**APPLICATION FOR CONDONATION OF DELAY IN FILING THE ABOVE**  
**NOTED APPEAL.**

**R.SHEWETH:**

- 1- That the appellant has filed an appeal along with this application in which no date has been fixed so far.
- 2- That the appellant prays for the condonation of delay in filing the above noted appeal on the following grounds inter alia:

**GROUND OF APPLICATION:**

- A- That valuable rights of the appellant are involved in this case hence the appeal deserves to be decided on merit.
- B- That after the issuance of the appellate order the brother of the appellant was admitted in hospital due to which the instant appeal was delayed
- C- That it has been the consistent view of the Superior Courts that cases should be decided on merit rather than technicalities including the limitation. The same is reported in 2004 PLC (CS) 1014 and 2003 PLC (CS) 76.

It is therefore prayed that on acceptance of this application the delay in filing the above noted appeal may please be condoned.

**APPEAL AGAINST THE ORDER DATED 05-07-2022 PASSED BY THE  
DEPUTY COMMISSIONER, MARDAN.**

**ORDER.**

Through this appeal the appellant has challenged the impugned order cited above whereby an application of the appellant for absorption in DC Office, Mardan was regretted.

Brief facts of the case are that the appellant was appointed as Junior Clerk in District Council, Mardan vide Office Order No. 5059-63/SEC(M) dated 15-05-2007. Thereafter, the appellant was promoted as Senior Clerk in the said Department in the year 2010. Subsequently, the appellant was promoted to the post of Computer Operator (BPS-16) in the year 2013. However, on revival of Deputy Commissioner Office, the appellant was posted as Reader to Assistant Commissioner, Mardan vide order dated 01-01-2013. The appellant is still performing duty as Reader to AC, Mardan but he is receiving monthly salary from the Local Government Department and is a permanent employee as Computer Operator of the said Department. Now the appellant has submitted an application for permanent absorption in the Deputy Commissioner Office, Mardan which was regretted vide the impugned order. Hence, the appellant has filed the appeal in hand before this court.

Contd....P/2.....

.....P/2.....

-10-

Appellant alongwith his counsel present and submitted written arguments. Deputy Commissioner, Mardan submitted parawise comments, which are placed on file.

From perusal of record of the case, written arguments of the appellant and parawise comments of Deputy Commissioner, Mardan, it transpires that the appellant is still a permanent employee of the Local Government Department wherein he has promoted from the post of Junior Clerk to the post of Computer Operator and regularly receiving his monthly salary therefrom. Moreover, there is no provision in service Rules regarding such absorption of the appellant in DC Office, Mardan. Therefore, the DC, Mardan has correctly regretted the application of the appellant, as it is not covered by Service Rules.

In view of the above, the appeal in hand, being without any substance is hereby dismissed. No order as to cost.

File be consigned to record room after necessary completion.

## CT CHEST, ABDOMEN AND PELVIS

**Clinical Info:** Known case of metastatic mucinous carcinoma from colorectal primary. Status post colostomy. Status post 10 cycles of chemotherapy, completed 21 days ago. Status post radiotherapy completed in sep 2022. Followup. Known hypertensive. Non-smoker. Known allergy to aspirin.

**Technique:** 2 mm reconstructed images from scan performed on multislice CT were reviewed at workstation in multiple planes using different window widths and level settings. CT chest, abdomen and pelvis.

### FINDINGS:

Comparison is made with prior CT dated 20/08/22.

#### CHEST:

There is no consolidation, collapse, bronchiectasis or ground glass opacification. No pleural effusion or pneumothorax seen. Pulmonary nodule in apical segment of right lung lower lobe seen on image 2-77 and in left lung lower lobe on image no 2-93 are stable. Groundglass nodule seen in prior study is redemonstrated on image 2-77 in the anterior segment of right lung upper lobe. Nodule along the oblique fissure in right lung is not visualized on current study. A calcified nodule is re-noted in posterior basal segment of right lower lobe on image 2-100.

Thyroid gland is normal. No significant axillary or supraclavicular lymphadenopathy. Subcentimeter mediastinal lymph nodes are re-noted. Heart and major mediastinal vessels are normally contrast opacified. Trachea and esophagus are of normal position and caliber.

#### ABDOMEN AND PELVIS:

Rectosigmoid Index mass is re-noted stable in size with luminal narrowing and wall thickening seen involving sigmoid colon and rectum. No significant change in bulk of the disease is seen. The largest conglomerate mass at S1 level again measures 28 mm in AP dimension. Multiple pararectal, mesorectal and mesosigmoid nodules are unchanged in size and number. The larger nodal mass seen on image 2-263 has a maximum AP dimension of 2.5 cm which previously measured 2.5 cm. Mesorectal, mesosigmoid and perarectal thickening is again noted. Status post colostomy is redemonstrated with postsurgical changes in left iliac fossa including mild surrounding omental mesenteric changes. Trace presacral fluid is stable in interval. There are stable prominent percaecal lymph nodes with larger measuring 9 mm on image 2-155 and 7 mm on image 2-186. Rest of the para aortic nodes are stable. No significant retroperitoneal or pelvic sidewall lymph nodes. Right iliac lymph node seen on image 2-277 is unchanged.

Liver, spleen, pancreas, gallbladder, bilateral adrenals and kidneys are unremarkable. Urinary bladder is partially distended. Prostate and seminal vesicles are unremarkable. Gastroesophageal junction and stomach is collapsed. Small bowel loops are partly contrast opacified and are mostly collapsed. Ascending colon, transverse colon and descending colon are air and fecal filled. Abdominal vasculature is patent.

Visualized bones show no significant abnormality.

#### CONCLUSION:

Follow-up scan

- Essentially stable primary rectosigmoid mass lesion with persistent mesorectum, mesosigmoid and peritoneal thickening. Redemonstration of extensive pararectal, mesorectal and mesosigmoid nodules. Stable para aortic lymph nodes and percaecal lymph nodes.
- Essentially stable bilateral pulmonary nodules.

**JUDGEMENT**

**FAREEHA PAUL, MEMBER (E):** The service appeal in hand has been instituted under Section 4 of the Khyber Pakhtunkhwa Service Tribunal Act, 1974 against the office order dated 08.01.2021 whereby the appellant was transferred back from District Courts, Lakki Marwat to Anti Terrorism

Court, Bannu and against appellate order dated 21.05.2021 whereby his departmental appeal/representation was rejected.

2. Brief facts of the case, as given in the memorandum of appeal, are that the appellant was appointed as Assistant/Reader (BPS-11) on 09.04.2003 in Anti Terrorism Court, Bannu. After getting appointment there, the appellant submitted an application to the Registrar, Peshawar High Court i.e. respondent No. 1 to the effect that he had blood feud/enmity in his village for which he could not travel from Lakki Marwat to Bannu and hence requested for transfer and permanent adjustment/absorption in the District Courts, Lakki Marwat against a newly created post of Assistant there. Respondent No. 1 accepted the application of the appellant and vide order dated 21.04.2003, he was transferred by the Peshawar High Court from Anti Terrorism Court Bannu to District Courts, Lakki Marwat and posted as Assistant/Reader (BPS-11) against the newly created post of Assistant in District Courts, Lakki Marwat. In view of the aforesaid order, the appellant was permanently absorbed in District Courts Lakki Marwat in the year 2003. He submitted his arrival report which was duly accepted by the District & Sessions Judge, Lakki Marwat (respondent No. 3) vide office order date 02.05.2003 and permanently adjusted as Assistant on a vacant post by office order dated 05.07.2003. The appellant started receiving monthly salary from District Court Lakki Marwat and his seniority was also maintained there since 2003 till 2020. At the same time the Anti Terrorism Court Bannu stopped maintaining the seniority of the appellant and an employee namely

Umer Ayaz, who was Assistant and junior to the appellant at that time, was promoted to the post of Superintendent in ATC Bannu in the year 2013, meaning thereby that the appellant was no more employee of ATC Bannu nor his seniority was maintained there. After rendering 17 long years in District Courts, Lakki Marwat and being permanently absorbed there, respondent No. 1 issued the impugned order dated 08.01.2021 vide which he cancelled his own order dated 21.04.2003 and transferred back the appellant to ATC Bannu. Prior to passing the order dated 08.01.2021, respondent No. 1 called comments from respondent No. 3 regarding the promotion of Assistant to the post of Superintendent as per seniority list maintained in the District Courts, Lakki Marwat. Respondent No. 3 in his detailed reply admitted the fact that the appellant was on the top of seniority list of Assistants maintained since his transfer in 2003 in District Courts, Lakki Marwat. Feeling aggrieved against the order dated 08.01.2021, the appellant preferred departmental representation to competent authority through proper channel but the same was not disposed off within the statutory period; hence the instant service appeal. During pendency of the service appeal, departmental appeal/ representation was rejected on 21.05.2021.

3. Respondents were put on notice who submitted written replies/comments on the appeal. We have heard the learned counsel for the appellant as well as the learned Additional Advocate General for the respondents and perused the case file with connected documents in detail.

4. Learned counsel for the appellant presented the details of the case and contended that once the Hon'ble Peshawar High Court transferred the appellant in 2003 from Anti Terrorism Court, Bannu to District Courts Lakki Marwat and permanently adjusted/absorbed him there against the newly created post of Assistant, it was estopped by its own conduct while issuing the impugned order dated 8.01.2021 and the impugned appellate order dated 21.05.2021. He further contended that had the post of Assistant not being vacant in District Courts Lakki, the appellant could not have been transferred from Anti Terrorism Court, Bannu to District Courts, Lakki Marwat. Similarly, respondent No. 2 had also given no objection to the application moved by the appellant to Honourable Peshawar High Court for transfer and permanent adjustment from Anti Terrorism Court, Bannu to District Courts, Lakki Marwat. He further argued that the appellant was the senior most Assistant in District Courts, Lakki Marwat and was entitled and due for promotion as Superintendent in the upcoming DPC meeting but due to the impugned orders he had been deprived from that promotion and that it was infringement of his right as enshrined in Constitution of Islamic Republic of Pakistan.

5. The learned Additional Advocate General argued that the appellant was posted from ATC Bannu to District Courts Lakki Marwat on his own request and that he willingly chose to be posted out of his own cadre and therefore, relinquished his rights during the period of his ex-cadre posting. He further argued that the order passed by respondent No. 1 in 2003 was

ATTESTED  
Khyber Pakhtunkhwa  
Services Tribunal  
Peshawar

totally silent regarding the permanent absorption of the appellant in District Courts, Lakki Marwat and that there was no bar on the competent authority to post him back to his original establishment.

6. . Perusal of record transpires that the appellant was transferred, on his own request, from Anti Terrorism Court, Bannu to District Courts, Lakki Marwat by an order of the Honourable Chief Justice Peshawar High Court, issued by the Registrar of the court. After submitting his arrival report, the appellant was posted/adjusted as Assistant/Reader against a vacant post in the court of Additional District & Sessions Judge, Lakki Marwat. The District & Sessions Judge, Lakki Marwat started maintaining his seniority in his office since 2005 which is supported by all the seniority lists provided in the service appeal and further supported by the District & Sessions Judge, Lakki Marwat in his response to certain queries of the Registrar Peshawar High Court through his letter dated 30.07.2020 as well as reply of the respondents. The same response also clarified that posting of the appellant from Anti Terrorism Court, Bannu to District & Sessions Judge, Lakki Marwat was not on deputation, rather it was a transfer. To a query of the Registrar, Peshawar High Court whether the appellant can seek enlistment in the seniority list maintained for the officials of District & Sessions Judge, Lakki Marwat, the District & Sessions Judge, Lakki Marwat mentioned that the appellant had been transferred permanently on the post of Assistant in Lakki Marwat and as such he is rightly included in the common seniority list of Assistants maintained for officials of his office

since 2005. He further goes to the extent of saying that two officials were promoted to the post of Superintendent by the Peshawar High Court from the same seniority list of Assistants in which name of the appellant was included. According to him the seniority list remained unchallenged for 15-16 years and it was in the year 2017 when the promotion for superintendent was due and the common seniority list was sent to the Hon'ble Peshawar High court in which one Mr. Amir Nasrullah, Ex-Superintendent was on top followed by Mr. Tariq Saleem at Sr. No. 2 (the appellant), where after the Hon'ble Peshawar High Court approved the common seniority list and issued promotion order of Mr. Amir Nasrullah in the year 2017.

7. The District & Sessions Judge, Lakki Marwat has given a complete picture indicating that the appellant is now an employee of the District & Sessions Judge, Lakki, being adjusted permanently in that office against an available vacancy back in 2003 and that his seniority is also being maintained there. The reply of the respondents also indicates that when the appellant was transferred to Lakki Marwat, he was no more an employee of respondent No. 2 i.e. Special Judge, Anti Terrorism Court, Bannu. Reply of the respondents further indicates that one Mr. Umer Ayaz Khan, being the senior most office Assistant in Anti Terrorism Court, Bannu was promoted by the competent authority, indicating that the name of appellant was no more in the seniority list maintained by that office. It is strange to note that despite getting detailed and exhaustive comments from respondent No. 3

ATTESTED

KHAN  
Sudip  
Sudip  
Sudip

(District & Sessions Judge, Lakki Marwat), respondent No. 1 issued the impugned order, without giving any heed to those comments.

8. As regards the question of transfer and absorption of the appellant is concerned, this bench is of the view that when the appellant was transferred to Lakki Marwat and the District & Sessions Judge started maintaining his seniority in that office; and no objection was raised at that time, it is construed that the appellant has been absorbed in the office of District & Sessions Judge, Lakki Marwat. The action of transfer of the appellant to ATC Bannu by the Registrar Peshawar High Court at a belated stage, when seventeen years had passed, is not maintainable.

9. In view of the details given above, service appeal in hand is allowed as prayed for. Parties are left to bear their own costs. Consign.

10. Pronounced in open court in Peshawar and given under our hands and seal of the Tribunal this 25<sup>th</sup> day of November, 2022.
