7. That appellant challenged the aforesaid actions of respondent No. 3 before the Honourable Peshawar High Court Bench Dera Ismail Khan through Writ Petition No. 393 of 2013 which was disposed off and the respondent were directed to pay the salary of the appellant along with others. But respondents having not implemented the judgment / orders of the Honourable High Court then the appellant alongwith others filed a contempt application and also filed an other Writ Petition No. 557 of 2013. During the hearing of the Writ Petition on 19/12/2013 respondent No. 3 produce an order dated 17/12/2013 of removal from service of the appellant alongwith other petitioners of the Writ Petition, therefore the appellant counsel did not pressed the Writ Petition in order to seek his remedy before proper forum. - b)** That the appellant was appointed in accordance with law after observing all codal formalities and worked against the post of Junior Clerk satisfactorily.
- c)** That the appellant was qualified for the post on which he was appointed.
- d)** That the Medical Superintendent District Head Quarter Teaching Hospital Dera Ismail Khan (Dr. Khalid Aziz Baloch) who appointed the appellant had retired from service and the new incumbent (Dr. Hashim Khan Marwat) having rivalry with him, took the revenge from appellant and others, appointed by his predecessor. The action is therefore of personal vendetta and thus illegal.
- e)** That if there was any illegality, then the proper course would have been to have constituted a High Power Committee to look into matter and only then another recommendation of that committee if any adverse action was proposed then the competent authority may take any action, action could have been taken but that too against the appointing authority because appellant had no role in the same.
- f)** That the entire exercise is motivated by the personal vendetta and malafide of respondent No.3 thus liable to be struck down.
- g)** That Dr. Hashim Marwat who was the then Medical Superintendent at the crucial time and who had passed dismissal orders of the appellant, tried to conduct illegal interviews for appointment but failed in his attempt due to publication of the matter in local press. Which proves that the said Medical Superintendent removed the appellant from the post and to appoint his own blue eyed on extraneous considerations. Cutting of the Newspapers are enclosed as Annexure "M".
- h)** That no order was passed by respondent No. 2 and his place Assistant Director has passed the order of dismissing the appeal, the order was not speaking one he was not competent to pass such order. The order is without jurisdiction,

- i)* That departmental appeals of four persons were decided through a single order without giving separate reasons in support of its orders is of no value.
- ii)* That the counsel for the Petitioner may kindly be allowed to raise the additional grounds at the time of arguments.

In wake of the submission made above, it is humbly prayed that on acceptance of this appeal the respondents functionaries of Health Department of Khyber Pakhtunkhwa may very graciously be directed to appoint the petitioner as Junior Clerk against the post previously held by the petitioner / appellant with all back benefits.

Selection Committee was constituted in this regard. The members of the DSC denied their signatures on the minutes of the meeting. The appointment made during the ban imposed by the government. That the show cause notice issued to the appellant and that he was heard in person.

CONCLUSION

6. The show cause notice is silent about the detail of irregularities/allegations committed by the authority. The show cause notice only mentions of non-adoption of procedure in the recruitment in accordance with the provisions of Karher Pakhtunkhwa Civil Servants (Appointment, Promotion and Transfer) Rules. It has not been mentioned in the show cause notice that the appointing authority was not competent or the appellant lacked qualification or no advertisement was made. It was also not mentioned in the said show cause notice that no DSC was constituted or the signatures of the members of the DSC were fake and bogus. The purpose of a show cause notice is always to afford sufficient opportunity to a civil servant to defend himself. But when a show cause notice is given generally without detail. Then show cause notice loses its utility and the concerned civil servant shall be presumed to be prejudiced by not defending himself properly. The departmental appellate authority also rejected the appeal without assigning any

reasons so as to enable this Tribunal to reach at any conclusion but how the appointment orders were against the rules. And whether the appellants were in any way instrumental in getting the said appointment letters in their name. The statements of the learned DDA regarding fake and bogus signatures of the members of the DSC is not supported by any material. When this Tribunal put a query to the learned DDA that how did the department come to know about fake and bogus signatures of the members of DSC, he replied that there is nothing on a material record of the present appeal. However, the department has

fact in their written replies. An Equity committee was constituted nor any other occasion is highlighted by the department before whom or on which the said members of the committee have had the occasion of denial of their signatures. And of equal importance is the fact that the appellants have not been given any chance to confront the denial of the members of the committee through due process. The freedom of ban as argued by the learned DDA has also not been mentioned in the show cause notice or in the order of the departmental appellate authority imposing the ban and its legal outcome is left without discussion and would be discussed at the proper time. At present this Tribunal is of the view that the departmental appellate authority should be given chance to take into consideration all the issues and observations and pass a detailed order with reasons within a period of 60 days of the receipt of this judgment. Failing which the present appeal should be deemed to have been accepted. In the meantime the present order should not be acted upon by the department. The copy of this order should be placed in the file for assignment to the record room.

and facts are involved.

2. Arguments of the learned counsel for the parties heard and record perused.

FACTS

[Handwritten Signature]
ATTESTED

3. The appellants were appointed on different posts on the same date i.e 04.0.2013. They were removed from service on 17.12.2013. against which they filed departmental appeals on 01.01.2014 which were rejected on 5.05.2014 thereafter, they filed service appeals on 28.05.2014.

ARGUMENTS

4. Learned counsel for the appellants argued that the appellants were removed from service after show cause notice only. That no proper procedure was followed under the disciplinary rules. That the reason for removal of the appellants shown in the show cause notice was appointments by the appointing authority without adopting the proper procedure for recruitment. That no detail was given that what procedure was not adopted. That the appellants duly replied to the show cause notice and thereafter the removal orders of the appellants were passed on 17.12.2013. that the appellant then filed, departmental appeals which were rejected by the departmental appellate authority without assigning any reasons. The learned counsel for the appellants further argued that by not giving the detail reasons in the original order as well as in the order of appellate authority, the appellants could not defend their case. He further argued if any illegality was committed by the appointing authority then it was he to be made culpable and not the appellants as per settled law on the subject. That the mentioning the order of the Worthy Peshawar High Court in the impugned order was misplaced as the Worthy Peshawar High Court had never observed that the appointments were made in violation of the rules.

5. On the other hand the learned Deputy District Attorney argued that appointment of one of the appellant namely Muhammad Shahid was against the rules as the rules did not provide for the post of House Keeper (Male). He further argued that the appointing authority one day before his retirement issued the appointments orders of the appellants in violation of the rules No Departmental Selection Committee was constituted and in this regard, the members of the D.S.C denied their signatures on the minutes of the meeting. That the appointments were made during the ban imposed by the government. That the show cause notice was issued to the appellant and that he was heard in person.

CONCLUSION

6. The show cause notice is silent about the detail of irregularities/illegality committed by the authority. The show cause notice only mentions of non-adoption of procedure in the recruitment in accordance with the provisions of Khyber Pakhtunkhwa Civil Servants (Appointment, Promotion and Transfer) Rules. It has not been mentioned in the show cause notice that the appointing authority was not competent or the appellant lacked qualification or no advertisement was made it was also not mentioned in the said show cause notice that no D.S.C was constituted or the signatures of the members of the DSC were fake and bogus. The purpose of a show cause notice is always to afford sufficient opportunity to a civil servant to defend himself. But when a show cause notice is given generally without details. Then show cause notice loses its utility and the concerned civil servant shall be presumed to be prejudiced by not defending himself properly. The departmental appellate authority also rejected the appeal without assigning any reasons so as to enable this Tribunal to reach at any conclusion that how

the appointment orders were against the rules. And whether the appellants were in any way instrumental in getting the said appointment letters. In their favour. The arguments of the learned DDA regarding fake and bogus signatures of the members of the D>S.C is not supported by any material. When this Tribunal put a query to the learned DDA that how did the department come to know about fake and bogus signatures of the members of DSC he replied that there is nothing on judicial record of the present appeal. However the department has mentioned fact if their written replies Enquiry committee was constituted nor any other occasion is highlighted by the department before whom or on which the said members of the committee have had the occasion of final of their signatures. And of equal importance is the fact that the appellants have not been given any chance to confront the denial of the members of the committee through due process. The factum of ban as argued by the learned DDA has also not been mentioned in the show cause notice or in the order of the departmental appellate authority. Imposing the ban and its legal outcome is left without discussion and would be discussed at the proper time. (At present this Tribunal is of the view that the departmental appellate authority should be given chance to take into consideration all these issues and observations and pass a detailed order with reasons within a period of 60 days of the receipt of the judgment, failing which the present appeals shall be depend to have been accepted in the meantime the posts already advertised should not be filled by the department.) Parties are left to bear their own costs file be consigned to the record room.

SUBJECT: REPRESENTAION AGAINST ORDER DATED 17-05-2018 PASSED BY THE DIRECTOR GENERAL HEALTH SERVICES KP PESHAWAR UPHOLDING THE TERMINATION ORDER DATED 17-12-2013 PASSED BY THE MS DHO HOSPITAL, D.I KHAN ON THE BASIS OF FAKE AND FACTITIOUS INQUIRY.

I am directed to refer to your letter No.4466-68 Dated 17-05-2018, in respect of Muhammad Shahid, Ex- House Keeper (BS-09) and to state that the rejection of Departmental appeal of the said official by your office is NOT in consonance with the judgment of the Khyber Pakhtunkhwa, Service Tribunal dated: 12-03-2018 in service Appeal NO. 743/2014 as the observations of service Tribunal reflected in the said judgment was not followed. The Tribunal has explicitly ordered that at present this Tribunal is of the view that the Departmental Appellate Authority should be given a chance to take into consideration all the issues & observation and pass a detail order with reasons within a period of sixty days of the receipt of this judgment failing which the present appeal shall be deemed to have accepted.

Now whereas the time of sixty days as specified by Hon'ble Tribunal has lapsed & the appeal stands accepted and furthermore the perusal of records shows that the appellant has been terminated due to row between outgoing (retiring) MS & the incumbent MS declaring the DSC faulty for no fault of the petitioner. Serving Notice to the petitioner (appointee) for the supposedly wrong appointment by the appointing authority is unfathomable.

In view of the above, I am directed to state that the present appeal may be accepted in light of Khyber Pakhtunkhwa, Serve Tribunal Judgment and be decided considering the aforementioned facts and cannon of justice, so that no injustice be meted out to the petitioner for no fault of him please.
