That a joint statement u/s 164 CrPc was recorded by the complainant & abductor where they showed satisfaction about innocence and non-involvement of the detainer/officer/inspector in the matter. They also marked no objection on their part release/acquittal in the bid case. That on the ground of compromise/joint statement, cited in the preceding Para, a Performance-B was drafted by DPP office on the ground "to prosecute or not prosecute the case" which was properly responded with steady observations by the Head of Investigation, Mardan. It is noted that the other detainer officials worked as a team (NST) who remained under no acute command of the detainer/inspector in contributed proportionally in commission of the alleged offence of abduction.

RECOMMENDATION:

In light of the foregoing observations, the undersigned as enquiry officer is of the view that the detainer/inspector Abdul Baseer allegedly kept the abductor merely a legal adviser/employee and thereafter demanded RS.02, not from his family/brother a legal professional in lieu of his release.  
The detainer/inspector Abdul Baseer (MR/142) is hereby held guilty of offence mentioned, recommended for major penalty under the Police Rules-1975, if agreed.

**MEMORANDUM:**

The accused named above stood charged vide FIR No. 81 Dated 04.08.2022 U/S 365-A PPC/15-AA, of Police Station Sheikh Maqsood Town, Mardan & faced their trial before this court.

Brief facts of the case leading to trial of the instant case are that on 23.07.2022, Muhammad Rafiq (*complainant*) reported the matter regarding missing of his brother namely Wahab, to the local police to the effect that his brother was working in Saudi Arabia as a Contractor and about 6/7 months prior to the occurrence he had come to Pakistan, that on the day of occurrence i.e. 27.07.2022, his brother Wahab along with one Kamran s/o Muhammad Shah, at about 18:00 hrs. were going towards main Bazaar from Gulshan Town in his vehicle RIVO of black color bearing registration number 99 and when they reached near the Nadra office, Ring Road, Gulshan Town, in the meanwhile a motorcar VLI of black color bearing registration number KGF-648 came there from which one person in a black uniform boarded while three other persons were sitting inside the vehicle who were in police uniform having enquired that the said persons searched his brother in their vehicle while the vehicle of his brother

was handed over to Kamran by stating him that one of the police officials will sit with him, on this, Kamran took away the vehicle of his brother. In the meanwhile, his brother Wahab made a call from his mobile number 0315-5770004 to one Zia-ur-Rehman on his mobile number 0349-5482187 and told him to take his vehicle RIVO as the said Zia-ur-Rehman was present in the vicinity of Gulshan Town. That he was inquiring about his brother Wahab, that they have got no enmity or ill-will with anyone and do not know as to why and for what purpose his brother has been abducted. His report was reduced into writing in the shape of Naqal Mad No.22 dated 28.07.2022, upon which an inquiry was initiated during the course of which the instant FIR (EX P. ) was registered against the accused facing trial.

After completion of investigation, complete challan against the accused on bail namely Abdul Baseer, Sabir Ali, Arif Khan, Raj Wali, Waseem Abbas and Muhammad Jalal was submitted before this court for trial. On receipt of the challan, all the accused on bail were summoned who turned up and provisions of S.265 (c) Cr.PC complied with against them. The accused facing trial were formally charge sheeted on 10.11.2022 to which they pleaded not guilty and claimed trial.

Trial commenced and the prosecution was allowed to produce their evidence, and they produced six (6) PW's when in the meantime, learned defence counsel moved an application u/s 265-K Cr.PC for acquittal of the accused, notice whereof given to the State/complainant.

Mr. Asad Ali Advocate, learned defence counsel contended that the accused facing trial have been falsely and maliciously involved in the instant occurrence, that the material available on the record is not sufficient to reasonably connect the accused facing trial with the alleged offence, that the PW's produced till date have made contradictory statements belying each other testimonies, that the accused facing trial have got no previous history of involvement in any such like activities, that the alleged abductee has not been recovered from the clutches of any of the accused facing trial rather he himself had come to the PS. Further argued that, the accused facing trial have not confessed the alleged guilt before any competent court of law, that from the

statements of PW's and the material available on the record, the instant case has allegedly been concocted against the accused facing trial & recording of further evidence will be sheer wastage of precious time of this Hon'ble Court, therefore, at this stage, the accused facing trial may kindly be acquitted by invoking the provisions of S. 265-K Cr.PC.

On the other hand Mr. Alam Zeb learned St. PP for the State strongly opposed the stance of defence counsel and contended that the accused facing trial are involved in a heinous offence and are directly charged by name in the FIR for the abduction of one Wahab—brother of the complainant, that the 9mm pistol used in the commission of the offence has also been recovered, that the voice call recording through which the demand for ransom was made is also available on the record in the shape of USB, while the prosecution has not completed their evidence and it would be unjust to cut off the prosecution evidence at half way and prayed for the rejection of application at this stage of the case and requested for completion of evidence.

Arguments already heard and case file perused.

In this scenario, the statements of the star witnesses would be crushed out in order to find out the truth into the matter. The relevant portion of cross examination, of the star PW's is reproduced hereunder:

Admittedly, the complainant (PW3) in his report has not charged anyone for the commission of the offence nor has he recorded supplementary statement regarding charging of the accused facing trial nor is he an eye witness of the occurrence as admitted by him in his cross examination. Furthermore, the abductee examined as PW4, stated in his cross that they have not paid any ransom amount to the accused facing trial, further stated that he has not mentioned any source through which he came to know about the names of the accused facing trial as well as no identification parade was conducted in his presence. The inquiry officer namely Ali Afsar ASI was examined as PW5, who in his cross stated that the occurrence took place of 27.07.2022 while the report was made on 28.07.2022 and the FIR was registered on 04.08.2022, further stated that he has not obtained the CDR mobile data of the accused facing trial and on the other hand admitted that there is no connection of any of the accused facing trial with the complainant party in the CDR mobile data available on the file, further stated that the abductee had himself come to the PS and had not stated

anything about the accused at the time of his recovery. IO of the case namely Muneer Khan SI examined as PW6, stated in his cross that no recovery has been effected from the possession of any of the accused facing trial, further stated that no identification parade of the accused facing trial was conducted through the abductee before any court, further admitted that according to the CDR mobile data available on file there is no contact in-between the complainant party and the accused party, further admitted that he has not recorded the supplementary statement of the complainant in respect of charging of the accused for commission of the offence.

So far as the voice call recording of the accused with the complainant, saved in the USB (EX P-1), is concerned, the same was not subjected to forensic Analysis to ascertain its authenticity, hence the same cannot be relied upon. Furthermore, the 9mm pistol in the instant has also not been recovered from the possession or on the pointation of any of the accused facing trial as is evident from the record as well as the statement of the IO recorded as PW6.

Moreover, according to the statements of the complainant as well as the abductee, they have satisfied themselves regarding the innocence of the accused facing trial and have effected compromise with them and hence do not want to pursue the case against all the accused facing trial anymore.

Here I would like to take a glance at the provision of section 265-K Cr.PC, which is meant to prevent the rigours of a prolong trial when it is apparent from the available record that there is no probability of conviction of the accused, as in the case in hand, a plain reading of the provisions of S. 265-K Cr.PC shows that there is no embargo placed on the powers of the trial court to acquit the accused at any stage, which would be necessary in view of the Legislature, meaning even on the first date of hearing when the accused enters appearance, subject of course, to the condition that the trial judge was satisfied on the basis of material placed before him, that the charge was groundless or that there was no possibility of ultimate conviction of the accused.

The ingredients of S. 265-K Cr.PC are reproduced as under:

"S.265-K Cr.PC, empower the court to acquit accused at any stage. Nothing in this chapter shall be deemed to prevent a Court from acquitting an accused at any stage of the case, if, after hearing the prosecutor and the accused and for the reason to be recorded, it considers that there is no probability of the accused being convicted of any offence".

Resultantly, it is concluded that there is no probability/possibility of conviction of accused facing trial in this case, so in order to save the precious time of the court and to save the accused from unnecessary agony of trial even if the remaining evidence is recorded, and in light of the aforementioned discussion, I, while exercising my powers conferred U/S 265-K Cr.PC hereby acquit all the accused facing trial named above of the charges levelled against them by extending them the benefit of doubt. They are on bail, their bail bonds stand cancelled and sureties are absolved of the liabilities of bonds.

Case property be kept intact till the expiry of the period of Appeal/Revision.

File be consigned to Hon'ble Peshawar High Court Peshawar U/S 25(2) ATA 1997.

ORDER.

This order will dispose-off the departmental appeal preferred by Ex-Inspector Abdul Basir of Mardan District Police against the order of District Police Officer, Mardan, whereby he was awarded major punishment of dismissal from service vide OB: No. 35 dated 04.01.2023. The appellant was proceeded against departmentally on the allegations he while posted as In-charge Narcotics Eradication Team, Mardan was placed under suspension on account of illegal arrest and keeping one Wahab resident of Parachinar, presently Gulshan Town Sheikh Maltoon (Mardan) in unlawful custody and then demanded Rs. two Crore as illegal gratification from his (Wahab) brother namely Haji Rafiq for his release. Subsequently, a case vide FIR No. 303 dated 04.08.2022 U/S 365-A-PPC/15-AA has also been registered against the delinquent officer at Police Station Sheikh Maltoon.

To ascertain the real facts, Proper departmental enquiry proceedings were initiated against him. He was issued Charge Sheet alongwith Statement of Allegations and the then Acting Deputy Superintendent of Police, Headquarters, Mardan was nominated as Enquiry Officer. The Enquiry Officer after fulfilling codal formalities submitted his findings report to District Police Officer, Mardan concluded therein that the allegations regarding keeping the abductee namely Wahab in unlawful custody and thereafter demanding Rs. two Crore as illegal gratification from his (Wahab) brother on the part of delinquent officer have been established, therefore, recommended him for major punishment.

The delinquent Officer was heard in Orderly Room on 21.12.2022 by the District Police Officer, Mardan during which he couldn't provide any cogent reason in his defense, therefore, issued him a Final Show Cause Notice to which his reply was received and found unsatisfactory.

In the light of above, the District Police Officer, Mardan awarded him major punishment of dismissal from service as he also remained involved in illegal activities of corruption, which brought a bad name to entire Police force in the eyes of general public.

Feeling aggrieved from the order of the District Police Officer, Mardan, the appellant preferred the instant appeal. He was summoned and heard in person in Orderly Room held in this office on 09.02.2023.

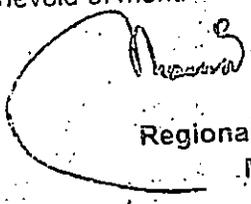

From the perusal of the enquiry file and service record of the appellant, it has been found that allegations leveled against the appellant have been proved beyond any shadow of doubt. Moreover, the involvement of appellant in these heinous

41

criminal cases is clearly a stigma on his conduct. Hence, the retention of appellant in Police Department will stigmatize the prestige of entire Police Force as instead of fighting crime, he has himself indulged in criminal activities. Moreover, he could not present any cogent justification to warrant interference in the order passed by the competent authority.

Keeping in view the above, I, Muhammad Ali Khan, PSP Regional Police Officer, Mardan, being the appellate authority, find no substance in the appeal, therefore, the same is rejected and filed, being devoid of merit.

Order Announced.
