Petitioner alongwith counsel present.

Umair Azam learned Additional Advocate General alongwith Atta Ur Rehman Inspector Legal for respondents present.

From the record it is evident that the petitioner has been reinstated in service subject to the outcome of CPLA. He was directed time and again to join his service but to no avail. On the preceding date he was directed to submit his arrival report but till today he is unable to produce his charge assumption report. As he is not willing to assume charge despite directions by this Tribunal as well as by his high-ups, as such execution petition stands filed being fully satisfied. Consigned.
