

17.02.2023 Statement of Mr. Yasir Saleem, Advocate learned counsel for the petitioner

As per instruction of my client since the District Education Officer North Waziristan issued reinstatement order dated 12.08.2020 which has been recently communicated to the appellant vide which the appellant has been reinstated in service with all back benefits from the date of termination that is i.e 10.05.2005 as such the grievance of the petitioner has been redressed, however, if the said order is not fully acted upon the appellant would reserve his right to reagitate the matter before this Hon'ble Tribunal. At the moment since the grievance redressed apparently, therefore, the appellant does not pursue the instant petition anymore, the said may kindly be disposed of, in the above terms.
