EXECUTIVE ALLOWANCE FOR CIVIL SERVANTS (PMS/ PAS)

Dear Sir.

Reference to meeting with your good self on the issues of PMS Officers dated 29/09/16, it is submitted that the PMS Officers are paid far less salaries via à-vis other cadres as well as the private sector. Besides, the salary package is meager given the level of responsibilities and challenging job of the PMS/ PAS Officers. The current pay structure is a source of demotivation thus affecting our efficiency and officer may resort to unfair means merely to fulfill their basic needs.

In light of the above, it is requested to review the pay structure of the PMS/PAS, which would lead to efficient service delivery and good governance. This Association has worked out a comprehensive package. A self-contained report is enclosed herewith. The financial implications are as follows:

SUMMARY FOR CHIEF MINISTER

D-(40)

Subject:

DEMANDS OF THE KHYBER PAKHTUNKHWA ASSOCIATION OF GOVERNMENT ENGINEERS

The Khyber Pakhtunkhwa Association of Government Engineers are agitating and have forwarded demands for one step up-gradation or their existing basic pay scales, professional allowance and private practices (Annex-1). Members of the association are referring to the cases of some of the Irrigation officers, who after initial recruitment in BS-17 are still languishing in their existing pay scale even after serving for 27 years in the same scale which is unjustice. Similar is the case of Engineers in C&W, PHE and Local Government Departments where the Engineers have spent decades in their original scale of appointment.

- 2. A meeting of the Administrative Secretaries of Nation Building Department was held on 03.04.2018 in the committee room of trigication Department to examine the demands of engineers association. (Minutes attached at Annex-II). During the meeting, Secretary PHE Department while endorsing the demands of the association quoted the example of civil judges who are granted BS-18 on initial appointment. After detailed discussion it was recommended that promotion/up-gradation to the next higher grade may be granted to the incumbent engineers of all the nation building departments, if they otherwise fulfill the requirement of length of service prescribed in the service rules (Annex-III).
 - 3. Refering to the other demand of Professional Allowance to govt, engineers the members agreed that since doctors working in govt, hospitals have been granted the professional allowance, therefore the same may also be allowed to engineers, being technical professionals,

4. The-Secretary Irrigation while presenting the demands of engineers stated that the doctors after working in govt, hospitals are allowed with private practice in their clinics. Similarly, the engineers being technical hands should have the right to private practice after office hours or even on Saturdays and Sundays for earning livelihood for their children by putting extra hard work, provided it does not affect their official obligations. The demand being genuine was agreed to be recommended that engineers may be granted permission for undertaking private practice after office hours on the analogy of permission to Doctors.

Subject:

APPEAL FOR NON-GRANT OF TECHNICAL ALLOWANCE TO THE **ENGINEERS** MINERALS DEVELOPMENT DEPARTMENT,

KHYBER PAKHTUNKHWA.

Respected Sir,

With great reverence, it is stated that the Provincial Cabinet in its meeting dated 24-05-2018 approved Technical Allowance @1.5 times of the initial basic pay scale to all the engineers working in the Provincial Government Departments w.e.f 01-07-2018.

Pursuance to the said decision of the Provincial Cabinet, the Finance Department issued Notification on 19-10-2018 for sanction of technical allowance only to the engineers serving in C & W, Irrigation, PHE and Local Government Department, depriving the Engineers of Minerals Development Department from the said allowance. This act sheerly forms injustice and discrimination to the said class of Government Servants. The following few points are submitted for your favorable consideration.

- The Minerals Development Government of Khyber Pakhtunkhwa is the 1. administrative department consisting of three attached departments i.e. (i) Directorate General Mines & Minerals, (ii) Inspectorate of Mines and (iii) Commissionerate of Mines Labor Welfare.
- All the engineers serving in the attached departments of Minerals Development 2. department are holding engineering qualification from the accredited engineering universities duly recognized by Higher Education Commission and registered with Pakistan Engineering Council (PEC). (Detailed list attached as Annexure-I).
- All the sanctioned posts, on which these engineers are serving, are purely technical with Mining Engineering Degree as the basic requirement.
- Beside, registration with PEC, all Mining Engineers of the attached departments area also part of the Khyber Pakhtunkhwa Association of Government Engineers (KPAGE),
- Following the path of the four departments to whom Technical Allowance has been 5. sanctioned vide Notification No. FD(SO SR-II) 8-7/2018-19 dated 19-10-2018, the three attached departments of Minerals Development Department also submitted a summary to Secretary Finance Department with the request to approve Technical Allowance in favor of all the engineers working in the attached departments.

The Secretary Minerals Development Department vide letter No.SO(G)/MDD/1-11/2018-19/Vol-1/ 12744-47 dated 19.12.2018, conveyed the decision of Finance Department thereby regretting to approve the Technical Allowance to the Engineers serving in the three attached departments.

48

- 7. Minerals Development Department Khyber Pakhtunkhwa is one of the main revenue generation Department of the Provincial Government. Total strength of serving engineers in such Department is less than forty. Extension of Technical Allowance to such Engineers will encourage them to serve more enthusiastically and will hold in boasting up Government revenue.
- 8. All Engineers of Minerals Development Department perform Technical duties including:
 - i. For flungshilly areas where no access exist.
 - Inspections regarding safety, implementation of laws, mining operation, mine design and construction including prospecting, exploration, development and exploitation.
 - iii. Conduct assessment of mines for Royalty, excise duty, Pit mouth value, Fine etc, and Survey/demarcation.
 - iv. Prepare technical reports, PC-Lete
 - Prepare and sign mine working 'plans, development & exploitation schemes.
 - vi. Imparting training to mine workers on modern mining techniques, mine rescue and safety
 - vii. Conduct rescue operations in underground mines, mine ventilation survey, detection of mine gases and reopening of underground mines abandoned due to noxious gases and fires.
 - 9. Mining/Mineral is the base of all industries.
 - 10. Presently Mineral: Mining is the only industry of Pakistan where huge potential of foreign/local investment exist with creation of thousands of jobs and value to National/Provincial exchequer.

In view of the above facts, it is requested your kind-honour that the Engineers of Minerals Development Department may also be allowed Technical Allowance with effect from 19th November 2018 to dispense with the justice and remove the discrimination amongst the Engineers.

We hope that our appeal will be considered sympathetically and we will be given our due right having equal right working under one roof.

Commissioner Engineer Ziarat Khan, 2.

Mines & others, petitioners herein aggrieved from the

acts / inactions of respondents have directed this

petition with the following relief:-

It is, therefore, humbly prayed that on acceptance of this petition the impugned exclusion of the petitioners from benefits of the Technical Allowance through notification dated 19.10.2018 and subsequent refusal vide letter dated 19.12.2018 may kindly be declared illegal, unlawful, against the law and the constitution and thus ineffective upon the rights of the petitioners being discriminatory.

It is further prayed that, the impugned decision conveyed vide letter dated 19.12.2018 may kindly be set aside and the Technical Allowance allowed to engineers

working in different government departments vide notification dated 19.10.2018 may kindly be extended to the petitioner as well.

Petitioners of the instant writ petition are Engineers, serving in the attached departments of Minerals Development Department, seeking grant of Technical Allowance on the analogy of notification No. FD (SO SR-II) 8-7/2018-19 dated Peshawar the 19th October, 2018 whereby the competent authority has granted Technical Allowance, to the Engineers holding Engineering qualification recognized by the Higher Education Commission, and serving against the sanctioned posts in the C&W, Irrigation, Public Heath Engineering & Local Government Departments of Khyber Pakhtunkhwa; whereas petitioners of the connected writ petition quoted above, are Private Secretaries, performing their duties in the Civil Secretariat, have sought the grant of Executive Allowance rather Scheduled Post Allowance, on the analogy Notification No. FD (SÓSR-II)8-7/2016-17 dated Peshawar the 02/02/2018, whereby the Competent Authority has granted Executive Allowance

to the PAS / PCS & PMS Officers, working against the scheduled posts of Establishment & Administration

Department. Learned Addl. AG at the very outset, objected to the maintainability of the writ petition in view of the judgment reported as 2018 PLC (CS) Note-40 and unreported judgment of this Court rendered in writ petition bearing No. 1226-A/2018 dated 30.05.2019, and states that allowances in question are part and parcel of the pay failing in terms and conditions of service, for which the Service Tribunal has the jurisdiction in view of Article-212 of the Constitution.

4. Although, learned counsel representing petitioners in rebuttal of the maintainability has also placed reliance on some reported judgments, however, we without going to the merits of the case, are of the view that let the matter be referred to the Chief Secretary, Govt. of Khyber Pakhtunkhwa, on the analogy of other writ petitions, referred to by this Court, with the direction to look into the matter and

GULZAR AHMED, CJ.- We have heard the learned Additional Advocate General, Khyber Pakhtunkhwa and dictated in Court the following order: -

"The learned Additional Advocate General, Khyber Pakhtunkhwa, contends that pursuant to the impugned order dated 10.03.2020, the Chief Secretary, Government of Khyber Pakhtunkhwa has dealt with the matter as directed by the Peshawar High Court, Peshawar and passed order, stating that the respondents are not entitled

to grant of the allowance. He contends that against such order of the Chief Secretary, the respondents have filed COC No.389-P of 2020, in which the learned Division Bench of the High Court has passed the following order dated 01.09.2020:-

"Although, the compliance report has been placed on record, wherein the relief prayed by the petitioner is regretted, but the judgment of this Court, prima facie has not been complied with in its letter and spirit. Therefore, notice to the respondents to appear in person for framing of charge. Adjourned to a date in office."

He further contends that in the first place, the High Court has no jurisdiction in the matter in passing of the impugned order for the reason that the respondents are Civil Servants and the matter was with regard to their terms and conditions of service, and the High Court despite noting this objection and without entering upon the merits of the case has given direction to the Chief Secretary, which is not sustainable in law. He next contends that the very impugned order is not sustainable in law and even otherwise, such order has been complied with by the Chief Secretary, thus, no COC could have been filed and if at all, the respondents were aggrieved by the order of the Chief Secretary, they could have taken up the matter afresh before the appropriate forum.

2. The submissions made by the learned Additional Advocate General, Khyber Pakhtunkhwa, require consideration. Leave to appeal is granted to consider, inter alia, the same. The appeal stage paper-books be prepared from the available record with liberty to the parties to file additional documents, if any, within a period of one month. As the matter relates to service, the Office is directed to fix the appeal expeditiously, preferably after three months.

GOVERNMENT OF KHYBER PAKHTUNKHWA FINANCE DEPARTMENT (REGULATION WING)

Peshawar, Dated the 29th July, 2020

OFFICE ORDER:

No.FD/SOSR-11/8-7/2020 Whereas, the Provincial Government of Khyber Pakhtunkhwa sanctioned Technical Allowance to the tune of 1.5 Initial Basic Pay per month as per Pay Scale of 2017 to the only Four Works Department i.e. C&W, Irrigation, Public Health Engineering & Local Govt Departments Engineers from BS-17 to BS-20 as per rates mentioned therein vide Finance Department Notification No.FD(SOSR-11)8-7/2018-19 Dated 19-10-2018 in pursuance of the approval of the Provincial Cabinet.

And whereas, the Engineers cadre of certain departments requested through proper representation for grant of the above allowance on the analogy of the Engineers of the Four Works Departments which was examined but not entertained, being not based on merit, in light of the approved cabinet decision and policy accordingly.

And whereas, following non-maintainability of their request by the Provincial Government the engineers of the Mines and Mineral Development Department filed a Writ Petition No. 606-12019 titled "Engr. Ziarat Khan & Others VS Chief Secretary Khyber Pakhtunkhwa & Others" in the Peshawar High Court, Peshawar in which they prayed for grant of the said allowance to their cadre on the analogy of the Engineers of Four Works Department.

And whereas, the Honourable Peshawar High Court, Peshawar in its judgment Dated 10-03-2020 and referred the case to Chief Secretary, Khyber Pakhtunkhwa to look into the matter and make decision within three months, positively.

chairmanship of Minister Finance, examined the Court directions in the above Writ Petition in light of decision of the Provincial Cabinet on the subject and regretted the aforementioned allowance on the following grounds:

- I. That the Engineers working in 04 Department's i.e. C&W, Irrigation, PHE and LG&RD Department, to whom Technical Allowance has been allowed by the Provincial Government vide Notification No. FD(\$0\$R-II)8-7/2018-19 dated 10th October, 2018 are dealing totally with the infrastructure of the Province-Provincial Government. They are practically involved in Engineering Works like construction of Roads, Buildings, Canals. Drams and other construction/engineering works etc., throughout their duty hours and perform duties at field outside their offices. On many occasions they work overtime. While the Petitioners are not performing duties cited hereinbefore
- II. That the office timings for field formation are not fixed rather depends upon the quantum of work & number of sites which they visit/inspect. These inspections visits include for flung areas in same Districts, consumes time, energy and resources and application of technical/engineering skills. In case of defect deficiency or any man-

application on technical engineering skills. In case of defect / deficiency or any mishappening abroad therein, the concerned engineer is held responsible for the less consequences. It is worth to mention that the petitioners do not undertake these duties as well.

- III. That apart time filed work these engineers also manage the office work before start of proper the preparation of project estimates and contract / agreement etc. all these documents are technically checked by the engineers. Besides, field engineers are fully concerned with engineering and filed / office work and no relaxation for availing even Gazette holidays, whereas engineers of the other than 4 departments are not engaged with filed work only performing official assignment of duties and fully relax to avail all holidays where as the petitioners are performing normal duties in agriculture department.
- IV. That similarly, the job / duty of engineers working in agriculture department is just desk type, having no application of engineering skill and do not involve practically in any type of-construction work like constructions / maintenance of buildings, road, residential and non residential accommodations, maintenance and repair of roads, bridges, ferries, tunnels, rope ways, cause ways etc.

And where as, the matter was thereafter considered threadbare by Chief Secretary who also stated with aforesaid observation and now in light of the above intelligible differentia exist, the engineers who are granted "Technical Allowance" and the petitioner. Therefore, the petitioner being not entitled as per facts. Cabinet decision, policy and recommendations of the committee on the subject. The prayer of the engineers cadre of the concerned department made in the above mentioned writ petition filed in the Peshawar High Court, Peshawar is regretted being not stated of consideration and against the spirit of the cabinet decision of the provincial government Khyber Pakhtunkhwa on the subject.
