It was contended by learned counsel for the appellant that the appellant was appointed as Microscopist in Health Department vide order dated 15.02.2008 He assumed the charge and was performing his duty however, after some period his salary was stopped therefore, the appellant filed service appeal in this Tribunal. Learned counsel for the appellant further contended that all the codal formalities were fulfilled before the appointment of the appellant and neither any show-cause notice was issued to the appellant nor opportunity of hearing and defence was provided to the appellant therefore, de-notified the appointment order of the appellant is illegal and liable to be set-aside.

That the appellant was appointed by the competent authority after observing all codal formalities, the appellant duly took over charge of his post and is performing his duties for more than 3 years, the order of the appointment is thus acted upon and valuable rights have been created in favor of the appellant the same cannot be undone or snatched away from him illegally.

- G. That the appellant is also the resident of District Nowshera having the domicile and the respondent admitted in their written reply that the post against which he has been appointed and one advertised in the newspaper is having the same nature, therefore the appellant is also entitled for the same relief already given to the similarly placed employees.*(Copies of the domicile certificate and written reply are attached as Annexure M & N)*

Syed Tahir Ali Shah, Microscopist, Office of the EDO Health, Nowshera

Versus

1. Executive District Officer (Health) Nowshera
2. District Co-ordination Officer Nowshera

PRAYER IN APPEAL

On the acceptance of this appeal the respondents may please be directed to the release the salary of the appellant and he be paid arrears w.e.f from the date of his appointment or any other remedy deemed proper may also be allowed.

Respectfully submitted,

1. That the respondents have invited applications for appointments in different posts in the Health Department through newspaper. The appellant also applied for the post of Microscopist.

(Copy of the advertisement is attached as Annexure A)

(Copy of the appointment order is attached as annexure B)

3. That the appellant took over the charge of his post, he thus submitted his arrival and started performing his duties, though he is performing his duties albeit was not paid his salary.

(Copies of employees' master form and service book are attached as annexure C & D)

4. That the appellant throughout agitated the matter of grant of monthly salary, however no positive response was given.

5. That as a last resort the appellant submitted his departmental appeal dated 25/10/2011 the departmental appeal was not replied despite the lapse of 90 days. (copy of the departmental appeal is attached as annexure E)

6. That the non-grant of salary to the appellant is illegal, unlawful, and discriminatory, in violation of rules inter alia on the following grounds

- b) That the order of appointment is issued by the competent authority, the appellant has taken over the charge of his post and started performing duties, thus valuable rights have been created in his favour, and the same cannot be snatched or withheld. Hence the respondents are under obligation to release the salary to the appellant.
- c) That while withholding the pay of the appellant, no right of hearing has been provided to him and thus virtually the appellant is condemned unheard.
- d) That withholding of salary amount to punishment, albeit without holding any enquiry or proceeding the salary of the appellant is withheld, the order impugned is thus illegal and unlawful.
- e) That the appellant has worked after his appointment and performed duties in relation to his post. The appellant is still performing his services in the respondent department. Hence, he is entitled for the salary/ pay and allowances for the post as he had performed the work. His salary and other emoluments could not be denied on any ground.
- f) That this Hon'ble tribunal in similar nature cases, vide detailed judgment given in case titled "Junaid Bacha vs. EDO Health Nowshera" has already accepted the appeals of similarly placed employees with the direction to the respondents to release of their salary and that they also be paid arrears of their pay from the date of their appointment. (Copy of the order and judgment is attached as Annexure F).
- J. That the appellant is also the resident of District Nowshera having the domicile and the post against which he was appointed was duly advertised in the newspaper, therefore the appellant is also entitled for alike treatment. ( Copy of CNIC is attached as Annexure G).
- g) That since the appellant has not been terminated from service and is performing his duties hence on no excuse his salary could be withheld or denied.
- h) That the appellant is performing his duties hence the appellant is entitled to his salary and arrears.

It is therefore prayed that on acceptance of this appeal the respondents may please be directed to release the salary of the appellant and he be paid arrears w.e.f from the date of his appointment or any other remedy deemed proper may also be allowed.

JUDGMENT

QALANDAR ALI KHAN, CHAIRMAN:- Since not only questions

falling for determination in this appeal by Junaid Bacha, appellant, as well as in the connected appeals by Umar Hayat (No.1156/Neem/08), Arif Gul (No.1158/Neem/08), Jawad Ali (No.1159/Neem/08), Aita-ur-Rehman (No. 1267/Neem/08) and Farman Ali (No. 1351/Neem/08) are common but all these six appeals have been dealt with jointly upto the august Supreme Court of Pakistan, this single order will dispose of all the said connected appeals.

2. The appellants have lodged separate appeals for release of their salary with effect from March 2008 on the ground of their selection for the respective posts after fulfillment of the requirements of advertisement of the posts in the

newspaper & their appointment through due process, where-after they submitted their arrival reports and started performing their duties, but they were not being paid their monthly pay/salary. Junaid Bacha, appellant, further contended that on 28.6.2008 he was transferred to Mardan and adjusted at BHU Sheikh Younas but the order was subsequently cancelled on 8.8.2008, therefore, he again submitted his arrival at the erstwhile station i.e. RHC Kheshti.

3. The appeals were mainly contested by Executive District Officer (Health) Nowshera, who, inter-alia, alleged non-observance of proper procedure for recruitment and, as such, illegal appointment; copy of appointment order not carrying the dispatch number in accordance with dispatch register of the office; the medical fitness certificate not carrying the date; and that the posts were meant for other places and not for the stations where the appellants have been appointed. The respondents raised the plea that since the appellants were not civil servants, they were not entitled to the grant of salary on the basis of fake and forged appointment orders.

4. A learned Bench of the Tribunal heard these appeals as well as other connected appeals and accepted the appeals vide judgment/order dated 18.2.2009. However, a larger Bench comprising the then Hon'ble Chairman as well as two learned Members, vide judgment/order dated 03.7.2009, withdrew the earlier judgment/order dated 18.2.09 and dismissed all the appeals on the ground that fraud was played in securing the appointment orders because persons having domiciles of other districts were appointed in District Nowshera and the posts against which appointments were made were never advertised in the newspaper. The appellants preferred separate appeals against the order dated 3.7.2009 of the Tribunal, and the august Supreme Court of Pakistan dismissed and refused leave to appeal in the remaining appeals on 24.9.2009; and allowed the instant appeal.

appeals while setting aside the impugned judgment of the Tribunal to the extent of the appellants. Resultantly, the appeals were remanded for decision afresh after affording opportunity of hearing to all concerned, and also allowing the appellants to produce documents in their support.

29

5. Accordingly, after remand of the appeals, the appellants produced copies of their respective domiciles, and arguments of the learned counsel for the appellants and the learned Additional Advocate General were heard. Record also perused.

6. It is now well settled that certain posts in the Health Department were advertised for District Nowshera. It is also not disputed that appellants were appointed against some of the posts. The record would show that the appellants were medically examined and they submitted their arrival reports, where-after, they started performing their duties, but they were not paid their pay/salary, therefore, they lodged appeals for release of their salary/pay. It is also borne out of record that no orders of withdrawal/ cancellation of appointment orders or termination of the services of the appellants have been issued so far. It was on the basis of these facts, coupled with reply of the Executive District Officer (Health) Nowshera to the District Accounts Officer Nowshera dated 18.4.2008 and statement of the EDO before the learned Bench whereby he confirmed the appointments, that the said Bench accepted the appeals on 18.2.2009. However, a larger Bench of the Tribunal arrived at different conclusion on the grounds that the posts were meant only for persons having domiciles of District Nowshera and appointments were made against posts which were never advertised, which view was also upheld by the august Supreme Court of Pakistan in the remaining appeals vide order dated 24.9.2009. The appeals in hand were, however, separated from the rest of the appeals on the grounds that the appellants belonged to District Nowshera and their cases were also covered by the publication of the advertisement which was made

for the appointment of different disciplines in the Health Department; and, finally, these appeals were remanded to the Tribunal for decision afresh.

7. When examined in the light of judgment of this Tribunal as well as aforementioned judgment of the august Supreme Court of Pakistan, the case of Junaid Bacha was also found standing on different footing than the other five appeals; because not only Junaid Bacha is, admittedly, a resident of District Mardan and not District Nowshera for which the posts were meant but the post of Microscopist against which his appointment has been made was also not advertised. Therefore, his appeal is not maintainable in the light of judgment of this Tribunal, upheld by the august Supreme Court of Pakistan. Though the learned counsel for the appellants contended that in similar nature cases, he has filed review petition against the order dated 24.9.2009 of the august Supreme Court, which is still pending, yet in the absence of any stay order from the august Supreme Court of Pakistan staying proceedings in these remanded cases, these appeals are to be decided in accordance with the direction of the august Supreme Court. In view of the above, the appeal of Junaid Bacha (No.1473/Necm/08) is dismissed.

8. As regards the remaining five connected appeals, suffice it to say that they ~~appellants~~ not only belonged to District Nowshera, as per their domiciles, but the posts against which they have been appointed were also advertised in the newspaper, therefore, their cases are not covered by the afore-mentioned judgments of the Tribunal and august Supreme Court of Pakistan. The record would show that all the requisite formalities were observed for their appointment, where-after, they submitted their arrival reports and their service record was also prepared, but they were not paid salary/pay; though they performed their duty; and the validity of their appointment was not only affirmed by the EDO(H) Nowshera in his memo. to the District Accounts Officer Nowshera dated 18.4.2008 but the EDO also

confirmed the appointments before the learned Bench which initially decided the appeals on 18.2.2009. It was also brought to the notice of this Bench that the appellants are still performing the duties assigned to them. In any case, unless the appointment orders of these appellants are withdrawn/cancelled or their services are terminated, or their appointments are declared illegal by the legal forum, they will be deemed to be in service, and, as such, entitled to their salary/pay.

9. Consequently, all the remaining five appeals of Umar Hayat (No.1156/Neem/08), Arif Gul (No.1158/Neem/08), Jawad Ali (No.1159/Neem/08), Atta-ur-Rehman (No. 1267/Neem/08) and Farman Ali (No. 1351/Neem/08) are accepted with direction to the respondents to release their salary and they be also paid arrears of their pay from the date of their appointment.

10. Before parting with the order/judgment, we would like to observe that on the charge of securing fake/forged appointment orders, the persons who secured the jobs have been made to suffer, but the officer/official who made the appointments and thus abetted securing of illegal appointments does not seem to have been taken to task for his illegal acts. Therefore, copies of this order/judgment be also sent to the Secretary, Government of Khyber Pakhtunkhwa, Health Department and Director General; Health Services, Khyber Pakhtunkhwa, Peshawar for appropriate action, under intimation to this Tribunal.

Appeal under section 4 of Khyber Pakhtunkhwa, Service Tribunal Act 1974, against the non granting of salary to the appellant w.e.f March 2008 against the department appeal dated 25.10.2011 was not responded despite the laps of 90 days.

*Respectfully Sheweth:-*

Preliminary objections:

1. The appeal is time barred.
2. The appellant has got no cause of action
3. The tribunal has got no jurisdiction.
4. The appeal is barred by law.

PARA WISE COMMENTS

ON FACTS

1. It is correct that on 30.08.2007 an advertisement for various posts were advertised in newspaper from BPS - 01 to BPS - 09. But the same was cancelled by District Nazim vide his letter No. 2830, dated. 05.09.2007 (Copy attached). It is worth mentioning that the advertisement does not contain any post of MICROSCOPIST.
2. Para No 2 is incorrect.
3. Para No 3 is incorrect,
4. An application for the release of salary by the applicant has been received to the office, which is time barred. However, an enquiry conducted in this matter and dismissed the claims.
5. A detail enquiry has been conducted by the department in the matter (Copy attached).

ROUNDS

22

The para is not applicable on the case of the applicant as he is not civil servant.

When then EDO (Health) Nowshera while he was transferred to District Mardan, he came to know through some cogent resources that some forged appointments in back dates has been made in District Nowshera using his signature. So, he wrote two letters immediately informed the concerned authorities one to Senior District Account Officer Nowshera vide letter No. 9273/EDO (H) Mardan dated. 10.06.2008 and other to Zilla Nazim Nowshera vide No. 11438 - 40/EDO (H) Mardan dated. 24.07.2008, in which he mentioned the appointment of 22 peoples who were fakely appointed on his signature while he left Nowshera, on 09.05.2008.

- C. Needs no reply. Enquiry attached.
- D. A detail enquiry has been conducted by the department in the matter (Copy attached).
- E. This para needs no reply because appointment order of the appellatant has been fake and bogus.
- F. It is submitted that the applicant are of domicile of Nowshera and the nature of work of various posts are one in the same. e.g. microscopist and Laboratory Technician are same as appellatant and required same qualification with the new nomenclature JCT (Pathology). Similarly, the post of Dispenser and Junior Clinical Technician (Pharmacy) are of the same nature and requires similar qualification. Since then some nomenclature are composed as Junior Clinical Technician (Pathology) for Laboratory Technician / Laboratory Assistant / Microscopist / Blood Bank Technician and Junior Clinical Technician (Radiology) for X - Ray Technician / X - Ray Assistant / Radiographer / Dark Room Assistant.

It is therefore that the appeal may  
plz be dismissed

JUDGMENT

JUSTICE (R) SALIM KHAN, CHAIRMAN.- The appellant, according to his contention in the Memo. of appeal, applied for the post of Microscopist in the Health Department when the publication, copy annexure-A, was issued. He was medically examined and his appointment order was issued on 23.2.2008. He further submitted arrival report on 27.2.2008 at R.H.C Kheshgi. He performed duties but salary was not paid to him. On 28.6.2008, he was transferred and posted to Mardan, and was adjusted at B.H.U, Sheikh Younas. But his order was cancelled on 08.08.2008. He again submitted his arrival report at R.H.C Kheshgi. The appellant continued his struggle for grant of salary. He submitted departmental appeal on 01.7.2008. But that was not replied within the statutory period. The appellant filed the present appeal on 09.10.2008.

EF Coordinator  
District Nowshera

F. 9

The respondent No.2 (Executive District Officer (Health) Mardan) submitted his written reply wherein it was mentioned that the Director General Health Services cancelled the order dated 28.6.2008 regarding the appellant, and posted him back to district Nowshera vide order dated 08.08.2008. He further contended that no salary was paid to the appellant at Mardan due to non-availability of his service record. The District Accounts Officer, Nowshera, submitted that the claim of the appellant for release of his pay and allowance and arrears from 01.3.2008 was not submitted to the District Accounts Officer, Nowshera, (respondent No.4), and the claim of the appellant, when-so-submitted, would be considered under the rules. Respondent No.1 (Executive District Officer (Health) Nowshera) submitted, through written reply, that dispatch number on the photocopy of the appointment order did not tally with dispatch register of the office, and no right for the grant of salary existed in the appellant due to the reason that chance of hearing was provided to him, and departmental inquiry was conducted in the matter by the Director General, Health Services. Respondent NO.5 (Director General Health Services), adopted the reply of Executive District Officer (Health) Nowshera. The representatives of the respondents did not submit any written reply on behalf of respondent No.3.

3. We heard the arguments in this Service Appeal No. 1473 of 2008 and Service appeals mentioned <sup>below &</sup> ~~above~~. We also perused the record.

4. Counsel for the appellant, as recorded in the order dated 16.3.2009, had contended on the previous date that the case in hand was similar to already decided cases in Service Appeals Nos. 1146 to 1164, 1266, 1267 and 1351 of 2008. It was seen, on requisitioning the record of those cases, that the posts of many appellants, including the present appellant, were not advertised, while the other appellants were shown to have not worked against the posts, on which they were allegedly appointed. It appeared, prima-facie, that mis-representation had been committed, and, probably, fraud was also committed, while achieving appointment orders of the appellants in those cases. As the position in the above mentioned Service Appeals had to be quoted as precedent cases decided by this Tribunal, a Larger Bench comprising of Mr. Justice (R) Salim Khan, Chairman, Mr. Abdul Jalil Khan, and Bismillah Shah (Hon'ble Members), was constituted. Notices were issued to the counsel for the appellants and others in the appeals mentioned in the order sheet dated 16.3.2009 and 26.3.2009, because the above mentioned appeals were also taken up for reconsideration by the Larger Bench. Cases of the

(HEALTH)

District Nowshera

Service appeals mentioned in order sheet dated 27.5.2008 were also taken

5

5. The learned counsel for the appellant, after explaining the basic facts of these cases, contended that the posts were duly advertised, and salary was released to some of the appointees, while the prayer in this case and the other above mentioned Service Appeals, was for release of pay only. He contended that no adverse action/order regarding the appointment of the appellants of the cases in hand was, ever, issued and the appointment orders of the appellants were not in controversy.

6. He took up the issue of review in the light of the already decided cases, by this Tribunal. He contended that according to Section 5(4) of the N.W.F.P Service Tribunals Act, 1974, any decision made by the Bench shall be deemed to be the decision of the Tribunal, and the judgment/decision/order of a Bench could neither be reviewed by the same Bench, nor by any other Bench of the same Tribunal. His contention to this extent is correct. It can further be added that the decision of one Bench is binding on any other Bench of this Tribunal, and the Tribunal does not have the power to review the judgment/order of the equivalent Bench.

7. He contended that this Tribunal was the product of the law (The NWFP Service Tribunals Act, 1974), promulgated in accordance with the provisions of Article 212 of the Constitution of Islamic Republic of Pakistan. The Chairman, or any other Member of the Tribunal, did not have the power to take up an already decided case *sumoto* for review, and the action to do so would create bad precedent. He contended that power to review was a substantial right which could not be exercised by a forum unless specially prescribed by law, and Section 7 of the above mentioned Act was only a deeming proviso. He quoted 2008 SCMR 656, 1997 SCMR 1590, 1992 SCMR 1748, 1999 CLC (C.S) 450 in this respect. He also relied on 2004 CLC (C.S) 527 for his contention that power of review cannot be exercised by this Tribunal unless specifically conferred on it, which was not so conferred. He contended that neither the same Bench has given any observation/objection regarding the proceedings which culminated in the judgments/orders, nor the official respondents have shown their grievance, and an other Bench of the same Tribunal, even, including the Chairman, could not sit over the judgment of the Tribunal already delivered by one of its Benches. The learned counsel for the appellant further contended that there was no adverse order of the official respondents regarding the appointment of the appellants and the appeals were

*[Handwritten signature]*

*[Handwritten signature]*

for the purposes of release of pay. As for the question that the posts belonged to district Nowshera, but persons domiciled of the areas outside of that district, even, were appointed against those posts, the learned counsel for the appellant contended that the concept was against the provisions of Article 27 of the Constitution.

8. He submitted that re-organization/change of nomenclature of the posts had already taken place, and due to lack of knowledge of the concerned officers, posts with previous nomenclature were advertised on 30.8.2007 in spite of re-designation of posts on 10.05.2006. He also contended that the posts of Malaria Supervisor and Microscopist were inter-adjustable with the other equivalent posts, and the letter of the E.D.O (Health) Mardan (previously EDO (Health) Nowshera) to Zilla Nazim, Nowshera, was an after-thought, after his transfer from Nowshera to Mardan. The learned counsel for the appellant relied on 1996 SCMR 413, 2000 PLC (C.S) 803, NLR 2004 (Service) 12, NLR 2002 (Service) 85, 2007 PLC (C.S) 179, and 2000 PLC (C.S) 405, and contended that there was no fault of the appellants regarding obtaining their appointment orders, therefore, the appellants were entitled to retain their posts. He also relied on some documents vide which many other persons have been appointed in the Health Department, and the appellants could also be adjusted against those posts, or against many other available posts.

9. The Additional Government Pleader contended that the appellant, through his memo. of appeal and affidavit, was bound to accept that he had applied for the post of Microscopist as mentioned in the advertisement, on which the appellant had relied. The A.G.P submitted that the posts of Microscopist and Malaria Supervisor were never sanctioned in this case and such posts were not available. He was of the view that no appointment could be made against the posts which were either not advertised, or were not available for advertisement. The A.G.P further contended that the Service Tribunal had the additional powers as mentioned in Rule 27 of the North West Frontier Province Service Tribunals Rules, 1974, and as provided in Section 151 of the Code of Civil Procedure, 1908.

For the purpose of ready reference, the above mentioned Rule 27 and Section 151 are re-produced as follows:-

**27.- Additional Powers of the Tribunal.-** Nothing in these Rules shall be deemed to limit or otherwise affect the powers

of a Tribunal to make such orders as may be necessary in the ends of justice or to prevent abuse of the process of the Tribunal."

"151.- Saving of inherent powers of Court: Nothing in this Code shall be deemed to limit or otherwise affect the inherent powers of the Court to make such orders as may be necessary for the ends of justice or to prevent abuse of the process of the court."

10. The A.G.P contended that the then E.D.O (Health), Nowshera had clearly mentioned that Khan Razaq, Junior Clerk had conducted cheating and tricks for appointment of the appellants. He referred to the letter NO. 11557-59, dated 28.7.2008 by Dr. Arshad Ahmad Khan E.D.O (Health) Mardan to Zilla Nazim, Nowshera, wherein it was clearly mentioned that the appointments of thirteen persons named in that letter were forged appointments. A reference was also made to previous list of the names of persons who had got forged appointments.
11. The appellants had submitted an application to the effect that the Chairman of this Tribunal was the resident of district Nowshera, and the cases also pertained to district Nowshera, and the Chairman had stated that he would not be in a position to face people if wrong appointments are declared proper by his forum. It was contended that the Chairman projected himself as an aggrieved person. This allegation is without any basis. It is the responsibility of every judicial/quasi judicial forum to see that decisions are given in accordance with law, and wrongs are not declared correct, while correct decisions are not declared wrong. In civilized human society, no one should expect that he may be in a position to face the fair members of his society, if he delivers decisions in favour of wrongs.
12. Payment of salary to some persons and non-payment of the same to other persons on the basis of the ill-gotten appointments is no discrimination. This Bench has never intended to review, ipso-facto, the judgments/orders already granted. The previous judgments did not appear to be standing on strong footings, and could not be accepted as precedents. Those judgments were given by a Bench comprising of two Members. The case in Service Appeal No. 1473 of 2008 (Junaid Bacha Versus E.D.O (Health) Nowshera and 4 others), was never decided by any other Bench, and was still pending disposal. A clearer judgment had to be given in

  
EPI Coordinator  
District Nowshera

ATTESTED 

case, and a Larger Bench had to be constituted due to the decisions in previous cases. In order to give an independent judgment/order in this case, keeping in view the judgments/orders by a two Members' Bench of this Tribunal, the present Larger Bench comprising of the Chairman and two Members was constituted. The provisions regarding review were not applied to the case in hand and the other Service Appeals mentioned in this case. The provisions of Section 114 and of Order XLVII (Review) of the Code of Civil Procedure, 1908 were not applied to the facts and circumstances of these appeals.

13. The provisions of Section 151 of the above mentioned Code, in the light of Section 7(2) of the NWFP Service Tribunals Act, 1974 and Rule 27 of the NWFP Service Tribunals Rules, 1974, were applicable in these circumstances.

14. Many posts of Microscopist/Malaria Supervisor etc. were not sanctioned and were never advertised. The re-organization of the department was not brought to the notice of the appellants by the mentioned advertisement, or by any other publication. It was not mentioned in the advertisement in question that the posts of Malaria Supervisor and Microscopist were already re-designated and the posts as re-designated were to be filled up. The re-designated posts were never advertised for the purposes of this case. The appellant of Service Appeal No. 1473 of 2008 has fairly admitted through his memo. of appeal and affidavit that he applied for the post of Microscopist in consequence of the advertisement. He, therefore, applied for a post which did not exist. The lack of knowledge of the concerned officer regarding the re-designation of the posts, could not create the advertised posts. Such lack of knowledge could not entitle any person for the post which had not been advertised, and no vested right of an appointee in such circumstances can be deemed to have been created. There is nothing on record to show that any proper departmental procedure was adopted for filling the posts of the appellants. The appellants have neither produced, nor demanded to be produced, any record regarding such proceedings. There are allegations of payment of huge amounts as the sale and purchase money. In these circumstances, the appointment orders are illegal gains which do not create any vested right, and the appellants cannot claim salary as of right. The appointment orders of the appellants are ab-initio void, and such void orders need no implementation.

ATTES  
MADE BY  
NWFP SERVICE TRIBUNAL  
PESHAWAR

15. The posts were reserved at district level. After promulgation of the NWFP Local Government Ordinance, 2001, the persons domiciled of an other

E.P. Coordinator  
District Nowshera

could not be appointed against the posts reserved for a certain district. The questions were not provincial level posts after the promulgation of the Act. Article 27 of the Constitution of the Islamic Republic of Pakistan did not bar reservation of quota for a certain period mentioned therein, as per amendment and judgments, and that Article does not prescribe that posts reserved, or created, for one district may be filled also from persons domiciled of any of the other districts. First proviso of Section 10 of the N.W.F.P. Civil Servants Act, 1973 prescribed that "provided that nothing contained in this section shall apply to a civil servant recruited specifically to serve in a particular area or region." The civil servants recruited specifically to serve in a particular district are not liable to serve in any other district. Some of the appellants, who belonged to other districts, were recruited in district Nowshera, but they were transferred later on, to their own districts in contravention of the above mentioned proviso. The mentioned Ordinance of 2001 was promulgated as consequence to 140-A of the Constitution, and that Ordinance was given protection under the 6<sup>th</sup> schedule of the Constitution.

16. These facts were either not brought to the notice of the previous Bench, or were not properly explained before it. Mis-representation regarding the posts was conducted by the advertisement given in the newspaper In (daily Mashriq), and fraud was made in obtaining appointment orders. It was clearly mentioned in the advertisement that the posts were to be filled from the eligible persons domiciled of district Nowshera. The appellants, who were not permanently domiciled of district Nowshera, in connivance with the persons, who obtained appointment orders for them, have committed mis-representation and fraud by suppressing the fact that they were not the residents of district Nowshera. This criterion mentioned in the advertisement in daily "Mashriq" itself was either not brought into the notice of this Tribunal, or was not properly explained, and fraud and mis-representation was conducted before the Bench. It was also not properly explained before that Bench that proper procedure was not adopted for appointments, and mis-representation/fraud was committed before the Bench.

17. It is the responsibility of this Tribunal, being a quasi judicial forum, and being deemed as civil court, to see that full justice is provided to the appellants as well as to the respondents and the processes of the Tribunal, including the processes of arguments and of the delivery of the judgment/order of the Tribunal, and the consequent process of execution/implementation, are not mis-used. The judgments already issued would have needed their implementation,

ORDER

Iftikhar Muhammad Chaudhry, C.J. - Listed petitions have been filed for leave to appeal against the judgment dated 03.07.2009 passed by NWFP Service Tribunal, Peshawar, in Appeal No. 1473/2008. In pursuance of a publication appeared in newspaper vacancies in different disciplines were

announced by Executive District Officer, Health, Nowshera, details with conditions of which are mentioned therein. One of the conditions for appointment was that candidates must belong to district Nowshera being its permanent residents. Petitioners alongwith Junaid Bacha (Service Appeal No. 4173/08), which is not included in the above listed petitions, applied for appointment against the vacancies. Interestingly, some of them had also applied for Microscopist which is not mentioned in the advertisement, however, they succeeded somehow in getting appointment letters in their favour. Subsequent thereto they managed to get themselves transferred in different districts of NWFP but when the question of payment of salaries arose it transpired that some of them have succeeded in getting appointment orders by misrepresentation and by playing fraud and they were not domiciled in district Nowshera nor the appointments obtained by them are covered against any of the vacancies listed in the advertisement. At the first instance listed petitioners somehow succeeded in getting favourable order from the Service Tribunal for payment of salaries to them. Subsequently, one Junaid Bacha also approached the Service Tribunal for the same relief. At that time it transpired that remaining 22 persons have obtained orders from the Service Tribunal illegally as such a larger bench was constituted in the case of Junaid Bacha with a view to examine the cases of the listed petitioners as well as on the point as to whether they have succeeded in getting favourable order by playing fraud with the Service Tribunal or otherwise and ultimately in Junaid Bacha's case impugned order dated 03.07.2009 was passed, concluding para therefrom is reproduced herein below: -

"19. In the light of the above discussion, we do not find any merit in the present appeal and in the appeals mentioned above. We, therefore, withdraw the judgments/orders in the abovementioned appeals, obtained by fraud and misrepresentation, and we dismiss the present appeal and all the above mentioned Service Appeals with costs."

2. The learned counsel for the petitioners contended that as far as the Service Tribunal is concerned, it has got no power to review its earlier order passed in the

 Service Tribunal  
 Islamabad

cases of the petitioners except Junaid Bacha, therefore, on this score alone the judgment is not sustainable.

3. We have considered the arguments of the learned counsel for the petitioners and have gone through the impugned judgment, relevant paras therefrom are reproduced herein below: -

5. The learned counsel for the appellant, after explaining the basic facts of these cases, contended that the posts were duly advertised, and salary was released to some of the appointees, while the prayer in this case and the other above mentioned Service Appeals, was for release of pay only. He contended that no adverse action/order regarding the appointment of the appellants of the cases in hand was, ever, issued and the appointment orders of the appellants were not in controversy.

6. He took up the issue of review in the light of the already decided cases, by this Tribunal. He contended that according to Section 5 (4) of the N.W.F.P Service Tribunals Act, 1974, any decision made by the Bench shall be deemed to be the decision of the Tribunal, and the judgment/decision/order of a Bench could neither be reviewed by the same Bench, nor by any other Bench of the same Tribunal. His contention to this extent is correct. It can further be added that the decision of one Bench is binding on any other Bench of this Tribunal, and the Tribunal does not have the power to review the judgment/order of the equivalent Bench.

7. He contended that this Tribunal was the product of the law (The NWFP Service Tribunals Act, 1974), promulgated in accordance with the provisions of Article 212 of the Constitution of Islamic Republic of Pakistan. The Chairman, or any other Member of the Tribunal, did not have the power to take up an already decided case suo-moto for review, and the action to do so would create bad precedent. He contended that power to review was a substantial right which could not be exercised by a forum unless specially prescribed by law, and Section 7 of the above mentioned Act was only a deeming proviso. He quoted 2008 SCMR 656, 1997 SCMR 1590, 1992 SCMR 1748, 1999 CLC (C.S) 450 in this respect. He also relied on 2004 CLC (C.S) 527 for his contention that power of review cannot be exercised by this Tribunal unless specifically conferred on it, which was not so conferred. He contended that neither the same Bench has given any observation/objection regarding the proceedings which culminated in the judgments/orders, nor the official respondents have shown their grievance, and an other Bench of the same Tribunal, even, including the Chairman, could not sit over the judgment of the Tribunal already delivered by one of its Benches. The learned counsel for the appellant further contended that there was no adverse order of the official respondents regarding the appointment of the appellants and the appeals were only for the purposes of release of pay. As for the question that the posts belonged to district Nowshera, but persons domiciled of the areas outside of that

district, even, were appointed against those posts, the learned counsel for the appellant contended that the concept was against the provisions of Article 27 of the Constitution.

8. He submitted that re-organization/change of nomenclature of the posts had already taken place, and due to lack of knowledge of the concerned officers, posts with previous nomenclature were advertised on 30.8.2007 inspite of re-designation of posts on 10.05.2006. He also contended that the posts of Malaria Supervisor and Microscopist were inter-adjustable with the other equivalent posts, and the letter of the E.D.O (Health) Mardan (previously EDO (Health) Nowshera) to Zila Nazim, Nowshera was an after-thought, after his transfer from Nowshera to Mardan. The learned counsel for the appellant relied on 1996 SCMR 413, 2000 PLC (C.S) 803, NLR 2004 (Service) 12, NLR 2002 (Service) 85, 2007 PLC (C.S) 179, and 2000 PLC (C.S) 405, and contended that there was no fault of the appellants regarding obtaining their appointment orders, therefore, the appellants were entitled to retain their posts. He also relied on some documents vide which many other persons have been appointed in the Health Department, and the appellants could also be adjusted against those posts, or against many other available posts."

4. It is to be noted that in the given circumstances of the case, the appointments in favour of the petitioners, except Junaid Bacha and the petitioners in Civil Petitions No. 1575, 1576, 1583, 1584 and 1715/2009, are illegal as such it does not create any vested right and the petitioners have been declared not entitled to claim salaries as of right because their appointment orders are ab-initio void and as such orders need no implementation. It is important to note that as far as the appointment orders are concerned those have been found void ab-initio and illegal on the basis of facts and circumstances which have been elaborately mentioned in the judgment. It is settled principle of law that as far as the fraud is concerned it vitiates the most solemn proceedings notwithstanding that whatever is the merit of the case of the petitioners. The Service Tribunal has established on the basis of the material produced before it that fraud was played by the petitioners and with the connivance of the persons who were responsible for making their appointments, therefore, on the basis of such consideration they have rightly been held not entitled for any relief.

5. It is next contended by the learned counsel for the petitioners that the Service Tribunal may have separated the cases of some of the petitioners

  
  
EPI Coordinator  
District Nowshera

1 R 22  
mentioned herein above because they belong to district Nowshera and their cases are also covered by the publication of the advertisement which was made for the appointment of different disciplines in the Health Department.

6. With the assistance of the learned counsel for the petitioners we have carried out an exercise and have taken out the above five cases out of the listed petitions in which the appointments, according to the learned counsel, are based according to law but as far as the remaining cases are concerned we are not convinced that their appointment is illegal in view of the finding of the Service Tribunal, therefore, the remaining petitions noted herein above are dismissed and leave to appeal is refused. So far as Civil Petitions No. 1575, 1576, 1583, 1584 and 1715/2009 are concerned notices be issued in these cases to the respondents as well as to the Advocate General, NWFP. It is pointed out that a petition has also been filed against the said order by Junaid Bacha, Microscopist, which is pending before the Branch Registry of this Court at Peshawar. Office is directed to requisition the said petition from Peshawar and club the same with the remaining petitions for disposal. Notices to the respondents as well as Advocate General, NWFP be also issued in Junaid Bacha's case. Matter is adjourned to a date in office after two weeks to the extent of the petitions mentioned herein before as well as in the case of Junaid Bacha which shall be transferred from Peshawar.

Subject: ENQUIRY REPORT REGARDING THE VARIOUS APPLICATIONS RECEIVED TO THE EDO (H) OFFICE FOR THE RELEASE OF THEIR SALARIES.

Sir,

This is submitted for your information that inquiry committee has gone through all the details of the available records and reached to the conclusion that those people actually produce bogus / fake appointment letters to the department claiming that they have been selected, while on the other hand the official record reveals that no such selection has ever been made by this office in the past. In this regard a very concrete proof can be obtained from these two letters of the then EDO (H) which he wrote to the then district Nazim and the then Senior District Accounts Officer Nowshera.

Hence the committee unanimously suggests that a clear cut de-notification of all these people may kindly be issued to the concerned quarter regarding their fake status.
