27.01.2022

Petitioner in person present. Muhammad Adeel Butt, Addl. AG alongwith (Sajid ADEO) for the respondents present.

The information bearing No. 8453 dated 27.01.2022 as required vide order dated 21.01.2022 has been produced which is duly signed by DEO (M) Noshera and placed on file. The same is accompanied by different appointment orders after Notification dated 06.12.2012 and a tentative seniority list of Class-IV in District Nowshera. The Opening Sheet contains breakup of the sanctioned post with reference to prescribed Quotas. It is deemed useful to copy the said breakup herein below:-

<b>Total sanctioned junior Clerk Seats</b>	<b>=</b>	<b>111</b>
<b>Total Already Filled Posts prior to 2012</b>	<b>=</b>	<b>11 Filled</b>
<b>through 100% deceased/medical sons quota</b>	<b>=</b>	<b>81</b>
<b>Remaining seats.</b>	<b>=</b>	<b>19</b>
<b><u>Break up according to appointment/promotion rules, 2012</u></b>		
<b>Seats filled by open/direct recruitment.</b>	<b>=</b>	<b>10</b>
<b>Seats filled by 33% C-IV promotion quota.</b>	<b>=</b>	<b>06</b>
<b>Remaining vacant seats.</b>	<b>=</b>	<b>03</b>

**The remaining vacant seats will be filled through deceased/open in the next DSC meeting according to rules.**

Break up captioned in the information as copied above is erroneous as far as apportionment of quota in the given manner is concerned. According to the said break up 111 sanctioned posts of the Junior Clerk have been shown out of which 11 posts are shown to have been filled prior to 2012 when 33% quota for Class-IV employees was provided in recruitment for the post of Junior Clerk vide notification dated 06.12.2012, copy whereof as annexed with the information is available on file. So, excluding the said 11 posts out of 111 posts, 100 posts of Junior Clerk were available when 33% quota for promotion of Class-IV servants was provided for their promotion to the post of Junior Clerk. If the 33% quota is worked out on 100 posts so available at the time of said notification, the posts against the said Quota comes to 33 in number. On the other hand, the seats so for filled as per information under discussion against 33% Class-IV

servants promotion quota are 06. So, it is not difficult to infer that 27 posts for the purpose of said quota have not been filled by promotion of the Class-IV servant after 2012. On the other hand, the respondent department has shown 81 posts to have been filled through 100% deceased/medical Sons Quota vide different orders copy whereof are annexed with the information and tabulated as under:-

Coming to the legal position, it is apt to observe that view of the respondents as to 100% quota for sons of deceased/medically invalidated government servants is highly mistaken. The right of appointment in case of in-service death of a government servant has been given to one of the children of such government servant or alternatively to their wife(s) under sub rule (4) of Rule 10 of the Khyber Pakhtunkhwa Civil Servants (APT) Rules, 1989 and in view of 3<sup>rd</sup> proviso to said sub rule, the appointment is subject to availability of a vacancy. The appointment under sub rule (4) for all its intents and purposes

is an appointment by initial recruitment with exception of the requirements of sub rule (2) of Rule 10 ibid. The appointment for the purposes of sub rule (4) or in case of children of medically invalidated government servants in no manner is viable to be made by utilization of the vacancies falling in any other prescribed quota other than quota of initial recruitment. The respondents wittingly or unwittingly ignored the quota reserved for promotion of Class-IV servants in the post of junior clerks and have wrongly used 27 vacancies of junior clerks out of 33 falling to their quota for appointment of children of in-service deceased persons and medically invalidated government servants. Therefore, it has become incumbent upon the respondents to divert 27 posts from the quota of initial recruitment to the quota prescribed for promotion of Class-IV government servants and make promotion of eligible class-IV government servants on such posts as and when they become available. For the time being, 03 vacant posts of junior clerks have been shown as per information reproduced above. /The respondents are directed to make appointment of petitioner Ibrahim Khan and other namely Abdur Rahim the petitioner in Execution Petition No. 42/2018 on 02 posts out of 03 vacant posts through Departmental Promotion Committee. /The remaining one vacancy and vacancies falling in the quota of initial recruitment becoming available henceforth shall not be filled by initial recruitment until the remaining quota for promotion of Class-IV government servants in the respondent department stands satisfied. The respondents are also directed to submit final report of vacancies of junior clerks under control of the District Education Officer (Male & Female) Noshehra with a certificate to the effect that no such vacancy was concealed. To come for implementation report on 10.03.2022.

Pakhtunkhwa Service Tribunal Rules, 1974 and its rejection is inevitable. However, the case of the appellant in view of his previous litigation is required to be reconsidered for further proceedings in execution of the previous order dated 27.10.2017 passed in Service Appeal No. 305/2014. I am mindful of the fact that the petitioner himself requested for consignment of the execution petition in pursuance of his desire to file the present appeal but this Tribunal is vested with power under Rule 27 of the Khyber Pakhtunkhwa Service Tribunal Rules, 1974 to make such order as may be necessary for the ends of justice. It seems that the execution petition No. 42/2018 as filed by the present appellant was got consigned to the record room vide order dated 30.12.2019 because of some misunderstanding or miscomprehension of the scope of the order under execution. The order dated 27.10.2017 passed in Service Appeal No. 305/2014 is still intact and its execution is possible having regard to its letter & spirit. In order to delineate the scope of the executable part of the said order, it is observed that the respondents were directed thereby that they should calculate the quota of promotees in accordance with the prevalent rules at different stages and then they should consider all those who are eligible and fit for promotion at different stages. The spirit of the said order is very much clear that it was aimed at calculation of the quota of the promotees for the relevant posts and to grant them promotion after determination of their eligibility and fitness for promotion at different stages. So it was required on part of the department to demonstrative the compliance of the said order that they should have brought the Working Paper before the Tribunal showing the number of posts available in the quota of the promotees for the relevant posts and then to show whether the petitioner in the execution petition was

Then in 2018, the appellant filed an Execution Petition No. 42/2018 in Appeal No. 305/2014 for implementation in which the respondents submitted an implementation report. A Copy of this Tribunal's order has been annexed with the said comments. According to titled page of Appeal No. 305/2014 annexed with the order dated 27.10.2017 the prayer in the said appeal was also the same rather verbatim as now in the present appeal and copied above. There is an order dated 30.12.2019 which was passed in execution petition No. 42/2018. According to the titled page of the execution petition as available alongwith certified copy of the said order, the same was filed seeking the implementation of the order dated 27.10.2017 passed in appeal No. 305/2014 by this Tribunal. According to contents of the said order the then learned counsel stated before the Tribunal that after passing of the judgment under implementation another seniority list was issued by the respondents wherein juniors to the petitioner were allocated positions senior to him. Therefore, desire of the petitioner to pursue legal remedy available to him on account of seniority list was pressed into service with the request for consigning the execution proceedings to the record room with the reservation of his rights as stated above. Consequently, the execution proceedings were consigned to the record room with liberty to the petitioner to proceed against the seniority list or any other instruments whereby his service rights were adversely affected.

As far as the prayer in the present service appeal as copied above and in the previous service appeal decided vide order dated 27.10.2017 are concerned, the same are indistinguishable and main contesting parties are also the same. Therefore, the present appeal with the same prayer, having already been adjudicated upon is not maintainable within the meaning of Rule 23 of the Khyber

Appeal no 760/2020

18.01.2022

Counsel for the appellant and Mr. Kabirullah Khattak, Addl. AG for the respondents present. Preliminary arguments have been heard and record perused.

The appellant has invoked the jurisdiction of this Tribunal with the prayer as copied below:-

*"On acceptance of this appeal, the respondents may be directed to consider the appellant for promotion to the post of Junior Clerk under 33% quota fixed by the Government from his due date/availability of fund with all consequential benefits or any other remedy which this august Tribunal deems fit and appropriate that may also be awarded in favour of appellant."*

The appeal was filed on 31.01.2020 and is still going through the course of preliminary hearing. According to the proceedings reflected in order sheet dated 23.12.2020, pre-admission notice was given to the respondents. Therefore, they are in attendance through learned AAG. Private respondents also entered in proceedings through their counsel. In different order sheets, request for adjournment for submission of the written reply has been reflected but no order sheet reflects as to submission of the comments, while parawise comments on behalf of respondents No. 1 & 2 are available in the file. It is asserted vide para-4 of the said comments that the appellant had already filed an appeal No. 303/2014 asking the same relief in which final order was issued by the Tribunal on 27.10.2017 with the decision that the respondents should calculate the quota of the promotees in accordance with the prevalent rules at different stages and then they should consider all those who are eligible and fit for promotion at different stages.

Instant execution proceedings are consigned to record. The petitioner shall, however, be at liberty proceed against the seniority list or any other instruments, whereby, his service rights have been adversely affected, in accordance with law.

Subject: APPOINTMENT AGAINST DECEASED EMPLOYEES' CHILDREN QUOTA

Dear Sir,

I am directed to refer to the subject noted above and to say that sub-rule (4) of Rule-10 of the NWFP Civil Servants (Appointment, Promotion and Transfer) Rules 1989 provides that notwithstanding the procedure prescribed in sub-rule (2), the appointing authority may appoint one of the children of a deceased civil servant, who died during service, to a post in any of the basic Pay- Scale No. 1 to 15; provided that the child possesses the minimum qualification prescribed for appointment to the post. The appointment, as aforesaid, shall be subject to the availability of a vacancy and if two or more vacancies in different pay scales are available at a time, and the child possesses the qualifications, which make him eligible for appointment to more than one post, he shall ordinarily be appointed to the post carrying higher pay scale.

2. It has however been observed that the provision of these rules are not being followed strictly. The Competent Authority has therefore directed that cases of recruitment against the quota reserved under Rule-10 (4) of N.W.F.P. Civil Servants (Appointment, Promotion and Transfer) Rules 1989 may be made without delay if vacancies are available.

3. All concerned are requested to ensure application of Rule 10(4) of the NWFP Civil Servants (Appointment, Promotion & Transfer) Rules 1989 in letter and spirit.

Yours faithfully,

*Thakur*
