JUDGEMENT

SYED MANZOOR ALI SHAH, MEMBER:- This appeal has been filed by Mr. Imran Ali, Research Officer, Agriculture Research Institute, Tarnab, Peshawar, under Section 4 of the Khyber Pakhtunkhwa Service Tribunal Act 19/4, against the order dated 13.5.2011, whereby his representation has been rejected.

2. Brief facts of the case are that initially services of the employees of the Agriculture Research were governed by the general rules applicable to the civil servants in the Khyber Pakhtunkhwa. These rules were replaced by the Khyber Pakhtunkhwa Agriculture Department (Recruitment and Appointment) Rules, 1981. Vide notification dated 2.2.2008, some amendments were made in 1981 rules, introducing certain changes in the method of recruitment for various post.

in the Agriculture Research Wing. These rules do carry Schedule-II wherein subject groups are provided. These subject groups are practically followed by recruiting the officials having qualification of the same subject nor they provide for a separate cadre but separate seniority is awarded to the officers of each separate subject groups. These groups are optional and any officer having Bachelors Degree or above in any Agricultural related subjects can enter into any group. The officers in functional groups consisting of smaller number of officers/officials are getting rapid promotion than the officers/officers who happened to fall in larger functional groups. To remove the anomaly the Director General Agriculture Research office (respondent No. 1) addressed a letter dated 27.11.2010 to respondent No. 2 wherein he requested for abolition of Schedule II from the rules of 1981. Feeling aggrieved, the appellant filed Writ Petition No. 42/2011, vide order dated 15.2.2011, the writ was disposed of and it was treated as a representation before the departmental authority, and sent to Secretary, Food, Agriculture, Livestock and Cooperation Department, Peshawar for decision strictly in accordance with law within a month's time. The representation was rejected vide order dated 13.5.2011, hence the present appeal.

3. The appeal was admitted to regular hearing on 6.7.2011 and notices were issued to the respondents. Respondents No. 1 and 2 have filed their joint written reply and contested the appeal.

4. Arguments heard and record perused.

The learned counsel for the appellant argued that the functional groups (subject groups) formed vide schedule-II of the 1981 Rules are meant only for efficient working of specialized and well-trained scientists in their respective subjects and they do not constitute separate cadres that may justify seniority and promotion in each functional group. Such a practice adopted by the respondent department due to misinterpretation and misuse of rules. The functional groups are optional and are not subject related. He further argued that these functional groups and the separate promotion within the groups have given irrational results. The officers in smaller functional groups get rapid promotion while in the larger groups the process of promotion is very slow. He stated that functional groups do not constitute separate cadres notwithstanding, the matter of seniority in the respondent department is regulated by Section 8 of the Khyber Pakhtunkhwa Civil Servants (Appointment, Promotion and Transfer) Rules, 1989, which provide that the interse seniority of the officers shall be maintained at a

position of lower grade seniority based on their first entry into the service. This controversy has already been set at rest not only by the Establishment & Administration Department in the case of M/S Dilrosh and Tasleem Jan but also by the Hon'ble High Court vide judgment dated 26.5.2004. Subsequent amendments in Rule 17 of the Khyber-Pakhtunkhwa Civil Servants (Appointment, Promotion and Transfer) Rules 1989 also support the appellant's plea. The learned counsel for the appellant contended that Rules of 1981 are also discriminative in nature and are required to be brought at par with those of other Wings of the respondent department by abolishing/deleting the clauses of initial recruitment, as envisaged by para (b) in column 6 against the post of Senior Research Officer (BFS-18). He further contended that the incumbent posts are mostly administrative and the higher qualification of Ph.D is seldom a need for running the affairs connected with these offices, rather it is the experience which should be more relevant for the efficient working against these posts, hence the initial recruitment on the basis of Ph.D degree against the administrative posts would serve no useful purpose. He requested that the appeal may be accepted and the respondents may be directed to treat the subject groups as envisaged by schedule-II to the 1981 rules as a single cadre and they be restrained from issuance of separate seniority lists for each functional group and abolish the subject/functional groups. If the functional groups remained intact, then the respondents be directed to award seniority to the officers on the basis of their initial induction in service in accordance with notification of provincial government dated 19.11.2009 and judgment in Writ Petition No. 81/2002.

The learned AGP on the other hand argued that Rules of 1981 were framed by the provincial government to improve research system in the agriculture sector. Schedule II is meant for the purpose to accommodate the suitable candidates having specialized degrees in their relevant subject groups. The candidates having irrelevant degree cannot be appointed against the post of non specialized vacancies. He further argued that no anomalies/irregularities have been done in the department. Every officer can easily work on their subject functional group after recruitment/appointment according to his subject functional group in the relevant group having the knowledge of all the instruments in their laboratory. He stated that the seniority of the officers is maintained in the department from the date of induction into service according to 1981 Rules (Schedule-II) which clearly mentioned that the interse seniority of civil servants in a certain cadre in which promotion is made from different lower posts, carrying the same pay scale shall be determined from the date of regular

appointment/promotion of the civil servants in the lower posts. Certain cadre means functional group; every functional group maintained seniority of the Research Officer from their date of appointment under the rules. The question of pick & choose ^{does} not arise because highly qualified and Ph.D candidates are appointed after competitive examinations through Public Service Commission after advertisement of the posts in newspapers. He requested that the appeal may be dismissed.

7. The Tribunal observes that groups constituted are meant for efficient working and are not separate cadres, the groups are not subject related and does not have specific criteria/requirements and optional. The matter of seniority of civil servants is regulated under Section 8 of Khyber Pakhtunkhwa Civil Servants Act 1973, and Section 17 (amended) of the Khyber Pakhtunkhwa (Appointment, Promotion and Transfer) Rules 1989, according to which the inter-se-seniority of civil servants in a certain cadre to which promotion is made from different lower posts, carrying the same pay scale shall be determined from the date of regular appointment/promotion of the civil servants in the lower post. Vide judgment dated 20.5.2004, the Hon'ble Peshawar High Court accepted Writ Petition No. 81/2002, No. 437/2002 and 279/2007 set aside the impugned orders with direction to respondent department to prepare a fresh joint list of Senior Research Officers irrespective of their functional group and seniority within the group and to undertake fresh process for filling of posts in question strictly in accordance with the Khyber Pakhtunkhwa Agriculture Department (Recruitment and Appointment) Rules, 1981 with reference to Schedule-1 for the appointment of Director/Coordinator Agriculture Research. The decision of S&GAD in the case of M/S Dilrosh and Tasleem Jan also supports appellant's case. The Tribunal in view of the above accepts the appeal to this extent whereas in case of prescribing specific qualifications for BPS-18 (Ph.D in this case) is the prerogative of the government as it deems fit for initial recruitment. Parties are left to bear their own costs. File be consigned to the record.

This judgment will also dispose of other connected appeals No. 974/2011 Muhammad Hussain, No. 1147/2011 Marizoor Akbar, No. 1148/2011 Noora Jan, No. 1149/2011 Muhammad Iqbal, No. 1150/2011 Jan Muhammad, No. 1151/2011, Muhammad Rafiq, No. 1152/2011 Abdul Majeed, No. 1153/2011 Zubir Shah, No. 1154/2011 Abdur Rauf, No. 1155/2011 Suleman Ali, No. 1156/2011 Imtiaz Ahmad, No. 1157/2011 Abdul Qayum, No. 1158/2011 Tehseenullah Khan, No. 1159/2011 Sahib Zada Rashid Ahmad, No. 1160/2011
