D) That according to government servants revised leave rules 1981, vacations are holidays and not leave of any kind, and therefore, the deduction of conveyance allowance in vacations is against the law and rules.

E) That there is clear difference between leave and vacation as leave as applied by the civil servant in light of Government Servant Revised Leave Rules 1981, while the vacations are always announced by the Government, therefore, under the law and rules the appellant fully entitled for the grant of conveyance allowance during vacations period.

In essence, the grievance the petitioners is that they were receiving the conveyance allowance under the notifications mentioned above, which was stopped without any justifiable reason.

Since the matter pertain to grant of conveyance allowance which is part and parcel of pay. Similar controversy came before this Court in Writ Petition No. 3509-P/2014 titled (Hafiz Mohammad Ilyas etc., vs., Government of Khyber Pakhtunkhwa), wherein the pay and salary were defined in the following manner.

"7 To resolve the controversy as to whether payment of allowances to a civil servant falls in chapter-2 of Khyber Pakhtunkhwa Civil Servants Act, 1973 i.e. terms and conditions of service, it is necessary to reproduce the definition of "pay" provided in section 2(e) of the Khyber Pakhtunkhwa Civil Servants Act, 1973 which reads as under:

"2. (e)—"Pay" means the amount drawn monthly by a civil servant as pay, and includes special pay personal pay and any other emoluments declared by the prescribed authority to be paid. " (emphasis provided).

The word "emolument" used in the above quoted definition clause of the Civil Servants Act, 1973, according to its dictionary meaning, denotes wages and benefits received as compensation for

holding an office or having employment. The word emolument is basically derived from the Latin word emolumentum. It originally meant "the sum paid to a miller for grinding a customer wheat". Today, the term exists mostly as a bit of archaic legalese, but it might be within the route of expression i.e. "grinding out a living". From the above it is manifest that emoluments are essentially the benefits that one gets from the working of being employed. Emolument is the profit from employment and is compensation in return of services, hence the emoluments are part and parcel of pay. Section 17 being part of chapter-2 i.e. terms and conditions of service of a civil servant provides that, a civil servant appointed to a post shall be entitled, in accordance with rules, to the pay sanctioned for the post. Likewise, Rule 9(21) of (FR/SR) provide, the definition of pay which means the amount drawn monthly by a government servant as :

(i) the pay, other than special pay or pay granted in view of his personal qualification, which has been sanctioned for the post held by him substantively or in an officiating capacity, or to which he is entitled by reason of his position in a cadre, and (ii) overseas pay, technical pay, special pay and personal pay and

(iii) any other emoluments which may be specially classed as pay by the governor general.

The legislature in its wisdom has wisely used the word "pay" instead of salary in definition clause and section 17 of Khyber Pakhtunkhwa Civil Servants Act, 1973. The word 'pay' connotes

payment of wages including emolument in broader spectrum while the salary is used for amount that one receives in return for work and or service provided, which is paid periodically i.e. over a specified interval of time such as weekly or most commonly monthly. The term "salary" has been dealt with at page-553 of Corpus Juris Secundern Vol. 77 as under-

23)

"Salary". The word "Salary" is defined has meaning fixed compensation regularly paid by the year, quarter, month or week; fixed compensation for regular work, or for continuous services over a period of time; periodical compensation for services; compensation for services rendered; per annum compensation mean in official and in some other situation, or station; legal compensation.

Salary is also defined as meaning stipulated periodical recompense; or consideration paid, or stipulated to be paid to a person on regular interval for services usually a fixed sum to be paid by the year or half year, quarter, reward or consideration paid or agreed to be paid to a person on a regular intervals by the year, month or week for services; reward of fixed or recompense for services rendered or performed; reward or compensation of services. rendered or performed.

From the above mentioned definition it is manifest that the "salary" of a civil servant is a fixed amount regularly paid as compensation to the employee, whereas the pay means an amount received by a civil servant including other emoluments i.e., allowances."

Appeal No. 1452/2019 (25) Markad Hayat vs Govt

Counsel for the appellant present.

Learned counsel referred to the judgment passed by learned Federal Service Tribunal in Appeal No. 1888(R)C5/2016 which was handed down on 03.12.2018. Through the said judgment the issue of payment of Conveyance Allowance to a civil servant during summer and winter vacations was held to be within his entitlement and the deduction already made from him was to be reimbursed. Similar reference was made to the judgment by Honourable Peshawar High Court passed on 01.10.2019 in the case of appellant.

Learned counsel, when confronted with the proposition that the issue, in essence, was dilated upon by the Federal Service Tribunal and, more particularly, by the Honourable Peshawar High Court in the case of appellant, stated that in case the respondents are required to execute the judgment of Peshawar High Court, the appellant will have no cavil about disposal of instant appeal.

The record suggests that while handing down judgment in the Writ Petition preferred by the appellant, the Honourable High Court not only expounded the definition of "Pay" as well as "Salary" but also entitlement of a civil servant for the Conveyance Allowance during the period of vacations. It is important to note that the respondents were represented before the High Court during the proceedings,

In view of the above noted facts and circumstances and in order to protect the appellant from a fresh round of litigation which may protract over a formidable period, the appeal in hand is disposed of with observation that the judgment of Honourable Peshawar High Court passed in Writ Petitions including W.P. No. 3162-P/2019 shall be honoured and implemented by the respondents within shortest possible time. The appellant shall, however, be at liberty to seek remedy in accordance with law in case his grievance is not redressed by the respondents within a reasonable time
