## Respectfully Sheweth:

- 1. That the appellant was appointed as Assistant Engineer on 24.09.2021 and posted as Assistant Engineer (BPS-17) 0/0 Chief Engineer (North) Irrigation Department on 13.10.2021 on the recommendation of KP Public Service Commission through recommendation letter dated 09.07.2021. (Copy of appointment, posting, recommendation letter/order is annexed as "A", "B" & "C").
- That the appellant is performing his duties regularly, devotedly and to the entire satisfaction of official respondents without any complaint from any quarter from the date of his appointment.
- 3. That Departmental Promotion Committee of the respondent department refused promotion to the post of Assistant Engineer to the private respondents along with other employees and the private respondents had challenged their non-recommendation before this Tribunal and their appeal allowed by this Hon'ble Tribunal on 15.04.2022 with the direction to the official respondents to consider the private respondents for promotion against the vacant post. (Copy of the judgment of this Hon'ble Tribunal is attached as annexure "D").

4. That after decision of this Hon'ble Tribunal, DPC meeting was held on 19.07.2022 in which the private respondents were recommended for antedate promotion with the effect from 23.06.2021 and through Notification, antedated promotion was granted by respondent No. 2 on 26.08.2022 to the private respondents. Now the appellant being aggrieved from the impugned antedated promotion order of private respondents, approached this Hon'ble Tribunal for redressal of his grievances, inter-alia, on the following grounds:

Jupy or the departmental

### **GROUNDS**

A. That the impugned antedated promotion order issued in favour of private respondents is illegal, against the law, and the directions issued by this Hon'ble Tribunal because, in Para-29 of the judgment of this Hon'ble Tribunal, the official respondents were only directed to consider the private respondents for promotion against the vacant post and no direction for antedated promotion was issued by this Hon'ble Tribunal, hence the antedated promotion is against the question of law decided by Hon'ble Supreme Court of Pakistan in a case of Federation of Pakistan vs. M.Y.Labaib ur Rehmat and others:

"We have perused the earlier judgment of this Court and found that this Court only send back the matter to the appellant department for considering respondents case in view of the seniority list and the rules on the subject and nowhere in the judgment, it was directed that the respondents be given antedated promotion.

'2021 SCMR (Para-6)'

B. That the antedated promotion given to the private respondents is illegal and against the law because the private respondents have not performed their duties on the said posts and thus the said promotion on the cast of affecting the appellant seniority is unconstitutional and hit by Rule-17.10 of Appointment, Promotion and Transfer Rules, 1989 because after issuance of the impugned Notification, the seniority of the appellant was also affected and against the said impugned Seniority List, departmental appeal of the appellant is pending before the official respondents and it was held by the august Supreme Court of Pakistan in a case of Secretary Labour Department, Punjab, Lahore and others vs Raja Muhammad Pasha Jonejo and others "Seniority, Civil Servants duly appointed on regular basis, much earlier than others, could not be relegated to the junior position.

# 2005 SCMR 1142 (Para-4)

C. That the appellant was appointed regularly on the recommendation of KPPSC much earlier to the meeting of present DPC on the basis of which, the impugned antedated promotion order was issued by granting promotion to the private respondents with retrospective

(5)

effect and such antedated promotion with retrospective effect had affected legal and vested rights of the appellant and has also not been treated in accordance with command of constitution provided by the Artile-4 of the Constitution.

D. That promotion can neither be claimed as a matter of right nor with retrospective effect, hence, the grant of antedated promotion is against the principle laid down by the Hon'ble supreme Court of Pakistan in a case of 'Abid Hussain Shirazi vs. Secretary M/O Industries and Production, Govt. of Pakistan, Islamabad.

"Promotion-Principle-Promotion is neither a vested right nor it can be claimed with retrospective effect whenever there is a change of grades or posts for the better, there is an element of selection involved which is promotion and it is not earned automatically but under an order of the competent authority to be passed after consideration of comparative suitability and the entitlement of those incumbents promotion or proforma promotion by civil servants can be claimed under the law which can be considered when question of promotion is taken up, civil servant cannot call upon the service tribunal to direct the department to fill the promotion posts forthwith or on the particular date and not to keep the post vacant or under consideration.

2005 SCMR 1742 (Para-4, 5 & 6)

E. That the promotion takes effect from the date on which a civil servant assumes the charge of higher posts and because of this reason, the impugned antedated promotion is illegal and in the case of 'Chief Secretary Sindh vs. Riaz Ahmad Masin and others' it was held by the August Supreme Court of Pakistan, that promotion takes effect from the date on which, the civil servants assumed the charge of higher posts.

## '2016 SCMR 1784'

- F. That the appellant is discriminated and the antedated promotion order is against the rules of proprietary, principle of fair-play and natural justice.
- H. That any other ground will be adduced at the time of arguments with the kind permission of this Hon'ble Tribunal.

It is, therefore, most humbly prayed that on acceptance of instant Service Appeal, the official respondents may kindly be directed:

- i. To modify the impugned antedated promotion order dated 26.08.2022 and grant promotion to the private respondents from date of Departmental Promotion Committee i.e. 19.07.2022.
- ii. All the benefits on the basis of antedated promotion may be withdrawn from the private respondents being against the law because the said antedated promotion order affected seniority of the appellant.
- iii. Any other relief not specifically prayed for which the appellant is entitled in the facts and circumstances of the case may also be granted.

Facts, surrounding the appeals, are that the appellants were serving as Sub-Engineers in BPS-14 (upgraded to BPS-16 on 07.03.2018) in the Irrigation Department; that they passed departmental examination Grade-A & Grade-B and became cligible for promotion to the post of Assistant Engineer (BS-17), as per the rules in vogue; that the respondents initiated the cases of the appellants along with others for promotion and prepared working paper, alongwith panel of eligible Graduate Sub engineers, for consideration against 12% quota reserved for the holders of BSc Engineering Degree; that synopses of the appellants were placed before the Departmental Promotion Committee (DPC), in its meeting held on 23.06.2021, under Agenda Item No.III, but the appellants were not recommended for promotion rather the Agenda Item No.III was deferred on the pretext to seek guidance from the Establishment Department, on the following:

As per amended service rules of Irrigation Department notified on 25,06,2012, twelve posts of Assistant Engineer (BS-17) come under 12% share quota of Graduate Sub Engineers along with passing of departmental grade B and A examination against which

officers, included in the panel at serial No.1 to 6 & 9 are Working as Assistant Engineer (BS-17) on acting charge basis since 2011.

ti, Before 25.06.2012 the passing of grade B&A examination was not mandatory for promotion to the post of Assistant Engineer and the above mentioned seven Graduate Sub Engineers were appointed to the post of Assistant Engineer (BS-17) on acting charge basis in 2011.

iii. The departmental B&A examination is conducted after every two years. The last examination was field in 2020 and the next will be held in 2022. The officers of pancl at serial No.1 to 6 % 9 (except No.4 B&A passed) have passed their mandatory grade B examination and will appear in the A examination in 2022.

3. The DPC in paragraph 8 of the minutes sought advice of the establishment through a separate letter that:

> a... As to whether the amended rules notified on 25.06.2012 are, applicable to: the above employees who were appointed in the year 2011 on acting charge, basis or the present Service Recruitment rules will be applicable in the instant case.

b. If the present service rules are applicable upon the officers appointed on acting charge basis then before

officers, the officers junior to them can be promoted to the Post of Assistant Engineer on regular basis or otherwise

- 4. It was then all the appellants preferred departmental appeals on 13.07.2021 to Respondent No.1 against the decision dated 23.06.2021 of the DPC, which, according to them was not responded within statutory period, compelling them to file these appeals.
- 5. It was mainly urged in the grounds of all the appeals that the appellants had been deprived of their right of promotion without any deficiency; that the department had no right to keep the promotion case pending for indefinite period; that the appellants were not treated in accordance with law; that the DPC departed from the normal course of law, which was malafide on their part; that the appellants were deferred for no plausible reasons.
- 6. On receipt of the appeals and their admission to full hearing, the respondents were directed to file reply/comments, which they did.
- 7. In the replies it was admitted that the appellants had passed Grade B&A examinations and had also completed 5 years' service for promotion as Assistant Engineer subject to considering their eligibility by the DPC and availability of posts as per service rules; that the agenda item for promotion was dropped due to non-availability of vacancies under 12% quota for promotion of Graduate Sub Engineers to the rank of Assistant Engineers BS-17

- We have heard learned counsel for the appellants and learned Assistant Advocate General for the respondents and have also gone through the record.
- 9. Learned counsel for the appellants reiterated the facts and grounds detailed in the appeal and referred to above and submitted that the appellants had a genuine case to be considered for promotion and they had legitimate expectancy for the same. He prayed for acceptance of the appeals.
- 10. On the contrary the learned Assistant Advocate General opposed the arguments advanced by the learned counsel for the appellants and supported the stance taken by the respondents.
  - .There is no dispute that the working paper, for promotion from the post of Sub Divisional Officers (BPS-16) to the post of Assistant Engineer (BPS-17), was prepared on proforma-I, wherein the details of the posts were given. According to the working paper six posts were shown vacant for making promotion under 12% Graduate quota. Along with the working paper, a panel of Graduate Engineers for consideration was also annexed on proforma-II (Annexure-I). The officers at serial number 1 to3, 5 to 7, 9, 12 to 14 were shown in the panel to be not eligible while the appellants' names figure at serial No.8, 10, 11, 13 and 15 of the panel. The panel bears

end of the Additional Secretary, Irrigation Department, at the end of that and the appellants were shown in the working paper to be eligible for promotion. Similarly, the officer at social No.4 named Dakhtiar agas above to be eligible for promotion. The DPC hold on 23.06.2021 recorded the minutes of the proceeding, which have been detailed in the preceding paragraphs and sought elarification from the Establishment Department vide letter No.SO(E)/Irr/4-3/DPC/2019/Vol-IX dated 04.10.2021, which was responded by the Establishment Department vide letter No.SOR-V(E&AD)/7-1/Irrig: dated 23.11.2021, instead seeking the clarification from the Secretary Government of Khyber. Pakhtunkhwa, Irrigation Department on the following observations:

- i. Why the employees were appointed on acting charge

- ii. Why the matter remained linger on for more than ten
- these employees in the intervening period were arranged by the Administrative Department and whether they appeared, availed opportunity of appearing the examination or deliberately avoid the opportunity of appearing in the subject examination or failed these examination?

Mr. Bakhtinr (at serial No.4 of the panel for consideration, wherein the names of the appellants also figured) for promotion, who was also deferred with the appellants. The DPC was stated to be held on 13.01.2022 and vide Notification No.SO(E)/IRRI:/4-3/DPC/2019/Vol-1X: dated. 28.03.2022, Mr. Bakhtiar was promoted.

13. At this juncture it seems necessary to observe regarding the above referred advice sought by the DPC. As regards first query, whether the amended rules notified on 25.06.2012 were applicable to the employees who were appointed in the year 2011 on acting charge basis or the present Service Recruitment, rules will be applicable in the instant case, it is observed that the administrative rules cannot be given retrospective effect. As regards the second query whether the junior officers could be promoted when the seniors already appointed on acting charge basis could not qualify either of departmental B&A examinations, it is in this respect found that the basic qualification for eligibility to be considered for promotion to the post of Assistant Engineer (BPS-17), is passing of departmental B&A examinations and when the seniors could not get through the both or any of them, they are not eligible and obviously next in the line were to be considered.

- (iii) Why the matter remained linger on for more than ten years?
- (iii) For how many times the departmental B&A examinations for these employees in the intervening period were arranged by the Administrative Department and whether they appeared, availed opportunity of appearing in the examination or deliberately avoided the opportunity of appearing in the examination or deliberately avoided the opportunity of appearing in the examination or deliberately avoided the opportunity of appearing in the subject examination or failed these examination,

it is observed that no reply of the Administrative Department in this respect is found placed on the record. Whereas without replying the queries the Administrative Department promoted one Bakhtiar, referred to above.

15. There seems lot of conflict in the working paper and minutes of the meeting of the DPC held on 23.06.2021 and that of the replies submitted by the respondents. In the working paper and the minutes six posts were shown vacant for filling, of which the DPC was convened and lengthy exercise of preparation of working paper, panel of officers for consideration and holding of DPC was undertaken, whereas in the replies the respondents took a U-turn and contended that the posts were not vacant. If the posts were not vacant then why the lengthy exercise of preparing working paper, panel of officers and above all holding of DPC was done? This is a question which could not have been answered by the respondents in their replies or for that matter during the course of arguments. It was

the stance of the respondents in the replies that the Agenda Hem No:III was dropped due to non-availability of vacancies under 12% quota for promotion of Graduate Sub Engineers to the rank of Assistant Engineers BS-17 (i.e. 6 Nos. Sub Engineers are working on regular basis while 7 Nos. Sub Engineers are working on Acting Charge basis against 12 posts in the share quota of Graduate Sub Engineers which already exceeds by one number). This stance is in clear negation to the working paper, panel list of the officers and minutes of the DPC wherein these 6 posts are shown vacant and were intended to be filled in by promotion. So far as contention of the respondents that the seats were occupied by the officers on acting charge basis, so those were not vacant, it is observed in this regard that rule9 of the Khyber Pakhtunkhwa Civil Servants (Appointment, Promotion and Transfer) Rules, 1989 (the Rules) is quite clear and is reproduced below for facile reference: -

> "9. Appointment on Acting Charge or current Charge Baxis. (1) Where the appointing authority considered it to be in the public interest to fill a post reserved under the rules for departmental promotion and the most senior civil servant belonging to the cadre or service concerned, who is otherwise eligible for promotion, does of not possess the specified length of service the authority may appoint him to that post on acting charge basis; Provided that no such appointment shall be made, if the prescribed; length of service is short by more than [three years].

(Underlining is ours)

16. Sub rule (2) of the above rule was deletedvide Notification No.SOR-VI(E&AD)1-3/2009/Vol-VIII, deleted sub-rule is also reproduced as under:

"((2) So long as a civil servant holds the acting charge appointment, a civil servant junior to him shall not be considered for regular promotion but may be appointed on acting charge basis to a higher post.)"

17. Before deletion of sub rule (2) of the rules, a junior officer to a senior civil servant, so long as he (the senior) holds the acting charge appointment, could not be considered for regular promotion to a higher post. The provisions of Rule 9 of the rules though empowers the Appointing Authority to make appointment of a senior civil servant on acting charge basis but, even after deletion of sub rule (2) of the ibid rules, that will not disentitle a junior officer to be considered for regular promotion to a higher post.

18. Regarding the acting charge appointment, the august Supreme Court of Pakistan has a consistent view that such posts being a stopgap : arrangement, could not be a hurdle for premoting the deserving officers on their availability. Reliance in this respect is placed on PLC 2015 (CS) 151 titled "Province of Sindh and others Versus Ghulam Fareed and others", wherein the august Supreme Court was pleased to hold as under

In other words, appointment on current charge basis is purely temporary in nature or stop-gap arrangement, which remains operative for short duration until regular appointment is made against the past Looking at the scheme of the Sindh Civil Servants Act and Rules framed theraunder, it is crystal clear that there Is no scope of appointment of a Civil Servant to a higher grade on OPS basis except resarting to the provisions of Rule 8-A. which provides that in exigencies appointment on acting charge basis can be made, subject to conditions contained in the Rules."

19. The august Supreme Court of Pakistan in another judgment reported as 2022 SCMR 448 titled "Bashir Ahmed Badini, D&SJ, Dera Alleh Yar and others Versus Hon'ble Chairman and Member of Administration Committee and Promotion Committee of hon'ble High Court of Balochistan and others", vis-à-vis the 'stopgap', 'ac', hoc' and temporary nature, graciously observed that:

It is the duty and obligation of the the competent authority to consider the merit of all the eligible candidates while putting them in juxtaposition to isolate the meritorious amongst them. Expression 'merit' includes limitations prescribed under the law. Discretion is to be exercised according to rational reasons which means that; (a) there be finding of primary facts based on good evidence; and (b) decisions about facts be made far reasons which serve the purposes of statute in an intelligible and reasonable manner. Actions which do not meet, these threshold requirements are considered arbitrary and misuse of power [Director Food, N.W.F.P v. Messrs Madina Flour and General Mills (Pvt.) Ltd. (PLD 2001 SC 1)."

"15. As is evident from the tabulation given in the earlier part of this judgment, we have also noted with concern that the respondents had served as Executive Engineers for many years, two of them for 21 years each and the two others for 12 years each. The concept of officiating promotion of a civil servant in terms of rule 13 of the Rules is obviously a stopgap arrangement where posts become available in circumstances specified in Rule 13(i) of the Rules and persons eligible for regular promotion are not available. This is why Rule 13(ii) of the Rules that an officiating promotion shall not confer any right of promotion on regular basis and shall-

The august Apex Court in paragraphs 20, 21 & 22 ruled as under:

20. The record produced before us including the working paper produced before the DPC held on 11.08.2008 shows that the sanctioned strength of XENs in the appellant- Department at the relevant time was 151: out of which 112 were working on regular basis and 47 on officiating basis, It is also evident that 39 Executive Engineers' posts were available for regular promotion. This clearly shows that 39 Executive Engineers were working on officiating basis against regular vacancies. We have asked the learned Law Officer to justify such a practice. He has submitted that this modus operandi is adopted by most Government Departments to ensure that corruption and unprofessional conduct is kept under check. We are afraid the justification canvassed before us is not only unsupported by the law or the rules but also lends ample support to the observations made in the Jafar Ali Akhtar's case reproduced above. Further, keeping civil servants on officiating positions for such long periods is clearly violative of the law and the rules. Reférence in this regard may usefully be made to Survar Ali Khan v. Chief Secretary to Government of Sindh (1994 PLC (CS), 411), Piinjab Warkers' Welfare Board v. Mehr Din (2007 SCMR 13), Rederation of Pakistan v. Amir Zaman Shinwari (2008 SCMR 1138) and Government of Punjab v. Sameena Parveen (2009 SCMR

During hearing of these appeals, we have noted with concern that the device of officiating promotion, ad hoc promotion/appointment or temporary appointment etc. is used by Government Departments to keep civil servants under their influence by hanging the proverbialsword of Damocles over their heads (of promotion 'on officiating basis' liable to reversion). This is a constant source of insecurity, uncertainty and anxiety for the concerned civil servants for motives which are all too obvious. Such practices must be seriously discouraged and stopped in the interest of transparency, certainty and predictability, which are hallmarks of a system of good governance. As observed in Zahid Akhtar v. Government of Punjab (PLD 1995 SC 530) "a samed subservient. buréaucrácy, can neither be helpful to the Government nor it is expected to juspire public confidence in the

This issue was earlier examined by this Court in Federation of Pakistan v. Rais Khan (1993 SCMR 609) and it was held that "it is common knowledge that in spite of institution of ad hoc appointments unfortunately being deeply entrenched in our service structure and the period of ad hoc service in most cases running into several years like the case of the respondent (8 years' ad hoc service in BPS-17), ad hoc appointees are considered to have hardly any rights as opposed to regular appointees though both types of employees may entrusted with identical responsibilities and discharging similar duties. Ad hoc appointments belong to the family of "officiating", "temporary" and "until further orders" appointments. In Jafar Ali Akhtar Yousafzai v. Islamic Republic of Pakistan (PLD 1970 Quetta 115) it was observed that when continuous officiation is not specifically authorized by any law and the Government/competent authority continues to treat the incumbent of a post as officiating, it is only to retain extra disciplinary powers or for other reasons including those of inefficiency and negligence, e.g. failure on the part of the relevant authorities to make the rules in time, that the prefix "officiating" is continued to be used with the appointment and in some case for years together. And in proper cases, therefore, Courts (at that time Service Tribunals had not been set up) are competent to decide whether for practical purposes and for legal consequences - such appointments have permanent character and, when it is so found, to give legal effect to it." In Pakistan Rajlways v., Zafarjıllah (1997 SCMR 1730), this Court observed that, "appointments on current or acting charge basis are contemplated under the instructions as well as the Rules for a short duration as a stop-gap arrangement in cases where the posts are to be filled by sinitial appointments: Therefore, continuance of such appointees for a number of years on current or acting charge busis is negation of the spirit of instructions and the rules. It is, therefore, desirable that where appointments on current or acting charge basis are necessary in the public interest, such appointments should not continue indefinitely and every effort should he made to fill posts through regular appointments in shqitest possible time."

By way of the stated valuable judgment referred to above, the august Supreme Court maintained the decision of the Punjab Service Tribunal, Lahore, whereby the appeals filed by the

respondents were allowed and the order, impugned before the Service Tribunal dated 25.08.2008 passed by the Secretary, Communication and Works Department, Government of the Punjub, Luhore, reverling them to their original ranks of Assistant Engineers, was set aside to their extent. As a consequence, all the respondents were deemed to have been promoted as Executive Engineers on regular basis with effect from the respective dates on which they were promoted 'on officiating basis' with all consequential benefits. It was further held that the condition of on officiating basis contained in promotion orders of all the respondents shall stand deleted but it was a case where the persons promoted 'on officiating basis' were, duly qualified to be regularly promoted against the -promotion posts, therefore, wisdom is derived that in a case, like one in hand, where the persons promoted on acting charge basis did not possess the requisite qualification or other prescribed criteria for promotion, should remain 'on acting charge basis' i.e. that made for stopgap arrangement till their qualifying for their eligibility and suitability for regular promotion or till the availability of the stituble and qualified officers. The officers promoted on acting charge basis! could not; unfortunately pass the requisite either grades B&A both examinations or any of the two grades, examination therefore, they were not found eligible as per the working paper, And as they were 'on acting charge basis, for more than a decade

21. The honourable High Court of Sindh in a case reported as 2019 PLC (CS) 1157 titled "Attaullah Khan Chandio versus Federation of Pakistan through Secretary Establishment and another" observed as under:

"16. Admittedly, the Petitioner was encadered in Police Service of Pakistan on 19.10.2010 and his seniority would be reckoned from that date. We are mindful of the fact that acting charge promotion is virtually a stopgap arrangement, where selection is made pending regular promotion of an officer not available at the relevant time of selection and creates no vested right for promotion against the post held."

of the posts, were not eligible. Neither any deficiency of any of the appellants could be pointed out in the replies nor argued before us rather in paragraph 6 of the replies, the eligibility and filness of the appellants was admitted in unequivocal terms. The only reason which was stated in the replies, the non-availability of the posts because the vacant posts, detailed in the working paper and in the minutes of the DPC, were occupied by the ineligible officers on acting charge basis since 2011 in utter violation of the rules and the method laid down by the department concerned.

25.In a recent judgment reported as 2022 SCMR 448 titled "Bashir Ahmed Badini, D&SJ, Dera Allah Yar and others Versus Hon'ble Chairman and Member of Administration Committee and Promotion Committee of hon'ble High Court of Balochistan and others", the august Supreme Court of Pakistan has held as under:

"13. According to Section 8 of the Civil Servants Act, 1973, for proper administration of a service, cadre or post, the appointing authority is required to make out a seniority list of the members, but no vested right is conferred to a particular seniority in such service, cadre or post. The letter of the law further elucidates that seniority in a post, service or cadre to which a civil servant is appointed shall take effect from the date of regular appointment to that post, whereas Section 9 is germane to the promotion which prescribes that a civil servant possessing such minimum qualifications as may be prescribed shall be eligible for promotion to a higher post under the rules for departmental promotion in the service or cadre to which he belongs. However, if it is a Selection Post then promotion shall be granted on the basis of selection on merit and if the post is Non-Selection Post then on the basis of seniority-cum-fitness. A quick look and preview of Rule 8-B of the Civil Servants (Appointment, Promotion and Transfer) Rules, 1973 ('1973 Rules') shows that an Acting Charge Appointment can be made against the posts which are likely to fall vacant for a period of six months or

niade appointment can 1/10 recommendations of Departmental Promotion Committee or the Selection Board. The acting charge appointment does not amount to an appointment by promotion on regular basis for any purpose including scalority and also does not confor any vested right for regular promotion to the post held on acting charge basis, Under Rule 18, the method of making Ad-hoc Appointments is available with the procedure that if any post is required to be filled under the Federal Public Service Commission (Function) Rules, 1978, the appointing authority shall forward a requisition to the Commission immediately. However, in exceptional cases ad-hoc appointment may be made for a period of six months or less with prior clearance of the Commission as provided in Rule 19 wherein if the appointing authority considers it to be in public interest to fill a post falling within the purview of Commission urgently pending nomination of a candidate, it may proceed to fill it on adhoe basis for a period of six months. The reading of Balachistan Civil Servants Act, 1974 also reveals that the provisions made under Section 8 are similar to that of Civil Servants Act, 1973. Here also in Section 8, it is clarified that the seniority in the post, service or cadre to which a civil servant is promoted shall take effect from the date of regular appointment to that post and the criteria for promotion is also laid down with like prerequisites for the selection post and or non-selection post as provided in Civil Servants Act, 1973. So far as ad-hoc and temporary appointments are concerned, Rules 16 to 18 of Balochistan Civil Servants (Appointment, Promotion and Transfer) Rules, 2009 also enlightened that in case a post is required to be filled through Commission, the Administrative Secretary of the Department shall forward a requisition in the prescribed form to the Commission, however, when an Administrative Department considers it to be in public interest to fill in a post falling within the purview of Commission urgantly, it may, pending nomination of a candidate by the Commission, with prior approval of the competent authority, proceed to fill such post on ad-hoc basis for a period not exceeding six months by advertising the same. The Acting Charge appointment is encapsulated under Rule 8 with the rider that appointment on acting charge basis shall neither amount to a promotion on regular basis for any purpose including seniority, nor shall It confer any vested right for regular promotion to the post held on acting charge basis."

26.Last but not the least, it seems quite astonishing that, while negating their own stance that there was no vacancy available so that the appellants could be promoted, the respondents, vide Notification No.SO(E)/IRRI:/4-3/DPC/2019/Vol-IX dated 28.03.2022, promoted Engr. Bakhtiar, (only one of the eligible) Graduate Sub-Engineer/Assistant Engineer BS-17 (ACB means acting charge basis), to the post of Assistant Engineer (BS-17) on regular basis. This action of the respondents not only speaks volumes about their malatide but also proves the stance taken by the appellants that they were being discriminated and were not being dealt with equally or in accordance with law.

27. Before parting with the judgment we deemed it appropriate to address a possible question and that is whether the minutes of the meeting of the DPC, deferring the Agenda item-III pertaining to promotion, whereby the appellants were, in a way, ignored from promotion on the pretext discussed hereinabove, could be termed as , 'final order' enabling the appellants to file appeal before this Tribunal. In this respect we will refer and derive wisdom from the judgment of the august Supreme Court of Pakistan reported as PLD 1991 SC 226 titled "Dr Sabir Zameer Siddiqui versus Mian Abdul Malik and 4 others". It was found by the honourable Supreme Court

that:

"5. There is no requirement of law provided anywhere as to haw a final order is to be passed in a departmental proceeding. In the present case, not only the representative of the competent authority considered the comments offered in the High Court to be the final

28. We also refer to the judgment of the honourable High Court of Sindh reported as 2000 PLC CS 206 titled "Mian Muhammad Mohsin Raza versus Miss Riffat Shiekh First Sentor Civil Judge and others", wherein the honourable High Court of Sindh, while dealing with the term 'final order' observed as under:

"It would not be out of place to mention that appeals before the Service Tribunal are provided by section 4 of the Sindh Service Tribunals Act, 1973, against any "final order". The term "order" cannot be given any restricted connotation and as held in Muhammad Anis Qureshi v. Secretary Ministry of Communication 1986 PLC (C.S.) 664, the word "order" as used in section 4 of the Service Tribunals Act, 1973, is used in a wider sense to include any communication which adversely affects a civil servant."

(Underlining is ours)

For the foregoing reasons, we hold that the minutes of the meeting of the DPC dated 23.06.2021, deferring the Agenda item No.III relating to promotion would amount to depriving/ignoring the appellants from promotion and is thus a communication adversely affecting them, therefore, it would be considered a 'final order' within the meaning of section 4 of the Khyber Pakhtunkhwa Service Tribunal Act, 1974.

29.In the given circumstances, we allow these appeals and direct the respondents to consider the appellants for promotion against the

- 3. It is submitted in the reply/comments of the respondent, that in this case the Agenda Item No. III for promotion was dropped due to non-availability of vacancies under 12% share quota of Graduate Sub Engineers for their promotion to the rank of Assistant Engineers (BS-17) i.e. 6 Nos Sub Engineers are working on regular basis while 7 Nos Sub Engineers are working on Acting Charge Basis against 12 posts in the share quota of Graduate Sub Engineers which already exceeds by one number.
  - 4. For DPC held on 23.06.2021, the working paper for promotion was prepared on Proforma-1, wherein the details of the posts were given. According to the working paper, 6 Nos posts were shown vacant for making promotion under 12% Graduate quota. Along with the working paper, a panel of Graduate Engineers from serial No. 1 to 15 for consideration was also annexed on Proforma-II.
  - 5. The DPC held on 23.06.2021 recorded the minutes of the proceeding and sought clarification from the Establishment Department vide letter No. SO(E)/Irr/4-3/DPC/2019/Vol-IX dated 04.10.2021, which was responded by the Establishment Department vide letter No. SOR-V(E&AD)/7-1/Irrig dated 23.11.2021 as desired from the Secretary Government of Khyber Pakhtunkhwa Irrigation Department.
  - 6. After that, the additional documents were placed during the pendency of the appeals, where by the fresh working paper was prepared for Mr. Bakhtiar fisted at Serial No. 4 of the panel list for promotion. In light of the reply from the Establishment Department, the DPC was stated to be held on 13.01.2022 and Mr. Bakhtiar was promoted to the vacant post of Assistant Engineer (BS-17) vide notification No. SO(E)/IRR//I-3/OPC/2019/Vol-IX dated 28.03.2022 (copy attached)
  - 7. The others at serial No. 1 to 3, 5 to 7, 9, 12 and 14 did not clear Departmental B & A exam upto DPC held on 13.01.2022 and officers at serial no. 4, 8, 10, 11, 13 and 15 cleared departmental B & A exam. From the above the 7 Nos Graduate Sub Engineers were working on Acting Charge Basis since 2011 but as per amended rules of Irrigation Department notified on 25.06.2012 stated as "(b) twelve percent by protoation, on the basis of seniority cum Biness, from amongst the Sub Engineers, having degree to Civil Engineering or Mechanical Engineering from a recognized university and have passed Departmental Grado B & A Examination with five years' service as such." Assistant Engineer (BS-17) if they fulfil above requirements, and subject to considering their eligibility by the DPC and availability of vacant post as per Service Rules.

- 8. Hon'ble Court directed in para 26 of Service Tribunal Judgment, that appellants should be dealt equally in accordance with law as Engr. Bakhtiar Graduate Sub Engineer working on Acting Charge Basis promoted to the post of Assistant Engineer (BS-17) on regular basis vide notification no. SO(E)/IRR/4-3/DPC/2019/Vol-IX dated 28.03.2022.
- Para 28 of the Service Tribunal Judgment 15.04.2022, which stated that "It would be considered a 'final order' within the meaning of the section 4 of the Khyber Pakhtunkhwa Service Tribunal Act, 1974".
- 10. The Hon'ble Court of Service Tribunal has given a Final Order in para 29 of the Judgment (copy attached at serial No. I) that "In the given circumstances, we allow these appeals and direct the respondents to consider the appellants for the promotion against the vacant posts. The DPC shall be held at the earliest possible, but not later than a month of receipt this judgment. Copies of this judgment be placed on all the connected appeal files. Consign."
- 11. As per Final Order of the Hon'ble Court of Service Tribunal quoted above stated that the fresh DPC should be held for the deprived eligible 5 Nos of officer mentioned at serial No. 8, 10, 11, 13 and 15. Bakhtiar, who promoted to Assistant Engineer (BS-17) on regular basis vide notification no. SO(E)/IRR/4-3/DPC/2019/Vol-1X dated 28.03.2022.
- 12. In light of the above Judgment the fresh DPC was held on dated 19.07.2022 and the appellants 5 Nos officers were promoted to the post of Assistant Engineer (BS-17) on regular basis but with effective from 23.06.2021, it is quite astonishing that they are regularized from the date 23.06.2021 which negates the para 26, 29 of the Final Order of Hon'ble court of Service Tribunal Judgment. It is pertinent to mention hereby that the Final Order of Hon'ble Court states that these 5 No's Graduate Sub Engineers should be regularized to the post of Assistant Engineer (BS-17) with the DPC held not later than a
