Learned counsel, when confronted with the proposition that the issue, in essence, was dilated upon by the Federal Service Tribunal and, more particularly, by the Honourable Peshawar High Court in the case of appellant, stated that in case the respondents are required to execute the judgment of Peshawar High Court, the appellant will have no cavil about disposal of instant appeal..

The record suggests that while handing down judgment in the Writ Petition preferred by the appellant, the Honourable High Court not only expounded the definition of "Pay" as well as "Salary" but also entitlement of a civil servant for the Conveyance Allowance during the period of vacations. It is important to note that the respondents were represented before the High Court during the proceedings.

In view of the above noted facts and circumstances and in order to protect the appellant from a fresh round of litigation which may protract over a formidable period, the appeal in hand is disposed of with observation that the judgment of Honourable Peshawar High Court passed in Writ Petitions including W.P No. 3162-P/2019 shall be honoured and implemented by the respondents within shortest possible time. The appellant shail, however, be at liberty to seek remedy in accordance with law in case his grievance is not redressed by the respondents within a reasonable time.

File be consigned to the record.
