major penalty of dismissal from service was imposed upon appellant. He, therefore, preferred departmental appeal but the same was not responded to hence the present service appeal.

4. Learned counsel appearing on behalf of appellants in support of appeals contended with vehemence that the impugned orders are illegal, against law, facts and norms of natural justice. He submitted that the appellants were not treated in accordance with law and rules on the subject and were not given fair trial as enshrined under Article 4 & 25 of the Constitution of Islamic Republic of Pakistan, 1973. He argued that neither charge sheet nor statement of allegations were served upon appellants before issuing the impugned order. All the appellants were stated to have been condemned unheard. Learned counsel submitted that no regular inquiry was conducted before the issuance of the impugned order which as per Apex Court is necessary in punitive actions against civil servants and that major penalty cannot be imposed on the basis of single show cause notice and lastly, he submitted that one of the major allegations leveled against the appellant was absence from Tehsil Darbar but there is no written document or any cogent reason in order to prove that appellant alongwith others were

called for Darbar and they failed to attend the same. Reliance was placed on 2000 PLC (C.S) 484; 1989 SCMR 551; 2009 SCMR 329; 2011 SCMR 1618; 2012 PLC (C.S) 787 and 2011 PLC (C.S) 522.

5. Conversely learned A.A.G submitted that impugned order was issued under E&D Rules, 2011 wherein it was clearly mentioned that inquiry was dispensed with under Section 5 due to misconduct of the appellants by instigating the staff, making hurdles in performing official duties, creating problems in redressing public grievances at the occasions of Darbar. He submitted that all the proceedings were conducted according to law and no rules were violated rather instructions/laws of the Provincial Government were followed in letter and spirit. He submitted that show cause notice was properly issued and the same was replied where-after personal hearing was made but the appellants could not put any valid justification in their defense, therefore, they all were dismissed according to law.

6. Arguments heard, parawise comments and record perused.

7. The allegations against the present appellant and others were that all the Revenue staff were directed to be present on 13.02.2020 in the Tehsil office alongwith Revenue record for conducting Revenue Darbar proceedings but they failed to do so; they instigated other Revenue staff in disobeying the lawful commands of the superior and announced boycott of Tehsil Hazri, Polio Duties and refused to shifting of Patwar Khana within respective Halqa; they were repeatedly warned to refrain from such conduct of resembling mutiny but they expressed utter disregard to such directions; their absence caused inconvenience to the general public.

8. By referring to the above allegations, we subscribe to the arguments of the learned counsel for appellants to the effect that the competent authority was not having sufficient material available on record to have formed an opinion that there was no need of initiation of regular inquiry into the case of appellants. We admit that the Competent Authority is within its right to dispense with the departmental inquiry in terms of Rule-5 (1) of Khyber Pakhtunkhwa Civil Servants (Efficiency & Discipline) Rules 2011, when there is sufficient material available which prima facie connects the accused with the commission of misconduct; while in the instant case, the material, so produced on record, is deficient in all respects and an opinion cannot be legally formed to justify the dispensation of inquiry. In the instant case, we find that neither the Competent Authority was in possession of documentary evidence against the appellants nor any satisfactory reasons have been recorded, thus the appellants were not provided sufficient chance to vindicate themselves against the allegations. The main object of the Efficiency & Disciplinary Rules are to maintain administrative and financial discipline in the Department, similarly, the procedure so prescribed is aimed to give a proper chance of proving his innocence to the accused officer/official and mere issuance of the charge sheet/show cause notice or enquiry cannot be allowed to be used as a device to done away with the services of an employee. In cases where imposition of major penalty is contemplated, holding of regular enquiry is a must, as laid down by the Hon'ble Supreme Court of Pakistan in a number of case laws, but it was not done in this case. The appellants have been punished without procuring adequate evidence to prove inefficiency and misconduct. It was held in the case of Muhammad Mohsin Siddiqui Vs. Government of West Pakistan PLD 1964 S.C 64 that;

8/12/20

18/12/20

"The whole proceedings in a departmental enquiry is required by the Rules to be conducted in accordance with the principles of justice. The superior courts will not tolerate, and certainly not within the framework of the judicial administration itself, conditions in which officials can be made prosecutors, judges and punishing authorities when they themselves are the complainants, merely on the ground that the power of removal is vested in them as appointing authorities under the Rules"

9. For the reasons recorded herein above, the impugned orders dated 20.02.2020 and 13.02.2020 whereby a major penalty of dismissal from service was imposed upon the appellants under Rule 4 (1)(b)(IV) of Khyber Pakhtunkhwa Government Servants (Efficiency & Discipline) Rules, 2011, are not sustainable and are accordingly set aside. Instant appeal alongwith connected appeals are accepted and the appellants stand reinstated in service with all back benefits. With no order as to costs. File be consigned to the record room.
