JUDGMENT

ATIQ-UR-REHMAN WAZIR MEMBER (E):-

Brief facts of the case are

that the appellant was appointed as Primary School Teacher (PST) vide order dated 28-02-2019 and the appellant assumed the charge of his duty. Appointment order of the appellant was withdrawn vide order dated 09-03-2019 and respondent No. 6 was appointed in his place. Feeling aggrieved, the appellant filed departmental appeal, which was rejected vide order dated 10-05-2019, hence the instant service appeal

with prayers that the impugned orders dated 09-03-2019 and 10-05-2019 may be set aside and the appellant may be re-instated in service with all back benefits.

02. Learned counsel for the appellant has contended that the impugned orders are against law, rules and natural justice as the appellant was appointed by the competent authority after observance of due process of law, but while withdrawing his appointment order, no chance of defense was offered to the appellant to clarify his stance and it is a well settled legal proposition that any irregularity, whatsoever, if committed by the appointing authority itself, appointee could not be harmed or damaged. Reliance was placed on 2009 SCMR 663; that the principles of Audi alturm partum has grossly been violated and on this score alone, the impugned orders are liable to be set at naught. Reliance was placed on 2011 PLC (C.S) 1651; that the appellant has been removed from service through an alien procedure which is not known to law and rule applicable to the civil servants; that the impugned order of withdrawal of the appointment order of the appellant and appointment of respondents No. 6 in his place is illegal and result of mala fide on part of the respondents; that the appellant could not be removed from service as he had neither obtained such appointment through fraudulent means nor through any misrepresentation, rather the respondents had appointed the appellant after approval and recommendation of the departmental selection committee; that legal procedure was not adopted, which resulted into refusal of chance to defend his cause, which is contrary to the norms of natural justice; that the appellant has not been treated in accordance with law applicable to the civil servants, hence the impugned orders are against the spirit of prevailing law and rules; that duration of obtaining secondary and higher secondary qualification as well as inter board co-ordination committee (IBCC) qualification in respect of respondent No. 6 are at the same time duration, which was required to be verified by the appellate committee as to how respondent No. 6 had obtained such qualifications at one time; that respondent No. 6 applied to the post on BISE qualification and accordingly his merit position was low than the

appellant but after conclusion of the whole process, the IBCC qualifications were considered at a belated stage by the respondents, which is violation of clause-8 of the advertisement, which provides that no changes would be admissible in documents after cutoff date.

03. Learned Assistant Advocate General for official respondents has contended that the appellant was appointed against the post of PST vide order dated 28-02-2019 and he took over charge and performed his duty in GPS Mirzakai for only three days; that after declaration of result and selection of candidates, respondent No. 6 submitted an appeal that he is also holding qualification of IBCC exam of "Shahadat-us-Sanwia Khassa" and "Shahadat-us-Sanwia Aama", therefore IBCC equivalent marks may be considered in his favor instead of Board of Intermediate and Secondary Education (BISE) marks; that on BISE marks the merit score of respondents No. 6 was 102.06 but after consideration of his IBCC equivalent marks, his score raised to 107.06, hence the score of respondent No. 6 stood higher than the appellant whose score was 106.28 and he was the last candidate, hence appointment of the appellant was withdrawn and respondent No. 6 was appointed in his place; that the appellant has been treated in accordance with law and his appointment order was withdrawn due to lower marks than respondent No. 6.

04. Learned counsel for respondent No. 6 has contended that as per clause-6 of terms and condition of the appointment order dated 28-02-2019, it has been very clearly mentioned that if any meritorious candidate is deprived of appointment by this order, the appointment order of the lowest candidate in merit shall be withdrawn on acceptance of the appeal and adjustment order will be reviewed accordingly as per merit; that the appointment order of the appellant was withdrawn by the competent authority after hearing the appeal of respondent No. 6, who had higher marks than the appellant, but due to non consideration of equivalency certificate issued by IBCC at the time of appointment, respondent No. 6 was placed low in merit position and when his IBCC marks were considered, the merit position raised and he was

considered for appointment in place of the appellant; that it is undisputed that IBCC qualification are equivalent to BISE qualification, hence calculating marks of respondent No 6 on such qualification is not illegal.

05. We have heard learned counsel for the parties and have perused the record.

06. Record reveals that District Education Officer Buner advertized posts of PST with prescribed qualification of Bachelor Degree, but with no mention of any equivalent qualification. Besides other, the appellant as well as respondent No. 6 applied for the post. Appellant was the last selected candidate in order of merit amongst the selected candidates obtaining 106.28 marks, whereas respondent No 6 being the leftover candidate had obtained 102.06. Respondent No. 6 submitted an appeal to the appellate committee requesting therein that the he is also holding qualification of IBCC exam of "Khassa" and "Aama" and his marks in Khassa and Aama are higher than SSC and FA qualification, therefore IBCC Aama and Khassa marks may be considered instead of Board of intermediate and secondary education(BISE) marks. The appellate committee considered his request and his marks were re-calculated based on his IBCC qualification, which raised his marks to 107.06, thus the appointment letter of the appellant being the last candidate in order of merit in the selected candidates was withdrawn and respondent No. 6 was appointed in his place.

07. We have observed that in the first place, there is no mention of any equivalent qualification in the advertisement made for the purpose, but equivalent qualifications in respect of respondent No 6 were considered for calculation of his merit and that too after issuance of appointment order to the appellant, which was not warranted. It is undisputed that IBCC qualifications are equivalent to BISE qualifications, but such qualifications were not required as per advertisement, hence calculation of his merit on such documents would be illegal. Had the intention of concerned department been to appoint candidates having qualification equivalent to

IBCC, it would have stipulated the same in the advertisement, but non-mentioning of such fact in the advertisement meant that only those candidates were required who had (specific) qualification as laid down in the advertisement and deviation from the dictates published in the advertisement amounts to illegality. Reliance is placed on 2014 PLC (C.S) 39 and PLJ 2014 Lahore 670. Respondent No-6 initially applied on SSC, HSSC and Bachelor degree, but was not selected due to his low merit position, which necessitated him to submit his IBCC qualifications to the appellate committee, whereas the appellate committee re-considered his marks based on equivalent qualification, which raised his merit position and the appellant, who was already appointed and who had also assumed his duty, was removed which procedure is nowhere mentioned in the service rules and which also is negation of their own terms and conditions published in the advertisement. It was also noted that both the qualification of SSC, FA and equivalent IBCC qualifications were obtained by respondent No. 6 in the same time period, which could not attract attention of the appellate committee to verify such point, but which certainly creates doubts, as to how one can get equivalent qualification in the same time period, but now it would be futile to dig out such issue, as the respondent No. 6 has also developed vested rights over the post, upon which he served for two and half years and he also shall not suffer for fudge of the respondents. It is otherwise a question of common sense that qualification of Khassa and Aama are not specific for the subject post and mere its equivalency with SSC and FA does not mean that it can be taken interchangeably when it was not specifically required as prescribed qualification. Placed on record is an advertisement, through which the subject recruitments were held, Clause-8 of the advertisement provides that no changes would be admissible in educational documents after the cutoff date, but documents of respondent No. 6 were changed even after announcement of result and issuance of appointment orders. Placed on record is another advertisement for District Abbottabad, which clearly mentions in its terms and condition that no marks will be considered for qualification of Khassa and Aama, which means that the marks considered for respondent No. 6 on account of

such qualification was not in accordance with their own terms and conditions framed for such recruitment and when prescribed procedure is not followed by the concerned authority, the civil servant could not be blamed for what was to be performed and done by the competent authority, rather competent authority should be held responsible and liable for the lapses on their part. Reliance is placed on 2004 SCMR 303. We have also noted that appointment order of the appellant was neither illegal nor contrary to any provision of law nor issued by an incompetent authority, in a situation, respondents had no authority to withdraw such appointment arbitrarily. Reliance is placed on 2011 MLD 1494 and PLJ 2013 Peshawar 132(DB). It is a well settled law that before withdrawal of such order, appointing authority must adopt proper course to hold a full-fledged inquiry, which however was not done in case of the appellant. Reliance is placed on 1993 SCMR 603. In the present case the appellant applied for the post concerned, was selected, appointed and order was communicated to the appellant, in consequence whereof he joined duty, such order of appointment, which had taken legal effect, was not amenable to withdrawal. Reliance is placed on 2011 PLC (CS) 1651.

08. We are of the considered opinion that the appellant has not been treated in accordance with law as he was deprived of his rights accrued to him by considering irrelevant marks of respondent No. 6, thus injustice was done to the appellant, hence the impugned order dated 09-03-2019 is liable to be set aside. On the other hand, the same principles as discussed above, would equally be required to be applied in favor of respondent No. 6, as he has already developed vested rights over such post and to deprive him of his post, would be contrary to the principles already laid down in case of the appellant as discussed above, hence in order to meet the ends of justice, the instant appeal is accepted, impugned orders dated 09-03-2019 and 10-05-2019 stands set aside and appointment order dated 28-02-2019 in respect of the appellant is hereby restored with all back benefits. Appointment order of respondent No. 6 cannot be withdrawn for follies of the official respondents,

hence respondents are further directed that respondent No.6 shall be adjusted upon occurrence of vacancy. Parties are left to bear their own costs. File be consigned to record room.

Rejoinder in Appeal No 734/2019

Saidul ibrar.....petitioner

Vs

District education officer and others.....respondents

Rejoinder to the comments of respondents.

Following replication/rejoinder is submitted on behalf of Appellant:.

Preliminary objections

1. Preliminary objection no 1 is incorrect. The respondents has committed an illegality by withdrawing the appointment order of the appellant from service hence the only remedy was to prefer an appeal before this worthy tribunal.
2. No material has been concealed from the honorable court. The objection is without any factual and legal base.
3. The objection is without any legal base hence denied.
4. As per Para no 1.
5. The objection has no legal foundation.
6. Preliminary objections no 6 is without any legal base hence denied.

Facts

1. Para no 1 of the appeal has been accepted by the respondents hence needs no reply.
2. Para no 2 of the appeal has been accepted by the respondents hence needs no reply.
3. Para no 3 have been admitted by the official respondents however the period of duty of the appellant have wrongly been mentioned by the respondents on malafide intention .
4. Admitted by the respondents hence need no reply.

5. Para no 5 of the appeal is correct and reply thereto is legally unsound and based on fallacious opinion of the respondents. sanad of amma and khasa are irrelevant for the subject post and could not be used for merit purpose. More over these document have neither been filled before the cut up date mentioned in the advertisement nor mentioned in the NTS form, hence on this score also the same may not be legally considered but the respondents with malafide intention and under political and back stair influence thrown the appellatant from service and appointed the private respondent in total derogation of law and rules.
6. The stance taken in Para no 6 of the comments is factually and legally incorrect and it will disturb the whole appointment process if sanad of amma and khasa are allowed for merit purpose because large number of candidates in the same appointment process do possess such sanads and will become meritorious if there sanads are considered. More over this illegal and alien process was adopted only for private respondent Mr rokhtaj khan and the department was not going to adopt this procedure for other candidates having these sanads despite the fact that they also claimed so. moreover in later appointment process they specifically excluded such sanads which show that only this single private respondent was illegally benifitted which is clear example of approbation and reprobation.
7. Para no 6 of the appeal is correct.

Grouns

1. Ground no 1 of the appeal is correct and reply thereto is wrong in law and facts.
2. Ground no 2 of the appeal is correct and reply thereto is without any legal and factual base.
3. Ground no 3 of the appeal is correct and reply thereto is without any legal and factual base. detail reply has been given in para no 5 of the rejoinder on facts.
4. As per the preceding para.

5. Para no 5 of the appeal is correct and reply thereto is misconceived
6. Para no 5 of the appeal is correct and reply thereto is misconceived
7. Need no reply.

It is therefore kindly prayed that the appellant may kindly be re-instated in service with all back benefits and the appointment order of the private respondent may kindly be set-aside as he do not possess meritorious position then the appellant.
