JUDGEMENT

MIAN MUHAMMAD , MEMBER:- Transfer order issued by respondent

No.2 dated 18.07.2019 and decision on his departmental appeal by the appellate  
Authority dated 27.08.2019 have been challenged under Section-4 of the Khyber  
Pakhtunkhwa Services Tribunal Act, 1974 and the same is before us for  
adjudication.

FACTS.

02. Brief facts of the case leading to the institution of instant service appeal, are  
that in pursuance of the directive of Chairman Steering committee (Deputy  
Commissioner Buner) an order dated 09.06.2018, was issued by respondent No.2

(District Health Officer, Buner) where-under all kind of general duties were cancelled and the staff were directed "to report to their original post: within 03 days." Based on the said directive, the appellant reported for duty and submitted arrival report on 27.06.2018 to private respondent No.3 (Dr. Nadir Khan, MO BHU Gagra, District Buner) to assume/take over charge against his original post as medical Technician. However, private respondent No.3 did not accept his arrival and as a result of that the appellant submitted an application/complaint dated 12.07.2018 to Deputy Commission, Buner. The application/complaint of the appellant was thoroughly investigated through Additional Assistant Commissioner Gagra who submitted his enquiry report on 28.09.2018. Based on the said enquiry report, the appellant was transferred from BHU Gagra to BHU Toorwarsak vide impugned office order dated 18.07.2019. The appellant submitted departmental appeal against the impugned order on 07.08.2019 to respondent No.1 (DG health). Consequent upon which vide letter No. 14588/AE-VI dated 27.08.2019 respondent No.2 was directed to release salary to the appellant and start disciplinary proceedings against the official for disobedience under Khyber Pakhtunkhwa Government Servants (Efficiency and Discipline) Rules 2011, hence, the instant service appeal before the Services Tribunal filed on 02.09.2019.

03. We have heard arguments of the parties and gone through the case file with the assistance of learned counsels for the parties thoroughly.

#### **ARGUMENTS.**

04. Learned counsel for the appellant while addressing his arguments contended that the appellant complied with the order dated 09.06.2018 and reported for duty at

BHU Gagra which was his original post. However, private respondent No.3 did not allow him to take over the charge and that action was illegal, unlawful and unjustified. The appellant therefore, having no option but to report the conduct of private respondent No.3 to Deputy Commissioner, Buner with the request to conduct enquiry in the affairs of BHU Gagra. On his application and subsequently submission of the enquiry report there on, all the staff members in conflict and who remained at loggerhead with each other, were recommended for transfer out of BHU Gagra. However, only the appellant was made scapegoat and transferred to BHU Toorwarsak vide impugned office order dated 18.07.2019 leaving rest of the staff i.e private respondent No.3 to 6 to continue at BHU Gagra. This act on part of respondent No.2 is unlawful and discriminatory and has been issued in violation of constitution as well as norms of service. The impugned order dated 18.07.2019 is therefore, based on malafide, illegal, without lawful authority and jurisdiction, void ab-initio and ineffective upon the rights of the appellant, may graciously be set aside.

05. Learned counsel for private respondents No. 3 to 6 rebutted and argued that contention of the appellant is incorrect on the ground that his original post of medical Technician was not at BHU Gagra but BHU Charorai. He referred to office order dated 16.07.2015 where-under the appellant had been transferred from BHU Gagra to BHU Charorai and it was also an outcome of the enquiry report against him. So, conduct of the appellant was responsible for his transfer to BHU Charoria under proper enquiry conducted against him in 2015 on a complaint of the former Medical Officer BHU Gagra dated 29.05.2015. It was further contended that transfer order, in pursuance of the inquiry report of Additional AC, Gagra, was also

issued in respect of private respondent No.3 and 4 but the same having been issued by other than the competent authority was subsequently cancelled allowing them to continue with their present assignments and place of duty.

06. Learned Assistant Advocate General argued and contradicted the contention of learned counsel for the appellant on the ground that the office order dated 18.07.2019 was issued in pursuance of directive to cancel general duties of all kinds and the appellant was not discriminated upon but treated at par with other officials. There was no ill will or political interference behind issuance of such order which was an administrative expediency and management for better and effective service delivery. As the appellant has submitted his arrival in new place of posting and station i.e BHU Toorwarsak, therefore, the instant service appeal becomes infructuous. Moreover, the appellant is liable to serve anywhere under Section-10 of the Khyber Pakhtunkhwa Civil Servants Act, 1973 and he has no right to claim for a particular post and station of his choice. The appeal has therefore, no merit and is liable to be dismissed.

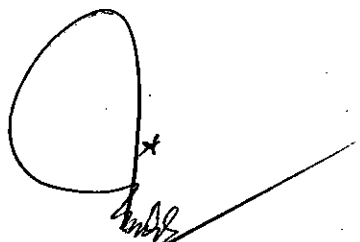

**CONCLUSION.**

07. It transpires from record that the appellant was transferred under the impugned order dated 18.07.2019 from BHU Gagra to BHU Toorwarsak as a result of an enquiry conducted by Deputy Commissioner Buner where he has assumed/taken over charge as Medical Technician. Even before that he had been transferred from BHU Gagra to BHU Charoria on 16.07.2015 on the basis of complaint of the then Medical Officer /Incharge, BHU Gagra for his reported misbehavior and misconduct. The track service record of the appellant is not

impressive to appreciate him rather it is full of negative remarks, complaints and enquiries. It is also observed that medical profession being considered as a noble field for look after of ailing humanity, is practically involved in act of maneuver for choice posting/transfer to serve personal interest rather than to be dedicated to the noble cause and profession they chose. It is a classic example of professional antagonism and the appellants as well as private respondent No.3 to 6 seem to have been at loggerhead for reason best known to them. The service appeal in hand does not hold ground as per available facts, circumstances and ground realities; the same is therefore dismissed. Parties are left to bear their own costs. File be consigned to the record room.

Counsel for the appellant Hamsher Khan present. Preliminary arguments heard. It was contended by learned counsel for the appellant that the appellant was serving as PHC Technician (MP) BPS-12 in BHU Gagra in Health Department.. It was further contended that the appellant submitted application to Deputy Commissioner District Bunir for conducting inquiry against respondents No. 3 & 4 on 12.07.2018 and on the basis of which the inquiry committee was constituted and inquiry was conducted and inquiry officer submitted his inquiry report dated 28.09.2018. It was further contended that the appellant was transferred from BHU Gagra BD-6277 to BHU Toorwarsak BD-6265, vide ID Code No. 80025454 vide order dated 18.07.2019 on the basis of said application on administrative grounds. It was further contended that the appellant filed departmental appeal on 07.08.2019 to Director General Health Khyber Pakhtunkhwa Peshawar and instead of accepting departmental appeal the departmental authority directed the DHO Buner to start disciplinary proceeding in the light of disobedience under E&D Rules 2011 vide letter No. 14588/AE-IV dated 27.08.2019 therefore, the appellant filed the present service appeal. It was further contended that the appellant has not completed his normal tenure of two years in the BHU Gagra but the respondent-department has transferred him before completion of his normal tenure from BHU Gagra to BHU Toorwarsak and also said order was passed due to application submitted by the appellant on administrative grounds therefore, the impugned order is illegal and liable to be set-aside.

The contention raised by learned counsel for the appellant need consideration. The appeal is admitted for regular hearing subject to all legal objections. The appellant is directed to deposit security and process fee within 10 days thereafter, notices be issued to the respondents for written reply/comments for 02.12.2019 before S.B at Camp Court Swat.

**INQUIRY AGAINST MEDICAL OFFICER, MEDICAL TECHNICIAN**  
**BHU, GAGRA**

**Introduction**

In pursuance of Deputy Commissioner Buner directions on the face of an application submitted by Mr. Hamsher Khan, Medical Technician, BHU Gagra dated 19-01-2018, the undersigned has been appointed to conduct inquiry and submit findings within one week.

The undersigned summoned all the stakeholders including DR. Nadar Khan, incharge BHU Gagra, Mr. Hamsher Khan, Medical Technician(MT) BHU Gagra, Mr. Amir Nawaz, Medical Technician BHU Gagra and Mr. Ali Rehman Medical Technician BHU Gagra to personally appear before the undersigned on 26-09-2018. They recorded their statements in the subject inquiry and were crossed examined in light of record. Dr. Tariq, DDHO represented the office of District Health Officer Buner and provided assistance as and when required.

**Brief History of the Case**

Mr. Hamsher Khan, MT BHU Gagra submitted an application to the honorable Deputy Commissioner, Buner on 12-07-2018, requesting for redressed of the following irregularities:

- ✓ a. That despite of clear cut orders from the Competent Authority (DHO, Buner), the M.O I/C BHU Gagra did not accept his arrival report and refused to allow him to mark his presence in the attendance register.
- ✓ b. That after his posting orders, Mr. Ali Rahman, MT was not relieved to report to his previous station of duty i.e. BHU Bagh, KhaduKhel.
- ✓ c. That Dr. Nadir Khan I/C BHU Gagra remained absent from duty w.e.f 26-06-2018 to 11-07-2018 without any approval from the Competent Authority and marked his attendance in the register thereafter.
- ✓ d. That Mr. Amir Nawaz, MT BHU Gagra mostly attends all the patients and maintains the treatment register, which is against the rules.

The inquiry was initially assigned to Dr. Azmat Wazir, AC Dagggar, but he could not submit findings due to his visit abroad. Aggrieved by the delay, the applicant/ complainant once again met with the Deputy Commissioner, Buner and requested for speedy disposal of the inquiry. The worthy DC, Buner was pleased to direct the following on the face of the application.

**ATTESTED**  

"Dr. Azmat, AC Gagra is on leave. In the interest of justice and speedy disposal, inquiry is handed over to Mr. Latif, AAC Gagra. He is directed to submit findings within one week".

Brief Facts of the Case

- 19 06
1. Upon the recommendation of IMU health and directions of the Chairman District Steering Committee on Health (DC, Buner), the DHO Buner issued an office order dated 19-09-2018, whereby all kinds of General Duties were cancelled and all officers/officials working as such were directed to report to their original posts within 03 days (Annex -A) Mr. Hamsher, MT, who was then working on general duty at DHQ, Buner, was accordingly relieved by MS DHQ daggar on 23-06-2018 (Annex-B) and he reported to BHU, Gagra to join his original post. But the I/C M.O (Dr. Nadir Khan) did not accept his charge assumption despite verbal and written directions of the DHO, Buner. Dr. Nadar presented the following grounds for refusal of his arrival:
    - a. That Mr. Hamsher, MT has had a lose moral character and he was posted out to BHU Chanorai on the recommendations of inquiry conducted against him in 2015 (Annex-C)
    - b. That he was posted to RHC, Deewana Baba and should assume charge there (Annex-D)
  2. Mr. Hamsher, MT in his application claims that BHU Gagra was his original post and after the cancellation of general duty orders, he should have been allowed to assume charge there. This claim also does not hold water, as he was posted to BHU Chanorai On the recommendation of inquiry committee in 2015. The post of MT is not restricted to any particular BHU, but rather they can be posted anywhere in the District. Similarly, his claims for spouse policy also cannot be considered as spouse policy does not take effect in intra-district posting. He also transgress his authority by enlisting his name in the attendance register and marked attendance without approval of the Incharge of BHU Gagra.
  3. Similarly, Dr. Nadar Khan who was posted from District Chitral vide Health Department's notification dated 28-12-2017 (Annex-E) was then posted at BHU Gagra against the vacant post on 01-01-2018. Later on he was also given additional charge of the post of Additional EPI Coordinator /Incharge ACD/DMU on 01-03-2018 by the DHO Buner. Due to this reason he mostly remained in DHO office, while Mr. Amir Nawaz / MT used to attend all the patient in his absence. I personally inspected

**ATTESTED**

BHU Gagra twice during this time and the issue of non availability of Doctor, locking of his room and attendance register was brought into the notice of the then DHO Buner, but unfortunately no remedial action was taken. Dr. Nadir Khan should also have accepted the arrival report of Mr. Hamsheer MT being issued by the competent authority i.e DHO Buner. 20

### Observation/findings.

This case is a classic example of mismanagement, mal-administration, political interference, violation of merit and lack of accountability in the office of DHO Buner. Conflict in a workplace is unavoidable. The ability to recognize conflict, understand the nature of conflict and to be able to bring swift and just resolution to conflict, is true leadership. Putting one's head in the sand and hoping that conflict will pass you, is not the most effective methodology for problem solving. Conflict does not resolve itself—in fact it escalates if not dealt with proactively and properly. Unresolved conflicts often result in poor service delivery.

The cancellation of General Duty order was used for promotion of personal interests and posting cronies in the desired places. The non-availability of doctor at BHU Gagra and attending of patients by M.T was highlighted by me and the IMU monitors many a times, but no remedial action was taken.

There is also some elements of politic involved in the instant case. Mr. Hamsheer MT is supported by the local JI leadership; while both Dr. Nadar and Amir Nawaz, MT are backed by ANP. Both the parties want to retain their influence in the area by placing their favorites in the BHU Gagra. In fact, this issue has become a bone of contention between them. Transferring all of them from their current positions would ensure transparency, accountability and better discipline in future.

### Recommendation

1. The DHO Buner may be directed to ensure merit, free play, non interference of politics and strict check and balance in the subordinate offices. Timely and prompt action should be taken, rather than lingering the issue, against all those who challenge the authority, violate discipline and use their official status for promotion of Political interests.

2. Dr. Nadir Incharge BHU Gagra may be strictly warned to ensure his timely attendance, improve his dealings with sub-ordinates and perform duties efficiently and diligently.

  
**ATTESTED**

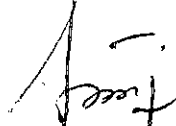

3. Mr. Hamsher MT may also be warned to avoid un-necessary entanglement in petty issues , respect and obey the orders of high ups and focus on efficient disposal of his responsibilities.

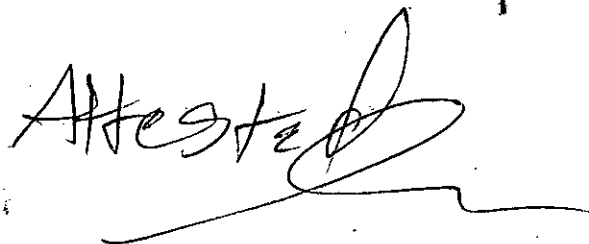

21

3. All the stakeholders involved in the instant case may be posted out from the current places of duties i.e. BHU Gagra.

3. Therefore on the arrival in the BHU Gagra. Dr.Nadar Khan told Mr.Hamshir Khan to report for arrival a day after so that to aware myself from the real cause of your transfer from DHO Office. But being a guilty and accused of serious enquiry Mr.Hamsher Khan insisted and rushed for spontaneous arrival ignoring the verbal direction of MO Incharge he enrolled his name in the *Annexure C* attendance register forcefully without acceptance arrival by the MO Incharge. *F Annexure D*
4. Meanwhile keeping the health administration (DHO)out of scene, he complaint to the DC Buner to directed DHO to conduct inquiry against him

though enquiry against him was conducted on the basis of immoralities with LHW.

During this duration Mr.Hamshir once again threatens the MO Incharge for serious consequences if the charge of LHW programme was not given to him .so on the complaint of the MO Incharge Mr.Hamshir Khan was transferred to RHC Dewana Baba on administrative ground once again, but rather than obeying this order he once again approached to the DC Buner through political Means. *Annexure D*

District Health Officer Buner.  
Team leader Merlin Buner.

Subject, Request for disciplinary action on Bad conduct ,misbehave, disobedience and threats of MT Hamsher of BHU Gagra district Buner .

Sir,

It is to state that the above subjected official was found involved in some suspicious activities of bad conduct since long , evident by my own daily observation, community complaint and repeated verbal reports of BHU staff, which cannot be explained at this level due to some traditional reasons of deserved and religious community.

Being MO/IC the said above official was called and advised sympathetically at my office in privacy and in detail with the evidences in my knowledge, he was advised to leave up these bad conduct and unaffordable activities/behavior.

But in response of the above proper correspondence what he did is that, he went out of control and replied as a mad person and threaten me as follows ,

- "I will do everything which I would like and no one can forbid me and cannot change my present working position and I know each thing what is good and what is bad.
- I will blame you in community that you are abusing me to provide some female to you.
- I will hurt myself for getting self induced fracture of bone and will register FiR in police department against you.
- I will arrange a press conference and will blame your involvement in sexual harassment.
- I will create law and order situation in the BHU and will not allow you to perform your duties "

It is further added that during talking his language was extremely harsh and his body language was full of terror . which shows the severity of the matter.

Respected Sir ,

It was too shocking for me as I was in sympathy with him and such a reaction was out of my expectation from him and which cleared my mind further to the root cause of his involvement and his bad conduct.

Refusal from changing his present working position (as trainer to Lady Health Workers) is another evidence of his concerns. Further detail is not good as I have mentioned above.

Being a responsible head of BHU so for I could handle my staff I did it to some extent but still facing some difficulties because of the behavior he made, which is not forgettable for me, and action and reaction could be repeated any time and my counter action may also be consider in future.

It is therefore requested in the light of above statement that disciplinary action may please be taken against Mr Hamshir MT of BHU Gagra, which in my opinion may be his immerliate transfer so that I can run the routine activities of my institute (LHWs program, EPI and OPD) freely and smoothly in the best interest of public services and may please be followed by his suspension order, enquiry and charge sheet,

He may be charge sheeted for the following,

1. Bad conduct on his loose character evident by me, the community and staff of BHU Gagra.
2. Misbehave on his harsh speaking and terroristic body language.
3. Disobedience on refusing to change his working position in BHU.
4. Threats as discussed above.

I hope that this request may please be honored as serious public issue but not as my Personal conflict, and it is first attempt to report my subordinate to the higher authorities For disciplinary action, but the behavior of the above official compelled me to do so.

Copy to

- Director General health services KPK Peshawar for information and necessary action please.
- Deputy Commissioner Buner for information and necessary action please.
- District Police Officer Buner for information and with the request to watch the activities of Hamshir medical technician of BHU Gagra Buner to avoid any violence in future please.

----- Respondent

Respectfully Sheweth;-

Preliminary objection;

1. That the petitioner has got no locus standi or cause of action against the replying respondents to file petition.

3. That the petition is based on mollified seeking to impose his unjustified and illegal demand against the lawful authority of the respondents .....
4. The due to concealment of martial fact & mis-statement petition is liable to be dismissed.

PARA WISE COMMENTS ON BEHALF OF RESPONDENTS

On Facts:

1. Mr. Hamshir Khan MT was transferred from BHU Gagra to BHU Charorai vide Office Order No:TL-BN/0705, dated:16-7/2015 on base of inquiry report. The inquiry was launched after the complaint of the then Medical Officer Incharge of BHU Gagra, Dr.Saeed Ur Rehman. On dated:29-05-2015. The base of the inquiry was the Misbehavior, Disobedience and Threats to the concerned Doctor. *Annexure A*
2. Before this transfer Mr.Hamshir Khan has been transferred many times by various DHOs and numbers of explanation have been called form him due to his bad services record, non cooperation and non compliance administration issues copies of the transfer order are attached herewith for ready reference. *Annexure B.*
3. Therefore on the arrival in the BHU Gagra. Dr.Nadar Khan told Mr.Hamshir Khan to report for arrival a day after so that to aware myself from the real cause of your transfer from DHO Office. But being a guilty and accused of serious enquiry Mr.Hamsher Khan insisted and rushed for spontaneous arrival ignoring the verbal direction of MO Incharge he enrolled his name in the attendance register forcefully without acceptance arrival by the MO Incharge. *Annexure C*  
*F Annexure B*
4. Meanwhile keeping the health administration (DHO)out of scene, he complaint to the DC Buner to directed DHO to conduct inquiry against him

though enquiry against him was conducted on the basis of immoralities with LHW.

During this duration Mr.Hamshir once again threatens the MO Incharge for serious consequences if the charge of LHW programme was not given to him .so on the complaint of the MO Incharge Mr.Hamshir Khan was transferred to RHC Dewana Baba on administrative ground once again, but rather than obeying this order he once again approached to the DC Buner through political Means. *Annexure D*

5. During the leave tenure of Dr.Nadar Khan , Mr.Hamshir Khan Once again started signature (making attendance register). Which is clear. *Annexure*
6. Mr.hamshir Khan exchanged very harsh words with Mo Incharge Dr.Nadar Khan complained to the undersigned, on the same complaint the transfer order of Mr.Hamshir Khan MT was once again issued from BHU Gagra to BHU Toorwarsak, for the sake of solution of problems and smooth running of the institution business.
7. I transfer Mr.Hamshir Khan for keeping the prestige of the institution and administration of facility. Moreover after complaint of Mr,Hamshir Khan MT I called upon MO Incharge to my office for personal hearing. But he was reluctant to serve with in BHU Gagra in presence of Mr.Hamshir Khan. He also complaint to DGHS against my order, I block his salary and but on the direction of DGHS the salary was released. In the last, I would like to say that he is most disobedient official of the health department as clear from the service and track record. Now he is not serving anywhere and taking the salary by unfair means.
8. He is totally reluctant to obey the orders and do not arrival in BHU Toorwarsak (His new station of duty) furthermore he is wandering in my office without any reason report is submitted in your honor.

Subject, Request for disciplinary action on Bad conduct, misbehave, disobedience and threats of MT Hamsher of BHU Gagra district Buner . .

Sir,

It is to state that the above subjected official was found involved in some suspicious activities of bad conduct since long, evident by my own daily observation, community complaint and repeated verbal reports of BHU staff, which cannot be explained at this level due to some traditional reasons of deserved and religious community.

Being MO/IC the said above official was called and advised sympathetically at my office in privacy and in detail with the evidences in my knowledge, he was advised to leave up these bad conduct and unaffordable activities/behavior.

But in response of the above proper correspondence what he did is that, he went out of control and replied as a mad person and threaten me as follows,

- "I will do everything which I would like and no one can forbid me and cannot change my present working position and I know each thing what is good and what is bad.
- I will blame you in community that you are abusing me to provide some female to you.
- I will hurt myself for getting self induced fracture of bone and will register FIR in police department against you.
- I will arrange a press conference and will blame your involvement in sexual harassment.
- I will create law and order situation in the BHU and will not allow you to perform your duties "

It is further added that during talking his language was extremely harsh and his body language was full of terror . which shows the severity of the matter.

Respected Sir ,

It was too shocking for me as I was in sympathy with him and such a reaction was out of my expectation from him and which cleared my mind further to the root cause of his involvement and his bad conduct.

Refusal from changing his present working position (as trainer to Lady Health Workers) is another evidence of his concerns. Further detail is not good as I have mentioned above.

(6)

Being a responsible head of BHU so for I could handle my staff I did it to some extent but still facing some difficulties because of the behavior he made, which is not forgettable for me, and action and reaction could be repeated any time and my counter action may also be consider in future.

It is therefore requested in the light of above statement that disciplinary action may please be taken against Mr Hamshir MT of BHU Gagra, which in my opinion may be his immediate transfer so that I can run the routine activities of my institute (LHWs program, EPI and OPD) freely and smoothly in the best interest of public services and may please be followed by his suspension order, enquiry and charge sheet, He may be charge sheeted for the following,

1. Bad conduct on his loose character evident by me, the community and staff of BHU Gagra.
2. Misbehave on his harsh speaking and terroristic body language.
3. Disobedience on refusing to change his working position in BHU.
4. Threats as discussed above.

I hope that this request may please be honored as serious public issue but not as my Personal conflict, and it is first attempt to report my subordinate to the higher authorities For disciplinary action, but the behavior of the above official compelled me to do so.
