## PROVINCIAL CIVIL SERVICE OFFICERS' A OCIATION

Dated: 17/06/2016

To,

Honorable Chief Minister,

Government of Khyber Pakhtunkhwa.

B-35)

Subject:

EXECUTIVE ALLOWANCE FOR CIVIL SERVANTS (PMS/ PAS)

Dear Sir.

Reference to meeting with your good self on the issues of PMS Officers dated 29/09/16, it is submitted that the PMS Officers are paid far less salaries vis à-vis other cadres as well as the private sector. Besides, the salary package is meager given the level of responsibilities and challenging job of the PMS/ PAS Officers. The current pay structure is a source of demotivation thus affecting our efficiency and officers may resort to unfair means merely to fulfill their basic needs.

In light of the above, it is requested to review the pay structure of the PMS/PAS, which would lead to efficient service delivery and good governance. This Association has worked out a comprehensive package. A self-contained report is enclosed herewith. The financial implications are as follows:

Members of the association are referring to the cases of some of the Irrigation officers, who after initial recruitment in BS-17 are sill tanguishing in their existing pay scale even after serving for 27 years in the same scale which is unjustice. Similar is the case of Engineers in C&W, PHE and Local Government Departments where the Engineers have spent decades in their original scale of appointment.

(Minutes attached at Annex-II). During the meeting, Secretary PHE Department white endorsing the demands of the association quoted the example of civil judges who are granted BS-18 on initial appointment. After detailed discussion it was recommended that promotion/up-gradation to the next higher grade may be granted to the incumbent engineers of all the nation building departments, if they otherwise fulfill the requirement of length of service prescribed in the service rules (Annex-III).
  - 3. Refering to the other demand of Professional Allowance to govt, engineers the members agreed that since doctors working in govt hospitals have been granted the professional allowance, therefore the same may also be allowed to engineers, being technical professionals.

Subject:

APPEAL FOR NON-GRANT OF TECHNICAL ALLOWANCE TO THE DEVELOPMENT MINERALS KHYBER PAKHTUNKHWA.

Respected Sir,

With great reverence, it is stated that the Provincial Cabinet in its meeting dated 24-05-2018 approved Technical Allowance @1.5 times of the initial basic pay scale to all the engineers working in the Provincial Government Departments w.e.f 01-07-2018.

Pursuance to the said decision of the Provincial Cabinet, the Finance Department issued Notification on 19-10-2018 for sanction of technical allowance only to the engineers serving in C & W, Irrigation, PHE and Local Government Department, depriving the Engineers of Minerals Development Department from the said allowance. This act sheerly forms injustice and discrimination to the said class of Government Servants. The following few points are submitted for your favorable consideration.

- The Minerals Development Government of Khyber Pakhtunkhwa is the 1. administrative department consisting of three attached departments i.e. (i) Directorate General Mines & Minerals, (ii) Inspectorate of Mines and (iii) Commissionerate of Mines Labor Welfare.
- All the engineers serving in the attached departments of Minerals Development 2. department are holding engineering qualification from the accredited engineering universities duly recognized by Higher Education Commission and registered with Pakistan Engineering Council (PEC). (Detailed list attached as Annexure-I).
  - All the sanctioned posts, on which these engineers are serving, are purely technical. with Mining Engineering Degree as the basic réquirement.
- Beside, registration with PEC, all Mining Engineers of the attached departments area also part of the Khyber Pakhtunkhwa Association of Government Engineers (KPAGE).
- Following the path of the four departments to whom Technical Allowance has been 5. sanctioned vide Notification No. FD(SO SR-II) 8-7/2018-19 dated 19-10-2018, the three attached departments of Minerals Development Department also submitted a summary to Secretary Finance Department with the request to approve Technical Allowance in favor of all the engineers working in the attached departments.
  - The Secretary Minerals Development Department vide letter No.SO(G)/MDD/1-11/2018-19/Vol-1/ 12744-47 dated 19.12.2018, conveyed the decision of Finance Department thereby regretting to approve the Technical Allowance to the Engineers serving in the three attached departments.

- 7. Minerals Development Department Khyber Pakhtunkhwa is one of the main revenue generation Department of the Provincial Government. Total strength of serving engineers in such Department is less than forty. Extension of Technical Allowance to such Engineers will encourage them to serve more enthusiastically and will hold in boasting up Government revenue.
- 8. All Engineers of Minerals Development Department perform Technical duties including:
  - Far flung/hilly areas where no access exist. i.
  - Inspections regarding safety, implementation of laws, mining operation, ii. mine design and construction including prospecting, exploration, development and exploitation.
  - Conduct assessment of mines for Royalty, excise duty. Pit mouth value, iii. Pine etc. and Survey/demarcation.
  - Prepare technical reports, PC-I etc iv.
  - Prepare and sign mine working plans, development & exploitation ١. schemes.
  - Imparting training to mine workers on modern mining techniques, mine νí. resene and safety.
  - Conduct rescue operations in underground mines, mine ventilation viil survey, detection of mine gases and reopening of underground mines abandoned due to noxious gases and fires.
  - Mining/Mineral is the base of all industries
  - 10. Presently Mineral/Mining is the only industry of Pakistan where huge potential of foreign/local investment exist with creation of thousands of jobs and value to Å , 1 National/Provincial exchequer.

In view of the above facts, it is requested your kind honour that the Engineers of Minerals Development Department may also be allowed Technical Allowance with effect from 19th November 2018 to dispense with the justice and remove the discrimination amongst the Engineers.

We hope that our appeal will be considered sympathetically and we will be given our due right having equal right working under one roof.

Petitioners of the instant writ petition are 3. Engineers, serving in the attached departments of Minerals Development Department, seeking grant of Technical Allowance on the analogy of notification No. FD (SO SR-II) 8-7/2018-19 dated Peshawar the 19th October, 2018 whereby the competent authority has granted Technical Allowance, to the Engineers holding Engineering qualification recognized by the Higher Education Commission, and serving against the sanctioned posts in the C&W, Irrigation, Public Heath Engineering & Local Government Departments of Khyber Pakhtunkhwa; whereas petitioners of the connected writ petition quoted above, are Private Secretaries, performing their duties in the Civil Secretariat, have sought the grant of Executive Allowance rather Scheduled Post Allowance, on the analogy Notification No. FD (SOSR-II)8-7/2016-17 dated Peshawar the 02/02/2018, whereby Competent Authority has granted Executive Allowance

Although, learned counsel representing petitioners in rebuttal of the maintainability has also placed reliance on some reported judgments, however, we without going to the merits of the case, are of the view that let the matter be referred to the Chief Secretary, Govt. of Khyber Pakhtunkhwa, on the analogy of other writ petitions, referred to by this Court, with the direction to look into the matter and

#### ORDER

GULZAR AHMED, CJ .- We have heard the learned Additional Advocate General, Khyber Pakhtunkhwa and dictated in Court the following order: -

> "The learned Additional Advocate General, Khyber Pakhtunkhwa, contends that pursuant to the impugned order dated 10.03.2020, the Chief Secretary, Government of Khyber Pakhtunkhwa has dealt with the matter as directed by the Peshawar High Court, Peshawar and passed order, stating that the respondents are not entitled

to grant of the allowance. He contends that against such order of the Chief Secretary, the respondents have filed COC No.389-P of 2020, in which the learned Division Bench of the High Court has passed the following order dated 01.09.2020:-

"Although, the compliance report has been placed on record, wherein the relief prayed by the petitioner is regretted, but the judgment of this Court, prima facie has not been complied with in its letter and spirit. Therefore, notice to the respondents to appear in person for framing of charge. Adjourned to a date in office."

He further contends that in the first place, the High Court has no jurisdiction in the matter in passing of the impugned order for the reason that the respondents are Civil Servants and the matter was with regard to their terms and conditions of service, and the High Court despite noting this objection and without entering upon the merits of the case has given direction to the Chief Secretary, which is not sustainable in law. He, next contends that the very impugned order is not sustainable in law and even otherwise, such order has been complied with by the Chief Secretary, thus, no COC could have been filed and if at all, the respondents were aggrieved by the order of the Chief Secretary, they could have taken up the matter afresh before the appropriate forum.

2. The submissions made by the learned Additional Advocate General, Khyber Pakhtunkhwa, require consideration. Leave to appeal is granted to consider, inter alia, the same. The appeal stage paper-books be prepared from the available record with liberty to the parties to file additional documents, if any, within a period of one month. As the matter relates to service, the Office is directed to fix the appeal expeditiously, preferably after three months.

#### CMAs No.398-P and 399-P of 2020:

3. In the meantime, the operation of the impugned order dated 10.03.2020 so also the order dated

ATTESTED

Senior Court Associate Supreme Court of Pakistan Islamabad

01.09.2020, passed in COC No.389-P of 2018, shall remain suspended:"

- 2. Before the above order could be signed by the Bench, the learned counsel for the respondents has appeared and states that the respondents have no objection if the impugned order dated 10.03,2020 is set aside and the respondents are allowed to avail remedy before the appropriate forum.
- 3. The learned Additional Advocate General has no objection to the submission of the learned counsel for the respondents that of setting aside the impugned order and converting these petitions into appeals and allowing the same.
- 4. Thus, by consent, the civil petitions are converted into appeals and allowed. Consequently, the impugned order dated 10.03.2020 is set aside. The respondents may avail remedy that may be permissible to them in accordance with law.
