40. Service Appeal No.1111/20219

20/1/2

In view of common questions of law and facts, the above captioned appeals are being disposed of by this order.

2. Precisely stated the facts of the case are that the appellants were appointed as SSTs. They were directed to produce service record but failed. After completion of codal formalities, they were removed from service by means of orders dated 04.04.2019 and 05.04.2019. They preferred departmental appeals but the same were not responded to, hence, the present service appeals.

3. Learned counsel for appellants submitted that the appointments were made in accordance with law by following the prescribed procedure which cannot be held fake appointments. That notifications dated 04.04.2019 and 05.04.2019 are against law and facts. That the appellants were not treated in accordance with law and they were not given an opportunity to defend themselves as enshrined in Article 10-A of the Constitution of Islamic Republic of Pakistan 1973. Learned counsel further argued that neither regular inquiry was conducted nor the appellants were served with show cause notices, hence, they all were condemned unheard. That all the appellants being qualified, were property appointed of and fulfillment of all codal formalities but they were shown out of service with a single stroke of pen without care and caution of its legal consequences which caused grave miscarriage of justice. In order to substantiate his version, reliance has been placed on 2011 SCMR 1581; 2004 SCMR 303; 2016 SCMR 1299 and 2010 PLD SC 483.

Conversely learned A.A.G appearing on behalf of respondents, 4. controverted the contentions of learned counsel for appellants by contending that claim of the appellants regarding their appointment is baseless and. liable to be rejected as they never applied for the said post nor appeared in any interview, therefore, their appointment was declared fake & bogus and have been disowned by the Department vide notifications dated 04.04.2019 and 05.04.2019. He submitted that they were treated as per law, rules and policy and there is no question of violation of Article 10-A of the Constitution of Islamic Republic of Pakistan 1973, hence stance of the appellants is baseless and liable to be rejected and lastly, he submitted that those appellants who claimed to have been recommended by the Khyber Pakhtunkhwa Public Service Commission, failed to produce any proof of their recommendation by Public Service Commission. Reliance was placed on 2005 SCMR 1814; 2005 SCMR 1040; 2009 SCMR 1492 and 2012 SCMR 673.

Before dilating upon the main issue, it merits a mention here that total 5. 40 connected cases are intended to be disposed of through this single judgment. There are three categories of cases, category-I. includes fives cases of those employees who were appointed on contract basis and subsequently were regularized in service under the KP Employees TTESTED (Regularization of Service) Act, 2009 and it was on 04.04.2019 when they received notification vide which appointment record in respect of these

appellants was found bogus, thus, their appointment/adjustment notification dated 11.02.2010 was disowned. Category-II includes those employees who upon recommendation of D.S.C, were appointed as PTC, subsequently applied for SSTs' posts and were selected by the Khyber Pakhtunkhwa Public Service Commission. It was on 04.04.2019 when they received notification vide which appointment record in respect of these appellants was found bogus, thus, their appointment notification was disowned. Appellants of category-III are those, who were appointed as SSTs on the recommendations of KPPSC and two of them were promoted to the rank of S.S and it was on 04.04.2019 when they received notification vide which appointment record in respect of these appellants was found bogus, thus, their appointed appellants of these appointed as SSTs on the recommendations of KPPSC and two of them were promoted to the rank of S.S and it was on 04.04.2019 when they received notification vide which appointment record in respect of these appellants was found bogus, thus, their appointment hotification was disowned.

Secondary School Teachers (SST) previously known as S.E.T are 6. usually appointed through Departmental Promotion Committee or through Public Service Commission. As per existing policy, the promotion share is 75% of various Teaching Cadre and 25% is through initial recruitment. Recruitment of SSTs were lastly made through Public Service Commission in 2012 while in the year 2008, SSTs were recruited on Adhoc/Contract Basis and later on, they were regularized. As per respondents there were rumors that various number of SSTs, SETs have been inducted in the system and working in different agencies without adopting the proper recommendation of Public Service Commission or Departmental Promotion Committee. This task was assigned to two Assistant Directors who checked the credentials of all the SSTs and submitted report where-after another Inquiry Committee was constituted and 69 SSTs were declared fake being directly inducted in TESTED the system. The Inquiry report was not available on record and it was man produced upon the directions of Bench. There is a riddle as

respondents came to know without any inquiry after a long period of service. by all the appellants that their appointment order is fake. Different documents were produced by the appellants which were placed on file which show that some of the appellants applied for a post published by the Public Service Commission as they produced application forms. Appellant in Service Appeal No.964/2019 Shakir Ullah produced his application form, one Abdul Malik appellant in Service Appeal No.968/2019 also produced Call Letter for Interview from Public Service Commission. Similarly, appellant in Service Appeal No.1010/2019 also produced his Call Letter. Some documents were produced by appellant in Service Appeal No.965/2019 vide which he was directed by the Commission to rectify the deficiencies. Another letter addressed to the Secretary to Government of Khyber Pakhtunkhwa Elementary & Secondary Education vide which recommendations in favor of 21 recommendees was sent and few recommendees are still in service. Another recommendation in favor of three ladies is available on file wherein appellants Mst. Sarwat Jehan and Mst. Tahira Naz are available at Serial No. 1 & 3 whereas Mst. Rabia Shams at Serial No.2 is still in service. Similarly, other documents also show same entries. Record further shows that appellants in Service Appeals No.1027/2019 and 1033/2019 i.e. Mst. Sarwat Jehan and Mst. Seema Mujahid respectively were properly promoted as there was nothing against them. They are qualified and they served the Department for a long period. They drew their salaries and lastly, they were removed by the authority by disowning their service record. As per recommendations of the Inquiry report, 69 SSTs were neither recommended by the Public Service Commission nor promoted/recruited by the Elementary Secondary Education Khyber Pakhtunkhwa. Their salaries were recommended to be stopped and proceedings under the Khyber

Pakhtunkhwa Government Servants (Efficiency & Discipline) Rules, 2011 were recommended to be initiated. The competent authority while passing the impugned order did not bother to go through the contents of the inquiry report. The appellants have received salaries for a long period which strengthen their case. The respondents did not irk to conduct proper inquiry as to who issued such orders and who processed and submitted their salaries to the Account Office. The respondents avoided all such mandatory steps and out rightly stopped their salaries by disowning their appointment orders, thus allow the real culprits to stay behind the curtain, knowing the fact that the appellants have now developed a vested right over the posts as they have drawn salaries for a long period against the sanctioned posts. The respondents handled the case carelessly by not reaching to a logical conclusion, hence, left the appellants in a hanging position.

7. In view of the situation, the impugned orders stand set aside and the appellants are reinstated in service with direction to the Department to conduct proper inquiry. They shall investigate the issue through a proper inquiry reaching to a logical conclusion to find out the real culprits who maneuvered to make it possible and thereafter, the fate of appellants be decided in the light of the said inquiry. The respondents shall conclude the proceedings within 90 days after receipt of this judgment. The issue of back benefits shall be subject to the outcome of inquiry. With no order as to costs. File be consigned to the record room.

BACKGROUND OF INQUIRY:

The Secondary School Teachers (SSTs) previously known as SETs are usually appointed/ recruited through Departmental Promotion Committees (DPC)or Public service commission. It is provincial cadre post and the Director E&SE Department Khyber Pakhtunkhwa Peshawar is appointing authority for appointment against the said post in Khyber Pakhtunkhwa and Ex- FATA, while Director Education FATA was only limited to the anjustment of the SST, whose services were placed at his disposal for further posting in various Agencies/ FRs of Ex-FATA. Previously as per recruitment policy 50% SSTs were directly recruited/ appointed through Public Service Commission whereas 50% through departmental promotion committee from different junior teaching cadres. According to the existing policy 75% SSTs are promoted from various junior teaching cadres and 25% through initial recruitment. The instant inquiry committee initiated fresh process in order to obtain complete record/ data of the vorking as well as disowned SSTs in order to conduct proper inquiry in the instant case. Some written compleints were also found on the record submitted by those SSTs whose appointment orders were disowned, requesting for proceeding against some SSTs who were inducted directly and illegally but were not proceeded actionst and are still working. (Annex D P 3 to 5)The committee visited Tribal Districts Orakzai, Kurram, Vioh.nand, Khyber, Bajour, Sub Division Darazinda D.I.Khan and Tribal District South Wazirisitan, as almost all includeed illegal appointees were reported to have been working in these Districts. The available record to flaining to the instant inquiry was obtained and thoroughly examined. The committee further obtained usailable data of SETs/SSTs working in all the Tribal Districts and Sub Divisions, complete record of recommended candidates for the post of SST under Advertisement No.01/2009 from KPPSC and recruitment record of contract employees and their regularization notifications from Director E&SE Department Peshawar. The data obtained from KP PSC and Director E&SE Department Peshawar was cross checked with the data of orking SSTs provided by DEOS Tribal Districts and Sub Divisions.

The committee also cross checked the appointment and adjustment orders in respect of all the appointees who were found working but could not be verified as recommended by the KP PSC with the record maintained by the Directorate of E&SE Department Peshawar and Directorate of Ex-FATA.

Opportunity for personal hearing and cross examination the evidences was offered to all the SSTs who his produced appointment orders, taken over charge against SST post and had been working in various Tribal Districts and Sub Divisions but their recommendations against the SST posts were not verified by the Public detvice Commission and their appointment orders were found suspicious. (Annex C P 6 to 10) However, most of them refused to avail such opportunity on the plea that they wanted to change the instant inquiry committee and they had also submitted a written application in this regard to the authorities concerned. (Annex D P (Annex E P 13) to 25)

OPSERVATIONS

The available recruitment record of SST (M&F) provided by the Director E&SE Department Peshawar reveals that 2136 SSTs were appointed through online submission of application to Director E&SE Department peshawar in 2008 on contract basis for 01 year. Later on they were regularized in service with effect from 01-01-2009 through proper notifications made by the Director E&SE Department Peshawar under the NWFP Employees Regularization Act 2009.

On the other hand KP PSC under Advertisement No.01 2009 offered 2852 posts of SST M/F for NWFP/FATA domicile candidates. Tests and interviews were held and PSC recommended more than 2500 candidates M/F for appointment against SETs/SSTs posts out of which 367 candidates (291 Male and 76 Female) were selected from zone 01 and recommended to be appointed in various Agencies and FRs of Ex- FATA. (Annex FP 26 to 52)

During cross checking of all the appointment orders issued by the Director E&SE Department Peshawar under various notifications and posted in almost all the Districts including FATA and regularization notification issued in this regard, appointment of only two appointees who claimed to be appointed by the DE E&SE on contract basis were found fake and forged. However, during cross checking of the SST data provided by the DEOs of all the Tribal Districts, Sub Divisions with the record provided by KP PSC, it was found that 59SSTs who inicitaken over charge and have been working against SST post in Ex-FATA (some of them transferred to other Districts) could not be matched with the candidates recommended by KPPSC. Hence, it is evident that they were not selected by KP PSC and their appointment orders and service against SST post are illegal, unlawful, irregular and unauthorized. Some of these illegal appointees were even not eligible to apply for the post Advertised by KP nso because they did not possess prescribed qualifications required for the post as per Advertisement, which reveals that they have neither applied for the post through PSC nor have been gone through the recruitment process (Annex G P 53 to 63)

1

After thorough examination of the mode of induction of the aforementioned appointees it was found that their way of induction and present status is not the same. Therefore they are divided into three main categories as per given detail.

CATEGORY A.

34 accused appointees whose appointment orders could neither be verified from KP Directorate nor their adjustment orders from Director Ex FATA. They have not been recommended by the KP PSC for appointment against SST post. They have managed their appointment orders through their own sources. Their detail particulars and irregularities observed by the inquiry committee are elaborated as under: (Annex H P 64 to 113}

02 number of accused appointees whose appointment orders were not provided to the inquiry writtee. Their status was checked from the available record. Their appointment were neither verified by Unclocate of E&SF Pashawar nor they have been recommonded by the KP PSC for the posting against SST we Solvever they have been taken over charge against SST post and had also been working for some time.

- - 11	plame.	Father's Name	Place of posting	Order No.	Remarks/ Comments of inquiry committee.
	ainmad Shah	Feroz Shah	GHS Spin Qabar Khyber	Appointment order not provided by the office	He had taken over charge against SST post at GHS Spin Qabar Khyber but has been struck off from the system before issuance of disowned notification as per record. He could not be traced. He was not summoned for personal bearing.
· · · · · · · · · · · · · · · · · · ·	Fazlı Haieem	Kalim Hussain	GHS Mawaz Killi Khyber	Appointment order not provided by the office	He had been taken over charge against SST post in District Khyber and has been working there. His appointment order was disowned by the Director E&SE Department Peshawar, however he did not file appeal against disowned notification before the KP Service Tribunal. He was not summoned for personal hearing.

It is evident from the above-mentioned detail of alleged illegal appointees that:

a. 34 numbers of the said appointees have been inducted in the system by producing fake and forged appointment as well adjustment orders managed by themselves through their own sources. Therefore no one other then the beneficiaries can be held responsible for such illegality and forgery with huge loss to the public exchequer.

b. 25 alleged illegal appointees who claimed to be appointed on the recommendations of public service commission have been inducted in the system by producing adjustment order issued by the Director Ex-FATA on the basis of fake appointment orders not verified from the record of Directorate of Elementary and Secondary Education Department KP being appointing authority.

Mr. Fazal Manan has been posted as Director Ex-FATA since 20-1-2006 to 31-10-2012. He was summoned by the inquiry committee and properly interrogated. According to him it is retreated that the adjustment orders of SSTs made by DE FATA were based on the appointment notifications already issued by the competent authority, as specified at serial No.4 (2)(c) of the APT rules. 1989 and the adjustment orders would have not been issued by DE FATA if the appointments had not been ordered by the director E&SE KP. He further stated that all the perquisites of appointments were to be full filled by the respective appointing authority before issuance of appointment notifications. According to him

there was neither any established mechanism/procedure not any precedent available in the history of directorate of Education FATA that appointment notification issued by the E&SE KP were to be verified before making adjustment against vacant post in FATA and recruitment policy of SETs also did not indicate the requirement of verification of such notification issued by the respective appointing authority before making adjustment of already appointed teachers. He also stated that the adjustment in hundreds of SETs had been made in FATA schools and even a single notification of appointment has included before adjustment. He further clarified that a copy of each and every adjustment is being of SETs issued by the DE FATA was endorsed to the Director E&SE XP with reference to his is tification and also to KP Public service commission. But neither the Public Service Commission had raised any objection or disowned its recommendation nor the DE E&SE KP had raised any objection on the adjustment made on the basis of its appointment notification at any stage. ور من المان المناقبة على المان المان المان المان المان ال محمد المان المان المان المان المان المان المان المان المان المناقبة من المركز المان المان المان المان المان الم

According to him he had not given any specific orders or decisions to issue adjustment order without processing the case on file and it was a routine matter and the case had to be examined and put up on file as PUC with a note sheet and process through the proper channel of officers on the concerned sections for approval of the Director. He also provided detail of some appointees adjusted in FATA whose services were verified by the Director E&SE which certify availability of their service record at the level of Directorate E&SE KP. He further added that the illegal and unlawful adjustment orders had been stood automatically void and ineffective when the appointment orders were declared as fake and disowned by the appointing authority as the content of their adjustment orders were very much clear and consequential to the appointment notification. He further added that the Director FATA did not heve any authority of appointment of SSTs/SETs (8S-16) and being the provincial cadre employees they are to be appointed by DE E&SE KP. According to him the DE FATA had just to adjust the teacher already appointed and their services placed at his disposal by the Director DE S&SEKP. He stated that he did not accept any kind of responsibility in this regard and he had made adjustment as per procedure already in vogue followed by his predecessors and successors and had not made any violation of prescribed-policy and procedures.

He also stated that adjustment of the candidates would not have been made without the appointment orders of the respective teachers issued by the appointing authority and the DE FATA may not be held responsible for the illegal and invalid appointment orders of SSTs as he did not enjoy any legal authority for appointment. (Annex K P 136 to 142)

Mr. Syed Manzar Jan remained as Deputy Director Ex-FATA since November 16,2010 to April 05, 2011. According to his statement his job was to confirm the vacancies, tally names given in the appointment orders with names proposed for adjustment on file proceeded on the directions of the Director. He further stated that no process for verification of letters existed at the office as a lot of letter and orders etc were received on daily basis, action were taken and copies for information were sent to the concerned quarters. In the said case according to him, copies for information were regularly sent to the appointing authorities i.e. Director E&SE Department Peshawar as well as other quarter but no illegality or irregularity was pointed out so far by any of the office. He also stated that Director E&SE Department Peshawar is the appointing authority for SSTs and the candidates appointed were kept at the disposal of the Director Ex-FATA for further adjustment only, so the Director E&SE Department Peshawar is responsible for any irregularity being appointing authority. He denied any type of illegality or irregularity committed by him during all his service tenure. (Annex L P 143 & 144)

by the Director E&SE Department Peshawar with the name in the adjustment order and ensure that the draft prepared for adjustment is duly endorsed to all the stack holder including the appointing authority.

According to her there was no such practice mechanism / policy for formal verification of letter/ orders / notifications of the parent directorate and the undersigned was also not assigned any such task, the further stated that as the appointment orders were received from the Directorate of Elementary and secondary Education and the Adjustment orders were properly intimated to them who acknowledged the same, so the responsibility may be traced at the level of Director E&SE Department Peshawar. According to her she has fulfilled her duty honestly throughout her professional career and no illegality regarding the adjustment orders had come into her knowledge. (Anner M P 145 & 146)

Mr. Kashif Khan posted as Assistant Director Colleges and schools in Ex-FATA since 24-11-2011 to 18-05-2015 and AD training DE Ex-FATA since 15-04-2016 to 26-04-2018 was heard in length. According to his statement his job as Assistant Director was to ensure that corresponding vacancies existed in the Districts and also to ensure that the draft proposed for adjustment is duly endorsed to all stakeholders including the appointing authority. He further stated that for the first time a complaint regarding bogus / fake appointment of 04 numbers SSTs in Orakzai Agency was received from KP PSC and in pursuance of the above the Director E&SE Department Peshawar was approached for verification of the said order. According to him the Director E&SE Department Peshawar responded that no such appointment order have been issued by the appointing authority. He added that an enquiry committee including him as member was constituted to unearth the factual position. The committee submitted its report and declared all the 04 SSTs as fake and recommended action against them. According to him some illegal transfer orders of SST issued by Director E&SE Department Peshawar are also on the record and he has also persuaded such cases for verification and action.

He further stated that he along with another Assistant Director was assigned the task by Director E&SE Ex-FATA to carry out a comparative study of the kP PSC selectees and the incumbent SST "list provided by the AEOs" in FATA. According to him thorough scrutiny was made and 158 number of suspected SST were detected and recommended for in depth inquiry. He further stated that he feels proud to say that this grey list of 158 number of suspected SST provided a base for all the succeeding inquiries carried out by the NAB as well as the department.

He also stated that there was no precedent of verification of appointment orders issued by the Director E&SE Department Peshawar in the history of DE FATA since its establishment in 1972/75. In the instant case copies of each appointment order has been endorsed to the Director E&SE Department Peshawar for verification. He also provided documentary evidence in support of his statement. (Annex N P 147 to 171) Statements of all the four officers mentioned above were found comprehensive, reasonable, genuine and convincing.

They were of the view that they have obeyed their superiors and had followed their directions as subordinate staff. They further stated that no irregularities have been observed by them and adjustment orders have been issued on the provision of appointment orders issued and received from Director E&SE Department. Peshawar, Mr. Faya: Khan the dispatcher in his statement said that copy of each and every order issued by DE FATA had been delivered for information and verification to the Director E&SE Department. Peshawar, He provided some photo copies of peon book which reveals the delivery of adjustment orders in question to the Directorate of E&SE Department Peshawar. (Annex P P 172 to 182)

A CONTRACT OF A

One alleged illegal appointee Mr. Ahmed Shah S/O Firozshah on S.NoO1 in category C has already been struck off from the system before the issuance of disowned notification and could not be traced. While another appointee Mr. Fazli HaleemS/O Kalim Hussain was declared fake by the previous inquiry committee and his appointment order was disowned by the Director E&SE Department Peshawar. He did not file appeal against the disowned notification before theService Tribunal and therefore was not summoned for interrogation.

. <u>крист</u>

In view of the above narrated facts, perusal of the available office record and the documentary mance, the committee has come to the conclusion that:

All 61 accused appointees mentioned above were found inducted in the system illegally and unlawfully without going through proper recruitment process, recommendations of the KP PSC and eppointment by Director E&SE Department Peshawar. Their appointment notifications are baseless, fake and forged. They have managed their appointment orders on their own level through scanning or other techniques. Their adjustment orders based upon their appointment notifications are also void and ineffective. Their appointment orders being fake and forged are liable to be disowned.

2: 07 Nos of appointment orders bearing fake numbers and dates of the office of the Director E&SE Department Peshawar in respect of 25 SSTs generated by the accused appointees through their own sources have been submitted to the then Director FATA for further adjustment against vacant posts. On provision of all such orders proper files have been processed as per routine practice through all the concerned officer/ official and adjustment orders have been issued on approval accorded by the Ex-Director FATA Mr. FazleManan.

It is pertinent to mention that the Director Ex-FATA was betther appointing authority of SSTs nor appointment recordexcept their appointment notifications were provided to the Directorate of Ex-FATA. No formal practice of verification of the appointment letters received to DE FATA was available as per policy in vogue. Moreover, copies of all such adjustment appointment orders were endorsed and Jelivered to the Director E&SE KP with reference to his appointment orders for information but no any objection were raised by the quarter concerned regarding invalid status of such appointees. All such adjustment orders have been issued as per established routine procedure on the provision of appointment orders. Hence, the DE FATA and his team may not be held responsible for illegal induction of appointees in the system through the said adjustment orders. The beneficiaries/illegal appointees alongwith those who provided themtechnical and other support are sole responsible for this act of forgery and illegalitywith huge loss to the public exchequer. They know better how did they come into system and who did facilitate them to get their fake appointment orders.

Moreover the Diractor Ex-FATA has made a jot of correspondence with the Director E&SE Department Peshawar since 2013 to 2017 for verification of appointment orders of suspicious SSTs inducted in the system. Various inquiries have also been conducted by the DE FATA to scrutinize and verify, appointment status of the suspicious SSTs. A committee comprising two Assistant Directors at DE FATA Mr. Muhammad Kashif Khan and Muhammad Ullah ordered by the DE Ex-FATA was assigned the task to carry out a comparative study of the KP PSC selectees and the incumbent SSTs working in Ex-FATA. The committee after thorough scrutiny detected 158 number of suspicious SSTs and recommended for a broad based inquiry for further verification. Such efforts of the committee provided a base for all the succeeding inquiries including the instanct inquiry. Hence all the efforts made by the Ex-Oriectorate to unearth the defaulters may not be ignored.
