### PROVINCIAL CIVIL SERVICE OFFICERS' A:

Pated: 17/06/2016

To,

Honorable Chief Minister,

Government of Khyber Pakhtunkhwa.

Subject:

EXECUTIVE ALLOWANCE FOR CIVIL SERVANTS (PMS/ PAS)

Dear Sir.

Reference to meeting with your good self on the issues of PMS Officers dated 29/09/16, it is submitted that the PMS Officers are paid far less salaries vis à-vis other cadres as well as the private sector. Besides, the salary package is meager given the level of responsibilities and challenging job of the PMS/ PAS Officers. The current pay structure is a source of demotivation thus affecting our efficiency and officers may resort to unfair means merely to fulfill their basic needs.

In light of the above, it is requested to review the pay structure of the PMS/PAS, which would lead to efficient service delivery and good governance. This Association has worked out a comprehensive package. A self-contained report is enclosed herewith. The financial implications are as follows:

#### FINANCIAL IMPLICATION OF PROPOSED EXECUTIVE ALLOWANCE (@2.5 INTTIAL BASIC PAYS)

As evident from the above tables, the total financial implication of executive allowance from BPS 17 to BPS 22 is less than a billion.

# SUMMARY FOR CHIEF MINISTER

D-40)

Subject:

DEMANDS OF THE KHYBER PAKHTUNKHWA ASSOCIATION OF

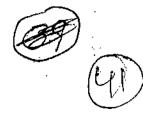

The Khyber Pakhtunkhwa Association of Government Engineers are agitating and have forwarded demands for one step up-gradation or their existing basic pay scales, professional allowance and private practice (Annex-I). Members of the-association are referring to the cases of some of the Irrigation officers, who after initial recruitment in \$85,17 are \$\frac{1}{2}\$ ill languishing in their existing pay scale even after serving for 27 years in the same scale which is unjustice. Similar is the case of Engineers in C&W, P-IE and Local Government Departments where the Engineers have spent decades in their original scale of appointment.

- Department was held on 03.04.2018 in the committee room of trigiction Department to examine the demands of engineers association. (Minutes attached at Annex-II). During the meeting, Secretary PHE Department while endorsing the demands of the association quoted the example of civil judges who are granted BS-18 on initial appointment. After detailed discussion it was recommended that promotion/up-gradation to the next higher grade may be granted to the incumbent engineers of all the nation building departments, if they otherwise fulfill the requirement of length of service prescribed in the service rules (Annex-III).
  - 3. Refering to the other demand of Professional Allowance to govt, engineers the members agreed that since doctors working in govt, hospitals have been granted the professional allowance, therefore the same may also be allowed to engineers, being technical professionals.

The Secretary Irrigation while presenting the demands of engineers stated that the doctors after working in govt. hospitals are allowed with private practice in their clinics. Similarly, the engineers being technical hands should have the right to private practice after office hours or even on Saturdays and Sundays for earning livelihood for their children by putting extra hard work, provided it does not affect their official. obligations. The demand being genuine was agreed to be recommended that engineers may be granted permission for undertaking private practice after office hours on the analogy of permission to Doctors.

The case is submitted for perusal of the Chief Minister, Khyber 5. Pakhtunkhwa and orders as deemed appropriate, please.

Although, learned counsel representing petitioners in rebuttal of the maintainability has also placed reliance on some reported judgments, however, we without going to the merits of the case, are of the view that let the matter be referred to the Chief Secretary, Govt. of Khyber Pakhtunkhwa, on the analogy of other writ petitions, referred to by this Court, with the direction to look into the matter and

#### ORDER

We have heard the learned GULZAR AHMED, CJ .-Additional Advocate General, Khyber Pakhtunkhwa and dictated in Court the following order: -

> "The learned Additional Advocate General, Khyber Pakhtunkhwa, contends that pursuant to the impugned order dated 10.03.2020, the Chief Secretary, Government of Khyber Pakhtunkhwa has dealt with the matter as directed by the Peshawar High Court, Peshawar and passed order, stating that the respondents are not entitled

to grant of the allowance. He contends that against such order of the Chief Secretary, the respondents have filed COC No.389-P of 2020, in which the learned Division Bench of the High Court has passed the following order dated 01.09.2020:-

"Although, the compliance report has been placed on record, wherein the relief prayed by the petitioner is regretted, but the judgment of this Court, prima facie has not been complied with in its letter and spirit. Therefore, notice to the respondents to appear in person for framing of charge. Adjourned to a date in office."

He further contends that in the first place, the High Court has no jurisdiction in the matter in passing of the impugned order for the reason that the respondents are Civil Servants and the matter was with regard to their terms and conditions of service, and the High Court despite noting this objection and without entering upon the merits of the case has given direction to the Chief Secretary, which is not sustainable in law. He next contends that the very impugned order is not sustainable in law and even otherwise, such order has been complied with by the Chief Secretary, thus, no COC could have been filed and if at all, the respondents were aggrieved by the order of the Chief Secretary, they could have taken up the matter afresh before the appropriate forum.

Advocate General, Khyber Pakhtunkhwa, require consideration. Leave to appeal is granted to consider, inter alia, the same. The appeal stage paper-books be prepared from the available record with liberty to the parties to file additional documents, if any, within a period of one month. As the matter relates to service, the Office is directed to fix the appeal expeditiously, preferably after three months.

### CMAs No.398-P and 399-P of 2020:

3. In the meantime, the operation of the impugned order dated 10.03.2020 so also the order dated

ATTESTED

Senior Court Associate Supreme Court of Pakistan Islamabad

01.09.2020, passed in COC No.389-P of 2018, shall remain suspended."

- 2. Before the above order could be signed by the Bench, the learned counsel for the respondents has appeared and states that the respondents have no objection if the impugned order dated 10.03.2020 is set aside and the respondents are allowed to avail remedy before the appropriate forum.
- 3. The learned Additional Advocate General has no objection to the submission of the learned counsel for the respondents that of setting aside the impugned order and converting these petitions into appeals and allowing the same.
- 4. Thus, by consent, the civil petitions are converted into appeals and allowed. Consequently, the impugned order dated 10.03.2020 is set aside. The respondents may avail remedy that may be permissible to them in accordance with law.

#### GOVERNMENT OF KHYBER PAKHTUNKHWA FINANCE DEPARTMENT (REGULATION WING)

Peshawar, Dated the 29th July, 2020

#### OFFICE ORDER:

No.FD/SOSR-II/8-7/2020 Whereas, the Provincial Government of Khyber Pakhtunkhwa sanctioned Technical Allowance to the tune of 1.5 Initial Basic Pay per month as per Pay Scale of 2017 to the only Four Works Department i.e. C&W, Irrigation, Public Health Engineering & Local Governments Engineers from BS-17 to BS-20 as per rates mentioned therein vide Finance Department Notification No.FD(SOSR-II)8-7/2018-19 Dated 19-10-2018 in pursuance of the approval of the Provincial Cabinet.

And whereas, the Engineers cadre of certain departments requested through proper representation for grant of the above altowance on the analogy of the Engineers of the Four Works Departments which was examined but not entertained, being not based on ment, in light of the approved cabinet decision and policy accordingly

And whereas, following non-maintainability of their request by the Provincial Government the engineers of the Mines and Mineral Development Department filed a Writ Petition No. 606-P-2019 titled "Engr. Ziarat Khan & Others VS Chief Secretary Khyber Pakhtunkhwa & Others" in the Peshawar High Court, Peshawar in which they prayed for grant of the said allowance to their cadre on the analogy of the Engineers of Four Works Department.

And whereas, the Honouroble Peshawar High Court, Peshawar in its judgment Dated 10-03-2020 and referred the case to Chief Secretary, Khyber Pakhtunkhwa to look into the matter and make decision within three months, positively.

And whereas, accordingly the Committee constituted by the Provincial Government under the Chairmanship of Minister Finance, examined the Court directions in the above Writ Petition in light of decision of the Provincial Cabinet on the subject and regretted the aforementioned allowance on the following grounds:

- I. That the Engineers working in 04 Departments i.e. C&W, Irrigation, PHE and LG&RD Department, to whom Technical Allowance has been allowed by the Provincial Government vide Notification No. FD(SOSR-II)8-7/2018-19 dated 10" October, 2018 are dealing totally with the infrastructure of the Province-Provincial Government. They are practically involved in Engineering Works like construction of Roads, Buildings, Canals, Drains and other construction/engineering works etc. throughout their duty hours and perform duties at field outside their offices. On many occasions they work overtime. While the Petitioners are not performing duties cited hereinbefore.
- II. That the office timings for field formation are not fixed rather depends upon the quantum of work & number of sites which they visit/inspect. These inspections visits include for flung areas in same Districts, consumes time, energy and resources and application of technical/engineering skills. In case of defect deficiency or any mas-

application on technical engineering skills. In case of defect / deficiency or any mishappening abroad therein, the concerned engineer is held responsible for the less consequences. It is worth to mention that the petitioners do not undertake these duties as well.

- III. That apart time filed work these engineers also manage the office work before start of proper the preparation of project estimates and contract / agreement etc. all these documents are technically checked by the engineers. Besides, field engineers are fully concerned with engineering and filed / office work and no relaxation for availing even Gazette holidays, whereas engineers of the other than 4 departments are not engaged with filed work only performing official assignment of duties and fully relax to avail all holidays where as the petitioners are performing normal duties in agriculture department.
- IV. That similarly, the job / duty of engineers working in agriculture department is just desk type, having no application of engineering skill and do not involve practically in any type of construction work like constructions / maintenance of buildings, road, residential and non residential accommodations, maintenance and repair of roads, bridges, ferries, tunnels, rope ways, cause ways etc.

And where as, the matter was thereafter considered threadbare by Chief Secretary who also stated with aforesaid observation and now in light of the above intelligible differentia exist, the engineers who are granted "Technical Allowance" and the petitioner. Therefore, the petitioner being not entitled as per facts. Cabinet decision, policy and recommendations of the committee on the subject. The prayer of the engineers cadre of the concerned department made in the above mentioned writ petition filed in the Peshawar High Court, Peshawar is regretted being not stated of consideration and against the spirit of the cabinet decision of the provincial government Khyber Pakhtunkhwa on the subject.
