The impugned order was passed on 12.08.2021 while departmental appeal was filed on 03.09.2021. The appellant was to wait for ninety days after filing of departmental appeal and then had to file appeal after the ninety days in case no decision was made by the appellate authority but he presented this appeal before this Tribunal on 17.11.2022 which is hopelessly barred by limitation. There is no good ground, much-less convincing, has been stated in the application for condonation of delay, therefore, this appeal is, dismissed in limine.
