JUDGMENT:

SALAH-UD-DIN, MEMBER:- Brief facts giving rise to filing of instant service appeal are that, disciplinary action was taken against the appellant on the ground of his absence from duty. On conclusion of the inquiry, the appellant was dismissed from service vide O.B No. 220 dated 02.08.2018. The departmental appeal of the appellant was declined vide order dated 08.07.2019. The appellant then preferred revision petition before Inspector General of Police Khyber Pakhtunkhwa Peshawar. Vide order dated 06.01.2020 issued from the office of Inspector General of Police Khyber Pakhtunkhwa Peshawar, the penalty of dismissal from

service was converted into removal from service, hence the instant service appeal.

2. Respondents contested the appeal by way of submitting para-wise comments, wherein they refuted the assertions raised by the appellant in his appeal.

3. Learned counsel for the appellant has argued that as the mother of the appellant was seriously ill, therefore, the appellant remained busy in her look after and was thus unable to attend his duty; that the absence of the appellant from duty could not be termed as willful because he was busy in look after of his ailing mother; that the appellant had submitted an application for leave, however the same was not entertained; that neither any show-cause notice nor any charge sheet or statement of allegations was issued to the appellant and whole of the proceedings were conducted at his back; that the appellant has not been provided any opportunity of self defense or personal hearing and he was condemned unheard; that no regular inquiry was conducted in the matter and the appellant was awarded major penalty of removal from service; that the appellant has served the department for almost 23 years and in the given circumstances, the punishment awarded to the appellant is very harsh.

4. On the other hand, learned District Attorney for the respondents has contended that the appellant was in habit of remaining absence from duty without any sanctioned leave or permission of the competent Authority and previously too, he was dismissed from service on the allegations of absence from duty; that the appellant was issued show-cause notice as well as charge sheet and statement of allegations, however he did not even bother to appear before the inquiry officer; that in his departmental appeal, the appellant had not raised the plea of illness of his mother, therefore, the appellant could not legally raise such plea before this Tribunal; that the impugned orders were

passed after observing all legal and codal formalities, therefore the same may be kept maintained and the appellant in hand may be dismissed with cost.

5. We have heard arguments of learned counsel for the parties and have perused the record.

6. The appellant was proceeded against departmentally on the allegations of his absence from duty with effect from 01.03.2017, who did not turn up for duty and was thus dismissed from service vide order dated 02.08.2018. Charge sheet as well as statement of allegations was personally served upon the appellant, however he did not bother to attend the inquiry proceedings. When the appellant was deliberately avoiding to join inquiry proceedings, the only option with the inquiry officer was to proceed against him ex-parte. The only justification raised by the appellant regarding his absence from duty was the illness of his mother, which plea was not at all taken by him in his departmental appeal. The appellant being a member of a disciplined force was required to had at least apply for availing leave but he opted to remain absent from duty without any sanctioned leave or permission of the competent Authority. Previously too, the appellant had been dismissed from service on the ground of absence from duty. The appellant has remained absent from duty for considerable long period without any sanctioned leave or permission of the competent Authority, which amounts to misconduct

7. While going through the record, we have observed that the appellant was enlisted as Constable on 24.01.1995 and was having a service of almost of 23 years at his credit at the time of his dismissal from service, which was later on later on converted into removal from service. Keeping in view the length of service rendered by the appellant, we are of the view that the penalty so awarded to him is quite harsh and safe administration of justice would justify the

modification of his penalty of removal from service into compulsory retirement from service.

8. Consequent upon the above discussion, the appeal in hand is partially allowed and the major penalty of removal from service so awarded to the appellant is converted into compulsory retirement with effect from 02.08.2018. The intervening period of his absence from duty may be treated as leave without pay for the purpose of bridging up the service gap of the appellant. Parties are left to bear their own costs. File be consigned to the record room.

Respectfully Sheweth:-

The facts forming the background of service appeal are arrayed as under;-

1. That the appellant got appointment as Constable on 24/01/1995 and served the department for 23 years.
2. That mother of the appellant is suffering from multifarious diseases. Besides, the mother of the appellant met a serious accident which resulted into imputation of her right leg. Therefore, the appellant was to look after his ailing mother. Copy of medical documents of the mother of the appellant are attached as Annexure "A".

3. That respondent No. 3 without proper inquiry and considering the genuine plea of the appellant dismissed him from service vide order dated 02/08/2018 which was received by the appellant on 17/10/2018. Copy of dismissal order dated 02/08/2018 is attached as Annexure "B".
4. That the appellant filed departmental appeal against the impugned dismissal order on 31/10/2018 which was rejected by respondent No.3 on 08/07/2019. Copy of departmental appeal and rejection order dated 08/07/2019 are attached as Annexure "C" & "D".

7. That the instant service appeal is filed inter-alia on the following grounds;-

GROUND:-

- a) That the impugned removal from service order dated 02/08/2018 and its impugned rejection orders dated 08/07/2019 and 06/01/2020 are liable to be set-aside because no prescribed procedure as per law has been adopted by the competent authorities.
- b) That total service of the appellant in police Department is near about 23 years and the absence of the appellant was not willful but beyond his control as a human being. Therefore, dismissal from service order dated 02/08/2018 and conversion of dismissal order into removal from service order dated 06/01/2020 are liable to be set-aside.
- d) That the appellant has been dismissed from service without following the prescribed procedure. Therefore, dismissal of the appellant is liable to be set-aside.
- e) That the appellant caused no loss to the public exchequer and did not receive salary for the period of absence. Hence, department was suppose to either reinstate the appellant

in service are convert the punishment into compulsory retirement keeping in view 23 years service of the appellant.

- f) That the appellant has no source of income and he is unable to arrange bread and butter for his ailing mother and dependent family members.

- h) That there is no other prompt, efficacious remedy, available to the appellant except the instant appeal.

It is, therefore, humbly prayed that on acceptance of the instant service appeal, the impugned dismissal order dated 02/08/2018 and rejection letter of respondent

ORDER

This order is hereby passed to dispose of Revision Petition under Rule 11-A of Khyber Pakhtunkhwa Police Rules-1975 (amended 2014) submitted by Ex-FC Shakoor Ahmad No. 1384/509. The petitioner was dismissed from service by District Police Officer, Abbottabad vide OB No. 220, dated 02.08.2018 on the allegations of absence from duty w.e.f 01.03.2017 till date of dismissal from service i.e. 02.08.2018 for total period of 17 months. His appeal was filed by Regional Police Office, Hazara vide order under No. 2293/PA, dated 08.07.2019.

Meeting of Appellate Board was held on 21.10.2019 wherein petitioner was heard in person. During hearing petitioner contended that the leg of his mother was fractured in road accident in the year 2017.

Perusal of the record reveals that he remained absent for long period of 17 months. He has earned 40 bad entries during his service. He was earlier thrice dismissed from service in the year 2002, 2008 & 2014 on the charges of absence from duty which establishes that he is habitual absentee and there is no prospects of mending his ways. The Board see no ground and reasons for acceptance of his petition, therefore, his petition is hereby rejected. However, his penalty of dismissal from service is converted into removal from service.

Memo:

BRIEF FACTS.

He while posted in Police Post Havelian absented himself vide daily diary No. 08 dated 01.03.2017 (15 months and twenty days) and is still absent without any leave or permission.

For the purpose of scrutinizing his conduct with reference to the above, allegations, undersigned was appointed as enquiry officer.

Copy of charge sheet and statement of allegations have been served upon him through DFC Havelian Akhtar Nawaz No. 1021. His statement was recorded in which he stated that he personally handed over the copies of charge sheet and statement of allegations and took his signatures as a token of receipt.

From the perusal of his service record, following has been noted:-

1. He was enlisted in Police Department on 24.01.1995.
2. During this tenure, he was dismissed from service three times as evident from his service record. vide OB No. 219 dated 07.06.2002 when he absented himself from FRP Hazara Platoon No. 37/HR. He again dismissed from service vide OB No. 166 dated 09.05.2008 when he absented himself from duty.

4. There are 50 bad/red entries in his service record and he was awarded punishment by the competent authority.
5. Now he has absented himself with effect from 01.03.2017 and is still absent which shows that he is an unwilling police officer and not interesting to serve more in Police Department as he himself received the charge sheet and statement of allegation and called through this office land line number 0992-9310031 to join enquiry proceedings but he even not appear nor bother to submit its reply through any source.
