time. In the meanwhile the govt passed two acts regularizing all govt employees, but as they were not regularized as they were not qualified then. The above mentioned officers made an appeal for their regularaization. They finally went in appeal before the NWFP Service Tribunal Peshawar. Annexure "L".

The NWFP Service Tribunal in its judgement dated 31-5-1994 Annexure "M" decided as under:-

"There is no dispute with respect to the legal position that a person who is working against the post is entitled to the pay thereon and thus the appellatant is also entitled to the pay of the post as subject specialist from the date when he was adjusted as such. But the period for which he would be entitled to the pay of the subject specialist would be reckoned up to three years back from the date when writ petition was preferred by him in high Court Peshawar and the claim beyond that would be time barred. As regards the prayer for regularization of his services it is for the Dept to process the case of selection of the appellatant as subject specialist."

The Govt filed civil appeal No-128/1995 against the judgement of Services Tribunal dated 31-5-1994, in honorable Supreme Court of Pakistan, which was accordingly, dismissed. (Annexure: "N")

The applicant also went in appeal before the Supreme Court of Pakistan against the decision of N.W.F.P Services Tribunal. During this period the applicants have also obtained B.Ed degrees dates mentioned on page 1.

The honorable Supreme Court of Pakistan modified the order of the N.W.F.P Services Tribunal granting pay/arrear to the applicants from the dates of their respective appointments (Annexure "O")

So for the regularization of the services of the applicants as subject specialist were concerned, it was left to be decided by the Dept (Annexure "P")

This Honourable Tribunal allowed the relief of pay however arrears of pay were allowed for 3 years back from the date the writ petition was filed, regarding the prayer for regularization it was directed that the matter of regularization is left for the department to process the case of selection of the appellant as Subject Specialist. The Govt filed appeal in the Supreme Court of Pakistan against the decision of this Honourable Tribunal, The August Supreme Court of Pakistan in Civil Appeal No. 18, 128 and 539 to 551 of 1995, dismissed the Govt appeal and maintained the judgment of this Honourable Tribunal on the point of regularization, however allowed and granted the claim for payment of minimum salary against the post Subject Specialist from the date of his initial appointment. (Copy of the Judgment of the Supreme Court of Pakistan is attached as Annexure E)
6. That one Muhammad Riaz Subject Specialist a similarly placed employee also filed Appeal No. 92/95 in this Honourable Tribunal, the same was allowed vide judgment and order dated 16.7.1996, however while implementing the judgment the respondent department, allowed him graded pay in BPS-17 along with increments against the post of Subject Specialist w.e.f 23.5.1988, he was allowed seniority against the post of Subject Specialist w.e.f the date of his acquiring the prescribed qualification of the post, the said Muhammad Riaz again filed service appeal 649/2000, and sought seniority w.e.f 24.5.1988, however the order dated 15.2.1999 was maintained and he was held entitled to the grant of seniority w.e.f the date of his acquiring the qualification i.e 17.2.1992, accordingly vide notification dated, the said Muhammad Raiz was allowed seniority w.e.f 17.10.1992. (Copies of the Notifications dated 15.2.1999, 5.9.2002 & 21.2.2003 are attached as Annexure F, G &H)

3. That it is pertinent to point out here that at the relevant time eligible candidates having the additional qualification of M Ed & B Ed were lacking and not available, while there was dire need of appointment of Subject Specialists in the upgraded Higher Secondary Schools, hence keeping in view the above requirements, the Govt of NWFP vide notification dated 21.11.1991 amended the recruitment rules for the post of Subject Specialist (BPS-17) as follows: - "Second Class master degree in the relevant subject, or in the case of English Subject, Third class Master degree in English with B.Ed / M.Ed/ M.A. Education in Second Division respectively from a recognized University or Institute. The appellant in accordance with the amended rules improved and acquired the required qualification of B- Ed within the target period. (Copies of the Notification dated 21.11.1991 is attached as Annexure C)
4. That is advantageous to note that the provincial govt promulgated simultaneously four Regularization Acts for the regularization of Adhoc & Contract Appointees i.e NWFP Adhoc Civil Servants (Regularization of Service) Act, 1987, NWFP Civil Servants (Regularization of Service) Act, 1988, NWFP Employees on Contract Basis (Regularization of Service) Act, 1989 & NWFP Employees on Contract Basis (Regularization of Services) (Amendment) Act, 1990. 9. That the appellant has challenged the notification dated 28.5.1997, wherein he was denied the claim of seniority, referred in Para 2 of the notification in Service appeal No. 2175/1997. This Honourable Tribunal vide its judgment and order dated 17.8.2004 again did not decide the matter of regularization of the appellant and directed the respondent department to settle the long standing issue of regularization of service of the appellant as per rules in a reasonable span of time, and remanded back the case to the department for necessary action. (Copy of the judgment and order dated 17.8.2004 is attached as Annexure K)
 10. That the case of the appellant with other Subject Specialist was referred to the Departmental Promotion Committee, for regularization, a working paper was prepared to this effect by the department, the Departmental promotion Committee discussed the case of regularization of the appellant and held that it did not fall within the purview of the DPC, it further held that the regularization may therefore be considered by the department in light of Provincial Govt policy and verdict of the courts. (Copies of the working paper & minutes of the DPC are attached as Annexure L and M)
 11. That again a Departmental Committee was constituted to determine/ decide the regularization of the appellant and other employees, however instead of regularization of the appellant, it recommended for the termination of the appellant and other employees mainly on the ground, that being an old case the record is not available. The appellant and other employees submitted a representation to the Chief Minister for the regularization of their cases and against the recommendations for termination. (Copy of the representation is attached as Annexure N)

That the appellant has filed writ petition in the Peshawar High Court against the termination order, however the Honourable High Court vide its judgment directed the department to decide the representation within 30 days. (Copies of the orders of the Peshawar High Court are attached as Annexure Q)
15. That the Notification of termination of the appellant is illegal, unlawful, in violation of law and against the principles of natural justice inter-alia on the following grounds:-

GROUND OF APPEAL:

- A. That the appellant has not been dealt with in accordance with law, he has put in about 20 years service, but was dealt with in a slip shod manner, thus the order impugned is not tenable.
- B. That the notification-dated 19.3.2008 is in violation of the provisions of NWFP Removal from Service (Special Powers) Ordinance, 2000.
- C. That the appellant is fit and eligible to the post of subject specialist, he has at his credit the pre-requisite qualification prescribed for the post, even he was moved-over to BPS-18 by the DPC; he remained on the post for about 2 decades without any complaint whatsoever regarding his performance, thus valuable rights have been created in his favour that cannot be snatched or taken away illegally. The order of his appointment cannot be rescinded, varied or withdrawn in accordance with the principles of locus poenitentiae as laid down in section 21 of the General Clauses Act, 1897. The action of the respondents is in violation of the reported judgments i.e PLD 1969 SC page 407, 1962 SCMR page 1420, 1981 SCMR 523, PLD 1964 SC 503, 1992 SCMR page 1652, 1997 SCMR, page 15.
- D. That the Acts of NWFP Provincial Assembly promulgated for the regularization of Adhoc & Contract Appointees i.e NWFP Adhoc Civil Servants (Regularization of Service) Act, 1987, NWFP Civil Servants (Regularization of Service) Act, 1988, NWFP Employees on Contract Basis (Regularization of Service) Act, 1989 & NWFP Employees on Contract Basis (Regularization of Services) (Amendment) Act, 1990, were fully attracted to the case of the appellant, he by virtue of those legislations attained the

status of regular employee, however due to the in action of the respondents he was denied formal regularization order.

- E. That before terminating the appellant from service no right of hearing was provided to him, he was neither issued any show cause notice or explanation and thus the appellant is condemned unheard.
- F. That the appellant had in accordance with the amended rules of 1991 improved and acquired the prescribed qualification of B- Ed with in the target period and considering his eligibility for the post he was allowed the pay and scale of Subject Specialist by the August Supreme Court of Pakistan, thus he shall be considered as regular employee for all intent and purposes.
- G. That the respondent department was bound to have followed and implemented the decision of the then Chief Minister regarding the regularization of the appellant, in terms of the Judgment reported as 1993 SCMR 1326.
- H. That the notification whereby the appellant is terminated from service is in violation of the judgments of the supreme Court of Pakistan reported in PLC 2005 (Civil Service) page 1165, NLR 2004 Service page 12, 2004 SCMR page 49, 1996 SCMR page 413, 1996 SCMR page 1350, because there is no allegations of lacking of the requisite qualification, or complaint regarding his performance in duties hence the notification impugned is liable to be struck down.
- I. That the appellant has been discriminated against, because similarly placed employees have already been regularized and allowed seniority and are still in service while the appellant is terminated from service, the order impugned is not tenable on this score alone.

It is therefore prayed that on acceptance of this appeal the Notification dated 19.3.2008 may please be set aside, and the appellant may please be declared as regular employee for all intents and purposes w. e. f the date of his appointment, and he be reinstated in service with full back wages and benefits of service.

JUDGMENT.

NOOR-UL-HAQ, MEMBER :- This appeal has been filed by the appellant against the Notification dated 19.3.2008, whereby he was terminated from service with immediate effect against which the departmental appeal dated 26.3.2008 has not been replied despite the lapse of 90 days. He has prayed that on acceptance of this appeal the impugned Notification may be set aside, and he be declared as regular employee for all intents and purposes with effect from the date of his appointment, and he may also be reinstated in service with full back wages and benefits of service.

2. Brief facts of the case are that the Government of NWFP Education Department had vide an advertisement published in Daily News paper dated 3.9.1987, invited applications from the desirous candidates for appointment against the post of Subject

Specialist BPS-17 with the qualification of M.A in the relevant subjects with M.Ed or B-Ed. The appellant having the qualification of M.A in the relevant subject, also applied for the same. As required number of candidates having M.A with B.Ed or M.Ed were not available, hence the Departmental Selection Committee considered the case of the appellant and recommended him for appointment against the post of Subject Specialist. However, it was directed that he be allowed BPS-15 and the appellant was issued appointment order dated 17.2.1988.

3. It is pertinent to point out here that at the relevant time eligible candidates having the additional qualification of B.Ed & M.Ed were not available, while there was dire need of appointment of Subject Specialists in the upgraded Higher Secondary Schools, hence keeping in view the above requirements, the Government of NWFP vide Notification dated 21.11.1991 amended the recruitment rules for the post of Subject Specialist (BPS-17) as follows:-

"Second Class Master Degree in the relevant subject, or in the case of English Subject, Third Class Master degree in English with B.Ed./M.Ed/M.A Education in Second Division respectively from a recognized University or Institute. Provided that candidates not possessing B.Ed, M.Ed or M.A Education Degree shall be eligible for appointment subject to the condition that they shall acquire the professional qualification as aforesaid within 3 years from the date of taking over as Subject Specialist; failing which their services were liable to termination."

The appellant in accordance with the amended rules, improved and acquired the requisite qualification of B-Ed within the target period.

4. The Provincial Government promulgated various Regularization Acts for the regularization of Adhoc & Contract Appointees i.e. NWFP Civil Servants (Regularization of Service) Act, 1988, NWFP Employees on Contract Basis (Regularization of Service) Act, 1989 & NWFP Employees on Contract Basis (Regularization of Services) (Amendment) Act, 1990. The appellant was considering himself as regularized by virtue of the above regularization laws, however, it came to light that the respondent department have sent the post held by the appellant with requisition to the Public Service Commission for fresh appointments, hence, the appellant alongwith other similarly placed employees filed Writ Petition No. 667/1992 in the Peshawar High Court Peshawar with a prayer of his regularization in terms of the Regularization Acts. During the pendency of the Writ Petition it was objected on behalf of the Government that the appellant and others have not filed appeal to the Chief Secretary NWFP as required under Section 4 of the Regularization Act, hence the Writ Petition was dismissed as withdrawn with permission to file a fresh petition in case he does not get redress from the said forum. Although the appellant was working against the post of Subject Specialist (BPS-17) and was perfectly eligible and having the prescribed qualification but was paid the salary in BPS-15, hence, he filed a service

appeal in the Service Tribunal for the grant of pay of BPS-17 with arrear with effect from the date of his appointment and for the regularization of his services. This Tribunal allowed the relief of pay, however, arrears of pay were allowed for 3 years back from the date the Writ Petition was filed, regarding the prayer for regularization it was directed that the matter of regularization is left for the department to process the case of selection of the appellant as Subject Specialist. The Government filed appeal in the Supreme Court of Pakistan against the decision of this Tribunal. The August Supreme Court of Pakistan in Civil Appeal No. 18, 128 and 539 to 551 of 1995, dismissed the appeal of the Government and maintained the judgment of this Tribunal on the point of regularization, however, allowed and granted the claim for payment of minimum salary against the post of Subject Specialist from the date of his initial appointment. One Muhammad Riaz Subject Specialist a similarly placed employee had also filed Appeal No.92/1995 in this Tribunal. The same was allowed vide judgment and order dated 16.7.1996, however while implementing the judgment the respondent department, allowed him graded pay in BPS-17 alongwith increments against the post of Subject Specialist from 23.5.1988. He was allowed seniority against the post of Subject Specialist with effect from the date of his acquiring the prescribed qualification of the post. The said Muhammad Riaz again filed service appeal No. 649/2000, and sought seniority w.e.f 24.5.1988, however the order dated 15.2.1999 was maintained and he was held entitled to the grant of seniority from the date of his acquiring the qualification i.e 17.2.1992. Accordingly vide notification (Annexure-G) the said Muhammad Raiz was allowed seniority w.e.f 17.10.1992. On the other hand the appellant was allowed the pay with arrears of the post of Subject Specialist BPS-17 with effect from his initial appointment pursuant to the judgment of the august Supreme Court of Pakistan vide notification dated 28.5.1997. However, quite illegally attached a rider/condition that he will not claim any seniority against the post of Subject Specialist. The appellant was also granted Move-over BPS-17 to BPS-18 by the respondent department vide Notification dated 27.10.2001 w.e.f. 1.12.2000 on the recommendation of the Departmental Promotion Committee. The appellant had challenged the Notification dated 28.5.1997, wherein he was denied the claim of seniority, referred in Para 2 of the notification in Service appeal No. 2175/1997. This Tribunal vide its judgment and order dated 17.8.2004 again did not decide the matter of regularization of the appellant and directed the respondent department to settle the long standing issue of regularization of service of the appellant as per rules within a reasonable span of time, and remanded back the case to the department for necessary action. The case of the appellant with other Subject Specialists was referred to the Departmental Promotion Committee by the respondent department for regularization. Working paper was prepared to this effect by the Department. The Departmental Promotion Committee discussed the case of regularization of the appellant and held that it did not fall within

ATTESTED

NO

the purview of the DPC. It further held that the regularization may therefore, be considered by the department in light of Provincial Government policy and verdict of the courts. Again a Departmental Promotion Committee was constituted to determine/decide the regularization of the appellant and other employees. However, instead of regularization of the appellant, he was recommended for the termination from service and other employees mainly on the ground, that being an old case the record is not available. The appellant and other employees submitted a representation to the Chief Minister for the regularization of their cases and against the recommendations for termination. In accordance with the direction of the Chief Minister a summary was prepared. The Chief Minister was pleased to approve the Para 7 of the summary to the effect that the appellant and other employees be regularized with immediate effect and be placed at the bottom of the Seniority list of Subject Specialist. Instead of complying with the directions of the Chief Minister, the respondent department vide notification dated 19.3.2008 terminated the services of the appellant with immediate effect. The appellant preferred his departmental appeal to the respondents, however no action was taken thereon. The appellant had filed a Writ Petition in the Peshawar High Court against the termination order, however the Honourable High Court vide its judgment directed the department to decide the representation within 30 days. Hence, the instant appeal.

5. The respondents were summoned. They appeared through their representatives, submitted written reply, contested the appeal and denied the claim of the appellant.

6. Arguments heard and record perused.

7. The learned counsel for the appellant argued that the appellant has not been dealt with in accordance with law, he has put in about 20 years service, but was dealt within a slipshod manner, thus the order impugned is not tenable. The Notification dated 19.3.2008 is in violation of the provisions of NWFP Removal from Service (Special Powers) Ordinance, 2000. The appellant is fit and eligible to the post of subject specialist. He has at his credit the qualification prescribed for the post, even he was moved-over to BPS-18 by the DPC, he remained on the post for about two decades without any complaint whatsoever, regarding his performance, thus valuable rights have been created in his favour that cannot be snatched or taken away from him illegally. The order of his appointment cannot be rescinded, varied or withdrawn in accordance with the principles of locus pointentiae as laid down in Section 21 of the General Clauses Act, 1897. The action of the respondents is in violation of the reported judgments i.e PLD 1969 SC page 407, 1962 SCMR page 1420, 1981 SCMR 523, PLD 1964 SC 503, 1992 SCMR page 1652, 1997 SCMR page 15. promulgated for the regularization of Adhoc & Contract Appointees i.e NWFP Adhoc Civil Servants (Regularization Service) Act, 1988, NWFP Employees on Contract Basis (Regularization of Service) Act 1989 & NWFP Employees on Contract Basis (Regularization of Services) (Amendment) Act, 1990, were fully attracted to the case of the appellant. He by virtue of those legislations attained the status of regular employee, however, due to the inaction of the respondents, he was denied formal regularization order. Before termination of the appellant's service, no right of hearing was provided to him. He was not issued any show cause notice for explanation and thus the appellant has been condemned unheard. The appellant had in accordance with the amended rules of 1991 improved and acquired the prescribed qualification of B.Ed within the target period and considering his eligibility for the post he was allowed the pay and scale of Subject Specialist by the August Supreme Court of Pakistan. Thus he shall be considered as a regular employee for all intent and purposes. The notification whereby the appellant was terminated from service is in violation of the judgment of the Supreme Court of Pakistan reported in PLC 2005 (Civil Service) page 1165, NLR 2004 Service page 12, 2004 SCMR page 49, 1996 page 413 and 1996 SCMR page 1350, because there is no allegations of lacking of the requisite qualification, or complaint regarding his performance in duties. Hence, the notification impugned is liable to be set aside. The appellant has been discriminated against, because similarly placed employees have already been regularized and allowed seniority and are still in service while the appellant has been terminated from service, thus, the order impugned is not tenable on this score alone. He prayed that the impugned Notification dated 19.3.2008 may please be set aside, and the appellant may please be declared as regular employee for all intents and purposes: w.c.f the date of his appointment, and he be reinstated in service with full back wages and benefits of service.

8. The learned A.G.P argued that an advertisement was floated through open media on 03-09-1987 for filling the posts of Subject Specialist BPS-17 on temporary basis. The appellant was appointed purely on temporary basis as a stop gap arrangement in BPS-15 (on fixed pay), as per conditions mentioned in his appointment order. Due to shortage of required candidates for the appointment, the condition of B.Ed/M.Ed/M.A(Education) was relaxed, vide amendment dated 21.11.1991, subject to the condition that they shall acquire the same professional qualification within three years. The appellant was appointed on temporary basis as a stop gap arrangement on fixed pay but he could not be regularized as:

- i) He was appointed on fixed pay on temporary basis.
- ii) He did not possess the professional qualifications and experience prescribed for the post at the time of his appointment. as he was simply M.A.

Accordingly he did not fall under the purview of the Act of contract appointees, therefore, he could not be regularized. It is correct, that pay and scale of the post was given to the appellant in light of the court decision but his services were not regularized. The case of Muhammad Riaz is quite different by virtue of law points, as he was appointed against the post of SET (BPS-15) and was directed to work as Subject Specialist, therefore, could not be resembled with the case in hand. It was the matter of salary/pay and not of seniority which is crystal clear from the judgment of the Honourable Apex Court. As regard the seniority, it was concerned with regularization of the appointment as Subject Specialist, while appointment was not in accordance to the recruitment rules, therefore, he could not be considered accordingly.

9. Move-over, is neither promotion nor concerned with seniority but merely relates with the running status of salary/pay. The Tribunal rightly declined to decide the matter of regularization as the same is prerogative of the Administrative Department with the approval of competent authority. The case of appellant was referred to the DPC, but after thorough scrutiny and examination of the case, it was returned back being not a fit a case for regularization for lacking the requirements/coddle formalities as per service recruitment rules, as the Divisional Director was not competent for appointment against BPS-17 posts. The true fact is that the appellant's case was time and again processed for regularization, however after thorough examination and scrutiny the competent authority declined to regularize the same as the appointment of appellant was made in violation of merit and relevant recruitment rules, on pick and choose basis. The department being a transiting/routing media, some recommendations were made to the competent authority, while Establishment Department and Law Department treated the same as illegal and rejected the proposal of Administrative Department because the recruitments were made in violation of law and relevant Act and Rules ab-initio, accordingly the Chief Secretary being a competent authority also agreed with opinion of Establishment and Law Departments. All the proceedings have been taken per law and rules with the concurrence of competent authority. The appellant was appointed on temporary basis as a stop gap arrangement on fixed pay, hence, its case do not fall under the scope of contract/adhoc employees regularization Act, while he was not possessing the prescribed professional qualification as required under the rules. He prayed that the appeal may be dismissed.

10. The respondent department has asserted that the appointment of Muhammad Riaz, who was granted regular status was different one, however, the departmental representative present in the court, was confronted with the letter of appointment of the appellant and that of Muhammad Riaz. He candidly conceded that there is no distinction

ATTESTED

58 (60)

in their letter of appointments. A comparison of Muhammad Riaz and that of the appellant showed that the appellant's case and that of Muhammad Riaz were identical in all respects and the assertion is absolutely baseless. The respondent department has discriminated the appellant for no good reason and utter disregard of the norms of equity and justice. It is a glaring violations of the appellant's fundamental rights.

11. The learned A.G.P stressed that the appointment of the appellant was irregular and could not be regularized on account of non-observation of the recruitment rules and procedures. When he was asked who violated the rules and prescribed procedure, he had no satisfactory answer. Only a pretext which has been malafidely made the basis of an illegal action, the omission complained of was on the part of the respondent department and they cannot be allowed to benefit out of their own wrong. In any case not after 20 years. As has been held by the august Supreme Court of Pakistan in the case reported as "Secretary Government of NWFP Vs. Saadullah Khan (1996-SCMR-413). Having himself appointed the civil servants the respondents cannot take the benefits of their own lapses, if an, after considerable long time when valuable rights have been created in favour of the employees.

12. Judging the case on the touch stone of the above authorities, the respondents cannot be allowed to term the appointment of the appellant as illegal after 20 years of his service, coupled with the facts that there is no allegation of his ineligibility, incapability to perform his duties. Interestingly, in the instant case the appellant was allowed move-over from BPS-17 to BPS-18, vide order dated 27.10.2001 w.e.f. 1.12.2000 (Annexure-J with the appeal). The Hon'ble Supreme Court of Pakistan had also approved the induction as well as entitlement to B-17 graded pay.

13. The learned AGP tried to argue that the appointment of the appellant was on stop gap arrangements, however, when he was confronted with the appointment letter (Annexure-B with the appeal); it only referred to the appointment as temporary. The learned counsel for the appellant pointed out that it is an appointment for indefinite period and regular one in view of an earlier reported case "Abdul Majid Sheikh Vs. M. Ahmad, Section Officer & another (PLD-1965-SC-208). The learned counsel for the appellant has placed on file, the pay roll of the appellant which also refers to the appointment of appellant as temporary. Moreover, in the column of qualifying service, the period of his service has been given as 21 years and 11 months. The fate of a person who has put in 18 to 22 years service could not be determined just with a stroke of pen without application of mind to the material facts involved in the case, therefore, the arguments put forth by the learned AGP that the appointment was on stop gap arrangements, holds no ground. In another aspect of the case under the NWFP Civil

Servants Removal from Service Special Powers Ordinance 2000, if there is any allegation that the appointment was made on extraneously consideration, in violation of law and relevant appointment rules, then the procedure prescribed u/s 5 of the said Ordinance is to be followed. The termination order of the appellant clearly refers to the appointment of the appellant as in violation of the recruitment rules, therefore, Section 3 sub clause of the RSO 2000 was applicable and while dealing with the case of the appellant, show cause notice, constitution of the departmental inquiry was required which has not been done in this case. Therefore, the order of termination from service of the appellant is also not sustainable at this stage.

14. The upshot of the above discussion is that we accept the appeal as prayed for and set aside the impugned order of termination of the appellant dated 19.3.2008. The respondent department is directed to re-instate the appellant in service with all back benefits of service.

15. This judgment will also dispose of the other connected appeals bearing Nos. 912/2008 Abdul Hamid Butt, 913/2008 Darvesh Khan, 914/2008 Hamidul Haq, 915/2008 Ali haidar, 916/2008 Jehan Didar, 917/2008 Muhammad Amin, 918/2008 Mujtaba Khan, 919/2008 Biradar Khan, 920/2008 Sardar Ali, 921/2008 Humayun Khan, 922/2008 Humayun, Versus Chief Secretary NWFP etc, involving common question of law, in the same manner.

2. In the year 1993, Mr. Abdul Hameed at S.# 1 above filed an appeal in the NWFP Service Tribunal Peshawar to allow him pay of the post of Subject Specialist (BS-17) and to regularize his services from the date of appointment i.e 05-03-1988. The NWFP Service Tribunal decided his appeal in his favour as far as pay of the post was concerned. The court however, passed no orders for regularization of his services. The operating part of the above judgment is as under (F/B): -

(59)

"There is no dispute with respect to the legal position that a person who is working against the post is entitled to the pay thereon and thus the appellant is also entitled to the pay of the post as Subject Specialist from the date when he was adjusted as such. But the period for which he would be entitled to the pay of Subject Specialist would be reckoned upto 3 years back from the date when a writ petition was preferred in the High Court and the claim beyond that would be time barred. As regards the prayer for regularization of service, it is for the Department to process the case of selection of the appellants as Subject Specialist. The appeal is accepted in the above terms".

3. Mr. Abdul Hameed alongwith 6 others submitted appeal in the Supreme Court of Pakistan in the year 1995 against the above decision of the Service Tribunal. The Supreme Court of Pakistan after detailed discussion, made the following decision in the case (F/C): -

"In so far the claim of appellants in the above appeals with regard to their regularization against the post of Subject Specialists (BS-17) is concerned, the learned Tribunal rightly declined to grant the same as in the first instance the question of regularization of appellants against the post of Subject Specialist is to be considered by the Department. Therefore, no exception can be taken to the judgment of the Tribunal in so far it left the question of regularization of appellants against the post of Subject Specialist (BS-17) to be decided by the Department. The appeals stand disposed off accordingly, with no order as to costs".

4. Consequent upon the above decision of the Supreme Court of Pakistan, the Department allowed these Subject Specialists the minimum pay in BPS-17 alongwith increments from the date of their initial appointment vide notification No. So (S) 7-15/93/S.S dated 28-5-1997 (F/D).

5. The case was considered at different levels in the Department and remained under correspondence between this Department & Establishment Department for quite a long time of about two years. Ultimately, the competent authority/Chief Secretary NWFP decided to terminate the services of the above appointees vide Para-30 of the summary (F/E). Accordingly, the services of the above Subject Specialists were terminated vide this Department Notification No. SO (S) S&L /1-4/05- Regulation KC dated 19-3-2008 (F/F).

6. Mr. Fazal Iqbal, one of the above Subject Specialist (at S.# 2) again submitted an appeal in the NWFP Service Tribunal Peshawar in the year 2008 against his termination from service with the request that the impugned notification may be set aside and he may be declared as regular employee for all intents and purposes with effect from the date of his appointment and he may also be re-instated with full back wages and benefits of service. The Tribunal after considering its earlier judgment as well as

judgment of the Supreme Court of Pakistan and other related documents, decided the case as under (F/G) :-

"The up-short on the above discussion is that we accept the appeal as prayed for and set aside the impugned order of termination of the appellant dated 19-3-2008. The respondent Department is directed to re-instate the appellant in service with all back benefits of service.

This judgment will also dispose of the other connected appeals bearing Nos 912/2008 Abdul Hamid Butt, 913/2008 Darvesh Khan, 914/2008 Hamidul Haq, 915/2008 Ali Haidar, 916/2008 Jehan Didar, 917/2008 Muhammad Amin, 918/2008 Mujtaba Khan, 919/2008 Biradar Khan, 920/2008 Sardar Ali, 921/2008 Humayun Khan, 922/2008 Humayun versus Chief Secretary NWFP etc. involving common question of law, in the same manner"

7. Law Department vide letter No. Lit/LD/1-9 (180)E&SE/2008/12054 dated 23.12.2008 has also advised this Department that the case is not fit for filing appeal/CPLA in the Supreme Court of Pakistan (F/H). The Law Department was again requested to advise this Department on the following points:-

- i. Whether a writ petition can be filed in any Court of Law against the last judgment of the Service Tribunal?
OR
- ii. In case of otherwise, further course of action in the matter.

8. The Law Department again repeated its earlier contention vide No. Lit/LD/1-9(180)E&SE/2008/1629 dated 25-2-2009 (F/I) to implement the judgment of the NWFP Service Tribunal Peshawar dated 21-10-2008 in letter and spirit as opined by the Advocate General, NWFP.

9. In view of the above, it is proposed that:-

- i) All the above twelve Subject Specialists be re-instated in service with all back benefits of service from the date of their termination of service i.e. 19-3-2008.
- ii) The service be regularized as Subject Specialist with effect from the date of their initial appointment/officiating as Subject Specialist as per column 4 of Para-1 above.

10. The Chief Secretary NWFP/Competent Authority is requested to approve the proposal contained in Para-9 above.

FACTS

3: The brief facts are that the respondent no.4 to 14 were initially appointed on different dates in the year 1988, 1990 by the then Divisional Director Education, Malakand as SET (BPS-15) on fixed pay against the vacant posts of Subject Specialist (BPS-17) as a stop gap arrangement because they lacked the prescribed qualification vide orders dated 05.03.1988, 17.05.1988, 25.05.1988, 25.07.1988, 24.03.1990, 03.03.1988, 14.12.1988 and 13.12.1990. That the private respondents, later on approached this Tribunal for regularization of their services against the posts of Subject Specialist (BPS-17). The appeal was disposed of vide judgment dated 31.05.1994. The relevant part of the judgment is reproduced below:

appellant

"There is no dispute with respect to the legal position that a person who is working against the post is entitled to the pay thereon and thus the appellant is also entitled to the pay of the post of Subject Specialist from the date when he was adjusted as such. But the period for which he would be entitled to the pay of Subject Specialist would be reckoned upto three years back from the date when a writ petition was preferred in the High Court and the claim beyond that would be time barred. As regards the prayer for regularization of the service it is for the Department to process the case of the appellant for appointment as Subject Specialist. The appeal is accepted in the above terms."

Above judgment of the Tribunal was implemented vide notification dated

17.01.1996 clearly specifying: These orders, however, will not entitle them to claim their regularization/appointment as Subject Specialist on regular basis.

Subsequent the private respondents challenged the aforementioned judgment in the Supreme Court of Pakistan through Civil Appeals which were decided vide judgment dated 26.02.1997. The private respondents were held entitled for the pay of the post with effect from the date of appointment, while their plea for regularization against the post of Subject Specialist was not accepted. The department through notification dated 28.05.1997 implemented the judgment of the Supreme Court. Order dated 28.05.1997, was then challenged by the private

respondents before this Tribunal and was decided vide Judgment dated 17.08.2004.

The operative part of the judgment is as under:-

"In view of the above discussion, the Tribunal is not inclined to become a party and contribute to validate or to perpetuate any irregular and illegal appointment made in utter violation of rules and merit and to make any intervention with regard to regularization of service and the consequential benefits including seniority to such irregular/illegal appointees at the cost of other qualified Subject Specialists appointed on regular basis to the service on merits so far. The Tribunal as per its earlier judgments dated 31.05.1994 and 24.07.1994 upheld by the Hon'ble Supreme Court of Pakistan vide its judgment dated 26.02.1997 again directs the respondent department to settle the longstanding issue of regularization of services of the appellants as per rules in a reasonable span of time. The case is, therefore, remanded back to the Department for necessary action. This appeal alongwith other 13 appeals mentioned in para-4 above are disposed of accordingly."

Subsequently, issue pertaining to implementation of the said judgment was referred to the Departmental Promotion Committee. The issue of regularization was discussed by Departmental Promotion Committee but held that it did not fall in its purview. It was also decided that regularization be considered by the department in light of the provincial government policy and judgments of the courts. Again a departmental committee was constituted to consider the issue of regularization of services of private respondents, but instead of regularization, it recommended termination of their services due to non-availability of old record. Then a Summary was moved to the Chief Minister for regularization of services of the private respondents. Despite opposition of the Establishment Department, the Chief Minister approved the summary but was not implemented by official respondents. Later on, services of the private respondents were terminated on 19.3.2008 on account of non-observance of the codal formalities and lack of prescribed qualification at the time of appointment. The private respondents filed writ petition

in Peshawar High Court, but the courts through judgment directed to dispose of their representation within thirty days. After filing departmental appeals and on expiry of statutory period, service appeals were filed in this Tribunal. The Tribunal vide judgment dated 21.10.2008 accepted the appeal with following directions:

“The upshot of the above discussion is that we accept the appeals as prayed for and set aside the impugned order of termination of the appellant dated 19.03.2008. The respondent department is directed to reinstate the appellant in service with all back benefits of service”

Through notification dated 18.04.2009, their services were regularized. Seniority list of Headmasters/ Subject Specialists (M) (BPS-17) was revised through notification dated 10.11.2010 by placing the private respondents at the top of the said list. They were promoted to BPS-18 with immediate effect on 12.04.2011. Afterwards vide notification dated 06.11.2011, BPS-18 seniority was granted to them w.e.f 14.03.1998. Finally they got promotion to BPS-19 with immediate effect vide notification dated 21.04.2014. Tentative seniority list of BPS-19 officers was circulated for objections. Objections were regretted on 16.11.2015. Thereafter impugned seniority list was notified on 26.04.2016, and representations were preferred on 07.05.2016 but were not responded within the statutory period, hence the instant service appeal.

ARGUMENTS

4. Learned counsel for the appellant argued that respondent no. 4-14 (Private Respondents) were initially appointed as SET BPS-15(Fixed Pay) against the vacant posts of Subject Specialists (BPS-17) as a stop gap arrangement in 1998 and 1990 by the then Divisional Director Education Malakand. They approached the Service Tribunal for regularization of their services against the post of Subject Specialist (BPS-17) and vide judgment dated 31.5.1994 the Tribunal only allowed them salary of the post of Subject Specialist, while issue of regularization was left to the

administrative department. This judgment was challenged by them in the Supreme Court of Pakistan through various Civil Appeals. The Supreme Court in its judgment date 26.2.1997 held that they were entitled for the pay of the post with effect from the date of appointment, while the remaining judgment of the tribunal was upheld. Vide order dated 28.5.1997 the above judgment was implemented by the administrative department. Order dated 28.5.1997 was again challenged by the Private Respondents in this tribunal and vide judgment dated 17.8.2004 remanded the case back to the respondent no. 2 to settle the issue of regularization in view of earlier judgments of services tribunal and supreme court. Thereafter services of private respondents were terminated vide notification 19.03.2008 which was again challenged in this tribunal. The Tribunal vide judgment dated 21.10.2008 gave the following directions:

"The upshot of the above discussion is that we accept the appeal as prayed for and set aside the impugned order of termination of the appellant dated 19.3.2008. the respondent department is directed to reinstate the appellant in service with all back benefits of service."

After getting approval on the summary services of the appellant were regularized vide notification dated 18.4.2009, which is not only unprecedented but a serious departure from rules as no such direction was given by the tribunal in this regard. Vide notification dated 10.11.2010 final seniority list of Headmasters/Subject specialists (Male BPS-17) was notified by placing the private respondents at the top and wrongly shown as "directly recruited" in the relevant column. Subsequently they were promoted to BPS-18 on regular basis with immediate effect vide notification dated 12.4.2011. Similarly, through notification dated 6.11.2011 they were allowed seniority in BPS-18 with effect from 14.3.1998 illegally and against the legitimate rights of other stake holder including the appellant without any prior

notice. Finally, the private respondents were promoted to BPS-19 on regular basis with immediate effect on 21.4.2014. It may not be out of place to mention here that the tentative seniority list circulated by the respondent adversely affected the appellant but no prior notice was given. They brought their grievances to the notice of the concerned but same were rejected vide letter dated 16.11.2015. The plea taken by the respondent no. 2 was that the private respondents were granted seniority as their erstwhile juniors were promoted to BPS-18 on 4.3.1998 on regular basis in as much as the cases of the private respondents and those promoted on 4.3.1998 were altogether distinct and dissimilar; Those erstwhile juniors were appointed vide notification dated 5.12.1988 by the competent authority through a single order against the post of Subject Specialist BPS-17 and had the requisite qualification required for the above post. Private respondents were appointed as SET BPS-15 on Fixed Pay as a stop gap arrangement and they also lacked the prescribed qualification at the relevant time for BPS-17. Moreover, they were appointed by the then Divisional Director Education Malakand, who was not the competent authority for such appointments. The precedent quoted by the private respondents is not only irrelevant but also smacks of malafide on their part and to give undue advantage to the private respondents at the cost of other stakeholders. To further substantiate the claim of the appellant it is clarified that he was promoted to BPS-18 on 8.5.2000 while private respondent on 12.4.2011. Similarly, he got promotion to BPS-19 on 5.1.2009 and the private respondent was elevated to BPS-19 on 21.4.2014. Though promotion of private respondents to BPS-18 and 19 was made with immediate effect, hence, granting them seniority with retrospective effect is illegal and not sustainable in the eyes of law. Similarly, one Shams ul Hadi a colleague of private respondents was appointed on 5.3.1998 alongwith respondent no.7. Subsequently on the basis of recommendations of the Khyber Pakhtunkhwa

Public Service Commission, he was appointed as subject specialist BPS-17 on 26.9.1992. However, in the impugned seniority list the name of Shams ul Hadi is reflected at 197 while respondent no. 7 is at serial no. 5, despite the fact that he was initially appointed in BPS-15. Thus, an officer appointed in the prescribed manner has become junior most to a person who was appointed in violation of law/rules.

5. The private respondents were regularized from the date of initial recruitment though they improved the required qualification of B.Ed, as per amended service rules notified on 21.11.1991, but they acquired the prescribed qualification much after their initial appointment. There is hardly any past precedent in the department where seniority was given in such a slip shod manner. At the most seniority could be given to them from 17.10.1992 the date of acquiring the prescribed qualification. Reliance placed on the case of Muhammad Riaz Subject Specialist notified on 15.2.1999 is also irrelevant because he was given seniority with effect from the date of acquiring the prescribed qualification. It is also a well-established fact that ever since the start of litigation in 1994 this Tribunal as well as the supreme court of Pakistan did not allow seniority to the private respondents from the date of initial appointment and the same was also denied by respondent no. 2 except the last judgment of this tribunal where facts were twisted in their favor and seniority with retrospective effect was granted in violation of rules. Reliance was placed on case law as reported in 1998 PLC (C.S) 976, 2007 PLC(C.S) 311, PLD 1991 Supreme Court 226, 1982 SCMR 877, PLD 1991 Supreme Court 35, PLD 1991 Supreme Court 82, 2010 PLC(C.S) 946, 1986 SCMR 2007, 1985 SCMR 1201, 1991 SCMR 2216 and 1982 SCMR 408.

summary their services as Subject Specialist were regularized/notified vide order dated 18.04.2009 with all back benefits from the date of initial appointment. It is a sufficient proof that they were rightly appointed against the above post. This order was never challenged by the appellant. They were rightly placed at the top of the seniority list of BPS-17 notified in 2010. Even they did not challenge their antedated promotion. The appellant also failed to challenge the seniority list of 2013. Seniority list was issued according to law and rules. Shams ul Hadi stood junior as he was appointed in BPS-17 in 1992, while respondent no.7 was regularized from the date of initial appointment i.e 1988. Though private respondents no. 4 to 14 were promoted to BPS-18 with immediate effect they filed departmental appeal against the said order seeking seniority from the date their juniors were promoted. On acceptance of appeal due place was assigned to them in the seniority list.

7. Learned Additional Advocate General relied on the arguments advanced by the Learned Counsel for respondent no.4 to 14.

CONCLUSION.

8. Careful perusal of record reveals that private respondent no. 4 to 14 were initially appointed as SET (BPS-15) (fixed pay) against the vacant post of Subject Specialist (BPS-17) as a stop gap arrangement, because they lacked the required qualification in 1988 and 1990 by the then Divisional Director Education Malakand, who otherwise was not competent to make such appointments. On the other hand the appellant was appointed in 1986 in the prescribed mode and manner. There was consistency and unanimity of opinion in the earlier three rounds of litigation between appellant and private respondents. The moot point in these judgments was that they were only entitled for the graded pay of the post of Subject Specialist,

while the issue regularization was left to the department for decision. Even on a summary moved by the respondent no. 2 for regularization of services of respondents no. 4 to 14 was opposed tooth and nail by the Establishment Department. Though the then Chief Minister, Khyber Pakhtunkhwa overruled the observations and accorded approval, but it was not acted upon by the official respondents. It was also an illegal act having no legal backing. If the Chief Minister had the powers to regularize services of the employees then why from time to time regularization acts were passed by the Provincial Assembly of Khyber Pakhtunkhwa? As their appointment was not made on adhoc/contract basis, so it did not fall in the category of adhoc/contract employees, hence their services were not regularized under various Acts passed by the provincial Assembly from time to time. They also did not fulfill other conditions laid down in these Acts for regularization. Even principle of assigning seniority after regularization has been laid down in these acts. On account of non-observance of codal formalities and lacking prescribed qualification at the time of appointment, finally the services of private respondents were terminated on 19.03.2008. This decision was challenged in the Tribunal. The Tribunal in its judgment dated 21.10.2008 accepted the appeal with following directions:-

"The upshot of the above discussion is that we accept the appeals as prayed for and set aside the impugned order of termination of the appellant dated 19.03.2008. the respondent department is directed to reinstate the appellant in service with all back benefits of service"

As a sequel to above judgment their services were regularized from the date of initial appointment vide notification dated 18.04.2009, which is not only unprecedented but a serious departure from rules, as no such directions were given by the Services Tribunal in its aforementioned judgment. It is quite strange that whether that Tribunal can over ride the judgment of Supreme court of Pakistan? The

respondents owe an explanation on this score alone. Appellant was not made a party in appeal no. 970/2008 so judgment dated 21.08.2008 cannot alter their status. Moreover, on 18.04.2009 while private respondents were in BPS-17, the appellant was in BPS-19 since 05.01.2009. Attention is also invited to para-9 of the judgment referred to above, the learned members of the Division Bench observed that Tribunal rightly declined to decide the matter of regularization as it was the prerogative of the Administrative department. It merits to mention here that Section-5 of Civil Servant Act, 1973 deals with appointment and is reproduced below:

“Appointment to a civil service of the province or to a civil post in connection with the affairs of the Province shall be made in the prescribed manner by the governor or by a person authorized by the Governor in that behalf.”

Appointment in the prescribed manner has been adequately explained in APT Rules, 1989. Similarly seniority was assigned to them in utter violation of Section-8 of Civil Servant Act, 1973 read with Rule-17 of APT Rules-1989. It is well settled principle that seniority in a cadre is always assigned from the date of regular appointment. As the post of Subject Specialist falls in the purview of Khyber Pakhtunkhwa Public Service Commission, so regularization through executive order is beyond comprehension. They were promoted to BPS-18 with immediate effect vide notification dated 12.04.2011 in accordance with the instructions of the Provincial Government. It may not be out of place to mention here that appellant was promoted to BPS-18 on 08.05.2000, while private respondents on 12.04.2011. Similarly, he got promotion to BPS-19 on 5.1.2009, while the private respondent was elevated to BPS-19 on 21.4.2014. Being in BPS-19, the appellant did not challenge the final seniority list of BPS-18 on 01.01.2014. Though promotion of private respondents to BPS-18 and -19 were made with immediate effect, hence, granting them seniority with retrospective effect is in contravention of relevant instructions contained in promotion policy notified by the provincial and principles

laid down for determination of seniority up on promotion in invogue rules. Afterwards seniority in BPS-18 was granted to them w.e.f. 14.03.1998 vide notification dated 21.04.2014. At that time the private respondents were in BPS-15 (personal BPS-17) while the appellant was in BPS-18 since 18.05.2000. It is a clear manifestation that appellant was senior to them. It was an illegal act having far reaching repercussions on the career of other stake holders including the appellant. No prior notice was given before revising the seniority list. So far as the issue of grant of seniority to the private respondents on the analogy of their erstwhile junior who were promoted to BPS-18 on 04.03.1998 on regular basis is concerned, it is not a fit case for drawing parallel between the two. These erstwhile juniors were appointed vide notification dated 15.12.1982 while private respondents were appointed as SET (BPS-15) on fixed pay as stop gap arrangement and also lacked the prescribed qualification for the post of Subject Specialist. As such the precedent quoted by the private respondents is not only irrelevant but also speaks of malafide on their part by doling out undue favour to them at the cost of those who were appointed in the prescribed mode and manner.

Similarly, one Shams-Ul-Hadi a colleague of private respondents was appointed on 5.3.1998 alongwith respondent no. 7. Subsequently on the basis of recommendations of the Khyber Pakhtunkhwa Public Service Commission he was appointed as subject specialist BPS-17 on 26.9.1992. However, in the impugned seniority list the name of Shams UHadi is reflected at S. no. 197 and respondent no. 7 is at serial no. 5 despite the fact that he was initially appointed in BPS-15. Thus, an officer appointed in the prescribed manner has become junior most to a person who was appointed in violation of law/rules. Reliance placed on the case of Mohammad Riaz, Subject Specialist has least relevancy with that of private

respondents. It was notified on 15.02.1999 and given seniority with effect from the date of acquiring prescribed qualification.

10. Upshot of the above discussion is that impugned seniority list was firmed up in blatant violation of Section-8 of Khyber Pakhtunkhwa Civil Servant Act, 1973 read with Rule-17 of Khyber Pakhtunkhwa Civil Servants (Appointment, Promotion and Transfer) Rules 1989, hence, illegal, perverse, against the norms of justice and not sustainable in the eyes of law/rules.

11. We are constrained to accept the appeal and impugned order dated 24.04.2016 and 07.05.2016 are set aside. Parties are left to bear their own cost. File be consigned to the record room.
