BEFORE THE KHYBER PAKHTUNKHWA SERVICE TRIBUNAL, PESHAWAR

APPEAL NO. 768/2022

Maria Javed, Agricultural Engineer.

APPELLANT

VERSUS

1. Secretary, Government of Khyber Pakhtunkhwa Finance Department Peshawar.
2. Chief Secretary, Government of Khyber Pakhtunkhwa, Peshawar.
3. Secretary, Government of Khyber Pakhtunkhwa Agriculture Department, Peshawar.
4. Secretary, Government of Khyber Pakhtunkhwa, Establishment Department, Peshawar.

RESPONDENTS

PARA WISE COMMENTS ON BEHALF OF RESPONDENTS

Respectfully Shewith:-

PRELIMINARY OBJECTIONS

1. That the appellant has got no locus standi to file this appeal therefore the appeal is liable to rejection with cost.
2. That the appellant has no cause of action.
3. That the appeal is barred by law.
4. That the appeal is not maintainable in its present form as it is based on malafide intentions.
5. That the appellant is stopped by his own conduct, to bring the present appeal.
6. That the instant appeal is incorrect, due to misjoinder and non joinder of parties.
7. That the appellant had once contested similar nature case in WP No. 5877-P/2018 wherein COC No. 145-P/2021 was decided in favour of Government. Copy of judgment dated 21.10.2021 (**Annex-A**).

ON FACTS:-

1. Correct to the extent that the appellant is serving the department since 30th November, 2016 as Agricultural Engineer in Agriculture Engineering Department.
2. Pertains to record.

3. The Engineers working in the Provincial Departments to whom the Technical Allowance has been allowed by the Government vide Notification No. FD (SO SR-II)8-7/2018-19 dated 19.10.2018 modified on 07.07.2021 (**Annex-B & C**) are properly appointed on technical posts as mentioned in their service rules requiring qualification in Bachelor of Science (B.Sc.) Engineering from a recognized University and also registered with Pakistan Engineering Council (PEC). They are practically involved in engineering works throughout their duty hours and beyond and perform duties at field level as well. The office timings for field formation are not fixed as it's as per the quantum of work and number of sites which they visit/inspect. These inspections/visits, sometime to the far-flung areas, consume time, energy and resources and requires application of technical / engineering skills. Moreover the perks & privileges of these field Engineers are meagre as compared to their duties. The engineers of other departments are not appointed on technical posts as per their service rules/qualifications requirements and are not involved practically in engineering works/construction supervision of infrastructure. It is further added that giving Technical Allowance to all engineers in the province irrespective of their nature of duties would open a flood gate for similar demands from variety of cadres of engineers working in different departments in the province and would entail extra ordinary burden on the provincial exchequer.
4. Incorrect. Cabinet decision was not applicable to all engineers of the Provincial Government across the board.
5. That in pursuance to decisions of Provincial Cabinet in the meetings held on 24.05.2018 and 15.10.2018 regarding approval/ authorization of Technical Allowance (@ rate of 1.5 times of the initial Basic Pay Scale) the Government of Khyber Pakhtunkhwa Finance Department (Regulation Wing) vide Notification dated 19.10.2018 sanctioned technical allowance to the Engineers holding Engineering qualification from the accredited engineering program of Higher Education Institutions (HEI) University duly recognized by Higher Education Commission (HEC) and registered with Pakistan Engineering Council (PEC) serving against the sanctioned posts in the C&W, Irrigation, Public Health Engineering, Local Government and Mines & Minerals Department. As the appellant is not working in any of the department mentioned in the ibid Notification, therefore, the expectation of the appellant regarding grant of

Technical Allowance is out of place and he has not been deprived in any way by the Finance Department notification dated 19.10.2018 (**Annex-B**).

- 6. As already explained vide above Paras.
- 7. Incorrect and hence denied. The said case is not related to the Government of Khyber Pakhtunkhwa as it pertains to Government of Punjab, which is not applicable here.
- 8. Incorrect and hence denied. As explained in Para-7 above.
- 9. As explained in Para-5 above of the facts,
- 10. No comments.
- 11. The Para is incorrect and denied as explained in Para-3 above of the facts.

GROUND.

- a. The para is incorrect. As replied in Para-3 above of the facts.
- b. The Para is incorrect. As replied in Para-3 above of the facts.
- c. The Engineers working in the Provincial Departments to whom the Technical Allowance has been allowed by the Government vide Notification No. FD (SO SR-II) 8-7/2018-19 dated 19.10.2018 modified on 07.07.2021 are properly appointed on technical posts as mentioned in their service rules requiring qualification in Bachelor of Science (B.Sc.) Engineering from a recognized University and also registered with Pakistan Engineering Council (PEC). They are practically involved in engineering works throughout their duty hours and beyond and perform duties at field level as well. The office timings for field formation are not fixed as it's as per the quantum of work and number of sites which they visit/inspect. These inspections/visits, sometime to the far-flung areas, consume time, energy and resources and requires application of technical / engineering skills. Moreover the perks & privileges of these field Engineers are meagre as compared to their duties.
