before the NWFP Service Tribunal (hereinafter referred to as the Tribunal) appears to be that after induction in BPS-14 as Elementary School Teachers, in terms of NWFP Government Circular dated 7.8.1991 they are entitled to four advance increments in terms of NWFP Government circular letter No.FD(PRC)1-1/89 dated 11.8.1991 on acquiring higher qualification MA/MSc. They have been non-suited by the Tribunal vide judgment dated

24.4.2007 on the premise that they had been placed in higher grade i.e. BPS-14 on acquiring BA/BSc Second Division in terms of Finance Division circular letter No.FD(PRC)1-1/89 dated 7.8.1991, therefore, the provisions of circular letter dated 11.8.1991 issued by the Finance Department would not be applicable to teachers. Tribunal has expressed the view that this circular would be applicable only to ministerial staff, as such, the petitioners were not entitled to the relief claimed by them. Petitioners being aggrieved seek leave to appeal.

2. We have heard the petitioners, who argued their case in person whereas learned Additional Advocate General, NWFP has appeared on Court notice issued to the respondents. With the assistance of learned Additional Advocate General, we have examined both the circulars, which do not exclude the teachers in the Education Department from the benefits accruing out of circular letter dated 11.8.1991, its on its plain reading it applies to all civil servants in BPS 1 to 15 serving under the Provincial Government. Para 5 of the said circular provides mechanism for grant of advance increments to officials for possessing/attaining higher educational qualification. Para 5, clause (e) caters for the grant of four advance increments on attaining MA/MSc where prescribed qualification is FA/FSc. It would be seen that the petitioners were placed in BS-14 by reason of having acquired the qualification of BA/BSc, Second Division which is the prescribed qualification for the post of Elementary School Teacher. It is not the case of respondent-Government that the petitioners have already drawn advance increments on acquiring higher qualification of MA/MSc.

3. Learned Additional Advocate General attempted to argue that in view of the higher scale granted to Elementary School Teachers in pursuance of the circular letter dated 7.8.1991, which was personal to them, the

petitioners would not be entitled to the incentive of advance increments contemplated by circular letter dated 11.8.1991 but he is unable to cite any principle of law or authority for placing this interpretation. We find that, while circular letter dated 7.8.1991 exclusively deals with the scales of pay of school teachers in different categories, circular letter dated 11.8.1991 provides for the revision of basic pay scales and grant of annual increments and advance increments for all Provincial civil servants in NWFP without any exception. Since the teachers or the employees in Education Department have never been expressly or impliedly excluded from the operation of the circular letter, view taken by the Tribunal being erroneous cannot be sustained at law. In fact, it suffers from clear misconception of law and misconstruction of the circular letter (supra).

3. For the aforesaid facts, circumstances and reasons, we are of the considered view that the Tribunal committed a serious error of law, therefore, the impugned judgment is liable to be set aside. Consequently, we convert these petitions into appeals and, on acceptance, declare that the petitioners would be entitled to four advance increments with effect from the date of qualifying MA/MSc exam.

ORDER

MUHAMMAD NAWAZ ABBASI, J:- The learned Addl. Advocate General has contended that this Court while interpreting the circulars in question has taken a view contrary to the correct legal position according to which private respondents were not entitled to the benefit of advance increments. We are afraid, the learned Addl.A.G. instead of pointing out any mistake of law and fact in the judgment made an attempt to re-open the case on merits. The scope of

The learned Addl.A.G. has given an undertaking for implementation of the judgment of this Court within a period of two weeks and in view thereof, this criminal original is disposed of with the direction that the judgment should be implemented in letter and spirit within two weeks under intimation to the Registrar of this Court.

2. The appellant of Service Appeal No. 1276 of 2007, contended that he was appointed as untrained P.E.T. Teacher in Education Department on 27.6.1990. The appellant being C.T trained, was adjusted against the C.T post on 06.05.1996 on regular basis. He acquired higher qualification of M.A. on 25.08.1999. The appellant was entitled to advance increments in the light of the Finance Department notification dated 11.8.1991. The same was not given to him. Some of the teachers came to this Tribunal whose Service Appeals were dismissed in Service Appeal No. 498 of 2006 decided on 24.4.2007. The August Supreme Court of Pakistan, while deciding C.P.L.A No. 525 of 2007 and CPLA No. 526 of 2007 decided that all the teachers were entitled to the advance increments like all other civil servants. On the request of the appellant, the same benefit was not given to him. Hence, he filed the present Service Appeal. As already mentioned, the broad facts and the legal issues in all other appeals are almost on the same lines.

3. The respondents contested the appeal and contended that either the appellants had not submitted applications or their applications were time-barred. And there was no judgment in favour of the appellants.

4. We heard the arguments and perused the record.

The judgment in CPLA Nos. 525 of 2007 and 526 of 2007 is as under:-

*Learned Additional Advocate General attempted to argue that in view of the higher scale granted to Elementary School Teachers in*

pursuance of the circular letter dated 07.8.1991, which was personal to them, the petitioners would not be entitled to the incentive of advance increments contemplated by circular letter dated 11.8.1991 but he is unable to cite any principle of law or authority for placing this interpretation. We find that, while circular letter dated 7.8.1991 exclusively deals with the scales of pay of school teachers in different categories, circular letter dated 11.8.1991, provides for the revision of basic pay scales and grant of annual increments and advance increments for all Provincial civil servants in NWFP without any exception. Since the teachers or the employees in Education Department have never been expressly or impliedly excluded from the operation of the circular letter, view taken by the Tribunal being erroneous cannot be sustained at law. In fact, it suffers from clear misconception of law and misconstruction of the circular letter (supra)."

While disposing of the C.R.P No. 216 and 217 of 2007 in C.P Nos. 525 and 526 of 2007, the August Supreme Court of Pakistan held:-

"The learned Addl. Advocate General has contended that this Court while interpreting the circulars in question has taken a view contrary to the correct legal position, according to which private respondents were not entitled to the benefit of advance increments. We are afraid, the learned Addl. A.G instead of pointing out any mistake of law and fact in the judgment made an attempt to re-open the case on merits. The scope of review is very limited and the points already considered in the judgment under review cannot be allowed to be re-agitated in review jurisdiction. These review petitions being without any substance are accordingly dismissed."

While disposing of Crl. O.P. No. 66 & 67 of 2007, it was held by the August Supreme Court of Pakistan:-

"The learned Addl. A.G. has given an undertaking for implementation of the judgment of this Court within a period of two weeks and in view thereof, this criminal original is disposed of with the direction that the

judgment should be implemented in letter and spirit within two weeks under intimation to the Registrar of this Court.

6. In the above circumstances, and in view of the judgment in rhyme by the August Supreme Court of Pakistan, and keeping in view the provisions of Article 189 of the Constitution of Islamic Republic of Pakistan, we have no other alternative but to declare that all the appellants, after ascertainment that they are the persons similarly placed with the appellants who had previously litigated and in whose favour the judgment mentioned above was given by the August Supreme Court of Pakistan, are entitled to the same benefits as have been given to the appellants of the judgments quoted above. The appeals of such similarly placed persons, after such ascertainment, stands accepted without costs. Each party will bear the cost of the litigation.

7. The official respondents in the above mentioned appeals as well as the other concerned officers/officials in the province are directed to follow the above quoted judgments in their true letter and spirit and without compelling the respective right holders to enter into litigation with the respective official respondents, otherwise the costs of their litigation shall be recovered from the pay and pension as well as person and property of the defaulting concerned officer, though after fixation of responsibility on them as a result of proper enquiry.

8. The remaining similarly placed persons may submit applications/representations to their concerned authorities directly, who shall have to decide their cases in above within a reasonable time.
