JUDGEMENT

FAREEHA PAUL MEMBER (E) The service appeal in hand has been instituted under Section 4 of the Khyber Pakhtunkhwa Service Tribunal Act 1975 against the minutes of the meeting of Departmental Promotion Committee dated 28.02.2017, communicated to the appellant on 19.06.2019 i.e, date of hearing of implementation petition, whereby juniors to the appellant had been promoted from the post of

SST BPS-16 to the post of ~~SS BPS-17~~ and the appellant had been ignored on the ground of remarks "Not eligible due to irrelevant subject (Fuel Technology)". The departmental appeal dated 16.07.2019 of the appellant was also not responded despite the lapse of 90 days statutory period, hence the service appeal dated 18.11.2019.

2. Brief facts of the case, as per memorandum of appeal, are that the appellant was appointed SST BPS-16 in the respondent department in the year 1999. Later he was upgraded to BPS-17. Under the rules notified vide notification dated 24.07.2014, the next post in the channel of promotion to the post of SST is Subject Specialist (SS) BPS-17, and under the same Rules 50% promotion quota is reserved for SSTs (BPS-16). The appellant acquired the qualification of M.Sc in Fuel Technology in the year 1990 from the University of Peshawar. In the year 1990, on the closure of the department of Fuel Technology, the Academic Council of the University of Peshawar in its meeting held on 20.09.1990, allowed M.Sc Degree in Fuel Technology to be equivalent to M.Sc in Chemistry and holders of the Degree were held eligible for teaching of Chemistry at college level. Despite that the respondents raised objection on the degree of the appellant being not relevant and he was informed that he might not be considered for promotion on that score. The appellant applied to the University of Peshawar and the University vide letter dated 23.11.2015 forwarded the case of appellant to HEC Islamabad, upon which the HEC gave its response which is placed on record.

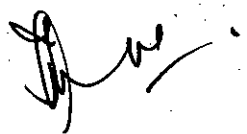

3. The appellant was first deprived and deferred from promotion by the Departmental Promotion Committee in its meeting dated 20.10.2015 on the ground "for want of PER", and secondly on

28.02.2017 on the ground "Not eligible due to irrelevant subject (Fuel Technology)". The department on the recommendation of Departmental Promotion Committee dated 20.10.2015 promoted 737 male SSTs (BPS-16) to the post of SS (BPS-17), vide order dated 17.03.2016 and the appellant was deprived of promotion and juniors to the appellant were considered and promoted. As per seniority list, name of the appellant was placed at S. No 2849 and SSTs up to the S.No 4096 were considered for promotion. The appellant got the knowledge of the said notification dated 17.03.2016 in May 2016, thereafter, he filed departmental appeal through proper channel on 01.06.2016, however the appeal was not responded within the statutory period of 90 days.

4. The appellant filed a service appeal No. 1022/2016 before Service Tribunal which was allowed in the following term vide order and judgment date 22.11.2017, **"hence in the given circumstances of the case the respondent department is directed to probe into the matter and in case it is found that the appellant was otherwise eligible to be promoted and had also submitted his PERs to the quarter concerned and that if the promotion of the appellant was deferred without any lapse on his part, then the respondent department is further directed to consider the appellant for promotion as SS from the due date."**

5. Since the order and judgement was not implemented, the appellant filed execution petition No. 89/2018 before this Hon'ble Tribunal, however during the proceedings of the implementation petition the department filed its report and on 19.06.2019 the appellant came to know through the report that he was again deferred by the DPC in its meeting date 28.02.2017 and this time on the ground of "Irrelevant

Qualification." Feeling aggrieved from the minutes of the meeting dated 28.02.2017, he also filed departmental appeal however the same was not responded within the statutory period of 90 days.

6. Respondents were put on notice who submitted written replies/ comments on the appeal. We have heard the learned counsel for the appellant as well as the Asst. Advocate General and perused the case file with connected documents minutely and thoroughly.

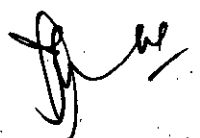

7. Learned counsel for the appellant argued that the appellant had been denied his due right of promotion to SS (BPS-17) first on the grounds of "want of PERs" and second time on the grounds of "Irrelevant Qualification". He further argued that the University of Peshawar had certified that the Academic Council of the University in its meeting held on 20.09.1990 allowed M.Sc degree in Fuel Technology to be considered equivalent to M.Sc in Chemistry and the holder of that degree be considered eligible for teaching of chemistry at the college level. The decision was taken as a result of closure of Fuel Technology Department and the question whether or not the degree of that department be equated to degree in Chemistry, on the request of degree holders. Matter was taken up by the Peshawar University with the Higher Education Commission also who responded, "both conventional Master degree in Fuel Technology and Chemistry are awarded upon completion of 16-years schooling. These degrees may have common courses but are awarded in distinct disciplines with different nomenclature. However, it is upto the employer to determine the eligibility of applicant as per job requirement of the post, keeping in view their recruitment rules." He argued that at the time of selection of the appellant to be post of SST (BPS-16) his M.Sc degree in Fuel

Technology was accepted and he taught chemistry on the basis of that. In view of the advice of HEC the Learned counsel for appellant contended that the appellant was eligible for promotion to the post of SS (BS-17) as his M.Sc degree in Fuel Technology was equivalent to M.Sc Chemistry.

8. The learned Asstt. Advocate General argued that the Service Rules for the post of the SST clearly stated " at least second class Bachelor Degree from a recognized university on need basis from the following groups with two subjects: (a) Chemistry, Botany or Zoology, or (b) Physics, Maths A or B or Statistics, or (c) Humanities and other equivalent groups at degree level with English as compulsory subject." It indicated that requirement for SST was Bachelor degree, a condition that the appellant fulfilled. For the post of SS requirement as per service rules was at least second class Master Degree or Four Year BS degree in the relevant subject. When read with the advice of HEC it was upto the employer/Government to determine the eligibility of appellant as per job requirement of the post keeping in view the recruitment/service rules.

9. Perusal of the record reveals that the appellant was appointed SST in BS-16 in accordance with the service rules for that position in the year 1999. For his promotion to the post of SS, the required qualification was at least second class master Degree or 4 years BS degree in the relevant subject. For the post of SS Chemistry, the relevant qualification was Master degree in chemistry as per service rules. The advice of the HEC is very clear when they say that they recognize Master of Science in Fuel Technology degree after B.Sc/14 years schoolings as equivalent to corresponding Master's degree in the

relevant field involving 16 years of education and that Master in Chemistry and Fuel Technology may have common courses but the degrees are awarded in distinct disciplines with different nomenclature. They have further elaborated that it is upto the employer to determine the eligibility of applicant as per job requirement for the post, keeping in view the service rules. In case of recruitment/appointment to the post of SS, the service rules clearly mention second class master degree in the relevant subject, which in case of SS Chemistry is M.Sc Chemistry, which the appellant does not possess. Keeping in view the above discussion/facts the appeal in hand stands dismissed. Consign.

10. *Pronounced in open court in Peshawar and given under our hands and seal of the Tribunal this 12th day of May, 2022.*

2. Vide our detailed judgement containing 06 pages, we have arrived at the conclusion that the appellant was appointed SST in BS-16 in accordance with the service rules for that position in the year 1999. For his promotion to the post of SS, the required qualification was at least second class master Degree or 4 years BS degree in the relevant subject. For the post of SS Chemistry, the relevant qualification was Master degree in chemistry as per service rules. The advice of the HEC is very clear when they say that they recognize Master of Science in Fuel Technology degree after B.Sc/14 years schoolings as equivalent to corresponding Master's degree in the relevant field involving 16 years of education and that Master in Chemistry and Fuel Technology may have common courses but the degrees are awarded in distinct disciplines with different nomenclature. Respectfully Submitted:

1. That the appellant was initially appointed as SST BPS-16 in the respondent Department in the year 1999. Later the appellant was also upgraded to BPS-17. Ever since his appointment the appellant is performing his duties as assigned with zeal and devotion and without giving any chance of complaint whatsoever regarding his performance. As such he has at his credit a spotless service career at his credit. **(Copy of the appointment order is attached as Annexure A)**

2. That under the rules notified vide notification dated 24.07.2014, the next post in the channel of promotion to the post of SST is Subject Specialist (SS) BPS-17, under the Rules 50% promotion quota is reserved for SSTs BPS-16. Relevant para of the rules is reproduced below:

“(a) Fifty percent by promotion on the basis of seniority com-fitness, for the relevant subject from amongst the Secondary School Teachers (BPS-16), with at least five years service as such and having qualification mentioned in column No.3.

The rules have further prescribed the following qualification in Column 3 for the post of Subject Specialist BPS-17.

- ii. Bachelor of Education or Master of Education (Industrial Art or Business Education) or M.A Education or equivalent qualification from a recognized University.*

(Copies of the Rules are attached as Annexure B)

3. That the appellant has acquired the qualification of MSc in Fuel Technology in the year 1990 from the University of Peshawar. It is pertinent to mention here that in the year 1990, on the closure of the department of Fuel Technology, the Academic Council of the University of Peshawar in its meeting held on 20.09.1990, allowed M.Sc Degree in Fuel Technology to be equivalent to M.Sc in Chemistry and the holders of the Degree were held eligible for teaching of Chemistry at the College level. To this effect an equivalency certificate dated 21.10.1990 was also issued. **(Copies of the M.Sc. Degree, minutes of the meeting dated 20.09.1990 and equivalency certificate dated 21.10.1990, are attached as Annexure C, D & E)**

4. That despite the above explained position, the respondents orally raised objection on the degree of the appellant being not relevant and was informed that he might not be considered for promotion on this score, therefore the appellant duly applied to the University of Peshawar and the University vide letter dated 23.11.2015 forwarded the case of appellant to the Higher Education Commission Islamabad. **(Copy of the letter dated 23.11.2015 is attached as Annexure F)**
5. That the Higher Education Commission Islamabad vide letter dated 29.04.2016, informed the appellant that the Higher Education Commission recognizes the Master of Science in fuel Technology degree held by the appellant from university of Peshawar equivalent to Corresponding Master Degree in relevant field. **(Copy of the letter dated 29.04.2016 is attached as Annexure G)**
6. That however the appellant was deprived and deferred from promotion by the Departmental Promotion Committee in its meeting dated 20.10.2015 only on the ground of "for want of PER". **(Copy of the minutes of meeting dated 20.10.2015 is attached as Annexure H)**
7. That the Department, on the recommendation of DPC dated 20.10.2015 promoted 737 male SST's (BPS-16) to the post of subject specialist (BPS-17), vide order dated 17.03.2016. Wherein the appellant was deprived of promotion and juniors to the undersigned were considered and promoted. As per seniority list, name of the undersigned is placed at Sr. No. 2849 and SST's up to the seniority No. 4096 were considered for promotion. The notification letter, however, never communicated to the undersigned. **(Copy of the office order dated 17.03.2016 is attached as Annexure I)**
8. That the appellant got the knowledge of the said notification dated 17.03.2016 in May 2016, where after the appellant filed his departmental appeal through proper channel on 01.06.2016, however the appeal was not responded within the statutory period of ninety days. **(Copy of the departmental appeal is attached as Annexure J)**

9. That the appellant also filed Service Appeal No. 1022/2016 before this Honorable Tribunal, which was allowed in the following terms vide order and judgment dated 22.11.2017.

“8. hence in the given circumstances of the case the respondent department is directed to probe into the matter and in case it is found that the appellant was otherwise eligible to be promoted and had also submitted his PERs to the quarter concerned and that if the promotion of the appellant was deferred without any lapse of his part, then the respondent department is further directed to consider the appellant for promotion as SS from the due date.”

(Copies of the Service Appeal No.1022/2016 and Order and Judgment dated 22.11.2017 is attached as Annexure K & L)

10. That since the Order and Judgment was not implemented, the appellant was constrained to file execution petition No. 89/2018 before this Honorable Tribunal, however during the proceedings of the implementation petition the department filed its report and on 19.06.2019 the undersigned came to know through the report that he was again deferred by the departmental Promotion Committee in its meeting dated 28.02.2017 and this time on the ground of **“Irrelevant Qualification”**. *(Copy of the minutes of the meeting dated 28.02.2017 is attached as Annexure M)*

11. That feeling aggrieved from the minutes of the meeting dated 28.02.2017, the appellant also filed departmental appeal however the same has not been responded within the statutory period of ninety days. *(Copy of the Departmental Appeal dated 16.07.2019 is attached as Annexure N)*

12. That minutes of the meeting dated 28.02.2017 is illegal to the extent of the appellant and he prays for the acceptance of the instant appeal inter alia on the following grounds:

GROUNDS OF SERVICE APPEAL

- A. That the appellant has not been treated in accordance with law/ rules hence his rights secured and guaranteed under the law are badly violated.
- B. That the mandatory provisions of Section 9 of Khyber Pakhtunkhwa Civil Servant Act, 1973 read with Khyber

Pakhtunkhwa Civil Servant (Appointment, Promotions and Transfer) Rules, 1989 and enabling instructions contained in the ESTA Code have not been adhered thus the appellant has been deprived of his legal and due rights.

- C. That in the previous meeting of Departmental Promotion Committee dated 20.10.2015, the appellant was deferred due to "want of PERs" and not for "irrelevant qualification", which shows the malafide on the part of the department. Had the appellant not acquired the relevant qualification he would have been deferred for that reason and not for "want of PERs".
- D. That the appellant has at his credit the qualification of M.Sc, (fuel technology) which has been given equivalence to M.Sc, Chemistry by the HEC, moreover he being amongst the senior as per seniority list of SST BPS-16, therefore perfectly eligible to be considered for promotion to the post of Subject specialist. The appellant waited that he would be considered for promotion to the post of Subject Specialist BPS-17 as and when posts in the promotion quota occurs but now he has been deprived of his accrued right of consideration for promotion to the post of Subject Specialist.
- E. That even otherwise the appellant was appointed as SST (Bio Chemistry), right from his appointment he has taught the Chemistry as subject and have sufficient experience, moreover the concerned University had also held the degree of MSc fuel Technology obtained by the undersigned equivalent to MSs Chemistry, thus the objection of the respondents regarding the qualification of the undersigned is baseless.
- F. That not considering the appellant for promotion on the ground that he does not possess the required qualification is illegal, against the policy, unlawful and violative upon his rights and is highly discriminatory.
- G. That the appellant has a clean and spotless service career at his credit thus deserves to be considered for promotion.
- H. That the appellant also seeks permission of this Honorable Tribunal to rely on additional grounds at the time of hearing of the appeal.

It is, therefore, humbly prayed that on acceptance of this appeal the Minutes of the Meeting dated 28.02.2017, to the extent of undersigned, may please be set aside and the respondents may please be directed to consider the undersigned for promotion to the post of SS BPS-17, from the date when his juniors/colleagues have been promoted with all back/consequential benefits.

The meeting commenced with recitation from the Holy Quran by Dr. Mohammad Majid, Chairman, Department of Geology. The Vice-Chancellor welcomed the members of the Academic Council to its first meeting of the new session, and referred to the voluminous Agenda before them which necessitates holding of two meetings of the Academic Council every year. The Vice-Chancellor therefore announced that the next meeting of the Academic Council would be arranged in January/February, 1991 so that cases are settled in time.

The Vice-Chancellor then alluded to the Unfairmeans/Discipline Committee Rules which requires certain appropriate additions/alterations in order to empower the University authorities to impose fine and penalties on those found guilty of cheating in the Examination or those creating disturbance in the Examination Halls. The Academic Council agreed to this proposal and also authorised the Vice-Chancellor to allow re-checking of answer books on prescribed fee as and when deemed necessary. The Vice-Chancellor also referred to yet another important point for considering whether to admit boys at the various levels on the basis of their marks obtained in the earlier Board/University examination, or to arrange regular entry test/examination to all Departments/Colleges etc.

was proposed that the matter be referred to the Faculty Boards to examine the problem and give its recommendations on the question of entry test/examination.

The Vice-Chancellor then referred to the closure of Fuel Technology Department and the question whether or not the degree of this department be equated to degree in Chemistry, as such degree holders are requesting for. The Academic Council considered the issue with sympathy and allowed M.Sc. degree in Fuel Technology to be considered equivalent to M.Sc. in Chemistry and the holder of this degree be considered eligible for teaching of Chemistry at the college level. Another important issue brought forth by the Vice-Chancellor was regarding the quota system for admission in the colleges/Departments of the University and the question whether these be abolished altogether. The Academic Council, after thorough discussion on the above mentioned problem, desired to consider all aspects of the issue before taking any final decision.

The Academic Council then discussed the Agenda itemwise as under:-

ITEM NO. 1: PROCEEDINGS OF THE BOARD, FACULTY OF SCIENCE DATED 10-2-1990.

The case was discussed thoroughly and finally recommended the item to the Syndicate.

ITEM NO. 2: PROCEEDING OF THE BOARD, FACULTY OF ARTS DATED, 17-2-1990.

As pointed out by Mr. Farid Khan, the Quorum was incomplete during the meeting, therefore the item was referred to the next meeting of the Board, Faculty of Arts. It was also resolved that the change in the nomenclature should have been routed through the Board of Studies in Archaeology.

ITEM NO. 3 : PROCEEDING OF THE BOARD, FACULTY OF SCIENCE DATED 1-7-1990.

The Board, after thoroughly examining the case, recommended the item for approval.

Subject: ISSUANCE OF EQUIVALENCE CERTIFICATE

Dear Sir,

I am directed to inform you that following the closure of the Fuel Technology Department, the Academic Council of the University of Peshawar in its meeting held on 20.09.1990 considered M.Sc. Subject: Equivalence of Master of Science in Fuel Technology degree awarded by University of Peshawar.

Dear Sir,

With reference to your application dated March 10, 2016 on the subject cited above, it is informed that University of Peshawar is a chartered university in public sector. The Higher Education Commission recognizes Master of Science in Fuel Technology degree held by you from University of Peshawar after 'B.Sc/14-year schooling' as equivalent to corresponding Master's degree in the relevant field involving 16-year of education.

Both conventional Master degrees in Fuel Technology and Chemistry are awarded upon completion of 16-year schooling. These degrees may have common courses but are awarded in distinct disciplines with different nomenclature. However, it is upto the employer to determine the eligibility of applicant as per job requirement of the post, keeping in view their recruitment rules.

It may also be noted that admission in a university for higher education and determination of suitability in relation to job requirement rest with the concerned university and employing agency, respectively and this Commission has no role in such issues.

Yours faithfully,

SUBJECT: APPEAL TO BE INCLUDED IN SS CHEMISTRY PROMOTION ORDER
FROM SST SENIORITY LIST.

R/Sir,

Most respect fully I beg to say that I have been working as SST
(Bio: Chemistry) post, B-17 at Govt High School Maini (Swabi) since 12-07-1999.
My SST seniority No. is 2849.

Dear Sir, I had MSc (Fuel Technology) from the University of Peshawar
in 1990. After the closer of this Department the academic council of University of Peshawar in
its meeting held on 20-09-1990, considered MSc (Fuel Technology) equivalent to MSc in Chemistry
(Copy attached), and the holder of this degree was considered eligible for teaching of chemistry at
College level. Equivalence certificate from University of Peshawar and other related statement
from Higher Education Commission and of the Registrar University of Peshawar were also given
for ready reference.

In light of the above decision I applied for promotion to Subject Specialist
in Chemistry through proper channel on the basis of SST Seniority with all necessary documents.

When the promotion order issued vide Secretary (Elementary and Secondary)
Education Khyber Pakhtunkhwa Peshawar No. SO(PE/2-6/DPC/Meeting/SST/SS(20-10-2015)
Dated 17-03-2016. I was deprived from promotion to SS post on the other hand upto SST Seniority No.
4096 were promoted to SS post in Chemistry and my name has been left on seniority No. 2849, which
is injustice.

Therefore it is requested ^{that} I may please be promoted from SST (Chemistry Biology)
to Subject Specialist in Chemistry from the date of the issue of the order ie 17-03-2016, which is my right.

Thanks

Filed to-day

Registrar

30/9/16

Respectfully Submitted:

1. That the appellant was initially appointed as SST BPS-16 in the respondent Department in the year 1999. Later the appellant was also upgraded to BPS-17. Ever since his appointment the appellant is performing his duties as assigned with zeal and devotion and without giving any chance of complaint whatsoever regarding his performance. As such he has at his credit a spotless service career at his credit. **(Copy of the appointment order is attached as Annexure A)**

2. That under the rules notified vide notification dated 24.07.2014, the next post in the channel of promotion to the post of SST is Subject Specialist (SS) BPS-17, under the Rules 50% promotion quota is reserved for SSTs BPS-16. Relevant para of the rules is reproduced below:

“(a) Fifty percent by promotion on the basis of seniority com-fitness, for the relevant subject from amongst the Secondary School Teachers (BPS-16), with at least five years service as such and having qualification mentioned in column No.3.

The rules have further prescribed the following qualification in Column 3 for the post of Subject Specialist BPS-17.

- i. *At least second class Master's Degree or four years BS Degree in the relevant subject, and*
- ii. *Bachelor of Education or Master of Education (Industrial Art or Business Education) or M.A Education or equivalent qualification from a recognized University.*

(Copies of the Rules are attached as Annexure B)

3. That the appellant has acquired the qualification of MSc in Fuel Technology in the year 1990 from the University of Peshawar. It is pertinent to mention here that in the year 1990, on the closure of the department of Fuel Technology, the Academic Council of the University of Peshawar in its meeting held on 20.09.1990, allowed M.Sc Degree in Fuel Technology to be equivalent to M.Sc in Chemistry and the holders of the Degree were held eligible for teaching of Chemistry at the College level. To this effect an equivalency certificate dated 21.10.1990 was also issued. **(Copies of the M.Sc. Degree, minutes of the meeting dated 20.09.1990 and equivalency certificate dated 21.10.1990, are attached as Annexure C, D & E)**

4. That despite the above explained position, recently the respondents raised objection on the degree of the appellant being not relevant and were not considering him for promotion on this score, therefore the appellant duly applied to the University of Peshawar and the University vide letter dated 23.11.2015 forwarded the case of appellant to the Higher Education Commission Islamabad. **(Copy of the letter dated 23.11.2015 is attached as Annexure F)**
5. That the Higher Education Commission Islamabad vide letter dated 29.04.2016, informed the appellant that the Higher Education Commission recognizes the Master of Science in fuel Technology degree held by the appellant from university of Peshawar equivalent to Corresponding Master Degree in relevant field. **(Copy of the letter dated 29.04.2016 is attached as Annexure G)**
6. That recently the respondents promoted 737 male SST's (BPS-16) to the post of subject specialist (BPS-17), vide order dated 17.03.2016. Wherein the appellant was deprived of promotion and juniors to the appellant were considered and promoted. As per seniority list, name of the appellant is placed at Sr. No. 2849 and SST's up to the seniority No. 4096 were considered for promotion. The notification letter, however, never communicated to the appellant. **(Copy of the notification dated 17.03.2016 is attached as Annexure H)**
7. That the appellant got the knowledge of the said impugned notification dated 17.03.2016 in May 2016, where after the appellant filed his departmental appeal through proper channel on 01.06.2016, however the appeal has not been responded within the statutory period of ninety days, hence the instant appeal. **(Copy of the departmental appeal is attached as Annexure I)**
8. That the appellant prays for the acceptance of the instant appeal inter alia on the following grounds:

GROUND OF SERVICE APPEAL

- A. That the appellant has not been treated in accordance with law/ rules hence his rights secured and guaranteed under the law are badly violated.
- B. That the mandatory provisions of Section 9 of Khyber Pakhtunkhwa Civil Servant Act, 1973 read with Khyber Pakhtunkhwa Civil Servant (Appointment, Promotions and Transfer) Rules, 1989 and enabling instructions contained in the ESTA Code have not been adhered thus the appellant has been deprived of his legal and due rights.
- C. That the applicant has at his credit the qualification of M.Sc, (fuel technology) which has been given equivalence to M.Sc, Chemistry by the HEC, moreover he being amongst the senior as per seniority list of SST BPS-16, therefore perfectly eligible to be considered for promotion to the post of Subject specialist. The appellant waited that he would be considered for promotion to the post of Subject Specialist BPS-17 as and when posts in the promotion quota occurs but now he has been deprived of his accrued right of consideration for promotion to the post of Subject Specialist.
- D. That even otherwise the appellant was appointed as SST (Bio Chemistry), right from his appointment he has taught the Chemistry as subject and have sufficient experience, moreover the concerned University had also held the degree of MSc fuel Technology obtained by the appellant equivalent to MSs Chemistry, thus the objection of the respondents regarding the qualification of the appellant is baseless.
- E. That not considering the appellant for promotion on the ground that he does not possess the required qualification is illegal, against the policy, unlawful and violative upon his rights and is highly discriminatory.
- F. That the appellant has a clean and spotless service career at his credit thus deserves to be considered for promotion.

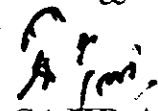

G. That the appellant also seeks permission of this Honorable Tribunal to rely on additional grounds at the time of hearing of the appeal.

It is, therefore, humbly prayed that on acceptance of this appeal the impugned dated 17.03.2016. may please be set aside/varied/modified and the respondents may please be directed to consider the appellant for promotion to the post of SS BPS-17, from the date when his juniors/colleagues have been promoted with all back/consequential benefits.

The appellant has filed the present appeal under section 4 of the Khyber Pakhtunkhwa Service Tribunal Act, 1974 and made impugned the order dated 17.03.2016 whereby allegedly juniors to the appellant have been promoted from the post of SST to the post of SS while the appellant has been allegedly ignored. 3. Learned counsel for the appellant contended that by ignoring the appellant from promotion to the post of SS, he has not been

treated in accordance with law. Further argued that the appellant has a spotless service record and has also submitted his PER,s regularly. Learned counsel for the appellant also submitted affidavit of the appellant to the effect that the appellant submitted his PER,s to the DEO (Male) for onward submission. Learned counsel for the appellant stressed that the appellant is fully entitled to promotion from the date his junior colleagues were promoted.

4. As against that learned District Attorney while defending the impugned order also referred to the minutes of the meeting of departmental promotion committee held on 20.10.2015 and argued that the appellant was deffered for want of PER.

5. Arguments heard. File perused.

✓ 6. Perusal of the minutes of the meeting of departmental promotion committee held on 20.10.2015 would show that the departmental promotion committee deffered the promotion of many SET,s including the appellant for the reason of want of PER. It is the stance of the appellant in the court during arguments and an affidavit also submitted by him that he had submitted PER,s to his DEO (Male) for its onward submission to the Directorate of Peshawar. Hence in the given circumstances of the case the respondent department is directed to probe into the matter and in case it is found that the appellant was otherwise eligible to be promoted and had also submitted his PER,s to the Quarter concerned and that if the promotion of appellant was deffered
