## OFFICE OF THE DISTRICT HEALTH OFFICER

Battagram (Khyber Pakhtunkhwa)

Phone & Fax: # (0997) 310507

### BACKGROUND:-

I DHO Battagram Dr. Waseem Ahmed have read the findings, conclusions and recommendations of the Inquiry report vide letter No 13638-39/EI Dated 6-9-2021, which I have seen for the first time on 29-9-2021. I completely disagree with the inquiry report and reject it on the following grounds.

1. Decision of cancellation was made by DGHS before the conduction of inquiry.
2. Junior staff was selected to conduct an inquiry with preplanned motives and to justify the illegal stance of the Directorate.
3. The only mission before the inquiry committee was to validate the stance/cancellation orders of DGHS passed vide letter No 6028/ DGHS dated 23.08.2021.
4. The interview process was concluded on 12-7-2021. The appointment orders were issued on 15-7-2021 for three cadre's i.e Radiology, Pulmonology and Surgical Technicians. The appointment orders for EPI Technicians were withheld as two of the candidates, from EPI cadre had approached the court. After their appeals were dismissed the result of the EPI Technicians post was announced on 17-8-2021. The DGHS issued cancellation orders on 23-8-2021 vide letter No 6028/ DGHS while the undersigned complied with the above mention order and issued cancellation on 27-8-2021 vide letter No 1803-08/DHO/BTM. This action on part of DGHS has forced the selected candidates to approach the Honourable Peshawar High Court, resulting in an unwanted Law suit which the department will have to face in the court of law.

Observations on the Findings of the Inquiry:

### PHCT SURGICAL:-

1. The observations on the inquiry committee regarding voluntarily work as work experience are totally rejected as the ESTA code does not reject voluntarily work as work experience. In addition to that it is worth mentioning that the department did not intimate any guidelines regarding work experience in addition to ESTA Code. Even the representative of DGHS, who was a member of selection committee, did not object to the merit of experience certificates. This issue is further highlighted in the following paragraphs.
2. The stance of inquiry committee that the candidate on serial No 1 for surgical cadre had experience certificate before completion of diploma, is contrary to facts and is hence rejected.
3. Point related to candidates at Serial No 06 of Surgical Technicians and candidate at Serial No 24 of EPI Technicians are clerical mistakes, however after rectification, there is no impact as overall list of selected candidates of Both JCT Surgical and EPI Technicians
4. Candidate at serial No 24 needs to be placed at serial No 18 according to marks. This finding is irrelevant as the cut off for the merit list was at serial No 2, both serial number 18 and 24 were not selected. This was again a clerical mistake which did not affect the final outcome of merit list.
5. The issuance of experience certificates to candidates working voluntarily at DHQ Hospital Battagram relates to MS DHQ.

### JCT RADIOLOGY:

Scanned with CamScanner

Scanned with CamScanner

1. The objection of the inquiry committee regarding over hiring of JCT (Radiology) is incorrect as the office of the District Health Officer Battagram clearly mentioned in the Newspaper that Numbers of vacancies could be increased or decreased as per current status of vacant posts.
2. The objection by the inquiry committee that a candidate at serial No 2 having 4 marks for experience meaning there by having one year experience has obtained only 2 marks in the interview. This objection is absolutely absurd the candidate was given marks in the interview purely on his performance and the experience marks have nothing to do with how many marks a candidate obtains in the interview.
3. The objection on part of the inquiry committee that the candidate serial No 3 was awarded 7 marks for experience certificate before receiving of diploma is wrong. The candidate obtained his diploma from medical faculty Peshawar on 10-7-2019. The experience certificate bears the dates from 19-5-2019 to 14-6-2021 i.e 23 months hence deserving 7 marks.
4. The ESTA code does not specify and passing marks out of the total 8 marks for the interview.
5. Objection is not valid as copies of Diploma provided to inquiry committee.

**JCT PULMONOLOGY:-**

1. Agreed 09 candidates were short listed out of which 02 were selected.
2. Appointment letter of the candidates was subject to verification of Diploma from Khyber Pakhtunkhwa Medical Faculty and Allied Science.
3. This point has been addressed in the preceding paragraphs.

**JPHC/EPI:-**

1. Correct 128 applicants were short listed for interview and 10 candidates were selected among them.
2. Experience of candidate selected was sent to concerned institution for verification and then verification is attached (Copy attached annexure A).
3. Correct experience marks were given as per experience certificates, for the number of years of Internship, 1 year 4 marks, 2 years 7 marks and 3-years and above 10 marks as per ESTA Code. The experience certificates were later sent for verification to the issuing authority. (copy of verifications attached as annexure B).
4. The ESTA code does not specify any passing marks out of the total 8 marks for the interview.

**VACCINATOR:-**

1. Correct 49 candidates were short listed for 1 sanctioned post out of which 2 were selected.
2. Incorrect the under signed interpreted 2% disabled quota to be calculated from the total number of paramedics post of the whole district i.e 2% of 250 which equals to 4.5, this in accordance with the cabinet secretariat notification of 1st march 2019. While the inquiry committee assumed the 2% quota to be calculated from the total number of advertise posts. This is a mere disagreement on the interpretation of the federal government notification and does not depict any mala fide on part of the under signed.
3. Incorrect the disability of the selected candidates does not prevent them from performing duty as part of the EPI team. They can very well work as in DPCR, as cold chain operators and as EPI clerical staff as they were very well versed in the operation of computers. (ESTA Code 7).

OFFICE

-24-

4. Incorrect interpretation on part of the inquiry committee. 4 marks for 1 years experience were granted copy of experience attached. The rules do not bar the field workers of EPI to work in the above mentioned capacities. Currently 5 EPI technicians are involved in office work like DPCR, EPI office and EPI MIS.

**STATEMENT OF DHO:-**

1. Photocopy was provided to Inquiry committee for their record and original was retained for record purpose as DHO office already issued one set of Newspaper to Director General Health Services Office and other to District Account Office along with invoice for dues clearance.
2. Photo copy of Minutes of the meeting were provided to Inquiry Committee and original are available in office record (Annexure C)

**SUMMARY OF FINDINGS:-**

1. It is irrelevant whether the advertisement was on a plain paper photocopy. If there was any difference between the plain paper photocopy and the actual news paper advertisement of Daily Aaj dated 1-6-2021 only then should the undersigned be held accountable. Moreover the advertisement was floated through the concerned department.

**POLITICAL INTERFERENCE:-**

The MPA from Aftai Zubair Khan has tried to influence the selection process and nominated his own candidates for selection (Copy attached). The undersigned made it clear to him that the selections would be purely.

The MPA then tried to threaten the under signed on a telephone call of dire consequences if his blue eyed candidates were not selected (record of telephonic conversation available). Local MPA (Aftai) took all the record in original by force and situating report were sent to Secretary Health (copy attached as Annexure D)

It is really sad that the inquiry committee failed to consider this political interference and threat to their colleague.

The undersigned is justified in launching a protest against the finding of the inquiry committee.

**RECOMMENDATIONS:-**

The undersigned rejects the recommendations of the inquiry committee and does not agree with the hasty manner in which the inquiry was conducted and considers requirement process was done as per roles and regulations.

Dr. Waseem Ahmed

Incident Report.

Sir I want to share with an incident occurred in DHO office batagram tonight around 10:30pm tonight. The MPA Mr. Zubair came along with his gun men and took all record in original of recruitment process being conducted recently.

Sir it is pertinent to mention that from both sides, I mean both MPAs namely Taj Khan Trand and Zubair Khan Alai tried their level best to recruit their own candidates of choice, but I stuck to the merit policy.

As per government RTI act, I was bound to give them photocopies of all record within in seven days, but requested MPA that it's too late and I will give you photocopies of all documents tomorrow morning. He did not agree and put extreme pressure like he will drag me to the assembly, will call my explanation through sectry Health and DGHS and will transfer me within no time. Few days back Zubair MPA also threatened me with same tone which is recorded in my cell phone as evidence along with WhatsApp msgs to recruit their 12 candidates out of 18.

Sir, as he took all record in original, it is feared that it might be tampered and that is why it is necessary to inform you in advance for your worthy information please.
