The appellant at the relevant time was E.D.O Mansehra in Education Department, was removed from service vide impugned order dated 27.02.2014 on the charge of illegal appointments of C.Ts, D.Ms, PETS, ATs, Qarias and PSTs (Female) during the year, 2012 and 2013 in violation of rules and prescribed procedure, in district Mansehra. His departmental appeal was not responded, hence this appeal under Section 4 of the KPK Service Tribunal Act, 1974.</p> <p>3. Arguments heard and record perused.</p> <p>4. It is the contention of the learned counsel for the appellant that all recruitments were made according to the prescribed rules, though Departmental Selection Committee and that the material taken into consideration by the enquiry</p> |

committee were incomplete which led to incorrect conclusion. To substantiate his contention, it was argued that after appointments, some of the teachers were terminated which cases came up for scrutiny of another committee which found most of the appointments as correct and according to the prescribed procedure. That re-appointment of the said teachers through the process of scrutiny committee was after the impugned order and it is evident that if all these materials would have been taken into account by the enquiry committee, things would have been different. It was further submitted that according to recommendations of the enquiry committee, penalty of reduction to lower post was proposed but appellant was awarded major penalty of removal from service and that also without any show cause notice for enhancement of penalty which was necessary. Resultantly, no opportunity of defence was given to the appellant and the order was illegal. Reliance was placed on 2014-SCMR-147 and 2002 PLC(C.S)503. It was also argued that charge sheet was issued to the appellant as well as to District Officer (Female) Mansehra but she was exonerated and penalty was wrongly imposed on the appellant, thus the appellant had been discriminated. It was further submitted that harsh penalty had been imposed on the appellant as no charge of corruption had been leveled and that appellant had rendered almost 30 years of his service in the Education Department. To conclude his arguments, it was submitted that the charges were baseless according to record and as no opportunity of defence and personal hearing was provided to

the appellant, therefore, the impugned order may be set aside and the appellant reinstated into service with all back benefits.

5. Learned Sr.GP resisted the appeal by stating that all codal formalities of charge sheet and enquiry had been complied with and appellant had been found guilty by the enquiry committee as evident from the enquiry report, therefore, the competent authority was vested with powers to impose any penalty on the appellant. It was also argued that no discrimination was made as the lady accused official was not found guilty in the enquiry proceedings; therefore, she was exonerated and that no discrimination had been made. He also submitted that no show cause notice was necessary because full opportunity of defence had already been provided to the appellant. He requested that the appeal may be dismissed.

6. After hearing arguments for sufficient long time and perusal of the record with the able assistance of the learned counsel for the appellant and learned Sr.G.P, it reflected that amongst appointees, some of them were terminated on the allegations being irregular but most of them were later on reinstated when their appointment was scrutinized by the Scrutiny Committee and found to be correct, on merit and in accordance with the prescribed procedure. In this regard, it was submitted by learned counsel for the appellants that amongst 12 C.T appointees, one was terminated, but she did not appeal to Department for reinstatement, in 11 D.M appointees, 3 were terminated who

were reinstated; in 11 PET appointees, 2 were terminated but they did not appeal, in 20 A.T appointees, 9 were terminated out of whom 3 were reinstated but 6 did not submit appeal, in 21 Qaria appointees, 20 were terminated out of whom 18 were reinstated and 2 did not appeal, in 63 PST appointees, 34 were terminated out of whom 19 reinstated and 15 did not appeal. This may be observed that on the post of C.T, one female namely Mst. Romala, on the post of PET, 3 female Sadaf Riaz, Sanam Naz & Rabia Aziz, on the post of A.T 6 female, namely Bibi Nagina, Robina Naz, Madiha Yaqoob, Sanilatul Kubra, Tayyuba Bibi, & Bushra Gul, on the post of Qaria, 2 female namely Bibi Bushra & Farhat Bibi, on the post of PSTs 15 female, namely Asma Ali, Bibi Asia, Saba Tariq, Rifat Bibi, Fozia Bibi, Nosheen Bibi, Salma, Rafia Mussadiq, Nazima Bibi, Saba Khaliq, Rani Gul, Shahida Bibi, Rubi Sarfaraz, Uzma Sarfaraz and Niaz Gul have not been reinstated but in this regard it was argued and explained by learned counsel for the appellant that those appointees had not submitted appeals for reinstatement to Scrutiny Committee. Important aspect of the case is that it could not be clarified on the part of the respondent department that clearance of a lot of appointments through scrutiny committee and their reinstatement left a big question mark over the findings/conclusion of the enquiry committee. Though some of the above named teachers were not reinstated as they abstained to make appeal against their termination, yet there is nothing on record to show that had their cases been put to the Scrutiny Committee they would not

have been reinstated. Opportunity of show cause notice to the appellant was also necessary so that the appellant might have given vent to the latest situation after findings of the Scrutiny Committee as argued above before this Tribunal. Perusal of the record reveals that departmental appeal of the appellant has not been decided, therefore, in view of the above position of the case, it is the considered view of the Tribunal that in the interest of justice the case may be remitted to the respondent department for enquiry denovo so that the entire situation may be taken into account particularly the reinstatement of most of the alleged illegal appointees in such denovo proceedings for which purpose the Tribunal is constrained to set aside the impugned order. Hence, the impugned order is set aside and the case is remitted to the respondent department for enquiry denovo to be conducted according to law within a period of one month after receipt of this judgment where full opportunity of defence shall be provided to the appellant. The appeal is disposed off accordingly. Parties are left to bear their own costs. File be consigned to the record room.

(2) Secretary to the Government of Khyber Pakhtunkhwa

(3) Director, Elementary & Secondary Education,  
Peshawar.....Respondents.

Appeal <sup>u/s-4 of The KP service Tribunal Act 1974,</sup> against the impugned notification bearing  
No. SO(S/M)E&SED/4-17/213/Umar Khan, DEO dated 27/2/2014  
whereby the appellant was removed from service.

Respectfully Shewth:-

(1) That the appellant joined the Education Department on 1/10/1986 as a PST. Subsequently he was promoted as SET (B-16) on 26/5/1999. While working as such in the Teaching Cadre, the appellant was posted as ADO Tank on 1/1/2001 and since then served against various posts in the Administration of the Education Department and as such have gained sufficient practical experience and rendered unblemished / meritorious service in various capacities.

13/6/14

(2) That some posts of EDOs (S&L) (M) B-19 were advertised through Public Service Commission wherefor, the appellant also applied

and was selected for appointment as EDO(S&L) (B-19) and appointed as such i.e (EDO(S&L) B-19) on 1/3/2011.

- (3) That while posted as EDO(S&L) Mansehra, certain posts of CT, PET, TT, Qaria, DM, AT and PST were advertised on 22/5/2011 in different newspapers (**Annex-A**). The applicants were short listed through a test conducted by ETEA (**Annex-B-c**) and the short listed candidates were duly interviewed and merit list prepared by the relevant District Selection Committees (DSCs) (**Annex-D**). In case of B-10 & below, the DSC was chaired by the appellant (EDO) whereas the posts in B-11 & above comes within the purview of District Co-ordination Officer (DCO), so the committee was chaired by him (**Annex--E**).
- (4) That the following numbers of candidates were appointed on the basis of inter-se-merit cadrewise:-

| S.No         | Nomenclature | No of appointees |
|--------------|--------------|------------------|
| 1            | CT           | 12               |
| 2            | DM           | 11               |
| 3            | PET          | 11               |
| 4            | AT           | 20               |
| 5            | Qarias       | 21               |
| 6            | PST          | 63               |
| <b>Total</b> |              | <b>138</b>       |

- (5) That all appointments were made according to procedure prescribed in the rules on the recommendations of the genuinely constituted committees (DSCs). Merit lists (cadrewise) were prepared on the basis of prescribed criteria (i.e marks obtained in the EATA Tests plus qualification marks). No marks for interview were assigned as per criteria determined by the Education Department.
- (6) That somehow or the other, the aforesaid selection process which was not only transparent but strictly according to the prescribed procedure was subjected to enquiry proceedings and the appellant

was singled out as the only accused officer for the so called irregularities without any justification. The appellant was charge sheeted for the following charges (**Annex-F**):-

“Made illegal appointments of CT, DM, PET, AT, Qarias and PST (Female) during the year 2012 and 2013 in violation of rules and prescribed procedure in District Mansehra.”

- (7) That the appellant replied to the charge sheet thereby rebutted all the allegations (**Annex-G**). Besides, The Enquiry Committee issued a questionair to the appellant containing all objections in the mind of the Enquiry Committee to which the appellant responded parawise (**Annex-H**) and thereby tried to convince the Enquiry Committee to the effect that no irregularity was committed in the case but it appeared that they had decided not to apply their minds in the case but copied verbatim the contents of preliminary enquiry report which was conducted by my erstwhile junior which was biased in the sense that in case of my ousting from service, his seniority would be up one step so a person cannot be a judge in his own cause and a preliminary enquiry (**Annex-I**) or formal enquiry (**Annex-J**) in a case wherein he cannot apply his mind freely and unbiasedly. The Enquiry Committee based their report on that preliminary enquiry report and did not applied their own neutral mind in digging out the real facts instead copied the remarks of preliminary enquiry report which may be perused in its entirety which speaks the malafide intentions of the ill wishers of the appellant. Both the enquiry reports are attached.

- (8) That as per para-4 above, the total number of 138 employees were appointed in various categories as per EATA test as well as aggregate marks of qualification of the candidates and merit lists were prepared on that basis. No violation or discretion could be exercised by any one in the said procedure. Besides, these merit lists were not prepared by the appellant but by the DSCs under his chairmanship. Testing, calculation of marks and preparation of merit lists were a collective responsibility of DSC and to single out the chairman thereof is neither understandable nor justified. Besides, the AT post was within the purview of the DCO committee but that post (if irregularly filled) has also been dropped into the responsibility of the appellant which is again an astonishing fact.
- (9) That the appellant detected 16 illegal / fake appointments of different categories of employees and sort out their dispatch Nos and the same were notified as cancelled on 30/11/2012 (**Annex-K**). It is crystal clear that a person who has not hesitated in cancellation of fake and irregular appointments, how he can do such irregularities himself. Besides, there must be some bodies in the administrative set up of District Manshera behind these fake appointments, whose interest was bitterly injured. They must have developed ill will and rivalry against the appellant and would have fabricated a plan to discredit the appellant. It is a probable grounds behind the scene.
- (10) That the Enquiry Committee has wrongly alleged that the appellant as appointing authority has not properly scrutinized and not signed the merit lists prepared by the DSC as the appellant has minutely checked all the lists and properly signed the same (**Annex-L**). The 2<sup>nd</sup> observation of the Enquiry Committee that the DO (F) have not been consulted in cases of appointment of female teachers to different schools pre-ma-facie appears ridiculous as the proposals of posting / transfers of female teachers comes from lower tier to the higher level and the DO (F) was at intermediary level. Besides, she was a member of the DSC and preparation of merit list was a

5

collective responsibility of the committee, then how it is possible that the DO (F) as a member was not consulted. Moreover, here, the Enquiry Committee has estopped by its own contradictory statements that on the one hand the appellant has been charged for not scrutinizing the merit list and signed it and on the other the DO (F) was not consulted, then who prepared the merit lists & made appointments with the so called irregularities which have been dropped on the shoulders of the appellant.

- (11) That the allegations of the Enquiry Committee regarding acceptance of appeals at the level of the appellant without placing it before the DSC and the concern of Mst Shamin Akhtar thereon and her reporting the event to the higher ups is also an irony of facts and estopped of Mst Shamin Akhtar at her own conduct in that while approving the selection of successful candidates by the DSC, it was, interalia, specifically laid down in the minutes duly signed by her besides others that the appeal against the recruitment of candidate in cases of any default be decided by the EDO at his own level (**Annex-X**). EDO was fully authorized by the committee so placement of each and every appeal before the committee would be superfluous. Besides, no appeal which was not based on solid grounds and without of merit has been accepted by the appellant.
- (12) That despite authorizing the appellant for deciding appeals, the denial of members of the committee from this specific provision of the minutes proves that there was a deep fabricated plot conspired against the appellant for his cancellation of fake appointment orders and not to allow any illegality in posting / transfers and appointments. So, they could never be tolerant to his strict administrative stance and it is why they united against the appellant to conspire for deterioration of his service career which was done in connivance of preliminary Enquiry Officer and formal Enquiry Committee. It is why, the enquiry committee copied the preliminary enquiry report verbatim without further scrutiny thereof.

(6)

(3) That as appointment of Qarias is concerned all the Qarias were appointed strictly in accordance with the merit and qualification required for the same. The qualification required under the rules for the same is Hifzul Quran and Qirat certificates which are issued by common religious madrass of lower level (**Annex-M**), affiliation whereof with the boards (namely wafaqul madaries, Tanzeemul Madaris, wafaqatul madaris salfia and mansoorah etc) are not mandatory as these examinations are not conducted by the boards. Besides, the accepted sects of Muslims in Pakistan are not only concerned to the madrasas affiliated with wafaqul Madaris which pertains only to Deoband maslak. The letter of section officer (primary) bearing No.SO(PE)5-12/Darul uloom swat/chitral/10 dated 7/6/2012 (**Annex-N**) covers under no law as it appears that the section concerned was not aware of other boards of recognized sects of Muslims which means that the candidates belonging to Bareli Maslak or others would not be eligible for appointment if that letter was implemented. Moreover, as stated above the basic requisite qualifications of Hifzul Quran and Qirat pertains to primary level of Islamic Education and hence no relevancy with the affiliated Madrasas with the boards is required. Only registered madras are required and all the certificates pertained to the registered madrasas with either social welfare or Industries Departments / Auqaf Department. Besides, a committee of experts have scrutinized all the Certificates / Asnad and found the same genuine and correct. (**Annex-O**). This could be done by the appellant and he did it.

(14) That the so-called 'illegal appointments' of AT Teachers by giving weighted to their MA degree acquired after the closing dates of applications, it has already been pointed out that the said candidates namely Romala D/O Mohammad Iqbal and Bushra Gul D/O Masood Khan have scores of 51.97 and 50.05 respectively without including MA weight age and the last eligible appointee has a score of 49.52. As such both these candidates were appointed on pure merit. So far as Sidra Bibi D/O Ghulam Ahmad is concerned, the EATA marks plus marks of metric, intermediate, BA & MA, her score is 50.53 and no double weightage has been given to her 2<sup>nd</sup> MA. As such this candidate is also merit wise eligible and the observations of the Enquiry Committee are absolutely wrong. Similarly, Bibi Nagina D/O Abdur Rasheed was at S.No.10 of the merit list of the DSC but her name was not included / over sighted as she came to office on the other day. Since she acquired score of 52.61 whereas the lowest score of successful candidate was 49.52 and as such she was included in the merit list at S.No.9-A being eligible and rightly appointed.

(15) That the appointment of 9 PETs were made on merit against the direct recruitment quota whereas two candidates stood on merit list were adjusted against vacant posts of departmental promotion quota as no person in the lower tier was available in the schools for promotion and the posts could not be kept vacant for long. This arrangements covers under rule-9(3) of the civil servants (appointment, promotion transfer) rules 1989. Moreover, the 3<sup>rd</sup> candidates namely Rabia Aziz D/O Mohammad Aziz whose appointment was withdrawn as she was not qualified relevantly as

8,

per criteria. So this appointment cannot be mentioned as irregularity or illegality.

- (16) That the facts and ground realities explained in the preceding paras prove that the allegations leveled against the appellant and the enquiry conducted against him and decision of his removal from service by the authority vide No. **SO(S/M)E&SED/4-17/213/Umar Khan, DEO dated 27/02/2014** , not satisfied with the same , the appellant filed departmental appeal (**Anex- S**), which has not been responded , therefore, this appeal , inter-alia on the following:-

**Grounds**

- (a) That the selection of candidates were made on the basis of merit lists prepared as a result of EATA (TAT-1 & TAT-2) plus the marks obtained by the candidates in their academic certificates, diplomas & degree and as such no inter venison in the merit based selection was possible by anybody.
- (b) That the selection proceedings were carried out by a prescribed selection committee and if at all there might be some omissions, commissions or irregularity in the process, it is collective responsibility but the appellant has been singled out due to some malafide intentions.
- (c) That although the preliminary enquiry report and the formal report based thereon by the so-called enquiry committee are defective, logically and legally incorrect but he maximum penalty proposed by that committee was **“reduction to a lower pay scale or to a lower post”** as the case may be. If

at all the competent authority was in agreement with the findings of the enquiry committee, its recommendations were also principally not to be ignored. Besides, in terms of rule-14(6) read with rule-14(5) of the Govt servants (E&D) Rules, 2011, if the competent authority is not satisfied with the findings and recommendations of the enquiry committee, it may, after recording reasons in writing either remand the inquiry to the inquiry officer or inquiry committee, as the case may be, with such directions the competent authority may like to give or may order a de novo inquiry through different inquiry officer or inquiry committee but the penalty recommended by the enquiry committee cannot be enhanced arbitrarily without showing any reason therefore in writing. Moreover, attention of this honourable tribunal is also drawn to the decision of the Supreme Court of Pakistan in case 2014 SCMR 147: Asif Yousaf Versus Secretary Revenue Division wherein it has been specifically held that:-

***“There is no cavil to the proposition that the Competent Authority is not bound by the recommendation of Inquiry Officer qua the award of penalty to the accused officer. However, while disagreeing and awarding higher penalty than recommended by the Inquiry Officer, he has to firstly provide opportunity of hearing to the accused officer and secondly, he has to pass a reasoned order with conscious application of mind” (Annex-P).***

( 76

In the case of the appellant, justice has not been made by the competent authority and the penalty has been enhanced without any justification against the law and specific judicial verdict.

- (e) That under the relevant law on the subject, before taking a final decision in the matter, the competent authority has to afford an opportunity of personal hearing to the accused. In case of the appellant the competent authority has not afforded the opportunity of personal hearing. Instead thereof, the competent authority directed Secretary Establishment to do this which is not covered under any law. Impersonation is not allowed in any case. Moreover, Secretary Establishment called the appellant for the so called personal hearing on 14/2/2014 at 11.00 AM (**Annex-Q**) but before that date on 13/2/2014, the appellant was informed telephonically that he should come for personal hearing on 13/2/2014 at 11.00 AM which is again a drastic deviation from the rules. Besides, the Secretary Establishment was in hurry and he heard nothing from the appellant and submitted his note to the competent authority in hurry on 13/2/2014 duly diarized on the same date (i.e 13/2/2014) but in the final order issued by the competent authority, the date of personal hearing has been mentioned as 14/2/2014 which proves that the entire case has been dealt with in hurry and justice has not been done with the appellant as "justice hurried, justice buried". The entire proceedings has been carried out in an haphazard manner.

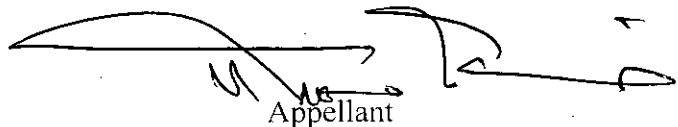

(11)

The appellant was removed from service unlawfully  
((Annex-R).

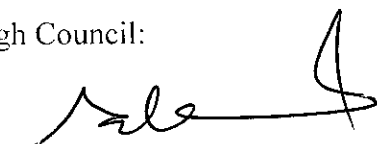

- (f) That in view of the above, the punishment awarded to the appellant is based on malafide intentions, ultra vires and without lawful authority and as such is liable to be rescinded.
- (g) That during the course of hearing, the appellant may be allowed to rely on additional grounds (if any).

**Pray**

- (i) In view of the above, it is prayed that on acceptance of this appeal the impugned notification No. SO(S/M)E&SED/4-17/213/Umar Khan, DEO dated 27/12/2014 vide which appellant was removed from service may be declared as illegal, without lawful authority, without jurisdiction, malafide, void an-initio, arbitrary, of no legal effect and the same may be set aside and the appellant be re-instated in service with all back benefits.
