02. Brief facts of the case are that the appellant is employee of the respondent department and performing duty as SST (BPS-16). In the year 2004, the respondents invited applications for the post of subject specialist on contract basis and after due process of selection, the appellant was appointed as Subject Specialist (BPS-17) on contract basis for a period of six months vide order dated 10-09-2005. The contract period was renewed/extended for another period vide notification dated 24.03.2006. It is worth to mention here that a notification was issued by the respondent department that in-service teachers, who are also appointed on contract basis as SS(BPS-17) should get leave without pay from their original post of SS(BPS-16), if they want to continue their contractual appointments. The appellant applied for extra ordinary leave, which was granted to the appellant by the department vide order dated 28.02.2006. It is pertinent to mention here that the entry with regard to the leave without pay was made on the service book of the appellant. After expiry of the contract period the same was once again renewed/extended vide notification dated 20.10.2007, but the department refused to sanction leave without pay to the appellant and thus the appellant was deprived to continue service as Subject Specialist on contract basis, hence the appellant returned to his original post of SS (BPS-16). Vide advertisement dated August, 2007 the posts of Subject Specialist were once again advertised but through this advertisement the in-service teachers were debarred to appear in the test, hence the appellant was also not allowed to be appointed/selected on the post of SS on contract basis. In the meanwhile the contract appointees were regularized vide notifications dated 24.10.2009 and 11.12.2009 and thereby permanently depriving the appellant from appointment on contract basis on the post-of SS as well as through this regularization the right of promotion of the appellant to the post of SS was also curtailed. The appellant feeling aggrieved from the action of the respondents and from the impugned regularization dated 24.10.2009 and notification dated 11.12.2009, preferred departmental appeal

followed by a Writ Petition No. 741-A/2010 before the Honorable Peshawar High Court Abbottabad Bench which was decided vide judgment dated 24.11.2020 with the observation that the matter pertaining to terms and conditions, therefore, the petition was dismissed being not maintainable. However, the petitioners were given liberty to knock at the door of the competent forum for redressal of their grievance, if so desired, hence the appellant filed the instant service appeal with prayers that the appellant may be considered for promotion to the post of subject specialist (BPS-17) with effect from 2009 i.e. the date when adhoc/contract SS (BPS-17) had been regularized with all back benefits including seniority.

03. Learned counsel for the appellant argued that by not promoting the appellant to the post of SS (BPS-17) w.e.f. 2009 i.e. the date when the adhoc/contract S.S (BPS-17) have been regularized with all back benefits ingluding seniority is against the law, facts, norms of natural justice and material on the record hence not tenable and liable to be modified/rectified to the extent of the appellant be promoted w.e.f. 2009 with all back benefits including seniority; the appellant has not been treated by the respondent department in accordance with law and rules on the subject noted above and as such the respondents violated Article 4 and 25 of the Constitution of Islamic Republic of Pakistan 1973; that the treatment meted out to the appellant is clearly based on discrimination and malafide as such the respondents violated the principle of natural justice; that the appellant is fully entitled to be promoted to the post of SS (BPS-17) w.e.f. 2009 i.e. the date when the adhoc/contract SS have been regularized with all back benefits including seniority in light of Section 9 of the Khyber Pakhtunkhwa Civil Servants Act, 1973 read with Khyber Pakhtunkhwa Civil Servants (Appointment, Promotion and Transfer) Rules, 1989; that the respondents violated Article 38(e) of the Constitution of Islamic Republic of Pakistan, 1973, according to which state is bound to eliminate disparity in the income and earning of individuals including

IM

Article of the Constitution the respondents are duty bound to promote the appellant to the post of SS (BPS-17) w.e.f. 2009 i.e. the date when the adhoc/contract Subject Specialist have been regularized with all back benefits.

- O4. Learned Additional Advocate General appearing on behalf of respondents has contended that the respondent department advertised some posts of Subject Specialist BS-17 purely on contract basis for a period of six months in the year, 2004; that the contract was extended for further six months in the light of notification dated 24.03.2006; that as per terms and conditions in-service teachers were not allowed to apply against the post of six month contract being regular employee of the department. He added that matter was also decided by the Hon'ble Peshawar High Court Peshawar in Writ Petition No. 2905-P/2009 titled "Atta Ullah and others Versus The Chief Secretary Khyber Pakhtunkhwa etc." which was disposed of in the following terms:-
 - (i) that the Act, XVI of 2009, commonly known as (Regularization of Services) Act, 2009 is held as beneficial and remedial legislation, to which no interference is advisable hence, upheld.
 - (ii) Official respondents are directed to work out the backlog of the promotion quota as per above mentioned example, within 30 days and consider the in-service employees, till the backlog is washed out, till then there would be complete ban on fresh recruitment.
- 05. We have heard learned counsel for the parties and have perused the record.
- 06. Record reveals that the appellant was serving as subject specialist (BPS-16) against a regular post. In 2004 some posts of subject specialists in BPS-17 were advertised and the appellant also applied for the

Wh

same through proper channel and with permission of the respondents and was selected and appointed as such vide order dated 10-09-2005 for a period of six months, which was further extended for another period of six months vide order dated 24-03-2006. In the meanwhile, the respondents issued a notification dated 15-09-2005 that in-service candidates, who wish to join the contractual post of SS (BPS-17), can join the post with the condition that either they shall resign from their existing post or get leave without pay from their regular posts. In compliance the appellant requested for leave without pay, which was granted vide order dated 28-02-2006. The contractual period of the post of SS(BPS-17) was again extended for another period of six months vide order dated 20-10-2007, but the appellant was not granted leave without pay after expiry of his previous leave without pay, thus the appellant was compelled to return to his original post of SS(BPS-16). In august 2007, the posts of SS (BPS-17) we're again advertised, but in-service teachers were debarred to appear in the test, but before such appointments were made, the contract appointees were regularized vide order dated 24-10-2009 and 11-12-2009.

of SS (BPS-17) in the first place due to refusal of leave without pay, which was admissible to him as per notification dated 15-09-2005 and secondly he was deprived of regularization against that post. Stance of the appellant hold force to the effect that if he was granted leave without pay, he would have served against the contractual post of SS (BPS-17) till its regularization and he would have been regularized alongwith his batchmates, but the respondents violated its own order dated 15-09-2005 by not granting him leave without pay. It is also worthy to note that the respondents initially allowed in-service teachers to work against the contractual post of SS(BPS-17) either to obtain leave without pay or resign from their original post and later on refused the same facility without

supersession of order dated 15-09-2005, which however was not warranted.

08. We are of the considered opinion that the appellant has not been treated in accordance with law, as the appellant served against the contractual post of SS (BPS-17) alongwith his batch-mates for quite longer but just before its regularization, the appellant was refused leave without pay, which compelled him to return to his original position of SS(BPS-16), thus deprived him of the benefits, which were admissible to him after his regularization against SS (BPS-17) on the one hand and on the other hand the appellants promotion/seniority was also blocked by inducting huge number of BPS-17 through their regularization. The irregularity committed by the respondents was refusal of leave without pay, which however was admissible to him under notification dated 15-09-2005 and which created the whole mess, due to which the appellant suffered for the unlawful act of the respondents. Equity and fair play demands that the appellant must avail the benefits accrued to him against the contractual post of SS (BPS-17), which was later on regularized and against which the appellant served for quite longer time, but was illegally detached from such post, which however was not warranted.

09. In view of the foregoing discussion, the instant appeal as well as connected service appeals are accepted as prayed for. Parties are left to bear their own costs. File be consigned to record room.

Counsel for the appellant present. Preliminary arguments heard.

The appellant in the matter of grievance agitated through this service appeal, firstly approached to the Hon'ble Peshawar High Court, Abbottabad Bench vide Writ Petition No. 741-A/2010. The said Writ Petition was disposed of on 24.11.2020. It was observed by the Hon'ble High Court in the judgment that the plea urged before the said Honourable Court pertains to the terms and conditions of a civil servant, which can be urged before the Khyber Pakhtunkhwa Service Tribunal constituted under Article 212 of the Constitution of Islamic Republic of Pakistan, 1973, having exclusive jurisdiction to adjudicate upon the matter relating to terms and conditions of a civil servant. In furtherance of this observation, the Writ Petition was dismissed being not maintainable but petitioner was given liberty to knock at the door of competent forum for redressal of his grievance, if so desire. Thus, he is here before this forum. The pertinent point of the preliminary arguments in respect of the present appeal emerges that the appellant being in-service teacher was prohibited by condition No. 6 of the advertisement annexed with the appeal at Page 32 (annexure-F) from submitting application for the advertised posts. So the appellant, obviously in- service teacher, could not apply for the advertised posts due to the prohibitory provision in the advertisement. The said condition in the

GOVERNMENT OF N.W.F.P.: SCHOOLS & LITERACY DEPTT:

No.PA/DS/S&LD/ Dated Peshawar the 15th Sept:2005.

All Executive District Officers in N.W.F.P.

SUBJECT:- APPOINTMENT OF SUBJECT SPECIALISTS ON CONTRACT BASIS.

I am directed to refer to the appointment orders of the Subject Specialists (B-17), on contract basis for a period of six months or till arrival of the nominee of the Public Service Commission whichever is earlier. One of the terms and conditions mentioned in the appointment orders is that in-service candidates shall not be allowed to join and shall not be handed over the charge by the EDOs concerned. However the condition mentioned above has created confusion as some of the in-service candidates are t ying to join the post despite the fact that they are regular employees and the post in question is a contract one.

2. In this connection it is clarified that according to sub Section 1(b) of Section 2 of the NWFP Civil Servant Act 1973 a person employed on contract, or on work charged basis or is paid from the contingency is not a Civil Servant. Hence the lien of Civil Servant cannot either be transferred or retained if they joined the post on contract basis. In view of the above the in-service candidates who wish to join the post of Subject Specialists, on contract basis array be allowed subject to the condition that either they shall reason from their existing post or got leave without pay. However, charge shall only be handed over after the sanction of leave without pay.

in the Education Department were and are qualified for the posts of SS as required by their service rules but by the illegal and void acts of respondents have been deprived of their vested right ordained by the constitution, without any fault on petitioners' part.

That initially imposing of ban on regular employees and then regularizing outsiders on SSI posts by violating legal procedure of requirement through Public ' Service Commission Departmental Promotion Committee speaks loudly the malafide on the part of respondents which is the example of sheer discrimination on part of respondents. This act shows pre-plan of respondents to accommodate their favourities and that of persons in power. Had the respondents given chance to the petitioners to compete with the

The act of respondents barring the petitioners from their legal right of applying for higher post of SSO tantamount to sheer discrimination and violation of fundamental rights of the petitioners which has been guaranteed in the constitution.

That due to the illegal act of respondents, a large number of inexperienced and unqualified teachers have been permanently inducted out of turn, thus, the seniority of the petitioners has been seriously disturbed. Temporary employees have been given preference over permanent employees, which fact is violative of service rules and violative of fundamental right of promotion.

teachers; that in the year, 2004, the petitioners applied

for appointment as subject specialist in response to advertisement published by the Education Department; that the petitioners qualified the requisite EATA test and consequently they were appointed as Subject Specialist on contract basis for a period of six months; that the contract of the petitioners was extended on 24.03.2006; that during the said period, a Notification was issued by the department that in service teachers appointed as SS can obtain leave without pay, as such, the petitioners obtained leave without pay; that on 20.10.2007 the contract was further extended, however, the department refused to grant leave without pay, which constrained the petitioners to quit their contractual service; that since 2006 the petitioners were deprived from annual increment due to leave without pay and when the posts of SS were advertised for appointment on regular bases, the petitioners being in service teachers were debarred to apply for the posts. Hence, this petition.

It was mainly contended by the learned 3. counsel for the petitioners that after a fair competition, petitioners were appointed as Subject Specialist (BPS-16) on contract basis as a stopgap arrangement. Ultimately, they left the service on 20.10.2007 due to refusal of the department to sanction the leave without pay: that during service on contract basis the petitioners were not granted increments; that in the year, 2008, posts of subject specialist were advertised but the petitioners were debarred to apply for that posts; that the petitioners were appointed as subject specialist that in the meanwhile due to Notification dated 24.09.2009, the services of the contract/temporary employees appointed as SS or SST were regularized; that after assuming the charge in their parent department the petitioners became junior to their colleagues and their seniority was also liable to be rectified.

petitioners regarding seniority and grant of increment relates to terms and conditions of a civil servant and petitioners being civil servants can urge their plea before the Service Tribunal and this writ petition is not maintainable, in view of embargo placed under Article 212 of the Constitution of Islamic Republic of Pakistan, 1973.

5. Arguments heard. Record perused.

Perusal of record reflects that the petitioners 6 were the permanent employees of the Education Department. They were serving in different categories. They were initially appointed on contract basis for a period of six months vide Notification dated 10.09.2005, on the terms and conditions mentioned therein. However, the contractual employment of the petitioners was extended on 24,03.2006. It is pertinent to mention here that the petitioners have joined the contractual employment after obtaining leave from their department, however, on 20.10.2007 the department refused to grant leave to the petitioners without pay and ultimately they left their contractual employment and joined their parent department. In the meanwhile on the promulgation of North-West Frontier Province (Regularization of Services) Act; 2009, the service of the contractual employees were regularized in terms of section 3 of the ibid Act.

The only grievance of the petitioners urged before us is that after joining their previous service, they have become junior to their colleagues and they were not only deprived of their promotion but also from the annual increments during the period of their contractual employment. Admittedly, the plea urged before us pertains to the terms and conditions of civil servant, which can be urged before the Service Tribunal constituted under Article 212 of the Constitution of Islamic Republic of Pakistan, 1973, which has exclusive jurisdiction to adjudicate upon the matter relating to

8. For what has been discussed hereinabove, this petition is dismissed being not maintainable. However, the petitioners shall be at liberty to knock at the door of the competent forum for redressal of their grievance, if so desired.

"All employees including recommenders of the High Court appointed on contract or adhoc basis and holding that post on 31st December, 2008 or till the commencement of this Act shall be deemed to have been validly appointed on regular basis having the same qualification and experience for a regular post"

According to this Act all those employees were regularized who were working on contract / adhoc basis, but the appellant was already regular employee of the respondent department and did not working as contract / adhoc employee. trustee with complete transparency as per requirement of law, so that no person who is eligible and entitle to hold such post is excluded from the purpose of selection and is not deprived of his any right.

Considering the above settled principles we are of the 18firm opinion that Act, XVI of 2009 is although beneficial and remedial legislation but its enactment has effected the in service employees who were in the promotion zone, therefore, we are convinced that to the extent of in service employees / petitioners, who fall within the promotion zone have suffered, and in order to rectify the inadvertent mistake of the respondents/Department, it is recommended that the promotion rules in field be implemented and those employees in a particular cadre to which certain quota for promotion is reserved for in service employees, the same be filled in on promotion basis. In order to remove the ambiguity and confusion in this respect an example is quoted, " If in any cadre as per existence rules, appointment is to be made on 50/50 % basis i.e 50 % initial recruitment and 50 % promotion quota then all the employees have been regularized under the Act in question be calculated in that cadre and equal number i.e remaining 50 % are to promoted from amongst the eligible in service employees, other wise, eligible for promotion on the basis of sonority cum fitness."

WAQAR AHMAD SETH, J:- Through this single judgment we propose to dispose of the instant Writ Petition No.2905 OF 2009 as well as the connected Writ Petition Nos.2941, 2967,2968,3016. 3025.3053,3189,3251,3292 of 2009,496,556,664,1256,1662,1685,1696,2176,2230,2501,2696, 2728 of 2010 & 206, 355,435 & 877 of 2011 as common question of law and fact is involved in all these petitions.

trustee with complete transparency as per requirement of law, so that no person who is eligible and entitle to hold such post is excluded from the purpose of selection and is not deprived of his any right.

Considering the above settled principles we are of the firm opinion that Act, XVI of 2009 is although beneficial and remedial legislation but its enactment has effected the inservice employees who were in the promotion zone, therefore, we are convinced that to the extent of in service employees*/ petitioners, who fall within the promotion zone have suffered, and in order to rectify the inadvertent mistake. of the respondents/Department, it is recommended that the promotion rules in field be implemented and those employees in a particular cadre to which certain quota for promotion is reserved for in service employees, the same be filled in on promotion basis. In order to remove the ambiguity and confusion in this respect an example is quoted, " If in any cadre as per existence rules, appointment is to be made on 50/50 % basis i.e 50 % initial recruitment and 50 % promotion quota then all the employees have been

regularized under the Act in question be calculated in that cadre and equal number i.e remaining 50 % are to promoted from amongst the eligible in service employees, other wise, eligible for promotion on the basis of sonority cum fitness."

- 19- In view of the above, this writ petition is disposed of in the following terms:-
 - (i) "The Act, XVI of 2009, commonly known as (Regularization Of Services)
 Act, 2009 is held as beneficial and remedial legislation, to which no interference is advisable hence, upheld.
 - (ii) Official respondents are directed to workout the backlog of the promotion quota as per above mentioned example, within 30 days and consider the in service employees, till the backlog is washed out, till then there would be complete ban on fresh recruitments.

Order accordingly.

Announced. 26th January 2015.
