**COMMENTS ON BEHALF OF OFFICIAL RESPONDENTS
NO.1 - 5**

RESPECTFULLY SHEWETH

PRELIMINARY OBJECTION

- 1. The instant Service Appeal is incompetent before this Honorable Tribunal.
- 2. The Appellant has no cause of action.
- 3. The present appeal is mis-conceiving.
- 4. The Appellant has concealed material facts from this Honorable Tribunal.
- 5. The Appellant has not come to this Tribunal with clean hands.

ON FACTS

1. Pertains to record, maintained in the O/O Chief Engineer (CDO) (Respondent No.5).
2. Correct.
3. Incorrectly assumed, in fact the share for this Class @ 5% comes to 21-Nos against 422 posts, while 13-Nos, already had been promoted. For the remaining, 08-Posts the DPC in its meeting dated 27/03/2018, declared 07-officials on regular basis, whereas one post was kept open for one Senior Work Supervisor (BS-11) whose Confidential Reports and other documents were not received. It may further be noted that the Appellant name was also available at Sl-15 of the very said Working Paper, which has annexed by the appellant Annexed-D (Page-12).
4. Correct to the extent that according to share i.e 2.5% as reserved for Draftsmen, by Transfer to Sub-Engineer, the share becomes 11-Nos against 422-Posts, while two officials were already promoted and there were remaining 09-Posts for such Class and as such Two Officials one on regular base and the other (Mr. Liaqat Shah Pvt Respondent-6) was appointed on Acting Charge due to less length of required service i.e 05-years at the then under the APT Rules, 1989.
5. Incorrect, the very said one post in his own quota as assumed by the Appellant in fact was reserved for one Senior Official as expressed in para-3 above, being original incumbent, while for the 08-Posts falling to the incumbents of Draftsman (2.5%) Two Officials, one on regular, and the other on Acting Charge have been promoted/ appointed and thus there remain only SIX Posts for Draftsman to be elevated to the post of Sub-Engineers for which their seniority is Annexed-I for perusal of this Honorable Tribunal.
6. Incorrect assumption. Rule-9 of APT Rules, 1989 as annexed at-I (Pages-21/22) the citation of which is as under: -

Appointment on Acting Charge or Current Charge Basis

“While the appointing authority considered it to be in the public interest to fill a post reserved under the rules

for departmental promotion and most senior Civil Servant belonging to the Cadre or Service concerned, who is otherwise eligible for promotion, does not possess the specified length of service, the authority may appoint him to that post on acting charge basis.

“Provided that no such appointment shall be made if the prescribed length of service is short by more than three years”.

So, the contention of appellant, “such practice is not permissible” is superfluous, Pvt Respondent-6 (Mr. Liaqat Shah) is correctly elevated to the post of Sub-Engineer on Acting Charge as he was having, 05-years’ service at the then against the specified service of 07-years and that was also not short by 03-years.

7. Incorrect, the Departmental Appeal of both Appellants, have been replied vide memo No.52-E/367/CEC/C&WD dated 22/11/2018 (Annexed-II), hence untenable.
8. The Appellant has not come to this Tribunal with clean hand hence his appeal is liable to dismissal in limine.

ON GROUNDS

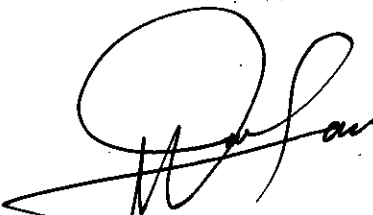

- A. Incorrect, the factual position of official appointed on Acting Charge basis is fully expressed in above paras of reply.
- B. Incorrect, the appellant fall at SI-8 of the Class/ Cadre and would be promoted on his turn, subject to relevant conditions and requirement.
- C. Incorrect and mis-stated.
- D. Correct to the extent that when post position allows, Appellant would then be considered for promotion, on his turn, subject to fulfillment of the requisites.
- E. Mis-conceiving, Appellant shall wait for promotion on his turn.
- F. Incorrect, Mis-conceiving.

- G. Incorrectly assumed. Section-9 of Civil Servant Act, 1973 and Rule-7 of APT Rules, 1989 provides guiding principal dealing with the cases of promotion of Civil Servants for which such rules are available.
- H. Incorrect. Private Respondent-6 has rightly been appointed on Acting Charge basis under the Govt Rules as described in above paras of reply.
- I. No doubt not only the Appellant even others, who are senior to him, according to eligibility and post position would be considered for promotion at appropriate time subject to the condition that the requisite are fulfilled.
- J. The Replying Respondent(s) also seeks permission of this Honorable Tribunal to place additional documents/ grounds before the Tribunal at the time of Arguments.

In the wake of above submission, it is humbly prayed that there is no merit in the instant Service Appeal, devoid of material facts, may please be Dismissed in limine.

APPEAL No. 106/2019

FARMAN-UD-DIN

VS

GOVT: OF KPK

REJOINDER ON BEHALF OF APPELLANT IN RESPONSE TO
THE REPLY SUBMITTED BY THE RESPONDENTS

R/SHEWETH:

PRELIMINARY OBJECTIONS:

1 TO 5:

All the preliminary objections raised by the respondents are incorrect, baseless and not in accordance with law and rules rather the respondents are stopped due to their own conduct to raise any objection at this stage of the appeal.

ON FACTS:

- 1- Admitted correct hence need no comments.
- 2- Admitted correct hence need no comments.
- 3- Incorrect and not replied accordingly. That against the total 21 numbers reserved posts of Sub Engineer for Works Superintendants/ Work Supervisors/ Surveyors, the total 20 numbers of posts are filled by the way of regular promotion from amongst the Works Superintendants/ Work Supervisors/ Surveyors on the basis of joint seniority and only ONE post was left vacant due to deferment of one official of the mentioned Class for regular promotion.
- 4- Incorrect and not replied accordingly. That against the total 11 numbers reserved posts of Sub Engineer for Draftsman, the total 3 posts are filled regularly from amongst the Draftsman, while in the remaining EIGHT posts vacant for regular transfer, on one post the private Respondent No. 6 (Mr. Liaqat shah) has been appointed by the Respondent No.4 on acting charge basis as a Sub-Engineer illegally, against the rules vide the impugned order dated 30-03-2018 communicated to the appellant on 28-09-2018 through RTI, which is liable to be set aside.
- 5- Incorrect and not replied accordingly. That reply of the respondents is the misrepresentation, concealment of facts and fictive calculation because it is clearly been stated in para No.3 above that in Appellants own quota i.e. Works Superintendants/

Work Supervisors/ Surveyors ONE post is vacant which is not filled regularly, while in Draftsman quota EIGHT numbers of posts are vacant which are not filled regularly. Against these total NINE numbers of vacant posts the Appellant stood at serial No.8 of the joint seniority, so the appellant being at serial No. 8 is entitled to be promoted on the vacant post as eligible in all respect.

- 6- Incorrect and not replied accordingly. That appointment on acting charge bases is not permissible under the rules for the officials of the private respondent cadre as they are suppose to be transferred to the cadre of sub engineer and not to be promoted, therefore, the impugned order dated 30-3-2018 is against the law and rules on the subject as rule 9 of A.P.T Rules, 1989 is not applicable to the Private respondent No.6.
- 7- Incorrect and not replied accordingly. The reply has not been served on the appellant till the filing of the instant appeal.
- 8- Incorrect hence denied.

GROUND:
(A to J):

All the grounds of main appeal are correct and in accordance with law and prevailing rules and that of the respondents are incorrect, baseless and not in accordance with law and Rules hence denied.

It is therefore, most humbly prayed that on acceptance of this rejoinder the appeal of the appellant may be accepted in favor of the appellant.
